

Department of Biological Sciences Seminar Series
Southeastern Louisiana University
Fall 2012

All seminars are held on Thursday at 4pm in Meade Hall Room 112 unless otherwise indicated.

- 23 Aug ***Dispersal of a tropical rainforest bird in a fragmented landscape.***
Dr. Stefan Woltmann
Renewable Natural Resources, Louisiana State University.
- 6 Sept ***From stream to sea: investigations of species and population level variation.***
Dr. Mollie Cashner
Department of Biological Sciences, Southeastern Louisiana University
- 11 Oct ***Models, genomes, and trees: Bayesian studies of phylogenetics.***
Dr. Jeremy Brown <http://www.phyleaux1.lsu.edu/>
Department of Biological Sciences, Louisiana State University.
- 18 Oct ***Allergenicity and proinflammatory potential of uncharacterized airborne fungi.***
Dr. Felix Rivera-Mariani
Bloomberg School of Public Health, John's Hopkins University
- 25 Oct ***Phylogeography and molecular systematics of Dispholidine snakes.***
Dr. Thomas Eimermacher <http://www.uta.edu/faculty/ensmith/thomas>
Department of Biology, Amphibian & Reptile Diversity Research Center
University Texas-Arlington
- 8 Nov ***TBA ... Neurobiology ... alcohol dependence & stress disorders***
Dr. Nicholas Gilpin
http://www.medschool.lsuhsu.edu/physiology/faculty_detail.aspx?name=gilpin_nicholas
Department of Physiology, School of Medicine, Louisiana State University
- 15 Nov ***TBA ... Toxic diatoms ... harmful algal blooms ... coastal ecosystems***
Dr. Sibel Bargu Ates <http://www.ocean.lsu.edu/bargu.shtm>
Department of Oceanography and Coastal Sciences, Louisiana State University
- 29 Nov ***TBA ... Plasmodium-host interactions ... malaria vaccine development***
Dr. Ahmed Aly http://tulane.edu/publichealth/tropmed/copy-of-faculty_aly.cfm
School of Public Health & Tropical Medicine, Tulane University
