

Study Abroad/Study Away Student and Professor Agreements

During our study abroad/study away program, we will experience a variety of locations, topics, and perspectives. To maximize the opportunities afforded by this program, the following agreements will be upheld while abroad/away. Upholding these agreements will help to ensure that we take full advantage of the experience, interact respectfully with individuals from our host country, and represent Southeastern Louisiana and your instructor well. Failure to uphold these agreements will result in academic penalties and/or lost program privileges at the discretion of your instructor and other students in the program.
