No Hazardous Substances shall be disposed of on, in, under or about the Mortgaged Property. The Mortgagor shall not cause or permit the migration of Hazardous Substances from the Mortgaged Property to any other property or onto the Mortgaged Property from any property or area adjacent to the Mortgaged Property. The Mortgagor shall at all times comply with all applicable Environmental Requirements and shall immediately correct any matters discussed in all notices of violations of Environmental Requirements prior to the issuance of any regulatory or judicial order or assessment of any fines. In the event that the Mortgagor undertakes remedial action with respect to any Hazardous Substances on, under, above, or about the Mortgaged Property as set forth in clauses (i) and (ii) above, the Mortgagor shall immediately notify the Mortgagee of any such remedial/response action, and shall conduct and complete, or cause a sublessee to conduct and complete such remedial/response action in compliance with all applicable Environmental Requirements and in accordance with the orders and directives of all federal, state, and local Governmental Authorities having jurisdiction.

Mortgaged Property of any Hazardous Substances or any violations of any Environmental Requirements arising out of acts or omissions of the Mortgagor, or the Board, or their agents, tenants, occupants, employees, or contractors. To the extent of such indemnity, Losses indemnified against specifically shall include costs incurred in connection with (i) any investigation or monitoring of site conditions; (ii) any clean up, containment, remediation, removal, or restoration work required or performed by any federal, state, or local Governmental Authority or performed by the Mortgagor, the Board or any other Person because of the presence, storage, use, disposal, transportation, discharge, or release or threatened release of any Hazardous Substances on, in, from, under, or about the Mortgaged Property, and (iii) any claims by third parties for Losses due to the presence, storage, use, disposal, transportation, discharge, or release or threatened release of such Hazardous Substances or the cleanup, containment, remediation, or removal thereof.

6. The indemnity provisions contained in this Section 5.9 shall survive the payment of the Obligations and the cancellation of this Mortgage.

The Mortgagor will not change its name, identity, federal tax identification number or corporate structure in any manner unless it shall have given the Mortgagee and the Bond Insurer at least thirty (30) days' prior written notice thereof. The Mortgagor will not change the location of (i) its chief executive office or chief place of business, or (ii) the locations where it keeps or holds any Collateral or any records relating thereto, from the applicable location described in Section 7.6 hereof unless it shall have given the Mortgagee and the Bond Insurer at least 30 days' prior written notice thereof.

The Mortgagor shall use its best efforts to cause to be collected from its account debtors, as and when due, any and all amounts owing under or on account of each Account (including, without limitation, Accounts that are delinquent, such Accounts to be collected in accordance with lawful collection procedures) and shall apply forthwith upon receipt thereof all such amounts as are so collected to the outstanding balance of such Account. Subject to the rights of the Mortgagee hereunder, if an Event of Default shall have occurred and be continuing, the Mortgagor may allow as adjustments to amounts owing under its Accounts (i) an extension or renewal of the time or times of payment, or settlement for less than the total unpaid balance, and (ii) a refund or credit due as a result of returned or damaged merchandise, all in accordance with the Mortgagor's ordinary course of business consistent with its historical collection practices and with sound business judgment. The costs and expenses (including, without limitation, attorneys' fees) of collection, whether incurred by the Mortgagor or the Mortgagee, shall be borne by the Mortgagor.

Section 5.13 Instruments. While an Event of Default has occurred and is continuing, the Mortgagor will immediately deliver and pledge to the Mortgagee each instrument evidencing, representing or otherwise arising from an Account or General Intangible, appropriately endorsed to the Mortgagee, provided that so long as no Event of Default shall have occurred and be continuing,

the Mortgagor may refrain from such delivery and may retain possession of, for the purpose of collection in the ordinary course, any such instruments received by it in the ordinary course of business.

Section 5.14 Transfer and Other Liens. The Mortgagor will not sell, lease, transfer, exchange or otherwise dispose of the Collateral or the Proceeds, or any part thereof, and except as otherwise permitted under the Indenture and the Agreement without the prior written consent of the Mortgagee, and will not permit any Lien to attach to the Collateral or the Proceeds, or any part thereof, other than Permitted Liens, except that the Mortgagor may, in the ordinary course of its business and in the absence of an Event of Default, collect its Accounts and General Intangibles.

The Mortgagor shall, or shall cause the Board to maintain, preserve, and renew all rights of way, servitudes, grants, privileges, licenses, permits, zoning approvals, and franchises necessary for the use of the Mortgaged Property and shall not, unless required by applicable law or unless the Mortgagee has otherwise agreed in writing, allow changes in the use for which the Mortgaged Property was intended under the Facilities Lease and the Ground Lease. To the extent permitted by law, the Mortgagor shall not permit the Board to initiate or acquiesce in a change in the zoning classification of the Mortgaged Property without the Mortgagee's prior written consent. The Mortgagor will observe and perform all the obligations imposed upon it as landlord under the Leases, if any, and not do or permit to be done anything to impair the security thereof; will exercise any option or election contained in or relating to any of the Leases that the Mortgagee shall require; at the Mortgagee's request, will assign and transfer to the Mortgagee by specific assignment of Leases any and all subsequent Leases upon all or any part of the Property or the Facilities; and to execute and deliver at the request of the Mortgagee all such further assurances and assignments in the premises covered by the Leases as the Mortgagee shall from time to time require.

(a) The Mortgagor shall pay all rent and other charges required under the Ground Lease as and when the same are due and the Mortgagor shall keep, observe, and perform, or cause to be kept, observed, and performed, all of the other terms, covenants, provisions, and agreements of the Ground Lease on the part of the tenant thereunder to be kept, observed, and performed, and shall not in any manner, cancel, terminate, or surrender, or permit any cancellation, termination, or surrender of the Ground Lease, in whole or in part, or, without the written consent of the Mortgagee, either orally or in writing, modify, amend, or permit any modification or amendment of any of the terms thereof in any respect, and any attempt on the part of the Mortgagor to exercise any such right without such written consent of the Mortgagee shall be null and void ab initio and of no force or effect.

(b) The Mortgagor shall do, or cause to be done, all things necessary to preserve and keep unimpaired the rights of the Mortgagee as tenant under the Ground Lease and to prevent any default under the Ground Lease or any termination, surrender, cancellation, forfeiture, or impairment thereof, and in the event of the failure of the Mortgagor to make any payment required to be made by the Mortgagor pursuant to the provisions of the Ground Lease or to keep, observe, or perform, or cause to be kept, observed, or performed, any of the terms, covenants, provisions, or agreements of the Ground Lease, the Mortgagor agrees that the Mortgagee may (but shall not be

C-159

- obligated to) take any action on behalf of the Mortgagor, to make or cause to be kept, observed, or performed any such terms, covenants, provisions, or agreements and to enter upon the Mortgaged Property and take all such action thereof as may be necessary therefor to the end that the rights of the Mortgagor in and to the leasehold estate created by the Ground Lease shall be kept unimpaired and free from default, and all money so expended by the Mortgagee, with interest thereon at the Default Rate from the date of each such expenditure, shall be paid by the Mortgagor to the Mortgagee promptly upon demand by the Mortgagee and shall be added to the Obligations, and the Mortgagee shall have, in addition to any other remedy thereof, the same rights and remedies in the event of non-payment of any such sum by the Mortgagor as in the case of a default by the Mortgagor in the payment of any sums due under the Loan Documents.
- (c) The Mortgagor shall enforce the obligations of the Ground Lessor under the Ground Lease to the end that it may enjoy all of the rights granted to it under the Ground Lease; promptly notify the Mortgagee in writing of any default by the Ground Lessor or by the Mortgagor in the performance or observance of any of the terms, covenants, or conditions on the part of the Ground Lessor or the Mortgagor, as the case may be, to be performed or observed under the Ground Lease; promptly advise the Mortgagee in writing of the occurrences of any of the events of default enumerated in the Ground Lease and of the giving of any notice by the Ground Lessor to the Mortgagor of any default by the Mortgagor in performance or observance of any of the terms, covenants, or conditions of the Ground Lease on the part of the Mortgagor to be performed or observed; and promptly deliver to the Mortgagee a true and complete copy of each such notice. If, pursuant to the Ground Lease, the Ground Lessor shall deliver to the Mortgagee a copy of any notice of default given to the Mortgagor, such notice shall constitute full authority and protection to the Mortgagee for any action taken or omitted to be taken by the Mortgagee in good faith in reliance thereon.
- (d) If any action or proceeding shall be instituted to evict the Mortgagor or to recover possession of the Mortgaged Property or for any other purpose affecting the Ground Lease or this Mortgage, the Mortgagor shall, immediately upon service thereof on or to the Mortgagor, deliver to the Mortgagee a true and complete copy of each petition, summons, complaint, notice of motion, order to show cause and of all other provisions, pleadings, and papers, however designated, served in any such action or proceeding.
- (e) The Mortgagor covenants and agrees that unless the Mortgagee shall otherwise expressly consent in writing, the fee title to the Property and the leasehold estate shall not merge, but shall always remain separate and distinct, notwithstanding the union of said estates either in the Ground Lessor, the Mortgagor, or a third party by purchase or otherwise; and in case the Mortgagor acquires the fee title or any other estate, title, or interest in the Mortgaged Property, this Mortgage shall attach to and, cover, and be a lien upon the fee title or such other estate so acquired, and such fee title or other estate shall, without further assignment, mortgage, or conveyance, become and be subject to the lien of and covered by this Mortgage.

- (f) No release or forbearance of any of the Mortgagor's obligations under the Ground Lease, pursuant to the Ground Lease or otherwise, shall release the Mortgagor from any of its obligations under this Mortgage, including its obligation with respect to the payment of rent as provided for in the Ground Lease and the performance of all of the terms, provisions, covenants, conditions, and agreements contained in the Ground Lease to be kept, performed, and complied with by the tenant therein.
- (g) The Mortgagor shall not make any election or give any consent or approval (other than the exercise of a renewal right or extension right or other right conferring a benefit on the Mortgagor, provided that any such action has no adverse effect or consequence to the Mortgagee) for which a right to do so is conferred upon the Mortgagor as tenant under the Ground Lease without the prior written consent of the Mortgagee. In case of any Event of Default under this Mortgage, all such rights, together with the right of termination, cancellation, modification, change, supplement, alteration, or amendment of the Ground Lease, all of which have been assigned for collateral purposes to the Mortgagee, shall vest in and be exercisable solely by the Mortgagee.
- (h) Not more than three hundred sixty (360) and not less than two hundred seventy (270) days before the right of the Mortgagor to exercise any option or right to renew or extend the term of the Ground Lease shall expire, the Mortgagor shall give the Mortgagee written notice specifying the date, term, and manner for which such option or renewal is to be exercised. Within ten (10) days of written demand by the Mortgagee, the Mortgagor shall exercise any such option or renewal which is necessary to extend the term of the Ground Lease beyond the term of this Mortgage or to comply with any law affecting the Mortgagor or the Mortgagee or which is necessary, in the reasonable judgment of the Mortgagee, to preserve the value of the Mortgaged Property intended to be afforded by this Mortgage. The Mortgagor shall promptly provide evidence of such exercise of such option or right to the reasonable satisfaction of the Mortgagee. In the event that the Mortgagor fails to so exercise any such option or right or upon the occurrence of an Event of Default, the Mortgagor hereby agrees and grants to the Mortgagee all right and authority to exercise such option in the name of the Mortgagor or in its own name. Nothing contained herein shall affect or limit any rights of the Mortgagee under the Ground Lease.
- (i) If there shall be filed by or against the Mortgagor a petition under the United States Bankruptcy Code, Title 11 of the United States Code (the "Bankruptcy Code"), then the lien of this Mortgage shall attach to all of the Mortgagor's rights and remedies at any time arising under or pursuant to the Bankruptcy Code, including, but not limited to, §365 thereof. Upon the filing of any petition by or against the Mortgagor under the Bankruptcy Code, the Mortgagor shall immediately provide copies of all pleadings and notices related thereto to the Mortgagee. The Mortgagor unconditionally assigns to the Mortgagee all of the Mortgagor's rights to remain in possession of the Mortgaged Property following the filing of any bankruptcy petition by or against the Mortgagor, and acknowledges that the Mortgagee may file any

pleading in furtherance thereof. This assignment constitutes a present, irrevocable, and unconditional assignment of the foregoing claims, rights, and remedies of the Mortgagor, and shall continue in effect until all of the Obligations shall have been satisfied and discharged in full. Furthermore, the Mortgagor hereby irrevocably constitutes and appoints the Mortgagee as the Mortgagor's attorney-in-fact for the purpose of filing any pleading in the court in which the initial petition was filed or any court to which the action thereon may be removed, transferred, or assigned (the "Bankruptcy Court") that the Mortgagee determines in its sole discretion to protect the Mortgagee's interests in and to the Mortgaged Property, including but not limited to a motion to extend any applicable time period for the filing of any motion related to the assumption of the Ground Lease.

- (i) The Mortgagor shall not, without the prior written consent of the Mortgagee, file any motion or other pleading to reject or otherwise elect to treat the Ground Lease as terminated under §365 of the Bankruptcy Code. Any such motion, pleading, or election made without such prior written consent shall be void ab initio, and this Mortgage may be pled in bar thereof. If the Mortgagor does file such a motion to reject the Ground Lease under §365 of the Bankruptcy Code, the Mortgagor hereby acknowledges and agrees that, unless the Mortgagee consents in writing to such rejection, the Mortgagor may not reject the Ground Lease unless the Mortgagor proves, by a preponderance of the evidence, that the Mortgagor was "insolvent," within the meaning of §101 of the Bankruptcy Code, on the petition filing date. If the Mortgagor, as tenant under the Ground Lease and as debtor under the Bankruptcy Code, shall desire to reject the Ground Lease pursuant to §365 of the Bankruptcy Code, the Mortgagor shall give the Mortgagee not less than thirty (30) days' prior written notice of the date on which the Mortgagor intends to file a motion in or otherwise apply to the Bankruptcy Court for authority to reject the Ground Lease. In such event, the Mortgagee shall have the right, but not the obligation, to serve upon the Mortgagor within such thirty (30) day period a notice stating that the Mortgagee demands that the Mortgagor assume the Ground Lease and assign the Ground Lease to the Mortgagee or the Mortgagee's designee pursuant to §365 of the Bankruptcy Code. If the Mortgagee shall serve upon the Mortgagor the notice described in the preceding sentence, the Mortgagor shall not seek to reject the Ground Lease and shall comply with the demand provided for in the preceding sentence.
- (ii) If the Mortgagor shall desire to assume the Ground Lease, then the Mortgagor shall give the Mortgagee not less than thirty (30) days' prior written notice of the date on which the Mortgagor intends to file a motion in, or otherwise apply to, the Bankruptcy Court for authority to assume the Ground Lease. The Mortgagor shall inform the Mortgagee as a part of such notice whether or not the Mortgagor intends to assign the Ground Lease following assumption thereof. The Mortgagee shall have the right, but not the obligation, to serve upon the Mortgagor within such thirty (30) day period a notice stating that the

Mortgagee demands that the Mortgagor assume the Ground Lease and assign the Ground Lease to the Mortgagee or the Mortgagee's designee pursuant to §365 of the Bankruptcy Code, and such election by the Mortgagee shall be binding upon the Mortgagor. Should the Mortgagor file a motion to assume the Ground Lease, the Mortgagee shall have the sole right to determine what terms and conditions will provide the Mortgagee with "adequate assurance of future performance," within the meaning of §365 of the Bankruptcy Code.

- (j) If there shall be filed by or against the Ground Lessor or any fee owner of the Mortgaged Property a petition under the Bankruptcy Code, the Mortgagor shall, after obtaining knowledge thereof, promptly notify the Mortgagee thereof in writing. The Mortgagor shall promptly deliver to the Mortgagee, following receipt, complete and correct copies of any and all notices, motions, summonses, pleadings, claim forms, applications, and other documents received by the Mortgagor in connection with any such petition and any proceedings relating thereto. In the event of such a bankruptcy filing, the Mortgagee shall have the option, exercisable upon notice from the Mortgagee to the Mortgagor, to conduct and control any such litigation with counsel chosen by the Mortgagee. The Mortgagee may proceed in its own name or in the name of the Mortgagor in connection with any such litigation, and the Mortgagor agrees to execute any and all powers, authorizations, consents, or other documents required by the Mortgagee in connection therewith. The Mortgagor shall, upon demand, pay to the Mortgagee all costs and expenses (including attorneys' and paralegals' fees and expenses) paid or incurred thereby in connection with the prosecution or conduct of any such proceedings. Any such costs or expenses not paid by the Mortgagor as aforesaid shall be secured by the lien of this Mortgage and shall be added to the principal amount of the Obligations. The Mortgagor shall not commence any action, suit, proceeding, or case, or file any application or make any motion, in respect of the Ground Lease in any such case under the Bankruptcy Code without the prior written consent of the Mortgagee. The Mortgagor hereby unconditionally assigns, transfers, and sets over to the Mortgagee all of the Mortgagor's claims and rights to the payment of damages or any claim arising from any rejection of the Ground Lease by the Ground Lessor or any other fee owner of the Mortgaged Property, or the payment of any amount or claim associated with the Ground Lease in any proceeding under the Bankruptcy Code. The Mortgagee shall have the right to proceed in its own name and/or in the name of the Mortgagor in respect of any claim, suit, action, or proceeding relating to the assumption or rejection of the Ground Lease by the Ground Lessor, including, without limitation, the right to file and prosecute, to the exclusion and in the name of the Mortgagor, any proofs of claim, complaints, motions, applications, notices, and other documents, or to defend against any objection thereto, in any case in respect to the Ground Lessor or any fee owner of the Mortgaged Property. This assignment constitutes a present, irrevocable, and unconditional assignment of the foregoing claims, rights, and remedies, and shall continue in effect until all of the Obligations shall have been satisfied and discharged in full. Any amounts received by the Mortgagee as damages arising out of the rejection of the Ground Lease as aforesaid shall be applied first to all costs and expenses of the Mortgagee (including, without limitation, attorneys' and

paralegals' fees and expenses) incurred in connection with the exercise of any of its rights or remedies under this Section. The Mortgagor shall promptly make, execute, acknowledge, and deliver, in form and substance satisfactory to the Mortgagee, a UCC Financing Statement (Form UCC-1), and all such additional instruments, agreements and other documents, as may at any time hereafter be required by the Mortgagee to effectuate and carry out the assignment made pursuant to this Section.

