_____	_____	_____	_____	_____	_____
_____	_____	_____	_____	_____	_____

¹Must select any 15 hours from the following courses: †CHEM 404, ECON 201, ACCT 200, ENGL 321, PHIL 313, MGMT 232, POLI 201, POLI 202, POLI 401, POLI 406, or POLI 436.
²Must be from the same language.
³Math 161 and 165 may be used as electives for those students whose Math ACT score is insufficient for direct entry into Math 200.
⁴Must be selected from Visual Arts, Music, Theater or Dance.
⁵Must be selected from Econ., Geog., Anth., Poli., Psyc. or Soc.
 †All Chemistry courses labeled with this symbol will be used to calculate the major grade point average which must be a 2.00.
 *Only Chemistry courses taken as Concentration Electives will count toward the major GPA.
