[1]Students who transfer with 30 or more hours or are readmitted will replace Southeastern 101 with 2 hours of electives.
[2]Must be from the same language.
[3]Concentration electives (15 hrs.) must be selected from the following courses: CHEM 105, CJ 101, CJ 201, CJ 207, CJ 302, CJ 353, CJ412 (or SOC 412), GBIO 407, ZOO 332.
[4]Must be selected from Visual Arts, Music, Theater or Dance.
[5]Must be selected from Econ, Geog, Anth, Poli, Psy, or Soc. One course must be at the 200 level or above.
†All Chemistry courses labeled with this symbol will be used to calculate the major grade point average which must be a 2.00.
††Chemistry core curriculum course; grade of "C" or better required. This course will be used to calculate the major GPA which must be a degree 2.0.
*Only Chemistry courses taken as Concentration Electives will count toward the major GPA.