- (k) If the Mortgagor shall seek to offset against the rent reserved in the Ground Lease the amount of any damages caused by the nonperformance by the Ground Lessor or any fee owner of the Mortgaged Property any of its obligations under the Ground Lease after the rejection by the Ground Lessor or any fee owner of the Mortgaged Property under the Bankruptcy Code, the Mortgagor shall, prior to effecting such offset, notify the Mortgagee of its intent to do so, setting forth the amounts proposed to be so offset and the basis therefor. The Mortgagee shall have the right to object to all or any part of such offset that, in the reasonable judgment of the Mortgagee, would constitute a breach of the Ground Lease, and in the event of such objection, the Mortgagor shall not effect any offset of the amounts so objected to by the Mortgagee. Neither the failure of the Mortgagee to object as aforesaid nor any objection relating to such offset shall constitute an approval of any such offset by the Mortgagee. The Mortgagor shall pay and protect the Mortgagee, and indemnify and save the Mortgagee harmless from and against, any and all claims, demands, actions, suits, proceedings, damages, losses, costs, and expenses of every nature whatsoever (including without limitation, attorneys' and paralegals' fees and expenses) arising from or relating to any off-set by the Mortgagor against the rent reserved in the Ground Lease.

Section 5.17 Inspection. The Mortgagee is authorized and empowered to enter, and to authorize its employees, agents, or contractors identified in writing to the Mortgagor and the Board to enter, upon any or all of the Mortgaged Property at any reasonable time and from time to time upon prior notice to the Mortgagor and the Board to inspect the same, to perform or observe any covenants, conditions, or terms that the Mortgagor shall fail to perform, meet, or comply with, to make such repairs, replacements, renewals, or additions as shall be necessary, or for any other purpose in connection with the maintenance, protection, or preservation of the Mortgagee's security, without thereby becoming liable to the Mortgagor, the Board or any Person in possession holding under the Mortgagor. Any inspections performed by or for the Mortgagee shall be performed at times and in a manner so as not to unreasonably interfere with the Mortgagor's business or the operation of the Mortgaged Property. The Mortgagor will keep accurate books and records in which full, true, and correct entries shall be promptly made with respect to the Mortgaged Property and the operation thereof. Any right of access to any portion of the Facilities leased to the students, faculty, staff or Permitted Lessees shall be subject to their rights pursuant to their rental agreements and University policy.

Section 5.18 Negative Covenants. The Mortgagor hereby agrees that, so long as any of the Obligations remains outstanding or unpaid, the Mortgagor shall not, directly or indirectly, without the prior written consent of the Mortgagee:

A. Create, incur, assume, or suffer to exist any indebtedness relating to the Collateral, except the Obligations under this Mortgage and the Permitted Encumbrances, or as otherwise permitted under the Indenture or the Agreement;

B. Create, incur, or place, or permit to be created, incurred, or placed, any Liens on the Collateral, or any part thereof, or any revenues related thereto, except for the Permitted Encumbrances and Liens in favor of the Mortgagee;

C. Convey, sell, lease, assign, transfer, or otherwise dispose of the Collateral, or permit any conveyance, sale, lease, assignment, transfer, or other disposition of the Collateral, except as otherwise permitted under the Indenture and the Agreement.

Section 5.19 Cure of Defects. If the validity or priority of this Mortgage or of any rights or Liens created or evidenced hereby with respect to the Collateral or any part thereof, or the leasehold interest or right of occupancy of the Mortgagor to the Mortgaged Property or any part thereof, shall be endangered or questioned or shall be attacked directly or indirectly, or if any legal proceedings are instituted against the Mortgagor with respect thereto, upon discovery of such actual or alleged defect, the Mortgagor shall give written notice thereof to the Mortgagee promptly, secure the necessary funds and diligently endeavor, with the Board, as necessary, to cure any defect that may be developed or claimed and take all necessary and proper steps for the defense of such legal proceedings, including, but not limited to, the employment of counsel agreeable to the Mortgagee, the prosecution or defense of litigation, and the release or discharge of all adverse claims. The Mortgagee (whether or not named as a party to legal proceedings with respect thereto) is hereby authorized and empowered to take such additional steps as in its judgment and discretion may be necessary or proper for the defense of any such legal proceedings or the protection of the validity or priority of this Mortgage and the Liens created or evidenced hereby, including, but not limited to, the employment of independent counsel, the prosecution or defense of litigation, the compromise or discharge of any adverse claims made with respect to the Collateral, the purchase of any tax title, and the removal of prior Liens or security interests, and all expenses so incurred of every kind and character shall be a demand obligation owing by the Mortgagor to the Mortgagee and shall bear interest from the date of expenditure until paid at a rate equal to the rate provided for in Section 6.12 hereof for Advances to bear, and the same shall be secured by the Lien evidenced by this Mortgage, and the party incurring such expenses shall be subrogated to all rights of the Person receiving such payment.

Section 5.20 Estoppel Certificate. The Mortgagor shall, within ten (10) business days of a written request therefor by the Mortgagee, furnish the Mortgagee with a written statement, duly acknowledged, setting forth the sums secured by this Mortgage and any right of set-off, counterclaim, or other defense that exists against such sums and the obligations under this Mortgage.

Section 5.21 Further Assurances. (a) on the request of Mortgagee, the Mortgagor shall promptly correct (i) any defect, error, or omission that may be discovered in the contents, or in the execution or acknowledgment, of this Mortgage or any Loan Document to which the Mortgagor is a party, and (ii) the Mortgagor itself shall, or shall cause the Board to execute, acknowledge, deliver, record, re-record, file, re-file, register, and re-register any and all such further acts, deeds, conveyances, security agreements, mortgages, assignments, estoppel certificates, financing

statements and continuations thereof, termination statements, notices of assignment, transfers, certificates, assurances, and other instruments as reasonably may be required from time to time in order (A) to carry out more effectively the purposes of this Mortgage and any of the Loan Documents to which the Mortgagor is a party, (B) to more fully identify and subject to the Liens created by this Mortgage any of the properties, rights, or interests required to be encumbered hereby, including, specifically, any additions, substitutions, replacements, or appurtenances to the Collateral, (C) to perfect and maintain the validity, effectiveness, and priority of this Mortgage and the Liens intended to be created hereby and (D) to better assure, convey, grant, assign, transfer, preserve, protect, and confirm to the Mortgagee any of the rights granted or now or hereafter intended by the parties hereto to be granted to the Mortgagee hereunder or under any other instrument or agreement executed in connection herewith. The Mortgagor shall pay, directly or through the Board, all costs connected with any of the foregoing.

(b) Mortgagor hereby authorizes Mortgagee to file one or more financing or continuation statements and other records with respect to all or any part of the Collateral (including any amendments thereto, or continuation or termination statements thereof), without the signature or other authorization of Mortgagor, in such form and in such offices as Mortgagee reasonably determines appropriate, to perfect or maintain the perfection of the security interest of Mortgagee hereunder. Mortgagor acknowledges and agrees that it is not authorized to, and will not, authenticate or file, or authorize the filing of, any financing statements or other record with respect to the Collateral (including any amendments thereto, or continuation or termination statements thereof) except as permitted hereby, without the prior written approval and authorization by the Mortgagee, consenting to the form and substance of such filing or record. Mortgagor approves and ratifies any filing or recording of records made by or on behalf of Mortgagee in connection with the perfection of the security interest in favor of Mortgagee.

ARTICLE 6 EVENTS OF DEFAULT AND REMEDIES

Section 6.1 Events of Default. The occurrence and continuance of any one of the following shall constitute an event of default under this Mortgage (herein referred to as an "Event of Default"):

- (i) the failure to make payment when due of the principal of, premium, if any, and interest on the Bonds and any Additional Bonds hereafter issued under the Indenture;
- (ii) the failure to make payment when due of any amounts owed under this Mortgage or the Agreement;
- (iii) the occurrence of an event of default (other than an event of default described in (i) or (ii) above) under the Indenture, the Agreement or any other Loan Document that is not cured within any applicable grace or cure period contained in such Loan Document;
- (iv) except as provided otherwise in this Mortgage, failure by Mortgagor to observe and perform any of the terms, covenants, or conditions to be observed or performed by Mortgagor contained in this Mortgage (other than those specified in (i) and (ii) above) for

a period of thirty (30) days after written notice, by registered or certified mail, specifying such failure and requesting that it be remedied, given to Mortgagor by Mortgagee, or for such longer period as Mortgagor and Mortgagee may agree to in writing; provided that if the failure is other than the payment of money and is of such nature that it can be corrected but not within the applicable period, such failure shall not constitute an Event of Default so long as Mortgagor institutes curative action within the applicable period and diligently pursues such action to completion;

(v) any representation or warranty of Mortgagor made herein or any representation or warranty made in any of the other Loan Documents or any representation or warranty made in any certificate, document, or financial or other statement furnished at any time under or in connection with this Mortgage or any of the other Loan Documents shall prove to have been incorrect in any material respect on or as of the date made or deemed made;

(vi) (a) the Mortgagor commences any case, proceeding, or other action seeking reorganization, arrangement, adjustment, liquidation, dissolution, or composition of Mortgagor or Mortgagor's debts under any law relating to bankruptcy, reorganization, or relief of debtors, or seeking appointment of a receiver, trustee, custodian, or other similar official for Mortgagor or for all or any substantial part of Mortgagor's property; or (b) any such case, proceeding, or other action is commenced against Mortgagor and such case, proceedings, or other action either results in an order for relief against Mortgagor which is not fully stayed within ten (10) days after the entry thereof, or remains undismissed for a period of sixty (60) days;

(vii) Mortgagor fails to pay its debts as they become due, admits in writing Mortgagor's inability to pay Mortgagor's debts, or makes a general assignment for the benefit of creditors.

(viii) Mortgagor sells, conveys or otherwise transfers or disposes of all or any portion of the Collateral except as otherwise permitted herein or grants any mortgage or security interest affecting all or any portion of the Collateral, or permits any Lien against all or any portion of the Collateral, except as permitted by the terms of this Mortgage; or

(ix) A writ or warrant of executory process, fieri facias, attachment or any similar process shall be issued by any court against the Collateral, and such writ or warrant is not released or bonded within thirty (30) days after its entry.

Section 6.2 Remedies. Upon the occurrence of an Event of Default under this Mortgage and in addition to any other remedy Mortgagee may have under this Mortgage, or any of the other Loan Documents, Mortgagee may, subject to the provisions of Section 6.18 hereof, declare all sums secured by this Mortgage (including without limitation the Obligations) immediately due and payable without presentment, demand, protest, notice of protest or dishonor, or other notice of default of any kind, all of which are hereby expressly waived by the Mortgagor. In addition to the foregoing, upon the occurrence of any Event of Default, the Mortgagee may, subject to the provisions of Section 6.18 hereof, take such action, without notice or demand or putting in default

(all of which are hereby expressly waived by the Mortgagor), as it deems advisable to protect and enforce its rights against the Mortgagor and in and to the Collateral, including, but not limited to, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as the Mortgagee may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of the Mortgagee:

- (1) institute proceedings for the complete foreclosure of this Mortgage, in which case the Collateral may be sold for cash or upon credit in one or more parcels under ordinary or executory process, at the Mortgagee's sole option, and with or without appraisal, appraisal being expressly waived; or
- (2) to the extent permitted and pursuant to the procedures provided by applicable law, institute proceedings for the partial foreclosure of this Mortgage for the portion of the Obligations then due and payable, subject to the continuing lien of this Mortgage for the balance of the Obligations not then due; or
- (3) institute an action, suit, or proceeding in equity for the specific performance of any covenant, condition, or agreement contained in this Mortgage or any Loan Document; or
- (4) apply for the appointment of a trustee, receiver, liquidator, or conservator of the Collateral, without regard for the adequacy of the security for the Obligations and without regard for the solvency of the Mortgagor or of any Person liable for the payment of the Obligations; or
- (5) pursue such other remedies as the Mortgagee may have under applicable law, in equity, by virtue of any other security instrument, or otherwise.

The proceeds or avails of any sale made under or by virtue of this Article 6, together with any other sums that then may be held by the Mortgagee under this Mortgage, whether under the provisions of this Article 6 or otherwise, shall be applied in such manner as the Mortgagee, in its sole discretion, shall determine.

Upon any sale made under or by virtue of this Article 6, the Mortgagee may bid for and acquire the Collateral or any part thereof and in lieu of paying cash therefor may make settlement for the purchase price by crediting upon the Obligations the net sales price after deducting therefrom the expenses of the sale and the costs of the action and any other sums which the Mortgagee is authorized to deduct under this Mortgage.

The Mortgagee may proceed under this Mortgage solely as to the immovable property interests, or solely as to the movable property interests, or as to both the immovable and movable property interests in accordance with its rights and remedies in respect of the immovable property interests.

Notwithstanding anything to the contrary in this Mortgage, any purchaser of the Mortgaged Property pursuant to a foreclosure sale under this Mortgage or a deed in lieu of foreclosure shall purchase said Mortgaged Property subject and subordinate to the ownership rights of the Board and

shall be subject in all respects to the provisions of the Ground Lease. Such purchaser shall have no additional right to grant any mortgage or other lien on the Mortgaged Property or to sell, lease or otherwise alienate the Mortgaged Property without the prior written consent of the Board.

Section 6.3 Leases and Rentals. Upon the occurrence and continuation of any Event of Default, the Mortgagee may additionally take any one or more of the following actions; each of which may be pursued concurrently or otherwise, at such time and in such order as the Mortgagee may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of the Mortgagee:

- (i) The Mortgagee may notify any and all Tenants to pay all Rentals due thereafter directly to the Mortgagee at the address set forth in the Mortgagee's notice to such Tenants. The Mortgagor irrevocably agrees that all such Tenants shall be authorized to pay the Rentals directly to the Mortgagee without liability of such Tenants for the determination of the actual existence of any default by the Mortgagor claimed by the Mortgagee. Tenants shall be expressly relieved of any and all duty, liability and obligation to the Mortgagor in connection with any and all Rentals so paid.
- (ii) The Mortgagee may enter upon and take possession of the Mortgaged Property, to manage and operate the Mortgaged Property and the Mortgagor's business on the Mortgaged Property, and take possession of and use all books of account and financial records of the Mortgagor and its property managers or representatives, if any, relating to the Mortgaged Property.
- (iii) The Mortgagee may alter, modify, amend, terminate or permit the surrender of any or all Leases, except for leases pursuant to Section 13 of the Facilities Lease to students, faculty, staff or Permitted Sublessees (as defined in the Ground Lease) who are not themselves in default under their Leases, and the Mortgagee may execute new Leases of any part of the Mortgaged Property, including Leases that extend beyond the maturity date of the Agreement.

The enforcement of any and all such rights available to the Mortgagee hereunder shall continue for so long as the Mortgagee shall elect, until the collection and application of the Rentals have cured the Event of Default and all sums owed by Mortgagor to any person in connection with the enforcement of its remedies in connection with such Event of Default have been paid, in which event, the Mortgagee shall permit the Mortgagor to re-enter and take possession of the Mortgaged Property or any part thereof and to perform all acts necessary for the operation and maintenance of the Mortgaged Property, including the right to collect the Rentals, but the Mortgagee shall nevertheless have the right, effective upon written notice, to demand, sue for possession of and collect the Rentals under the Leases and otherwise exercise its rights under this Mortgage again if there occurs another Event of Default hereunder.

Section 6.4 General Authority. The Mortgagor hereby irrevocably appoints the Mortgagee its agent and attorney in fact, with full power of substitution, in the name of the Mortgagor or the Mortgagee, for the sole use and benefit of the Mortgagee, but at the Mortgagor's expense, to exercise, at any time and from time to time while an Event of Default has occurred and is continuing, all or any of the following powers with respect to all or any of the Collateral and the Proceeds:

(i) to endorse the name of the Mortgagor upon any check, draft, Agreement or other instrument payable to the Mortgagor evidencing payment upon any Accounts or General Intangible;

(ii) to notify postal service authorities to change the address for delivery of the Mortgagor's mail to a "lockbox" address designated and controlled by the Mortgagee, and to receive, open and dispose of all mail addressed to the Mortgagor;

(iii) to demand, sue for, collect, receive and give acquittance for any and all Accounts and other monies due or to become due for or as Collateral (or Proceeds) or by virtue thereof;

(iv) to settle, compromise, compound, prosecute or defend any action or proceeding with respect to any of the Collateral and the Proceeds; and

(v) to extend the time of payment of any or all of the Collateral and the Proceeds and to make any allowance and other adjustments with reference thereto.

The aforesaid mandate and power of attorney, being coupled with an interest, is irrevocable so long as any of the Obligations remains outstanding.

Section 6.5 Accounts. While an Event of Default has occurred and is continuing, the Mortgagor will make no material change to the terms of any Account without the prior written permission of the Mortgagee. Upon the occurrence of an Event of Default, and at any time thereafter, the Mortgagor upon request of the Mortgagee will promptly notify (and the Mortgagor hereby authorizes the Mortgagee so to notify) each account debtor in respect of any Account or General Intangible that such Collateral has been assigned to the Mortgagee hereunder, and that any payments due or to become due in respect of such Collateral are to be made directly to the Mortgagee or its designee.

