

SLU Lab School

Fourth Grade Summer Reading List

Students enrolled at Southeastern Louisiana University Lab School for the 2009-2010 school year are REQUIRED to read two (2) of the books from this list during the summer. During the FIRST week of school, each child will take an Accelerated Reader test on the books he or she has read. These tests will be counted as grades in reading for the first six weeks grading period.

We suggest that your child not begin reading these required books until mid July so that he or she will remember the facts and details at the beginning of the school year for the test.

Students must choose books from the *specific titles* listed below.
