

Getting to the Library Webpage to Do Basic Search

The screenshot shows the Southeastern Louisiana University website in Microsoft Internet Explorer. The browser's address bar displays <http://www.selu.edu/>. The website's header features the university's name, "SOUTHEASTERN LOUISIANA UNIVERSITY", in a green banner. Below the banner is a navigation menu with links for "ABOUT SOUTHEASTERN", "ACADEMICS & RESEARCH", "ADMINISTRATION", "LIBRARY", "NEWS & MEDIA", and "ATHLETICS". A white arrow points to the "LIBRARY" link. To the right of the navigation menu is a "Keyword Search" box with a "GO" button. The main content area is divided into several sections: "FUTURE STUDENTS" with links for degree programs, admission, and campus life; "CURRENT STUDENTS", "FACULTY & STAFF", "ALUMNI & DONORS", and "COMMUNITY & VISITORS"; and "NEWS & EVENTS" with recent news items. A central image shows two students in a recording studio, with a text overlay that reads "Learning Up Close My favorite job...Ever! >>". Below the news section are promotional buttons for "APPLY NOW!" and "Request your Admissions Packet >>". To the right are promotional boxes for "Saturday 3rd Spring Game" and "math course changes". At the bottom of the page, there is a "CONTACT US" section with links for "CAMPUS MAP", "SEARCH & DIRECTORIES", "BLACKBOARD", "LEONET", and "WEBMAIL", along with a "Quick Links" dropdown menu and a "GO" button. The Windows taskbar at the bottom shows the Start button, several open applications including "Inbox - Microsoft Outlook" and "Southeastern Louisia...", and the system clock displaying "9:12 AM".