Section 6.6 Sale. Upon the occurrence of an Event of Default, the Mortgagee may exercise all rights of a secured party under the Commercial Laws and other applicable law and, in addition, the Mortgagee may, without being required to give any notice, except as herein provided or as may be required by mandatory provisions of law, (i) withdraw all cash in its possession and apply such cash then held by it as Collateral or Proceeds against the Obligations or (ii) sell the Collateral and the Proceeds or any part thereof at public or private sale, for cash, upon credit or for future delivery, and at such price or prices as the Mortgagee may deem satisfactory. The Mortgagee may be the purchaser of any or all of the Collateral and Proceeds so sold at any public sale (or, if the Collateral and Proceeds is of a type customarily sold in a recognized market or is of a type which is the subject of widely distributed standard price quotations, at any private sale). The Mortgagee will execute and deliver such documents and take such other action as the Mortgagee deems necessary or advisable in order that any such sale may be made in compliance with law. Upon any such sale the Mortgagee shall have the right to deliver, assign and transfer to the purchaser thereof the Collateral and Proceeds so sold. Each purchaser at any such sale shall hold the Collateral and Proceeds so sold to it absolutely and free from any claim or right of whatsoever kind, including any equity or right of redemption of the Mortgagor which may be waived, and the Mortgagor, to the extent permitted by law, hereby specifically waives all rights of redemption, stay of appraisal which it has or may have

under any law now existing or hereafter adopted; provided, however, that such purchaser shall be subject in all respects to the provisions of the Ground Lease. The Mortgagor agrees that twenty (20) days' prior written notice of the time and place of any sale or other intended disposition of any of the Collateral and Proceeds constitutes "reasonable notification" within the meaning of Section 9-611(b) of the UCC, except that shorter or no notice shall be reasonable as to any Collateral and Proceeds that is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market. The notice (if any) of such sale shall (1) in case of a public sale, state the time and place fixed for such sale, and (2) in the case of a private sale, state the day after which such sale may be consummated. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Mortgagee may fix in the notice of such sale. At any such sale the Collateral and Proceeds may be sold in one lot as an entirety or in separate parcels or portions, as the Mortgagee may determine. The Mortgagee shall not be obligated to make any such sale pursuant to any such notice. The Mortgagee may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for the sale, and such sale may be made at any time or place to which the same may be so adjourned. In case of any sale of all or any part of the Collateral and Proceeds on credit or for future delivery, the Collateral or Proceeds so sold may be retained by the Mortgagee until the selling price is paid by the purchaser thereof, but the Mortgagee shall not incur any liability in case of the failure of such purchaser to take up and pay for the Collateral and Proceeds so sold and, in case of any such failure, such Collateral and Proceeds may again be sold upon like notice.

Section 6.7 Assemble Collateral. For the purpose of enforcing any and all rights and remedies under this Agreement the Mortgagee may: (i) require the Mortgagor to, and the Mortgagor agrees that it will, at its expense and upon the request of the Mortgagee, forthwith assemble all or any part of the Collateral (other than the Mortgaged Property) and Proceeds as directed by the Mortgagee and make it available at a place designated by the Mortgagee which is, in its opinion, reasonably convenient to the Mortgagee and the Mortgagor, whether at the Mortgaged Property of the Mortgagor or otherwise, and Mortgagee shall be entitled to specific performance of this obligation; (ii) to the extent permitted by applicable law of this or any other state, enter, with or without process of law and without breach of the peace, any premises where any of the Collateral or Proceeds is or may be located, and, without charge or liability, to it seize and remove such Collateral or Proceeds from such premises; (iii) have access to and use the Mortgagor's books and records relating to the Collateral and Proceeds and (iv) prior to the disposition of the Collateral and Proceeds, store or transfer it without charge in or by means of any storage or transportation facility owned or leased by the Mortgagor, process, repair or recondition it or otherwise prepare it for disposition in any manner and to the extent the Mortgagee deems appropriate and, in connection with such preparation and disposition, use without charge any trademark, trade name, copyright, patent or technical process used by the Mortgagor.

Section 6.8 Limitation on Duty of Mortgagee. Beyond the exercise of reasonable care in the custody thereof, the Mortgagee shall have no duty as to any Collateral or Proceeds in its possession or control or in the possession or control of any agent or bailee or any income thereon. The Mortgagee shall be deemed to have exercised reasonable care in the custody of the Collateral and Proceeds in its possession if the Collateral and Proceeds is accorded treatment substantially equal to that which it accords its own property, and shall not be liable or responsible for any loss or damage to any of the Collateral or Proceeds, or for any diminution in the value thereof, by reason of

the act or omission of any warehouseman, carrier, forwarding agency, consignee or other agent or bailee selected by the Mortgagee in good faith. The Mortgagor agrees that the Mortgagee shall not be obligated to preserve rights against prior parties obligated on any instruments.

Section 6.9 Appointment of Agent. At any time or times, in order to comply with any legal requirement in any jurisdiction, the Mortgagee may appoint a bank or trust company or one or more other Persons with such power and authority as may be necessary for the effectual operation of the provisions hereof and may be specified in the instrument of appointment.

Section 6.10 Set-Off. Upon the occurrence of any Event of Default, the Mortgagee shall have the right to set-off any revenues of the Mortgagor in the possession of the Mortgagee against any amounts then due by the Mortgagor to the Mortgagee pursuant to the Mortgage.

Section 6.11 Release of Property. The Mortgagee may at any time and without notice to the Mortgagor, release any part of the Collateral from the effect of this Mortgage, or grant an extension or deferment of time for the discharge of any obligation hereunder, without affecting the liability of the Mortgagor hereunder.

Section 6.12 Advances by Mortgagee. The Mortgagor authorizes the Mortgagee in the Mortgagee's discretion to advance any sums necessary for the purpose of paying: (i) insurance premiums; (ii) any and all excise, property, sales, use and other taxes, forced contributions, service charges, local assessments and governmental charges on any of the Collateral; (iii) any Liens affecting the Collateral (whether superior or subordinate to the lien of this Mortgage) not permitted by this Mortgage; (iv) necessary repairs and maintenance expenses; or (v) any other amounts which the Mortgagee deems necessary and appropriate to preserve the validity and ranking of this Mortgage, to cure any Defaults or to prevent the occurrence of any Default (collectively, the "Advances") of whatever kind; provided, however, that nothing herein contained shall be construed as making such Advances obligatory upon Mortgagee, or as making Mortgagee liable for any loss, damage, or injury resulting from the nonpayment thereof. The Mortgagor covenants and agrees that within five (5) days after demand therefor by the Mortgagee, the Mortgagor will repay the Advances to Mortgagee, together with interest thereon at the rate of eighteen (18%) percent per annum, and in addition to repay any other reasonable costs, attorneys' fees and expenses, charges and expenses of any and every kind for the full protection and preservation of the Collateral or this Mortgage, including payments required in respect to any Lien affecting the Collateral, together with interest thereon at the rate of eighteen (18%) percent per annum. All such Advances and amounts (including interest) shall be included in the Obligations secured hereby (subject to the maximum amount of the Obligations set forth above in this Mortgage).

Section 6.13 Authentic Evidence. Any and all declarations of facts made by authentic act before a notary public in the presence of two witnesses by a person declaring that such facts lie within his knowledge shall constitute authentic evidence of such facts for the purpose of executory process. The Mortgagor specifically agrees that such an affidavit by a representative of the Mortgagee as to the existence, amount, terms and maturity of the Obligations and of a default thereunder shall constitute authentic evidence of such facts for the purpose of executory process.

Section 6.14 Keeper. In connection with each and all of the foregoing and acting pursuant to the authority granted under Louisiana Revised Statutes 9:5136-5140.2, as the same may hereafter be amended or supplemented, the Mortgagor and the Mortgagee hereby expressly designate the Mortgagee, or any agent, servant, employee, or other Person named by the Mortgagee, as "keeper" of each and all of the Collateral pending the judicial sale thereof, with all the powers set forth in said statutes (as hereafter amended), including the right to employ agents to operate the Collateral. All reasonable costs, expenses, and liabilities of every character incurred by the Mortgagee or any such other Person as keeper in connection with managing, operating, maintaining, and possessing the Collateral shall constitute a demand obligation owing by the Mortgagor to the Mortgagee, and shall draw interest from date of expenditure until paid at the rate provided in Section 6.123 hereof for Advances to bear. All of such costs, expenses, and liabilities shall constitute a portion of the Obligations secured by this Mortgage. The keeper shall be entitled to receive as compensation, in excess of such costs, expenses, and liabilities, a reasonable amount to be fixed by the court based upon the keeper's activities and the amounts expended in connection with the management, operation, and maintenance of the Collateral. The designation of keeper made herein shall not be deemed to require the Mortgagee to provoke the appointment of such a keeper.

Section 6.15 Certain Waivers. The Mortgagor hereby expressly waives any and all homestead exemptions and other exemptions to which the Mortgagor is or may be entitled under the Constitution and the laws and statutes of the State of Louisiana insofar as the Collateral is concerned. The Mortgagor further waives to the extent permitted by law: (i) the benefit of appraisal provided for in Articles 2332, 2336, 2723, and 2724 of the Louisiana Code of Civil Procedure, and all other laws conferring the same; (ii) the demand and three (3) days delay provided for in Articles 2639 and 2721 of the Louisiana Code of Civil Procedure; (iii) the notice of seizure provided for in Articles 2293 and 2721 of the Louisiana Code of Civil Procedure; (iv) the three (3) days delay provided for in Articles 2331 and 2722 of the Louisiana Code of Civil Procedure; and (v) other benefits provided in Articles 2331, 2722, and 2723 of the Louisiana Code of Civil Procedure.

Section 6.16 Waiver of Marshaling. Notwithstanding the existence of any other security interest in the Collateral held by the Mortgagee or by any other party, the Mortgagee shall have the right to determine the order in which any or all of the Collateral shall be subjected to the remedies provided in this Mortgage. The Mortgagor, any party who consents to this Mortgage, and any party who has actual or constructive notice of this Mortgage waive all right to require the marshaling of assets in connection with the exercise of any of the remedies permitted by law or provided in this Mortgage.

Section 6.17 Rights and Remedies Cumulative. All rights and remedies herein given to the Mortgagee shall be cumulative and in addition to every other right and remedy herein specifically given and now or hereafter existing; and each and every right and remedy, whether specifically given or otherwise existing, may be exercised from time to time and so often and in such order as may be deemed expedient by the Mortgagee, and the exercise or the beginning of the exercise of any such right or remedy shall not be deemed a waiver of the right to exercise, at the same time or thereafter, any other right or remedy. No delay or omission by the Mortgagee in the exercise of any right or remedy shall impair any such right or remedy or operate as a waiver of any other right or remedy then or thereafter existing.

Section 6.18 Rights of Bond Insurer. So long as the Bond Insurer insures any of Bonds and is not in default under the terms of the Bond Insurance Policy, the Bond Insurer shall be entitled to control and direct the enforcement of all rights and remedies granted to the Mortgagee pursuant to this Mortgage. Without limiting the immediately preceding sentence, the Mortgagor agrees that any provision herein granting the Mortgagee any rights, including, without limitation, the (i) right to receive or give any notice, (ii) the right to receive any reports, certifications or other information required to be delivered or disseminated hereunder, (iii) the right to give any consent or approval or make any election, (iv) the right to receive any indemnification, insurance coverage or reimbursement, (v) the right to cure any Event of Default or other failure in performance, or (vi) the right to receive any other benefit afforded to the Mortgagee under this Mortgage, shall also hereby grant to the Bond Insurer the same such rights. All notices to the Bond Insurer shall be sent to MBIA Insurance Corporation, The TransAmerica Pyramid, 150 California Street, 20th Floor, San Francisco, CA 94111, and any consent or approval by the Bond Insurer shall be effective only if in writing.

The Mortgage will remain in effect until: (a) all of the Obligations are fully paid and satisfied and there is no agreement or commitment to advance any additional indebtedness; and (b) Mortgagor cancels this Mortgage by filing a written cancellation instrument signed by Mortgagee. When all of the Obligations are fully paid and satisfied and there is no agreement or commitment to advance any additional indebtedness, Mortgagor may request Mortgagee to sign such a written cancellation instrument by writing Mortgagee at the above address or at such other address as Mortgagee may advise. Mortgagee may delay providing Mortgagor with such a mortgage cancellation instrument for a period of sixty (60) days following receipt of Mortgagor's written request to verify that all conditions precedent for mortgage cancellation have been satisfied.

Section 7.2 Waivers. Any and all covenants in this Mortgage may from time to time, by instrument in writing signed by the Mortgagee and delivered to the Mortgagor, be waived to such extent and in such manner as the Mortgagee may desire, but no such waiver shall ever affect or impair the Mortgagee's rights or Liens hereunder, except to the extent specifically stated in such written instrument.

Section 7.3 Authentic Evidence. Any and all declarations of fact made by authentic act before a Notary Public in the presence of two witnesses by any Person declaring such facts lie within his knowledge shall constitute authentic evidence of such facts for the purpose of executory process.

Section 7.4 No Waiver. No forbearance on the part of the Mortgagee and no extension of the time for the payment of the Obligations given by the Mortgagee shall operate to release, discharge, modify, change, or affect, in whole or in part, the liability of the Mortgagor hereunder or for the payment of the Obligations or performance of the obligations secured hereby or the liability of any other Person hereunder or for the payment of the Obligations.

Section 7.5 Severability. A determination that any provision of this Mortgage is unenforceable or invalid in any jurisdiction shall not affect the enforceability or validity of such

provision in any other jurisdiction or the enforceability or validity of any other provision hereof in any jurisdiction, and the determination that the application of any provision of this Mortgage to any Person or circumstance is illegal or unenforceable in any jurisdiction should not affect the enforceability or validity of such provision in any other jurisdiction or the enforceability or validity of such provision as it may apply to other Persons or circumstances.

Section 7.7 Relationship of Parties. No right or benefit conferred on the Mortgagee under this Mortgage shall constitute or be deemed to constitute the Mortgagee a partner or a joint venturer with the Mortgagor. The Mortgagor and the Mortgagee specifically acknowledge that the relationship between the Mortgagor and the Mortgagee is solely that of borrower and a lender's agent and that all payments required to be made by the Mortgagor to the Mortgagee hereunder or under any Loan Document to which the Mortgagor is a party are required solely by reason of that relationship.

Section 7.8 Mortgage Absolute. The obligations of the Mortgagor under this Mortgage are independent of the obligations of the Mortgagor under the other Loan Documents, and a separate action or actions may be brought and prosecuted against the Mortgagor to enforce this Mortgage. All rights of the Mortgagee and the mortgage, assignment, and security interest hereunder, and all obligations of the Mortgagor hereunder, shall be absolute and unconditional irrespective of:

(4) any manner of application of the Collateral, or proceeds thereof, to all or any of the obligations of the Mortgagor under the Loan Documents, or any manner of sale or other disposition of any of the Collateral for all or any of such obligations.

Section 7.9 Interpretation. Section 7.10 Conflicts between Loan Documents. In the event that any of the Collateral hereunder is also subject to a valid and enforceable Lien under the terms of any Loan Document and the terms of such other Loan Document are inconsistent in any respect with the terms of this Mortgage, then with respect to all Collateral that is also subject to such other Loan Document, the terms that are most restrictive or, in the case of equally restrictive terms, the terms that are most specific shall be controlling; provided, however, that if any provision of either document is unenforceable with respect to any item of Collateral subject thereto, then the provision of the document that is enforceable with respect to such Collateral shall be controlling.

Section 7.11 Multiple Originals. This Mortgage may be executed in multiple originals, all of which such multiple originals together shall constitute one and the same mortgage.

Section 7.12 Binding Effect. This Mortgage is binding upon the Mortgagor and the Mortgagee and their respective successors and assigns, and shall inure to the benefit of the Mortgagee and its successors and assigns. The benefit of this Mortgage shall pass automatically with any assignment of the Obligations (or any portion thereof) to the extent of such assignment.

Section 7.13 Waiver of Certificates. The parties hereto expressly waive the production of conveyance, mortgage, or tax certificates and hereby relieve and release me, Notary, and my official surety and agree to hold me and said surety harmless from and by reason of the failure to procure and attach same to this Mortgage.

Section 7.14 Governing Law. This Mortgage and all matters relating or pertaining hereto shall be governed by and construed in accordance with the laws of the State of Louisiana.

Mortgagee shall not seek a deficiency or other money judgment against Mortgagor or any principal of Mortgagor and shall not institute any separate action against Mortgagor by reason of any default which may occur in the performance of any term or condition of this Mortgage or the Obligations. This agreement by Mortgagee shall not be construed in any way so as to affect or impair the lien of this Mortgage or Mortgagee's right to foreclose hereunder as provided by law, or to limit or restrict any of Mortgagee's

rights or remedies in any foreclosure proceedings or other enforcement of payment of the indebtedness secured hereby out of and from the security given therefor.

Baton Rouge, Louisiana

\$11,960,000
Louisiana Local Government Environmental Facilities and
Community Development Authority
Revenue Refunding Bonds
(Southeastern Louisiana University Student Housing/
University Facilities, Inc. Project)
Series 2019

We have acted as bond counsel to the Louisiana Local Government Environmental Facilities and Community Development Authority (the “*Issuer*”), a political subdivision of the State of Louisiana (the “*State*”), in connection with the issuance by the Issuer of the above-captioned bonds (the “*Series 2019 Bonds*”) pursuant to Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 33:4548.16, inclusive) and Chapter 14 and Chapter 14-A of Title 39 the Louisiana Revised Statutes of 1950, as amended (La. R.S. 39:1441 through 1456, inclusive) (collectively, the “*Act*”).

The Series 2019 Bonds have been issued by the Issuer pursuant to the Act and other constitutional and statutory authority and an Amended and Restated Trust Indenture dated as of February 1, 2019 (the “*Indenture*”) between the Issuer and Regions Bank, New Orleans, Louisiana, as trustee (the “*Trustee*”). Capitalized terms used herein that are not otherwise defined have the meaning given them in the Indenture.

The Series 2019 Bonds are issuable as fully registered bonds, are dated, bear interest until paid at the rate per annum, mature in the principal amounts and on the dates, and are subject to redemption all as set forth in the Indenture and in the Series 2019 Bonds.

The Series 2019 Bonds are issued under and are secured as to principal and interest by the Indenture, which provides a description of the nature and extent of the security for the Series 2019 Bonds, a statement of the terms and conditions under which the Series 2019 Bonds are issued and secured, the rights, duties and obligations of the Issuer, the rights, duties and immunities of the Trustee and the rights of the owners of the Series 2019 Bonds.

The Issuer previously issued its \$60,985,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004A (the “*Series 2004A Bonds*”) and its \$15,000,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B (the “*Series 2004B Bonds*”) and, together with the Series 2004A Bonds, the “*Series 2004 Bonds*”) on behalf of University Facilities Inc., a Louisiana non-profit corporation (the “*Corporation*”), for the purpose of financing the cost of acquiring immovable property and financing the development, design, construction and equipping of new student housing facilities (the “*Facilities*”) for

Southeastern Louisiana University (the “*University*”) located on immovable property owned by, or subject to the supervision and management of the Board of Supervisors for the University of Louisiana System (the “*Board*”) in the City of Hammond, Parish of Tangipahoa, Louisiana, which Facilities have been leased to the Board on behalf of the University (collectively, the “*Project*”). The Series 2019 Bonds are being issued for the purpose of (i) refunding the Series 2004B Bonds and (ii) paying costs of issuance of the Series 2019 Bonds, including the premium for a bond insurance policy insuring the Series 2019 Bonds and a debt service reserve insurance policy insuring the Series 2019 Debt Service Reserve Fund.

