E-Mail Request Form

We would like to update our parent e-mail addresses so that school reminders, newsletters, etc. may be sent through this means of communication. Please complete the form below and return it to the school.

Please do not assume we have your e-mail address because we have had it in the past. We delete our data base at the end of each school year and create a new one for the current school year. However, if you do not have an e-mail address or would prefer not to receive correspondence in this manner, your child will receive important information in paper form as well.