The Issuer and the Corporation have entered into an Amended and Restated Loan and Assignment Agreement dated as of February 1, 2019 (the “*Agreement*”), pursuant to which the Issuer will loan the proceeds from the sale of the Series 2019 Bonds to the Corporation for the foregoing purposes. Pursuant to the Agreement, the Corporation has agreed to make loan payments (the “*Payments*”) solely from the Base Rental (as defined in the Agreement) in amounts sufficient to pay the principal of, premium, if any, and interest on the Series 2019 Bonds. The rights of the Issuer under the Agreement (except for the rights of the Issuer relating to exculpation, indemnification and payment of expenses thereunder) have been pledged and assigned by the Issuer to the Trustee as security for the Series 2019 Bonds.

The Board is leasing the land upon which the Facilities have been constructed to the Corporation pursuant to an Amended and Restated Ground and Buildings Lease Agreement dated as of February 1, 2019 (the “*Ground Lease*”).

The Facilities have been leased by the Corporation to the Board pursuant to an Amended and Restated Agreement to Lease with Option to Purchase dated as of February 1, 2019 (the “*Facilities Lease*”).

The Series 2019 Bonds are also entitled to the benefits of the Mortgage and Security Agreement and Assignment of Leases and Rents dated as of August 13, 2004, as amended by a First Amendment to Act of Mortgage, Assignment of Leases and Security Agreement dated June 7, 2017, and an Act of Leasehold Mortgage, Assignment of Leases and Security Agreement dated June 7, 2017 (collectively, the “*Mortgage*”), all by the Corporation in favor of the Trustee, pursuant to which the Corporation has mortgaged its leasehold interest in and to the land and the improvements located thereon as described therein, granted a security interest in certain movable property and assigned its rights to all leases and rents relating to the Facilities.

We have examined: (i) the constitution and statutes of the State, including the Act; (ii) a certified transcript of the proceedings of the Issuer authorizing the issuance of the Series 2019 Bonds; (iii) the Indenture, the Agreement, the Tax Regulatory Agreement and Arbitrage Certificate dated the date of delivery and payment for the Series 2019 Bonds among the Issuer, the Corporation, the Board and the Trustee (the “*Tax Agreement*”); and (iv) such other documents, instruments, proofs and matters of law as we have deemed relevant to the issuance of the Series 2019 Bonds and necessary for the purpose of this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Board and the Corporation contained in the Indenture, the Agreement and the Tax Agreement, the certified proceedings and other certifications of public officials and others furnished to us, including certifications furnished to us by or on behalf of the Issuer, the Corporation and the Board, without undertaking to verify the same by independent investigation.

On the basis of the foregoing examinations, we are of the opinion, as of the date hereof and under existing law, that:

1. The Issuer is a validly existing political subdivision of the State and has the power and authority to enter into the Agreement and the Indenture and to issue and sell the Series 2019 Bonds.

2. The Series 2019 Bonds are valid and binding special and limited obligations of the Issuer secured by and entitled to the benefits of the Indenture and are payable solely from the revenues and other amounts pledged and assigned under the Indenture.

3. The Agreement and the Indenture have been duly authorized, executed and delivered by the Issuer and constitute valid and binding obligations of the Issuer, enforceable upon the Issuer in accordance with their terms, and all rights of the Issuer under the Agreement have been validly assigned to the Trustee under the Indenture, with the exception of certain rights of the Issuer relating to notice, exculpation, indemnification and payment of expenses.

4. The Series 2019 Bonds and interest thereon do not constitute an indebtedness or pledge of the general credit of the Issuer within the meaning of any State constitutional or statutory provision and will not constitute a general obligation or a charge against any other revenues of the Issuer.

5. Interest on the Series 2019 Bonds (including any original issue discount properly allocable to an owner thereof) is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax.

6. Under the Act, the Series 2019 Bonds are exempt from all taxation by the State of Louisiana or any political subdivision thereof.

In rendering the opinions expressed in paragraph 5 above, we have relied upon the opinion of even date herewith of Jones Fussell, L.L.P., Covington, Louisiana, counsel to the Corporation that the Corporation is an organization that is exempt from federal income tax under Section 501(a) of the Internal Revenue Code of 1986, as amended (the “Code”) as an organization described in Section 501(c)(3) of the Code. We have also relied upon such opinion with respect to (i) the due organization of the Corporation, (ii) the good standing of the Corporation in the State; (iii) the corporate power of the Corporation to enter into, and the due authorization, execution and delivery by the Corporation of, the Agreement, the Ground Lease and the Facilities Lease, and the valid and binding effect thereof on the Corporation, and (iv) matters which might be disclosed as a result of an examination of the indentures, mortgages, deeds of trust, certifications of incorporation, by-laws, and other agreements or instruments to which the Corporation is a party or by which it or its properties are bound. We are not passing upon title to the Facilities or the nature or extent of any liens thereon.

We have relied on representations of the Issuer, the Board and the Corporation with respect to matters solely within the knowledge of the Issuer, the Board and the Corporation, which we have not independently verified, and have assumed continuing compliance with the covenants in the Indenture, the Agreement and the Tax Agreement pertaining to those sections of the Code that affect the exclusion from gross income of interest on the Series 2019 Bonds for federal income tax purposes. In the event that such representations are determined to be inaccurate or incomplete or the Issuer, the Board or the Corporation fails to comply with the foregoing covenants, interest on the Series 2019 Bonds could be includable in gross income for federal income tax purposes from the date of their original delivery, regardless of the date on which the event causing such inclusion occurs.

The accrual or receipt of interest on the Series 2019 Bonds may otherwise affect the federal income tax liability of certain recipients. The extent of these other tax consequences will depend upon the

recipient's particular tax status or other items of income or deduction. We express no opinion regarding any such consequences and investors should consult their tax advisors regarding the tax consequences of purchasing or holding the Series 2019 Bonds.

It is to be understood that the rights of the owners of the Series 2019 Bonds and the enforceability of the Series 2019 Bonds, the Indenture, the Agreement and the other documents enumerated above may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable, and that their enforcement may also be subject to the exercise of the sovereign police powers of the State or its governmental bodies and the exercise of judicial discretion in appropriate cases.

For purposes of this opinion, our services as bond counsel have not extended beyond the examinations and expressions of the conclusions referred to above. This opinion is given as of the date hereof and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in the law that may hereafter occur. Except as stated above, no opinion is expressed as to any federal or state tax consequences resulting from the ownership of, receipt of interest on, or disposition of, the Series 2019 Bonds.

Respectfully submitted,

On the later of the day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which AGM shall have received Notice of Nonpayment, AGM will disburse to or for the benefit of each Owner of a Bond the amount of principal of and interest on the Bond that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by AGM, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of the principal or interest then due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in AGM. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by AGM is incomplete, it shall be deemed not to have been received by AGM for purposes of the preceding sentence and AGM shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, who may submit a completed Notice of Nonpayment. Upon disbursement in respect of a Bond, AGM shall become the owner of the Bond, any appurtenant coupon to the Bond or right to receipt of payment of principal of or interest on the Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under the Bond, to the extent of any payment by AGM hereunder. Payment by AGM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of AGM under this Policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agents are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AGM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer which has been recovered from such Owner pursuant to the

United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from an Owner, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

AGM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AGM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AGM and shall not be deemed received until received by both and (b) all payments required to be made by AGM under this Policy may be made directly by AGM or by the Insurer's Fiscal Agent on behalf of AGM. The Insurer's Fiscal Agent is the agent of AGM only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AGM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AGM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud, whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AGM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereon, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be canceled or revoked. SECTION 8. Amendment; Waiver.

- (ii) this Disclosure Certificate, as so amended or taking into account such waiver, would, in the opinion of Securities Counsel, have complied with the requirements of the Rule at the time of the original issuance of the Series 2019 Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

To the extent reasonably feasible, the comparison shall also be quantitative. A notice of the change in accounting principles shall be filed by the Board with the MSRB.

SECTION 9. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the Board from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or Notice of Material Event, in addition to that which is required by this Disclosure Certificate. If the Board chooses to include any information in any Annual Report or Notice of Material Event in addition to that which is specifically required by this Disclosure Certificate, the Board shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or Notice of Material Event.

SECTION 10. Failure to Comply. In the event of a failure of the Board to comply with any provision of this Disclosure Certificate any Participating Underwriter or any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Board to comply with its obligations under this Disclosure Certificate. Provided, with respect to matters relating to the adequacy of the information required by the Rule, only bondholders aggregating not less than twenty-five percent (25%) of the aggregate principal amount of the Series 2019 Bonds outstanding may exercise remedies with respect thereto. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Certificate in the event of any failure of the Board to comply with this Disclosure Certificate shall be an action to compel performance. The Paying Agent shall not have any power or duty to enforce this Disclosure Certificate.

SECTION 11. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the Board, the Participating Underwriter and the owners, including beneficial owners, or holders of the Series 2019 Bonds, and shall create no rights in any other person or entity.

SECTION 13. Additional Disclosure Obligations. The Board acknowledges and understands that other State of Louisiana and federal laws, including, without limitation, the Securities Act of 1933, as amended, and Rule 10b-5 promulgated by the SEC pursuant to the 1934 Act, may apply to the Board, and that under some circumstances, compliance with this Disclosure Certificate, without additional disclosures or other action, may not fully discharge all duties and obligations of the Board under such laws.

SECTION 14. Governing Law. This Disclosure Certificate shall be construed and interpreted in accordance with the laws of the State of Louisiana, and any suits and actions arising out of this Disclosure Certificate shall be instituted in a court of competent jurisdiction in the State of Louisiana. Notwithstanding the foregoing, to the extent this Disclosure Certificate addresses matters of federal securities laws, including the Rule, this Disclosure Certificate shall be construed and interpreted in accordance with such federal securities laws and official interpretations thereof.

SECTION 8. Amendment; Waiver.

- (a) Notwithstanding any other provision of this Disclosure Certificate, this Disclosure Certificate may be amended, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied:
 - (i) if the amendment or waiver relates to the provisions of Section 3(a), (b), (c), 4 or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, a change in law or a change in identity, nature, or status of the Board or the type of business conducted by the Board;
 - (ii) this Disclosure Certificate, as so amended or taking into account such waiver, would, in the opinion of Securities Counsel, have complied with the requirements of the Rule at the time of the original issuance of the Series 2019 Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

a statement to that effect shall be included in the first Annual Report that does not include such information.

- (c) If the amendment results in a change to the accounting principles to be followed in preparing financial statements as set forth in Section 4 of this Disclosure Certificate, the Annual Report for the year in which the change is made shall include a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. The comparison shall include a qualitative discussion of such differences and the impact of the changes on the presentation of the financial information. To the extent reasonably feasible, the comparison shall also be quantitative. A notice of the change in accounting principles shall be filed by the Board with the MSRB.

SECTION 9. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the Board from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or Notice of Material Event, in addition to that which is required by this Disclosure Certificate. If the Board chooses to include any information in any Annual Report or Notice of Material Event in addition to that which is specifically required by this Disclosure Certificate, the Board shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or Notice of Material Event.

SECTION 10. Failure to Comply. In the event of a failure of the Board to comply with any provision of this Disclosure Certificate any Participating Underwriter or any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Board to comply with its obligations under this Disclosure Certificate. Provided, with respect to matters relating to the adequacy of the information required by the Rule, only bondholders aggregating not less than twenty-five percent (25%) of the aggregate principal amount of the Series 2019 Bonds outstanding may exercise remedies with respect thereto. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Certificate in the event of any failure of the Board to comply with this Disclosure Certificate shall be an action to compel performance. The Paying Agent shall not have any power or duty to enforce this Disclosure Certificate.

SECTION 11. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the Board, the Participating Underwriter and the owners, including beneficial owners, or holders of the Series 2019 Bonds, and shall create no rights in any other person or entity.

\$11,960,000

Louisiana Local Government Environmental Facilities and
Community Development Authority Revenue Refunding Bonds
(Southeastern Louisiana University Student
Housing/University Facilities, Inc. Project)
Series 2019

This TAX REGULATORY AGREEMENT AND ARBITRAGE CERTIFICATE (together with the exhibits attached hereto, this “Tax Agreement”) is entered into as of the 7th day of February, 2019 by the Louisiana Local Government Environmental Facilities and Community Development Authority (the “Authority”) and Regions Bank, in its capacity as Trustee (the “Trustee”) under the Indenture (as hereinafter defined) in connection with the issuance of the above-captioned bonds (the “Bonds”).

The Authority and Trustee hereby certify, represent, agree and covenant as follows with respect to the Bonds and related matters for purposes of the Code. With regard to facts existing on the date hereof, the certifications and representations set forth in this Tax Agreement are as of the date hereof. With regards to events to occur in the future, the certifications and representations set forth in this Tax Agreement are based on reasonable expectations of University Facilities, Inc. (the “Corporation”) on the date hereof. All certifications and representations relating to the status and actions that have been taken or that will be taken by the Corporation or the Board are based upon the Corporation Certificate executed by the Corporation and the Board in connection with the issuance of the Bonds, an executed copy of which is attached hereto as Exhibit A and incorporated herein.

1. General Provisions.

1.1 Purpose. The parties are delivering this Tax Agreement to Bond Counsel with the understanding and acknowledgment that Bond Counsel will rely upon this Tax Agreement in rendering its opinion that interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code.

1.2 Authorization and Due Diligence. The undersigned officers of the Authority and the Trustee have the authority to execute this Tax Agreement. Such individuals have discussed with such professionals as they have deemed necessary (including Bond Counsel) the provisions of this Tax Agreement, and are satisfied that they (a) understand the certifications, representations and covenants made in this Tax Agreement (including the exhibits hereto) and (b) understand that continuing compliance with the representations and covenants made in this Tax Agreement (including the exhibits hereto) is necessary in order to maintain the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

1.3 Status of the Authority; Authorization of Bonds.

1.3.1 The Authority is a political subdivision of the State of Louisiana created pursuant to the authority of Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 4548.16) (the “LCDA Act”).

1.3.2 The Authority is issuing the Bonds pursuant to the LCDA Act, Chapters 14 and 14-A of Title 39 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 39:1441 through 1456, inclusive) (the “Refunding Act” and, collectively with the LCDA Act, the “Act”), and the terms of the Indenture.

1.4 Purpose for the Bonds. The Authority is issuing the Bonds to loan the proceeds of the Bonds to the Corporation. The Corporation will use the proceeds of the Bonds to (a) currently refund the Authority's \$15,000,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B (the "**Refunded Bonds**") and (b) pay a portion of the Costs of Issuance of the Bonds, including the premiums for the bond insurance policy insuring the Bonds and a debt service reserve insurance policy insuring the Debt Service Reserve Fund.

1.5 Definitions. Unless the context otherwise requires, capitalized terms used herein shall have the meanings ascribed thereto in Exhibit B to this Tax Agreement. Any capitalized term not defined herein or in Exhibit B to this Tax Agreement shall have the meaning ascribed thereto in the Indenture.

2. Prior Bonds.

2.1 Purpose for the Refunded Bonds. The Refunded Bonds were issued by the Authority and the proceeds thereof loaned to the Corporation for the purpose of financing the development, design, construction and equipping of student housing facilities (the "**Facilities**") for the University located on immovable property owned by, or subject to the supervision and management of the Board in the City of Hammond, Parish of Tangipahoa, Louisiana, which Facilities have been leased to the Board on behalf of the University.

2.2 Refunded Bonds Not Refunding Bonds. None of the proceeds of the Refunded Bonds has been used to currently refund or advance refund other bonds.

2.3 Unspent Proceeds of the Refunded Bonds. Except for the balance in the Debt Service Reserve Fund of \$1,537,030.00, which is expected to be transferred to the Series 2019 Current Refunding Fund, there are no unspent proceeds of the Refunded Bonds.

2.4 Redemption of Refunded Bonds. The Refunded Bonds will be redeemed on February 8, 2019 (the "**Redemption Date**").

2.5 Yield and Maturity on the Refunded Bonds. The Refunded Bonds were issued as variable rate bonds maturing August 1, 2034 subject to mandatory redemption provisions. The remaining weighted average maturity of the Refunded Bonds is 14.382 years as certified in Exhibit C attached hereto.

3. Description, Ownership and Use of the Project.

3.1 The Project. For purposes of this Tax Certificate, the term "**Project**" shall mean the Facilities located on the campus of Southeastern Louisiana University (the "**University**") in Hammond, Louisiana that were financed in part with the proceeds of the Refunded Bonds.

3.2 Ownership of the Project. The Project will be owned by the Board of Supervisors for the University of Louisiana System (the "**Board**"), acting on behalf of the University, throughout the term of the Bonds.

3.3 Contracts.

3.3.1 The Authority has not entered into any contracts or agreements relating to the maintenance and operation of the Project and does not expect to enter into any such contracts or agreements.

3.3.2 The Authority does not know of any reason that the Project or any part thereof, will not be used as described in this Tax Agreement in the absence of: (a) supervening circumstances not anticipated by the Authority on the Date of Issue of the Bonds; (b) adverse circumstances beyond its control; or (c) obsolescence of such insubstantial parts or portions thereof as may occur as a result of normal use thereof.

4. General Tax Matters.

4.1 Form 8038. To the best of the knowledge of the Authority, the information shown on Internal Revenue Service (“IRS”) Form 8038 that is included in the transcript of proceedings relating to the issuance of the Bonds is true, accurate and complete.

4.2 No Adverse Actions. The Authority will not knowingly take or permit to be taken any action that would have the effect, directly or indirectly, of causing the interest on any of the Bonds to be included in the gross income of the Holders thereof for federal income tax purposes.

4.3 Filings. The Authority will comply with and make all filings required by all effective rules, rulings or Regulations promulgated by the Department of Treasury or the IRS with respect to obligations described in Section 103 and Sections 141-150 of the Code.

4.4 Information Reporting. The Authority will comply with the information reporting requirements of Section 149(e) of the Code.

4.5 Federal Guarantee. The Authority will not cause the Bonds to be treated as “Federally Guaranteed Obligations” for purposes of Section 149(b) of the Code, as may be modified in any applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or IRS with respect to Federally Guaranteed Obligations described in Section 149(b) of the Code. Unless otherwise excepted under Section 149(b) of the Code, the Bonds will be considered federally guaranteed obligations if: (a) the payment of principal and interest with respect to the Bonds is guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof, except that Bonds guaranteed by the Federal Home Loan Bank are not treated as Federally Guaranteed Obligations if the Bonds are issued prior to December 31, 2010); (b) 5% or more of the Proceeds is (i) to be used in making loans, the payment of principal or interest with respect to which is to be guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof) or (ii) to be invested (directly or indirectly) in federally insured deposits or accounts; or (c) the payment of principal or interest on the Bonds is otherwise indirectly guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof). For purposes of determining whether the Bonds are federally guaranteed, a guarantee by the Federal Housing Administration, the Veterans Administration, the Federal National Mortgage Association, the Federal Home Loan Mortgage Insurance Company, the Government National Mortgage Association or the Resolution Funding Company is not considered a “federal guarantee”.

4.6 Payment of Costs of Issuance. The Authority reasonably expects that at least 95% of the Costs of Issuance will have been paid by the date that is 180 days after the Date of Issue.

5. Private Activity Bond Requirements Applicable to Qualified 501(c)(3) Bonds.

5.1 The Underwriter has furnished a certificate, an executed copy of which is attached hereto as Exhibit C (the “Underwriter’s Certificate”), which certifies that the weighted average maturity of the Bonds is 12.284 years.

5.2 As required by Section 147(f) of the Code, the Bonds and the Project were the subject of a public hearing held on December 4, 2019, which was preceded by reasonable public notice, and was subsequently approved by the Louisiana Attorney General.

5.3 No more than 2% of the proceeds of Bonds will be used to pay Costs of Issuance of the Bonds.

5.4 The weighted average maturity is 12.284 years, which does not exceed 120% of the average reasonably expected economic life of the Project. Such weighted average estimated economic life was determined in accordance with the following assumptions: (a) the weighted average was determined by taking into account the respective costs of each asset so itemized other than land if the cost of land is less than 25 percent of the proceeds of the Bonds (otherwise land is treated as having an economic life of 30 years); (b) the reasonably expected economic life of an asset was determined as of the later of the date of issuance of the Bonds or the date on which such asset, was or is expected to be placed in service; and (c) the economic lives for the itemized assets are the useful lives used for depreciation under Section 167 of the Code prior to the enactment of the current system of depreciation in effect under Section 168 of the Code (i.e., the midpoint lives under the Class Life Asset Depreciation Range of Section 167(m) of the Internal Revenue Code of 1954, as amended), as set forth in Revenue Procedure 83-35, 1983-1 C.B. 418, and where applicable, the guideline lives under Rev. Proc. 62-21, 1962-2 C.B. 418.

6. 501(c)(3) Status of the Corporation.

6.1 The Corporation is a non-profit corporation, duly organized and existing under the laws of the State of Louisiana.

6.2 The Corporation has received a written determination from the IRS that the Corporation is an organization that is described in Code Section 501(c)(3) (the “***Determination Letter***”).

6.3 The Determination Letter has not been modified, limited or revoked and the Corporation is in compliance with all terms, conditions and limitations, if any, contained in the letter.

6.4 The facts and circumstances that form the basis of the Determination Letter as represented to the IRS continue to exist and no material facts or circumstances have arisen that could affect the validity of the Determination Letter.

6.5 The Corporation has not been audited by the IRS and the Corporation continues to be recognized as an organization described in Section 501(c)(3) of the Code.

7. Issue Price and Yield on the Bonds.

7.1 Generally. For purposes of this Tax Agreement, Yield is calculated as set forth in Section 148(b) of the Code and Treasury Regulations §§1.148-4 and 1.148-5. For purposes of this Tax Agreement, “yield” means the discount rate that, when used in computing the present worth of all payments of principal and interest to be paid on an obligation, produces an amount equal to the purchase price of such obligation.

7.2 Issue Price.

a. Under Section 1.148-1(f) of the Treasury Regulations, the issue price of bonds issued for money is the first price at which a substantial amount (10%) of the bonds is sold to the public. If a bond is issued for money in a private placement to a single buyer

that is not an underwriter or a related party (as defined in § 1.150-1(b)) to an underwriter, the issue price of the bond is the price paid by that buyer.

b. The initial offering price to the public as of the sale date may be treated as the issue price of the bonds if the following requirements are met:

i. The underwriters offered the bonds to the public for purchase at a specified initial offering price on or before the sale date, and the lead underwriter in the underwriting syndicate or selling group (or, if applicable, the sole underwriter) provides, on or before the issue date, a certification to that effect to the issuer, together with reasonable supporting documentation for that certification, such as a copy of the pricing wire or equivalent communication.

ii. Each underwriter agrees in writing that it will neither offer nor sell the bonds to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(a) The close of the fifth (5th) business day after the sale date; or

(b) The date on which the underwriters have sold a substantial amount of the bonds to the public at a price that is no higher than the initial offering price to the public.

c. The Authority has chosen to apply the rule described in Section 7.2.a above for purposes of determining the issue price of the Bonds.

7.3 The issue price of the Bonds for purposes of calculating the Yield on the Bonds is \$12,932,950.95, computed as follows:

Par Amount of Bonds	\$11,960,000.00
Plus: Original Issue Premium	<u>972,950.95</u>
Issue Price	\$12,932,950.95

7.4 The Underwriters have certified in the Underwriters' Certificate attached hereto as Exhibit C (1) that on the sale date the Underwriters made a bona fide offering of the Bonds to the public (exclusive of bond houses, brokers and similar persons acting in the capacity of underwriters or wholesalers) at prices equal to those amounts set forth on the Underwriters Certificate and (2) as to the prices (exclusive of accrued interest) at which a substantial amount of each maturity of the Bonds were sold to the public (exclusive of bond houses, brokers and similar persons acting in the capacity of underwriters or wholesalers). Based on past financing practices, the Authority and the Corporation believe that the initial offering price of the Bonds is reasonable under customary standards applicable in the established tax-exempt market.

7.5 Yield on the Bonds.

7.5.1 The Underwriter's Certificate certifies that the Yield on the Bonds is 3.4125%.

7.5.2 In computing the Yield on the Bonds, the amount of the premium for the insurance policy on the Bonds is treated as a qualified guarantee on the Bonds. This treatment is based upon representations made by the Underwriter in the Underwriter's Certificate, and the Bond Insurer in the Bond Insurer's certificate, an executed copy of which is attached hereto as Exhibit D, that the premium paid for the bond insurance policy was negotiated at arm's length and are within the normal range of charges charged by banks for the transfer of credit risk with respect to similar Tax-Exempt Obligations, that the present value of interest saved as a consequence of the bond insurance policy exceeds the present value of the premium paid for the bond insurance policy and that the premium paid for the bond insurance policy is not included in any direct or indirect payment for a cost, risk or other element that is not customarily borne by guarantors of tax-exempt bonds in transactions in which a bank has no involvement other than as a guarantor. The Authority believes that the premium paid for the bond insurance policy is reasonable based on past financing practices.

8. Arbitrage.

8.1 Reasonable Expectations. The Authority has reviewed the Corporation's representations relating to the use and investment of Proceeds in the Corporation Certificate. The Authority is not aware of any reason why it should not rely on such representations.

9. Arbitrage Rebate and Yield Reduction Payments.

9.1 General. The Authority acknowledges that the continued exclusion of interest on the Bonds from gross income of the holders thereof for purposes of federal income taxation depends, in part, upon compliance with the arbitrage rebate and yield reduction payment rules in the Code and Regulations (the "Rebate Rules").

9.2 Rebate Computation Date Election. The Authority hereby elects to treat the last day of the 5th Bond Year as the first rebate computation date, and each succeeding 5th Bond Year as a rebate computation date.

9.3 Rebate Computation. The Corporation has covenanted that in connection with complying with the Rebate Rules, the Corporation will take the following actions:

9.3.1 Unless the Corporation has complied with the arbitrage rebate requirement set forth in Section 148(f)(4)(B) of the Code or a rebate spending exception in the Regulations, it will retain a Rebate Expert on or within thirty (30) days before the initial Rebate Computation Date and on each Rebate Computation Date thereafter, (a) to compute the amount of any Rebate Amount required for the period ending on such Rebate Computation Date and (b) to deliver an opinion to the Authority and Trustee, concerning its conclusions with respect to the amount (if any) of such Rebate Amount together with a written report providing a summary of the calculations relating thereto.

9.3.2 Within ten (10) days of receipt of the report furnished by the Rebate Expert, the Corporation is required to pay, or cause to be paid to the Trustee for deposit into the Series 2019 Rebate Fund the difference between the amount therein and the amount required to fund the Rebate Amount.

9.3.3 In the event any Rebate Amount is due, the Corporation is required to direct the Trustee in writing to withdraw from the Series 2019 Rebate Fund and pay over to the United States the Rebate Amount with respect to the Bonds on the applicable Rebate Payment Date.

9.4 Authority's Ability to Intervene.

9.4.1 If the Corporation fails to make or cause to be made any payment described in Subsection 9.3.3, the Authority shall have the right, but shall not be required to, make such payment to the Trustee for deposit into the Series 2019 Rebate Fund on behalf of the Corporation. Any amount advanced by the Authority pursuant to this Subsection will be added to the moneys owed the Authority by the Corporation under the Loan Agreement and shall be payable on demand with interest at the higher of (a) the interest rate on Bonds or (b) the default rate provided in the Bonds, if any.

9.4.2 The Authority shall have the right at any time and in the sole and absolute discretion of the Authority to obtain from the Corporation and the Trustee the information necessary to determine the amount required to be paid to the United States pursuant to Section 148(f) of the Code. Additionally, the Authority may, with reasonable cause, (a) review or cause to be reviewed any determination of the amount to be paid to the United States made by or on behalf of the Corporation and (b) make or retain a Rebate Expert to make the determination of the amount to be paid to the United States.

9.4.3 The Authority acknowledges that the provisions of this Article 9 are intended to comply with Section 148(f) of the Code and the regulations promulgated thereunder and if, as a result of a change in such Section of the Code or the promulgated regulations thereunder or in the interpretation thereof, a change in this Article 8 shall be necessary to assure continued compliance with Section 148(f) of the Code and the promulgated regulations thereunder, then, with written notice to the Trustee, the Authority shall be empowered to amend this Article 9 and the Authority may require, by written notice to the Corporation and the Trustee, the Corporation to amend this Article 8 to the extent necessary or desirable to assure compliance with the provisions of Section 148 of the Code and the regulations promulgated thereunder; provided that either the Authority or the Trustee shall require, prior to any such amendment becoming effective, at the sole cost and expense of the Corporation, an opinion of Bond Counsel satisfactory to the Authority and the Trustee to the effect that either (a) such amendment is required to maintain the exclusion from gross income under Section 103 of the Code of interest paid and payable on the Bonds or (b) such amendment shall not adversely affect the exclusion from gross income under Section 103 of the Code of the interest paid or payable on the Bonds.

9.5 Duty to Keep Records. The Trustee shall maintain detailed records with respect to each Nonpurpose Investment attributable to Gross Proceeds of the Bonds, including: (a) purchase price; (b) information establishing Fair Market Value on the date such investment became a Nonpurpose Investment; (c) any accrued interest due on its purchase date; (d) face amount; (e) coupon rate; (f) frequency of interest payments; (g) disposition price; (h) accrued interest due on its disposition date; and (i) disposition date. These records are required to facilitate the calculation of the Rebate Amount.

10. Miscellaneous.

10.1 Term. This Tax Agreement shall be effective from the date of issuance of the Bonds through the date six (6) years after the final Rebate Computation Date and will be effective at all times while the Bonds are outstanding.

10.2 Amendments. Notwithstanding any other provision hereof, any provision of this Tax Agreement may be amended or waived by an instrument in writing executed by the Authority, the Corporation and the Trustee, provided that there first shall have been provided to the Trustee a written opinion of Bond Counsel, in form and substance satisfactory to the Trustee and the Authority, that such amendment or waiver will not adversely affect the exclusion of interest on the Bonds from the gross income of the recipients thereof for purposes of federal income taxation.

10.3 Default; Remedies.

10.3.1 The failure of any party to this Tax Agreement to perform any of its required duties under any provision hereof shall constitute an event of default under this Tax Agreement.

10.3.2 Upon an occurrence of an event of default, the Authority or the Trustee may, in their discretion, proceed to protect and enforce their rights and the rights of the owners of the Bonds by pursuing any available remedy under and in accordance with the Indenture and the Loan Agreement, in addition to pursuing any other available remedy, including, but not limited to, a suit at law or in equity.

10.4 Post Issuance Tax Compliance. The Issuer has established written procedures intended to monitor the requirements of Section 148 of the Code. The Issuer's Post Issuance Tax-Exempt Debt Compliance Policies dated August 8, 2013 are attached to this Tax Agreement as Exhibit F.

10.5 The Trustee. Notwithstanding anything to the contrary contained herein, the Trustee shall have no responsibility with respect to any certifications or covenants of the Authority or the Corporation contained herein or in the Corporation Certificate attached hereto.

This CORPORATION CERTIFICATE (together with the exhibits attached hereto, this "Corporation Certificate") is executed as of the 7th day of February, 2019 by University Facilities, Inc. (the "Corporation") and the Board of Supervisors for the University of Louisiana System (the "Board"), in connection with the issuance and sale of the above-captioned bonds (the "Bonds").

The Corporation and the Board are executing this Corporation Certificate with the understanding and acknowledgment that the Louisiana Local Government Environmental Facilities and Community Development Authority (the "Authority") will rely on this Corporation Certificate in executing the Tax Regulatory Agreement and Arbitrage Certificate (the "Tax Agreement") and that Bond Counsel will rely upon this Corporation Certificate in rendering its opinion that interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code.

The Corporation and the Board hereby certify, represent, agree and covenant as follows with respect to the Bonds and related matters. With regard to facts existing on the date hereof, the certifications and representations set forth in this Corporation Certificate are as of the date hereof. With regards to events to occur in the future, the certifications and representations set forth in this Corporation Certificate are based on reasonable expectations of the Corporation and the Board on the date hereof.

1. General Provisions.

1.1 Authorization and Due Diligence. The undersigned officers of the Corporation and the Board have the authority to execute this Corporation Certificate. The officers have discussed with such professionals as they have deemed necessary (including Bond Counsel) the provisions of this Corporation Certificate, and are satisfied that the Corporation and the Board understand the certifications and representations made in this Corporation Certificate (including the exhibits hereto).

1.2 Status of the Corporation and the Board.

1.2.1 The Corporation is a non-profit corporation organized and existing under the laws of the State of Louisiana and recognized by the Internal Revenue Service (the "IRS") as an organization described in Section 501(c)(3) of the Code.

1.2.2 The Board is a public and constitutional corporation of the State of Louisiana (the "State"), created by Article VIII, Section 6(A) of the Louisiana Constitution of 1974, as amended, and statutes of the State.

1.3 Purpose for the Bonds. The Corporation will use the proceeds of the Bonds to (a) refund the Authority's \$15,000,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B (the "Refunded Bonds") and (b) pay the Costs of Issuance of the Bonds, including the premiums for the bond insurance policy insuring the Bonds and a debt service reserve insurance policy insuring the Debt Service Reserve Fund.

1.4 Purpose for the Refunded Bonds. The Refunded Bonds were issued by the Authority and the proceeds thereof loaned to the Corporation for the purpose of financing the development, design, construction and equipping of student housing facilities (the “Facilities”) for the University located on immovable property owned by, or subject to the supervision and management of the Board in the City of Hammond, Parish of Tangipahoa, Louisiana, which Project has been leased to the Board on behalf of the University.

1.5 No Other Bonds. There are no obligations heretofore issued or to be issued by or on behalf of any state, territory or possession of the United States (or any political subdivision of any of the foregoing, or of the District of Columbia) that: (a) were or will be sold within 15 days of the date of sale of the Bonds; (b) were sold pursuant to the same plan of financing as the Bonds; and (c) are payable directly or indirectly from the same source or sources of funds (determined without regard to guarantees by parties unrelated to the Corporation) from which the Bonds are payable.

1.6 Definitions. Unless the context otherwise requires, capitalized terms used herein shall have the meanings ascribed thereto in Exhibit B to the Tax Agreement. Any capitalized term not defined herein or in Exhibit B to the Tax Agreement shall have the meaning ascribed thereto in the Indenture.

2. The Corporation.

2.1 The Corporation acknowledges that it must be an organization described in Code Section 501(c)(3) in order for the interest on the Bonds to be and to remain excludable from the gross income of the bondholders.

2.2 The Corporation is a non-profit corporation, duly organized and existing under the laws of the State of Louisiana.

2.3 The Corporation has received a written determination from the IRS that the Corporation is an organization that is described in Code Section 501(c)(3) (the “Determination Letter”).

2.4 The Determination Letter has not been modified, limited or revoked and the Corporation is in compliance with all terms, conditions and limitations, if any, contained in the Determination Letter.

2.5 The facts and circumstances that form the basis of the Determination Letter as represented to the IRS continue to exist and no material facts or circumstances have arisen that could affect the validity of the Determination Letter.

2.6 The Corporation has not been audited by the IRS and the Corporation continues to be recognized as an organization described in Section 501(c)(3) of the Code.

2.7 Throughout the term of the Bonds, the Corporation shall do, or cause to be done, all things necessary to continue to be a non-profit corporation, duly organized and existing under the laws of the State of Louisiana.

2.8 Throughout the term of the Bonds, the Corporation shall do, or cause to be done, all things necessary to continue to be classified as an organization described in Section 501(c)(3) of the Code that is not a private foundation as defined in Section 509(a) of the Code.

2.9 The Corporation will not perform any act or enter into any agreement that adversely affects the federal income tax status of the Corporation, including its status as an organization described in Section 501(c)(3) of the Code, and shall conduct its operations in a manner that will conform to the

standards necessary to continue to qualify the Corporation as an organization described in Section 501(c)(3) of the Code or any successor provision of federal income tax law.

2.10 The Corporation does not expect to perform any act, or enter into any agreement or transaction that would result in it no longer being an organization described in Section 501(c)(3) of the Code. To that end, the Corporation hereby covenants that it will follow all rulings and procedures outlined by the Regulations relating to organizations described in Section 501(c)(3) of the Code.

2.11 The operation of the Project is substantially related to and in furtherance of the Corporation's Tax Exempt Purpose.

3. The Project.

3.1 General. The Corporation hereby acknowledges its understanding that it must satisfy certain requirements with respect to the Project in order for the Bonds to be treated as "qualified 501(c)(3) bonds" under Code Section 145.

3.2 Description of the Project.

3.2.1 For purposes of this Corporation Certificate, the term "Project" shall mean the Facilities on the campus of the University which were acquired, designed, developed, constructed, renovated, demolished, reconstructed, and equipped with the proceeds of the Refunded Bonds.

- (a) No portion of the Project will be used to provide any:
- (b) Airplane;
- (c) Skybox or other private luxury box;
- (d) Facility primarily used for gambling; or
- (e) Any store, the principal business of which is the sale of alcoholic beverages for consumption off premises.

3.3 Ownership of the Project. The Board will own the Project throughout the term of the Bonds.

3.4 Lease. The Project will be leased to the Corporation and, as improved, leased back to the Board throughout the term of the Bonds.

3.5 Contracts Relating to the Project. The Corporation and the Board have disclosed to Bond Counsel all contracts and agreements relating to the maintenance and operation of the Project that they have entered into or anticipate entering into. There are no other contracts or agreements relating to the maintenance and operation of the Project and neither the Corporation nor the Board expects to enter into any such contracts or agreements.

3.6 Use of the Project.

3.6.1 Neither the Corporation nor the Board will use the Project or cause the Project to be used in a manner that will result in the Bonds not meeting the requirements imposed upon qualified 501(c)(3) bonds.

3.6.2 The Corporation and the Board understand that the Bonds will not be considered “qualified 501(c)(3) bonds” if more than 5% of the Project is used by a Private Person in a trade or business or by the Corporation in an Unrelated Business.

3.6.3 The Corporation and the Board understand that in determining whether all or a portion of the Project is used, directly or indirectly, in the trade or business of a Private Person for purposes of the “private business use test” under Section 141(b)(1) of the Code, use of the Project or any portion thereof by a Private Person pursuant to any agreement, including any management or other service contract must be examined.

3.6.4 Except for Permitted Contracts, as described on Exhibit A hereto, neither the Corporation nor the Board will enter into any contract or agreement with respect to any portion of the Project without first disclosing such contract to the Authority and Bond Counsel.

3.6.5 Neither the Corporation nor the Board knows of any reason why the Project or any part thereof would not be used as described in this Corporation Certificate in the absence of: (a) supervening circumstances not anticipated by the Corporation or the Board on the Date of Issue; (b) adverse circumstances beyond their control; or (c) obsolescence of such insubstantial parts or portions of the Project as may occur as a result of normal use thereof.

4. General Tax Matters.

4.1 Tax Identification Number. The Corporation’s tax identification number is 72-1417328.

4.2 Federal Guarantee. The Corporation will not take any action that would cause the Bonds to be treated as “federally guaranteed obligations” for purposes of Section 149(b) of the Code, as may be modified in any applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the IRS with respect to Federally Guaranteed Obligations described in Section 149(b) of the Code. Unless otherwise excepted under Section 149(b) of the Code, the Bonds will be considered federally guaranteed obligations if: (a) the payment of principal and interest with respect to the Bonds is guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof, except that Bonds guaranteed by the Federal Home Loan Bank are not treated as Federally Guaranteed Obligations if the Bonds are issued prior to December 31, 2010); (b) 5% or more of the Proceeds is (i) to be used in making loans, the payment of principal or interest with respect to which is to be guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof) or (ii) to be invested (directly or indirectly) in federally insured deposits or accounts; or (c) the payment of principal or interest on the Bonds is otherwise indirectly guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof). For purposes of determining whether the Bonds are federally guaranteed, a guarantee by the Federal Housing Administration, the Veterans Administration, the Federal National Mortgage Association, the Federal Home Loan Mortgage Insurance Company, the Government National Mortgage Association or the Resolution Funding Company is not considered a “federal guarantee”.

4.3 Payment of Costs of Issuance. At least 95% of the Costs of Issuance will have been paid by the date that is 180 days after the Date of Issue.

5. Private Activity Bond Requirements Applicable to Qualified 501(c)(3) Bonds.

5.1 At least 95% of the proceeds of the Refunded Bonds were used to provide either land or property of a character subject to the allowance for depreciation under the Code, and substantially all amounts to be paid or incurred from the proceeds of the Refunded Bonds are, for federal income tax

purposes, chargeable to a capital account related to the Facilities or would be so chargeable either with a proper election by the Corporation (under Section 266 of the Code) or but for a proper election by the Corporation to deduct such amounts.

5.2 No more than 2% of the proceeds of the Bonds will be used to pay Costs of Issuance of the Bonds.

5.3 The average maturity of the Bonds is 12.284 years as certified by the Underwriters on Exhibit C to the Tax Agreement, which does not exceed 120% of the remaining average reasonably expected economic life of the Facilities financed with the proceeds of the Refunded Bonds.

6. Arbitrage Matters.

6.1 General. The Corporation agrees and covenants that it shall do and perform all acts and things necessary to ensure that the requirements of Section 148 of the Code are met.

6.2 Funds and Accounts. The only funds and accounts relating to the Bonds are those listed below. Such funds and accounts are created under the Indenture and maintained by the Trustee:

(h) the Series 2019 Rebate Fund.

6.3 Description of Funds. Pursuant to the terms of the Indenture, the accounts listed above will be used as follows:

6.3.1 Series 2019 Bond Proceeds Fund. The Series 2019 Bond Proceeds Fund will receive the Sale Proceeds of the Bonds, a transfer from the debt service reserve held in connection with the Refunded Bonds, and a cash contribution from the Board. 6.3.4 Series 2019 Debt Service Reserve Fund. Monies in the Series 2019 Debt Service Reserve Fund shall be maintained in an amount equal to the Series 2019 Debt Service Reserve Requirement. The Series 2019 Debt Service Reserve Fund Requirement will initially be satisfied by the deposit of the Debt Service Reserve Fund Surety Policy with the Trustee. Monies in the Series 2019 Debt Service Reserve Fund shall be used solely for transfer to the Series 2019 Debt Service Fund in amounts required to prevent any default in the payment of the principal of and interest on the Bonds.

Moneys in the Replacement Fund will also be transferred to the Interest Account and/or the Principal Account of the Series 2013 Debt Service Fund, the Series 2017 Debt Service Fund, or the Series 2019 Debt Service Fund whenever and to the extent that money on deposit in such Accounts, together with money available therefor in the Surplus Fund, is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor), the Series 2013 Bonds, the Series 2017 Bonds or the Bonds.

6.3.6 Receipts Fund. There shall be deposited into the Receipts Fund all funds received from or paid on behalf of the Board under the Facilities Lease, including: (i) daily, all rents, charges, and other amounts, held in the deposit account maintained by the Management Company pursuant any Management Agreement; and (ii) all Housing Lawfully Available Funds from the Board used to make Base Rental Payments pursuant to the Facilities Lease. The Trustee will transfer the amount so deposited in the Receipts Fund to the Series 2013 Debt Service Fund, the Series 2017 Debt Service Fund and the Series 2019 Debt Service Fund without distinction or priority. Moneys on deposit in the Receipts Fund will be withdrawn by the Trustee in accordance with the requirements of the Indenture ratably on a parity therewith and applied in the priority identified in the Indenture.

6.3.7 Surplus Fund. The Surplus Fund shall be maintained with the Trustee. Upon satisfaction of certain performance covenants contained in the Indenture, funds on deposit in the Surplus Fund at the end of any Fiscal Year may be transferred to the University. Until such transfer, moneys in the Surplus Fund will be available to be transferred to the Interest Account and/or the Principal Account of the Series 2013 Debt Service Fund, the Series 2017 Debt Service Fund or the Series 2019 Debt Service Fund whenever and to the extent that money on deposit in such Accounts is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2013 Bonds, the Series 2017 Bonds or the Bonds.

6.3.8 Series 2019 Rebate Fund. Moneys on deposit in the Series 2019 Rebate Fund shall be used to make rebate payments to the IRS as and when required.

6.4 No Other Sinking or Pledge Fund. Except for the Series 2019 Debt Service Fund and the Series 2019 Debt Service Reserve Fund, there are no funds or accounts comprised of securities (within the meaning of Section 165(g)(2)(A) or (B) of the Code), obligations, annuity contracts or

investment-type property, established by or on behalf of the Corporation that are reasonably expected to be used or generate earnings to be used to pay debt service on the Bonds or that are reserved or pledged as collateral for payment of debt service on the Bonds and for which there is reasonable assurance that amounts therein will be available to pay such debt service if the Corporation encounters financial difficulties; therefore, there is no other fund created or established or to be created or established which would be treated as a sinking fund in connection with the Bonds.

6.5 No Replacement Funds.

6.5.1 Except for amounts in the Series 2019 Current Refunding Fund, the Corporation does not expect to have on hand any property, including cash and securities, that is legally required or otherwise restricted (no matter where held or the source thereof) to be used, directly or indirectly, for the purposes for which the Bonds are being issued.

6.5.2 No portion of the Proceeds will be used as a substitute for other funds that were otherwise to be used as a source of financing for the Project or for the payment of debt service on the Bonds and that have been or will be used to acquire directly or indirectly securities producing a Yield in excess of the Yield on the Bonds.

6.6 Use of Proceeds.

6.6.1 On the basis of the facts, estimates and circumstances in existence on the date hereof, the Corporation reasonably expects that the proceeds derived from the sale of the Series 2019 Bonds will be equal to \$12,932,950.95 (for purposes of this subsection, the “***Bond Proceeds***”) consisting of the par amount of the Bonds plus original issue premium of \$972,950.95.

\$15,469,980.95	Total

6.1 Expectations with Regard to certain Funds. The Corporation reasonably expects the following:

6.1.1 The Series 2019 Current Refunding Fund. Amounts held in the Series 2019 Current Refunding Fund will be used to pay principal and interest on the Refunded Bonds to redeem the Refunded Bonds in full on February 8, 2019. Any amounts remaining in the Series 2019 Current Refunding Fund following redemption of the Refunded Bonds on February 8, 2019 will be deposited into the Interest Account of the Series 2019 Debt Service Fund.

6.2 The Series 2019 Debt Service Fund. The Corporation reasonably expects the following with respect to the Series 2019 Debt Service Fund:

6.2.1 The Series 2019 Debt Service Fund will be depleted at least once annually except for a reasonable carryover amount not in excess of the greater of (A) the earnings on the Series 2019 Debt Service Fund for the immediately preceding Bond Year or (B) 1/12th of the principal and interest payments on the Series 2019 Bonds for the immediately preceding Bond Year; and

6.3 The Series 2019 Debt Service Reserve Fund. The Corporation reasonably expects that the Series 2019 Debt Service Reserve Fund will be used only as a reserve for the payment of principal or interest on the Bonds in the event that no other moneys are available therefor. The total amount held in the Series 2019 Debt Service Reserve Fund at any time will not exceed the Series 2019 Debt Service Reserve Fund Requirement.

6.4 Investments of Amounts in Funds.

6.4.1 General.

(a) The Corporation is given the right under Section 4.20 of the Indenture to direct the investment of the Proceeds while held in the funds and accounts established under the Indenture. The Corporation acknowledges that the continued exclusion of interest on the Bonds from gross income of the recipients thereof for purposes of federal income taxation depends, in part, upon compliance with the arbitrage limitations imposed by Section 148 of the Code. The Corporation covenants that it will comply with the following restrictions on investments of the Proceeds.

(b) No Nonpurpose Investment may be acquired with Gross Proceeds for an amount (including transaction costs, except as otherwise provided in §1.148-5(e) of the Regulations) in excess of the Fair Market Value of such Nonpurpose Investment. No Nonpurpose Investment may be sold or otherwise disposed of for an amount (including transaction costs, except as otherwise provided in §1.148-5(e) of the Treasury Regulations) less than the Fair Market Value of the Nonpurpose Investment.

6.4.2 The Series 2019 Current Refunding Fund. The Proceeds deposited in the Series 2019 Current Refunding Fund may be invested at a yield not to exceed the yield on the Refunded Bonds. 6.4.3 The Series 2019 Debt Service Fund. Amounts deposited in the Series 2019 Debt Service Fund may be invested without regard to Investment Yield for a period not exceeding thirteen months from the date of the first deposit of such amounts in the Series 2019 Debt Service Fund. Such amounts are not subject to the rebate requirement described in Section 7.

6.4.4 The Series 2019 Debt Service Reserve Fund. Amounts deposited in the Series 2019 Debt Service Reserve Fund may be invested without regard to Investment Yield. Such amounts are subject to the rebate requirement described in Section 7.

6.4.5 No Abusive Arbitrage Device. The Bonds are not and will not be part of a transaction or series of transactions that (a) attempts to circumvent the provisions of Section 148 of the Code and related regulations, enabling the Board, the Corporation or any other person to exploit the difference between tax-exempt and taxable interest rates to gain a material financial advantage, or (b) increases the burden on the market for Tax-Exempt Obligations in any manner, including, without limitation, selling bonds that would not otherwise be sold, or selling more bonds, or issuing them sooner, or allowing them to remain outstanding longer, than would otherwise be necessary.

7. Arbitrage Rebate And Yield Reduction Payments.

7.1 General.

7.1.1 The Corporation acknowledges that the continued exclusion of interest on the Bonds from gross income of the holders thereof for purposes of federal income taxation depends, in part, upon compliance with the arbitrage rebate and yield reduction payment rules in the Code and Regulations (the "**Rebate Rules**").

7.1.2 The Corporation acknowledges that the provisions of this Section 7 are intended to comply the Rebate Rules, and if, as a result of a change in the Rebate Rules, a change in this Section 7 shall be necessary to assure continued compliance with the Rebate Rules then, with written notice to the Trustee, the Corporation shall be empowered to amend this Section 7 and the Authority may require, by written notice to the Corporation and the Trustee, the Corporation to amend this Section 7 to the extent necessary or desirable to assure compliance with the Rebate Rules; provided that either the Authority or the Trustee shall require, prior to any such amendment becoming effective, at the sole cost and expense of the Corporation, an opinion of Bond Counsel satisfactory to the Authority and the Trustee to the effect that either (a) such amendment is required to maintain the exclusion from gross income under Section 103 of the Code of interest paid and payable on the Bonds or (a) such amendment shall not adversely affect the exclusion from gross income under Section 103 of the Code of the interest paid or payable on the Bonds.

7.2 Rebate Computation Date Election. The Corporation hereby elects to treat the last day of the 5th Bond Year as the first rebate computation date, and each succeeding 5th Bond Year as a rebate computation date.

7.3 Calculation of Rebate Amount. Unless otherwise instructed by Bond Counsel in writing, the Corporation hereby covenants that in connection with complying with the Rebate Rules, unless the Corporation has complied with a Rebate Spending Exception, the Corporation will retain a Rebate Expert on or within thirty (30) days before the initial Rebate Computation Date and on each Rebate Computation Date thereafter, (a) to compute the Rebate Amount required for the period ending on such Rebate Computation Date and (b) to deliver an opinion to the Authority and Trustee, concerning its conclusions with respect to the amount (if any) of such Rebate Amount together with a written report providing a summary of the calculations relating thereto.

7.4 Payment of Rebate Amount.

7.4.1 Within ten (10) days of receipt of a report furnished by the Rebate Expert pursuant to Subsection 7.3 above, the Corporation shall pay or cause to be paid to the Trustee for deposit

into the Series 2019 Rebate Fund the difference between the amount therein and the amount required to fund the Rebate Amount.

7.4.2 Not later than 60 days after each Rebate Computation Date, the Corporation shall direct the Trustee to pay the Rebate Amount to United States. Each payment shall be accompanied by: (i) a copy of IRS Form 8038-T; and (ii) a statement summarizing the determination of the Rebate Amount, and shall be mailed to the Internal Revenue Service Center, Ogden, Utah 84201.

7.4.3 If the Corporation fails to make or cause to be made any payment required pursuant to Subsection 7.4.2 when due, the Authority shall have the right, but shall not be required, to make such payment to the Trustee for deposit into the Series 2019 Rebate Fund on behalf of the Corporation. Any amount advanced by the Authority pursuant to this subparagraph shall be added to the moneys owing by the Corporation under the Loan Agreement and shall be payable on demand with interest at the higher of (a) the interest rate on Bonds or (b) the default rate provided in the Bonds, if any.

7.4.4 The Corporation acknowledges that the Authority shall have the right at any time and in the sole and absolute discretion of the Authority to obtain from the Corporation and the Trustee the information necessary to determine the amount required to be paid to the United States pursuant to Section 148(f) of the Code. Additionally, the Authority may, with reasonable cause, (a) review or cause to be reviewed any determination of the amount to be paid to the United States made by or on behalf of the Corporation and (b) make or retain a Rebate Expert to make the determination of the amount to be paid to the United States. The Corporation hereby agrees to be bound by any such review or determination, absent manifest error, to pay the costs of such review, including without limitation the reasonable fees and expenses of counsel or a Rebate Expert retained by the Authority, and to pay to the Trustee any additional amounts for deposit in the Series 2019 Rebate Fund required as the result of any such review or determination.

7.4.5 Notwithstanding any provision of this Subsection to the contrary, the Corporation shall be liable, and shall indemnify and hold the Authority and the Trustee harmless against any liability, for payments due to the United States pursuant to Section 148(f) of the Code. Further, the Corporation specifically agrees that neither the Authority nor the Trustee shall be held liable, or in any way responsible, and the Corporation shall indemnify and hold harmless the Trustee and Authority against any liability, for any mistake or error in the filing of the payment or the determination of the amount due to the United States or for any consequences resulting from any such mistake or error. The provisions of this Subsection shall survive termination of this Agreement and the resignation or removal of the Trustee.

8. Miscellaneous.

8.1 Term. This Corporation Certificate shall be effective from the date of issuance of the Bonds through the date six (6) years after the final Rebate Computation Date and will be effective at all times while the Bonds are outstanding.

8.2 Amendments. Notwithstanding any other provision hereof, any provision of this Corporation Certificate may be amended or waived by an instrument in writing executed by the Authority, the Corporation and the Trustee, provided that there first shall have been provided to the Trustee a written opinion of Bond Counsel, in form and substance satisfactory to the Trustee and the Authority, that such amendment or waiver will not adversely affect the exclusion of interest on the Bonds from the gross income of the recipients thereof for purposes of federal income taxation.

8.3 Default: Remedies.

8.3.1 The failure of any party to this Corporation Certificate to perform any of its required duties under any provision hereof shall constitute an event of default under this Corporation Certificate.

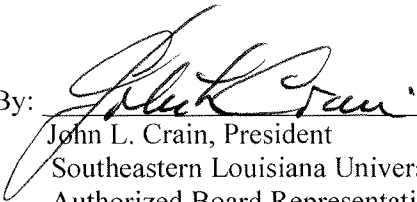

8.3.2 Upon an occurrence of an event of default, the Authority or the Trustee may, in their discretion, proceed to protect and enforce their rights and the rights of the owners of the Bonds by pursuing any available remedy under and in accordance with the Indenture and the Loan Agreement, in addition to pursuing any other available remedy, including, but not limited to, a suit at law or in equity

8.4 Post Issuance Tax Compliance. The Corporation acknowledges that the Authority has established written procedures intended to monitor the requirements of Section 148 of the Code. The Corporation acknowledges that the Authority's Post Issuance Tax-Exempt Debt Compliance Policies dated August 8, 2013 are attached to the Tax Agreement as Exhibit F. The Corporation covenants that it will comply with such policies of the Authority and the responsibilities imposed upon conduit borrowers described in such policies to the extent such policies are applicable to the Bonds.

PERMITTED CONTRACTS

[Rev. Proc. 2017-13 to be attached]

26 CFR 601.601: Rules and regulations.
(Also: §§ 141, 145, 1.141-3, 1.145-2)

Rev. Proc. 2017-13

SECTION 1. PURPOSE

This revenue procedure provides safe harbor conditions under which a management contract does not result in private business use of property financed with governmental tax-exempt bonds under § 141(b) of the Internal Revenue Code or cause the modified private business use test for property financed with qualified 501(c)(3) bonds under § 145(a)(2)(B) to be met. This revenue procedure modifies, amplifies, and supersedes Rev. Proc. 2016-44, 2016-36 IRB 316, to address certain types of compensation, the timing of payment of compensation, the treatment of land, and methods of approval of rates. Sections 2.11 through 2.14 of this revenue procedure generally describe the modifications and amplifications made to Rev. Proc. 2016-44 by this revenue procedure.

SECTION 2. BACKGROUND

.01 Section 103(a) provides that, except as provided in § 103(b), gross income does not include interest on any State or local bond. Section 103(b)(1) provides that § 103(a) shall not apply to any private activity bond that is not a qualified bond (within the meaning of § 141). Section 141(a) provides that the term “private activity bond” means any bond issued as part of an issue (1) that meets the private business use test and private security or payment test, or (2) that meets the private loan financing test.

.02 Section 141(b)(1) provides generally that an issue meets the private business use test if more than 10 percent of the proceeds of the issue are to be used for any private business use. Section 141(b)(6) defines “private business use” as use (directly or indirectly) in a trade or business carried on by any person other than a governmental unit. For this purpose, any activity carried on by a person other than a natural person must be treated as a trade or business.

.03 Section 1.141-3(a)(1) of the Income Tax Regulations provides, in part, that the 10 percent private business use test of § 141(b)(1) is met if more than 10 percent of the proceeds of an issue is used in a trade or business of a nongovernmental person. For this purpose, the use of financed property is treated as the direct use of proceeds. Section 1.141-3(a)(2) provides that, in determining whether an issue meets the private business use test, it is necessary to look at both indirect and direct use of proceeds. Proceeds are treated as used in the trade or business of a nongovernmental person if a nongovernmental person, as a result of a single transaction or a series of related transactions, uses property acquired with the proceeds of an issue.

.04 Section 1.141-3(b)(1) provides that both actual and beneficial use by a nongovernmental person may be treated as private business use. In most cases, the private business use test is met only if a nongovernmental person has special legal entitlements to use the financed property under an arrangement with the issuer. In general, a nongovernmental person is treated as a private business user as a result of ownership; actual or beneficial use of property pursuant to a lease, a management

contract, or an incentive payment contract; or certain other arrangements such as a take or pay or other output-type contract.

.05 Section 1.141-3(b)(3) provides generally that the lease of financed property to a nongovernmental person is private business use of that property. For this purpose, any arrangement that is properly characterized as a lease for federal income tax purposes is treated as a lease. Section 1.141-3(b)(3) further provides that, in determining whether a management contract is properly characterized as a lease, it is necessary to consider all the facts and circumstances, including the following factors: (1) the degree of control over the property that is exercised by a nongovernmental person; and (2) whether a nongovernmental person bears the risk of loss of the financed property.

.06 Section 1.141-3(b)(4)(i) provides generally that a management contract with respect to financed property may result in private business use of that property, based on all of the facts and circumstances. A management contract with respect to financed property generally results in private business use of that property if the contract provides for compensation for services rendered with compensation based, in whole or in part, on a share of net profits from the operations of the facility. Section 1.141-3(b)(4)(iv) provides generally that a management contract with respect to financed property results in private business use of that property if the service provider is treated as the lessee or owner of financed property for federal income tax purposes.

.07 Section 1.141-3(b)(4)(ii) defines “management contract” as a management, service, or incentive payment contract between a governmental person and a service provider under which the service provider provides services involving all, a portion, or

any function, of a facility. For example, a contract for the provision of management services for an entire hospital, a contract for management services for a specific department of a hospital, and an incentive payment contract for physician services to patients of a hospital are each treated as a management contract.

.08 Section 1.141-3(b)(4)(iii) provides that the following arrangements generally are not treated as management contracts that give rise to private business use:

(A) contracts for services that are solely incidental to the primary governmental function or functions of a financed facility (for example, contracts for janitorial, office equipment repair, hospital billing, or similar services); (B) the mere granting of admitting privileges by a hospital to a doctor, even if those privileges are conditioned on the provision of de minimis services if those privileges are available to all qualified physicians in the area, consistent with the size and nature of the hospital's facilities; (C) a contract to provide for the operation of a facility or system of facilities that consists primarily of public utility property, if the only compensation is the reimbursement of actual and direct expenses of the service provider and reasonable administrative overhead expenses of the service provider; and (D) a contract to provide for services, if the only compensation is the reimbursement of the service provider for actual and direct expenses paid by the service provider to unrelated parties.

.09 Section 141(e) provides, in part, that the term "qualified bond" includes a qualified 501(c)(3) bond if certain requirements stated therein are met. Section 145(a) provides generally that "qualified 501(c)(3) bond" means any private activity bond issued as part of an issue if (1) all property that is to be provided by the net proceeds of

the issue is to be owned by a 501(c)(3) organization or a governmental unit, and (2) such bond would not be a private activity bond if (A) 501(c)(3) organizations were treated as governmental units with respect to their activities that do not constitute unrelated trades or businesses, determined by applying § 513(a), and (B) § 141(b)(1) and (2) were applied by substituting “5 percent” for “10 percent” each place it appears and by substituting “net proceeds” for “proceeds” each place it appears. Section 1.145-2 provides that, with certain exceptions and modifications, §§ 1.141-0 through 1.141-15 apply to § 145(a).

.10 Rev. Proc. 2016-44 provides safe harbor conditions under which a management contract does not result in private business use of property financed with governmental tax-exempt bonds under § 141(b) or cause the modified private business use test for property financed with qualified 501(c)(3) bonds under § 145(a)(2)(B) to be met. Rev. Proc. 2016-44 modified and superseded Rev. Proc. 97-13, 1997-1 C.B. 632; Rev. Proc. 2001-39, 2001-2 C.B. 38; and section 3.02 of Notice 2014-67, 2014-46 I.R.B. 822.

.11 Section 5.02 of Rev. Proc. 2016-44 sets forth general financial requirements for management compensation arrangements eligible for the safe harbor. Sections 5.02(2) and 5.02(3) of Rev. Proc. 2016-44 provide that the contract must neither provide to the service provider a share of net profits nor impose on the service provider the burden of bearing any share of net losses from the operation of the managed property. Before the publication of Rev. Proc. 2016-44, previously applicable revenue procedures expressly treated certain types of compensation, including capitation fees, periodic fixed fees, and per-unit fees (as defined therein), as not providing a share of net profits. Questions

have arisen regarding whether these common types of compensation continue to be treated in a similar manner under Rev. Proc. 2016-44. Related questions have arisen about whether a service provider's payment of expenses of the operation of the managed property without reimbursement from the qualified user (as defined in section 4.04 of Rev. Proc. 2016-44) affects the treatment of these types of compensation. To provide continuity with the previous safe harbors, this revenue procedure clarifies that these types of compensation and certain incentive compensation will not be treated as providing a share of net profits or requiring the service provider to bear a share of net losses.

.12 Sections 5.02(2) and 5.02(3) of Rev. Proc. 2016-44 also provide that the timing of payment of compensation cannot be contingent upon net profits or net losses from the operation of the managed property. Questions have arisen about the effect of these restrictions on the timing of payment of compensation. This revenue procedure clarifies that compensation subject to an annual payment requirement and reasonable consequences for late payment (such as interest charges or late payment fees) will not be treated as contingent upon net profits or net losses if the contract includes a requirement that the qualified user will pay the deferred compensation within five years of the original due date of the payment.

.13. Section 5.03 of Rev. Proc. 2016-44 provides that the term of the contract, including all renewal options (as defined in § 1.141-1(b)), must be no greater than the lesser of 30 years or 80 percent of the weighted average reasonably expected economic life of the managed property. For this purpose, under Rev. Proc. 2016-44,

economic life is determined in the same manner as under § 147(b), but without regard to §147(b)(3)(B)(ii), as of the beginning of the term of contract. Section 147(b)(3)(B)(i) provides that generally land is not taken into account, but § 147(b)(3)(B)(ii) provides that if 25 percent or more of the net proceeds of any issue is to be used to finance the acquisition of land, such land shall be taken into account and treated as having an economic life of 30 years. Questions have arisen about excluding land when the cost of the land accounts for a significant portion of the managed property. This revenue procedure provides that economic life is determined in the same manner as under § 147(b) as of the beginning of the term of the contract. Thus, land will be treated as having an economic life of 30 years if 25 percent or more of the net proceeds of the issue that finances the managed property is to be used to finance the costs of such land.

.14 Section 5.04 of Rev. Proc. 2016-44 provides that the qualified user must exercise a significant degree of control over the use of the managed property. Section 5.04 of Rev. Proc. 2016-44 further provides that this requirement is met if the contract requires the qualified user to approve, among other things, the rates charged for use of the managed property. Section 5.04 of Rev. Proc. 2016-44 also provides that a qualified user may show approval of rates charged for use of the managed property by either expressly approving such rates (or the methodology for setting such rates) or by including in the contract a requirement that service provider charge rates that are reasonable and customary as specifically determined by an independent third party. Questions have arisen about the requirement to approve the rates in various

circumstances in which it may not be feasible to approve each specific rate charged, such as for a physician's professional services at a § 501(c)(3) hospital or hotel room rates at a governmentally-owned hotel. This revenue procedure clarifies that a qualified user may satisfy the approval of rates requirement by approving a reasonable general description of the method used to set the rates or by requiring that the service provider charge rates that are reasonable and customary as specifically determined by, or negotiated with, an independent third party.

SECTION 3. SCOPE

This revenue procedure applies to a management contract (as defined in section 4.03 of this revenue procedure) involving managed property (as defined in section 4.04 of this revenue procedure) financed with the proceeds of an issue of governmental bonds (as defined in § 1.141-1(b)) or qualified 501(c)(3) bonds (as defined in § 145).

SECTION 4. DEFINITIONS

For purposes of this revenue procedure, the following definitions apply:

.01 Capitation fee means a fixed periodic amount for each person for whom the service provider or the qualified user assumes the responsibility to provide all needed services for a specified period so long as the quantity and type of services actually provided to such persons varies substantially. For example, a capitation fee includes a fixed dollar amount payable per month to a medical service provider for each member of a health maintenance organization plan for whom the provider agrees to provide all needed medical services for a specified period. A fixed periodic amount may include an automatic increase according to a specified, objective, external standard that is not

linked to the output or efficiency of the managed property. For example, the Consumer Price Index and similar external indices that track increases in prices in an area or increases in revenues or costs in an industry are objective, external standards. A capitation fee may include a variable component of up to 20 percent of the total capitation fee designed to protect the service provider against risk such as risk of catastrophic loss.

.02 Eligible expense reimbursement arrangement means a management contract under which the only compensation consists of reimbursements of actual and direct expenses paid by the service provider to unrelated parties and reasonable related administrative overhead expenses of the service provider.

.03 Management contract means a management, service, or incentive payment contract between a qualified user and a service provider under which the service provider provides services for a managed property. A management contract does not include a contract or portion of a contract for the provision of services before a managed property is placed in service (for example, pre-operating services for construction design or construction management).

.04 Managed property means the portion of a project (as defined in § 1.141-6(a)(3)) with respect to which a service provider provides services.

.05 Periodic fixed fee means a stated dollar amount for services rendered for a specified period of time. For example, a stated dollar amount per month is a periodic fixed fee. The stated dollar amount may automatically increase according to a specified, objective external standard that is not linked to the output or efficiency of the

managed property. For example, the Consumer Price Index and similar external indices that track increases in prices in an area or increases in revenues or costs in an industry are objective external standards. Capitation fees and per-unit fees are not periodic fixed fees.

.06 Per-unit fee means a fee based on a unit of service provided specified in the contract or otherwise specifically determined by an independent third party, such as the administrator of the Medicare program, or the qualified user. For example, a stated dollar amount for each specified medical procedure performed, car parked, or passenger mile is a per-unit fee. Separate billing arrangements between physicians and hospitals are treated as per-unit fee arrangements. A fee that is a stated dollar amount specified in the contract does not fail to be a per-unit fee as a result of a provision under which the fee may automatically increase according to a specified, objective, external standard that is not linked to the output or efficiency of the managed property. For example, the Consumer Price Index and similar external indices that track increases in prices in an area or increases in revenues or costs in an industry are objective, external standards.

.07 Qualified user means, for projects (as defined in § 1.141-6(a)(3)) financed with governmental bonds, any governmental person (as defined in § 1.141-1(b)) or, for projects financed with qualified 501(c)(3) bonds, any governmental person or any 501(c)(3) organization with respect to its activities which do not constitute an unrelated trade or business, determined by applying § 513(a).

.08 Service provider means any person other than a qualified user that provides services to, or for the benefit of, a qualified user under a management contract.

.9 Unrelated parties means persons other than either: (1) a related party (as defined in § 1.150-1(b)) to the service provider or (2) a service provider's employee.

SECTION 5. SAFE HARBOR CONDITIONS UNDER WHICH MANAGEMENT CONTRACTS DO NOT RESULT IN PRIVATE BUSINESS USE

.01 In general. If a management contract meets all of the applicable conditions of sections 5.02 through section 5.07 of this revenue procedure, or is an eligible expense reimbursement arrangement, the management contract does not result in private business use under § 141(b) or 145(a)(2)(B). Further, under section 5.08 of this revenue procedure, use functionally related and subordinate to a management contract that meets these conditions does not result in private business use.

.02 General financial requirements.

(1) In general. The payments to the service provider under the contract must be reasonable compensation for services rendered during the term of the contract. Compensation includes payments to reimburse actual and direct expenses paid by the service provider and related administrative overhead expenses of the service provider.

(2) No net profits arrangements. The contract must not provide to the service provider a share of net profits from the operation of the managed property. Compensation to the service provider will not be treated as providing a share of net profits if no element of the compensation takes into account, or is contingent upon, either the managed property's net profits or both the managed property's revenues and

expenses (other than any reimbursements of direct and actual expenses paid by the service provider to unrelated third parties) for any fiscal period. For this purpose, the elements of the compensation are the eligibility for, the amount of, and the timing of the payment of the compensation. Incentive compensation will not be treated as providing a share of net profits if the eligibility for the incentive compensation is determined by the service provider's performance in meeting one or more standards that measure quality of services, performance, or productivity, and the amount and the timing of the payment of the compensation meet the requirements of this section 5.02(2).

(3) No bearing of net losses of the managed property.

(a) The contract must not, in substance, impose upon the service provider the burden of bearing any share of net losses from the operation of the managed property. An arrangement will not be treated as requiring the service provider to bear a share of net losses if:

(i) The determination of the amount of the service provider's compensation and the amount of any expenses to be paid by the service provider (and not reimbursed), separately and collectively, do not take into account either the managed property's net losses or both the managed property's revenues and expenses for any fiscal period; and

(ii) The timing of the payment of compensation is not contingent upon the managed property's net losses.

(b) For example, a service provider whose compensation is reduced by a stated dollar amount (or one of multiple stated dollar amounts) for failure to keep the managed

property's expenses below a specified target (or one of multiple specified targets) will not be treated as bearing a share of net losses as a result of this reduction.

(4) Treatment of certain types of compensation. Without regard to whether the service provider pays expenses with respect to the operation of the managed property without reimbursement by the qualified user, compensation for services will not be treated as providing a share of net profits or requiring the service provider to bear a share of net losses under sections 5.02(2) and 5.02(3) of this revenue procedure if the compensation for services is: (a) based solely on a capitation fee, a periodic fixed fee, or a per-unit fee; (b) incentive compensation described in the last sentence of section 5.02(2) of this revenue procedure; or (c) a combination of these types of compensation.

(5) Treatment of timing of payment of compensation. Deferral due to insufficient net cash flows from the operation of the managed property of the payment of compensation that otherwise meets the requirements of sections 5.02(2) and 5.02(3) of this revenue procedure will not cause the deferred compensation to be treated as contingent upon net profits or net losses under sections 5.02(2) and 5.02(3) of this revenue procedure if the contract includes requirements that:

(a) The compensation is payable at least annually;

(b) The qualified user is subject to reasonable consequences for late payment, such as reasonable interest charges or late payment fees; and

(c) The qualified user will pay such deferred compensation (with interest or late payment fees) no later than the end of five years after the original due date of the payment.

.03 Term of the contract and revisions. The term of the contract, including all renewal options (as defined in § 1.141-1(b)), must not be greater than the lesser of 30 years or 80 percent of the weighted average reasonably expected economic life of the managed property. For this purpose, economic life is determined in the same manner as under § 147(b) as of the beginning of the term of the contract. A contract that is materially modified with respect to any matters relevant to this section 5 is retested under this section 5 as a new contract as of the date of the material modification.

.04 Control over use of the managed property. The qualified user must exercise a significant degree of control over the use of the managed property. This control requirement is met if the contract requires the qualified user to approve the annual budget of the managed property, capital expenditures with respect to the managed property, each disposition of property that is part of the managed property, rates charged for the use of the managed property, and the general nature and type of use of the managed property (for example, the type of services). For this purpose, for example, a qualified user may show approval of capital expenditures for a managed property by approving an annual budget for capital expenditures described by functional purpose and specific maximum amounts; and a qualified user may show approval of dispositions of property that is part of the managed property in a similar manner. Further, for example, a qualified user may show approval of rates charged for use of the managed property by expressly approving such rates or a general description of the methodology for setting such rates (such as a method that establishes hotel room rates using specified revenue goals based on comparable properties), or by requiring that the

service provider charge rates that are reasonable and customary as specifically determined by, or negotiated with, an independent third party (such as a medical insurance company).

.05 Risk of loss of the managed property. The qualified user must bear the risk of loss upon damage or destruction of the managed property (for example, due to force majeure). A qualified user does not fail to meet this risk of loss requirement as a result of insuring against risk of loss through a third party or imposing upon the service provider a penalty for failure to operate the managed property in accordance with the standards set forth in the management contract.

.06 No inconsistent tax position. The service provider must agree that it is not entitled to and will not take any tax position that is inconsistent with being a service provider to the qualified user with respect to the managed property. For example, the service provider must agree not to claim any depreciation or amortization deduction, investment tax credit, or deduction for any payment as rent with respect to the managed property.

.07 No circumstances substantially limiting exercise of rights.

(1) In general. The service provider must not have any role or relationship with the qualified user that, in effect, substantially limits the qualified user's ability to exercise its rights under the contract, based on all the facts and circumstances.

(2) Safe harbor. A service provider will not be treated as having a role or relationship prohibited under section 5.07(1) of this revenue procedure if:

(a) No more than 20 percent of the voting power of the governing body of the qualified user is vested in the directors, officers, shareholders, partners, members, and employees of the service provider, in the aggregate;

(b) The governing body of the qualified user does not include the chief executive officer of the service provider or the chairperson (or equivalent executive) of the service provider's governing body; and

(c) The chief executive officer of the service provider is not the chief executive officer of the qualified user or any of the qualified user's related parties (as defined in §1.150-1(b)).

(3) For purposes of section 5.07(2) of this revenue procedure, the phrase "service provider" includes the service provider's related parties (as defined in §1.150-1(b)) and the phrase "chief executive officer" includes a person with equivalent management responsibilities.

.08 Functionally related and subordinate use. A service provider's use of a project (as defined in § 1.141-6(a)(3)) that is functionally related and subordinate to performance of its services under a management contract for managed property that meets the conditions of this section 5 does not result in private business use of that project. For example, use of storage areas to store equipment used to perform activities required under a management contract that meets the requirements of this section 5 does not result in private business use.

SECTION 6. EFFECT ON OTHER DOCUMENTS

Rev. Proc. 2016-44 is modified, amplified, and superseded.

SECTION 7. DATE OF APPLICABILITY

ISSUE PRICE CERTIFICATE

The undersigned, on behalf of STIFEL, NICOLAUS & COMPANY, INCORPORATED (the “*Representative*”), on behalf of itself and on behalf of Raymond James & Associates, Inc. (together, the “*Underwriting Group*”), hereby certifies as set forth below with respect to the sale and issuance of the above-captioned obligations (the “*Bonds*”), based on the information available to it:

1. ***Sale of the General Rule Maturities.*** As of the date of this certificate, for each Maturity of the General Rule Maturities, the first price at which at least 10% of such Maturity of the Bonds was sold to the Public is the respective price listed in Schedule A.

2. ***Reserved.***

3. ***Defined Terms.***

(a) ***Bond Counsel*** means Jones Walker LLP.

(b) ***Borrower*** means University Facilities, Inc.

(c) ***General Rule Maturities*** means those Maturities of the Bonds listed in Schedule A hereto as the “General Rule Maturities.”

(d) ***Issuer*** means the Louisiana Local Government Environmental Facilities and Community Development Authority.

(e) ***Maturity*** means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(f) ***Public*** means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(g) ***Refunded Bonds*** means Issuer’s \$15,000,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B.

(h) ***Sale Date*** means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is January 15, 2019.

(j) *Underwriter* means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

4. ***Calculation of Yield and Weighted Average Maturity.*** The Underwriting Group has calculated the yield of the Bonds to be 3.4125% and the weighted average maturity of the Bonds to be 12.284 years and has calculated the remaining weighted average maturity of the Refunded Bonds to be 14.382 years.

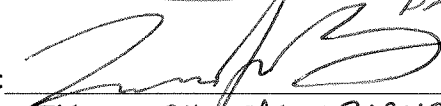

The undersigned further represents that the present value of the cost of the Municipal Bond Insurance Policy of Assured Guaranty Municipal Corp. issued for the Bonds is less than the present value of interest reasonably expected to be saved as a result of issuance of the Municipal Bond Insurance Policy using the yield on the Bonds (determined without regard to the cost of the Municipal Bond Insurance Policy) as the discount rate in determining such present value.

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents the Representative's interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended (the "*Code*"), and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer and the Borrower with respect to certain of the representations set forth in the Tax Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Bond Counsel in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of Internal Revenue Service Form 8038, and other federal income tax advice it may give to the Issuer and the Borrower from time to time relating to the Bonds.

The Issuer may rely on the statements made herein in connection with its efforts to comply with the conditions imposed by the Code. Bond Counsel may also rely on this Certificate for purposes of its opinion regarding the treatment of interest on the Bonds as excludable from gross income for federal income tax purposes. However, notwithstanding the foregoing, we remind you that the Underwriting Group is not an accountant or actuary, nor is the Underwriting Group engaged in the practice of law. Accordingly, while the Underwriting Group believes the calculations described above to be correct, it does not warrant their validity for purposes of Sections 103 and 141 through 150 of the Code or make any representation as to the legal sufficiency of the factual matters set forth herein. Except as expressly set forth above, the certifications set forth herein may not be relied upon or used by any third party or for any other purpose.

**DISCLOSURE, NO DEFAULT AND TAX CERTIFICATE OF
ASSURED GUARANTY MUNICIPAL CORP.**

The undersigned hereby certifies on behalf of Assured Guaranty Municipal Corp. ("AGM"), in connection with the issuance by AGM of its Policy No. 219207-N (the "Insurance Policy") and Policy No. 219207-R (the "Reserve Policy" and together with the Insurance Policy, the "Policy") in respect of the \$11,960,000 in aggregate principal amount of the Louisiana Local Government Environmental Facilities and Community Development Authority Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project), Series 2019 (the "Bonds") that:

- (i) the information set forth under the caption "**BOND INSURANCE POLICY – ASSURED GUARANTY MUNICIPAL CORP.**" in the official statement dated January 15, 2019, relating to the Bonds (the "Official Statement") is true and correct,
- (ii) AGM is not currently in default nor has AGM ever been in default under any policy or obligation guaranteeing the payment of principal of or interest on an obligation,
- (iii) the Policy is an unconditional and recourse obligation of AGM (enforceable by or on behalf of the holders of the Bonds) to pay the scheduled principal of and interest on the Bonds in the event of Nonpayment by the Issuer (as set forth in the Policy),
- (iv) the insurance premium for the Insurance Policy of \$88,879.70 and for the Reserve Policy of \$45,265.33 (the "Premium") is a charge for the transfer of credit risk and was determined in arm's length negotiations and is required to be paid to AGM as a condition to the issuance of the Policy,
- (v) no portion of such Premium represents an indirect payment of costs of issuance, including rating agency fees, other than fees paid by AGM to maintain its ratings, which, together with all other overhead expenses of AGM, are taken into account in the formulation of its rate structure, or for the provision of additional services by us, nor the direct or indirect payment for a cost, risk or other element that is not customarily borne by insurers of tax-exempt bonds (in transactions in which the guarantor has no involvement other than as a guarantor),
- (vi) AGM is not providing any services in connection with the Bonds other than providing the Policy, and except for the Premium, AGM will not use any portion of the Bond proceeds; provided, however, that AGM or its affiliates may independently provide a guaranteed investment contract for the investment of all or a portion of the proceeds of the Bonds,
- (vii) except for payments under the Policy in the case of Nonpayment by the Issuer, there is no obligation to pay any amount of principal or interest on the Bonds by AGM,
- (viii) AGM does not expect that a claim will be made on the Policy,
- (ix) the Issuer is not entitled to a refund of the premium for the Policy in the event a Bond is retired before the final maturity date, and
- (x) for Bonds which are secured by a debt service reserve fund, AGM would not have issued the Policy unless the authorizing or security agreement for the Bonds provided for a debt service reserve fund funded and maintained in an amount at least equal to, as of any particular date of computation, the reserve requirement as set forth in such agreement.

AGM makes no representation as to the nature of the interest to be paid on the Bonds or the treatment of the Policy under Section 1.148-4(f) of the Income Tax Regulations.

FAIR MARKET VALUE

For purposes of this Tax Agreement and the Corporation Certificate, the Fair Market Value of any Nonpurpose Investment shall be determined in accordance with the following rules:

1. In General.

(a) The fair market value of any Nonpurpose Investment shall mean the price at which a willing buyer would pay to a willing seller to acquire the Nonpurpose Investment, with no amounts paid to artificially reduce or increase the Investment Yield on such Nonpurpose Investment.

(b) If a Nonpurpose Investment is acquired pursuant to an arm's length transaction without regard to any amount paid to reduce the Investment Yield on the Nonpurpose Investment, the fair market value of the Nonpurpose Investment shall be the amount paid for the Nonpurpose Investment (without increase for transaction costs, except as otherwise provided in §1.148-5(e) of the Regulations).

(c) If a Nonpurpose Investment is sold or otherwise disposed of in an arm's length transaction without regard to any reduction in the disposition price to reduce the Rebate Amount, the fair market value of the Nonpurpose Investment shall be the amount realized from the sale or other disposition of the Nonpurpose Investment (without reduction for transaction costs, except as otherwise provided in §1.148-5(e) of the Regulations).

2. Certificates of Deposit. The purchase of certificates of deposit with fixed interest rates, fixed payment schedules and substantial penalties for early withdrawal will be deemed to be an Investment purchased at its Fair Market Value on the purchase date if the Yield on the certificate of deposit is not less than:

(a) The Yield on reasonably comparable direct obligations of the United States; and

(b) The highest Yield that is published or posted by the provider to be currently available from the provider on reasonably comparable certificates of deposit offered to the public.

3. Guaranteed Investments Contracts. A Guaranteed Investment Contract ("GIC") is a Nonpurpose Investment that has specifically negotiated withdrawal or reinvestment provisions and a specifically negotiated interest rate, and also includes any agreement to supply Investments on two or more future dates (*e.g.*, a forward supply contract). The purchase price of a GIC is treated at its Fair Market Value on the purchase date if all of the following conditions are satisfied:

(a) A bona fide solicitation in writing for a specified GIC, is timely forwarded to all potential providers. The solicitation must have specified the material terms of the GIC, including the collateral security requirements for the GIC, if any, and, unless the moneys invested pursuant to such investment will be held in a float fund or a debt service reserve fund, the Borrower's reasonably expected draw-down schedule for the moneys to be invested. The solicitation must also include a statement that the submission of a bid is a representation that the potential provider did not consult with any other potential provider about its bid, that the bid was determined without regard to any other formal or informal agreement that the potential provider has with the Corporation or any other person (whether or not in connection with the Bonds), and that the bid is not being submitted solely as a courtesy to the Corporation or any other person for purposes of satisfying Treasury Regulations Section 1.148-5(d)(6)(iii)(B)(1) or (2).

(b) All potential providers have an equal opportunity to bid, with no potential provider having the opportunity to review other bids before providing a bid.

(c) At least three reasonably competitive providers (*i.e.*, having an established industry reputation as a competitive provider of the type of investments being purchased) are solicited for bids. At least three bids must be received from providers that have no material financial interest in the Bonds (*e.g.*, a lead underwriter within 15 days of the Date of Issue or financial advisor with respect to the investment) and at least one of such three bids must be from a reasonably competitive provider. If the Corporation or Trustee uses an agent to conduct the bidding, the agent may not bid.

(d) The determination of the terms of the GIC takes into account the Corporation's reasonably expected drawdown schedule for the amounts to be invested.

(e) The provider of the GIC certifies the administrative costs that it is paying, or expects to pay, to third parties in connection with the GIC and such administrative costs are "qualified administrative costs as defined in Regulations section 1.148-5(e).

(f) The GIC has a Yield at least equal to the highest yielding of the qualifying bids received from the bidders that have no material financial interest in the Bonds. If the GIC is not the highest-yielding of the qualifying bids, the Authority or the Corporation must have significant non-tax reasons, such as creditworthiness of the bidder, for failure to purchase the highest-yielding GIC offered.

(g) The Yield on the GIC is no less than the Yield available from the provider thereof at the time such GIC was entered into on reasonably comparative investment contracts offered to other persons, if any, from a source of funds other than gross proceeds of an issue of tax-exempt obligations.

(h) The terms of the GIC, including collateral security requirements, are commercially reasonable.

(i) The Corporation retains, or directs the Trustee to retain, until three years after the last outstanding Bond is retired: (i) a copy of the GIC contract; (ii) a receipt or other record of the amount actually paid for the GIC and a copy of the provider's certification described in (e); (iii) the name of the person and entity submitting each bid, the time and date of the bid, and the bid results.

4. United States Treasury Securities - State and Local Government Series. If a United States Treasury obligation is acquired directly from or disposed of directly to the United States Department of the Treasury (as in the case of the United States Treasury Securities - State and Local Government Series ("SLGS") obligations), such acquisition or disposition shall be treated as establishing a market for the obligation and as establishing the fair market value of the obligation.

For purposes of these Policies, the terms tax-exempt bond or bonds shall include all debt instruments which bear interest exempt from federal income tax, including any leases bearing tax exempt interest ("Bond").

I. RESPONSIBILITY

The Executive Committee of the ISSUER, a conduit issuer created for the benefit of political subdivisions of the State of Louisiana ("State"), non-profit corporations and other public and private beneficiaries (collectively a "Borrower"), recognizes and understands the importance of monitoring outstanding tax-exempt debt to insure interest borne by such debt continues to meet the requirements set forth in the Code. While the ISSUER designates its Executive Director as

its compliance officer responsible for insuring the ISSUER'S compliance with these Policies ("COMPLIANCE OFFICER"), the ISSUER expects principals of the Borrower to bear responsibility for post issuance tax-exempt compliance.

The COMPLIANCE OFFICER shall require parties employed by the Borrower responsible for financial aspects of its operations and its Bond financed facilities to coordinate with the ISSUER to ensure any actions taken with respect to a Bond financed facility will be in compliance with the Code's requirements and IRS rulings.

The COMPLIANCE OFFICER will undertake appropriate periodic action to ensure an appropriate staff person is qualified and remains qualified to fulfill duties described herein. The COMPLIANCE OFFICER may retain professional consultants to perform specific tasks required to maintain appropriate compliance, including maintenance of files and records. The COMPLIANCE OFFICER shall ensure that a copy of these Policies will be disseminated to each Borrower of a Bond issued after the effective date of these Policies.

The ISSUER reserves the right to invoice the Borrower for any and all costs, fees, expenses and other charges of any nature which the ISSUER may be called upon to pay as a result of the ISSUER'S acting as a conduit borrower on behalf of the Borrower.

II. RECORD RETENTION

A. General Policy. General record retention duties are the responsibility of the Borrower. The Borrower shall maintain on file a copy of the following records at all times:

- (i) Organizational documents, if applicable (articles of incorporation or certificate of formation, bylaws and any amendments to same)
- (ii) Audited financial statements
- (iii) Reports of any examinations by the IRS of the ISSUER or its tax-exempt financing(s) for the Borrower
- (iv) 501(c)(3) determination letter (if applicable)

Additionally, the Borrower shall also retain the following for the life of the Bonds plus three (3) years:

- (i) Documentation of allocations of investments of Bond proceeds and calculations of investment earnings
- (ii) Documentation of investment of Bond proceeds related to:
 - (a) Investment contracts (ex., guaranteed investment contracts)
 - (b) Credit enhancement transactions (ex., Bond insurance)
 - (c) Financial derivatives (ex., swaps, caps, etc.)
 - (d) Bidding of financial products
- (iii) Documentation regarding arbitrage compliance, including:
 - (a) Computation of bond yield
 - (b) Computation of rebate and yield reduction payments

- (c) Form 8038-T, *Arbitrage Rebate, Yield Reduction and Penalty in Lieu of Arbitrage Rebate*
- (d) Form 8038-R, *Request for Recovery of Overpayments Under Arbitrage Rebate Provisions*

The ISSUER shall maintain a copy of the transcript relating to each and every outstanding issue of an ISSUER'S Bond, provided to it by bond counsel in accordance with requirements of State law, and each of the ISSUER'S Tax Certificates, until three years after the last outstanding Bond has been retired. If any Bond is refunded by another ISSUER Bond ("Refunding Obligations"), the ISSUER shall maintain all records required to be retained until the later of three years after the last outstanding Bond has been retired or the date three years after the last Refunding Obligations have been retired.

B. Bond Transcripts and Record Retention. The ISSUER and each bond counsel employed for issuance of a Bond shall consult with the COMPLIANCE OFFICER to insure a copy of each transcript for every Bond is maintained at the ISSUER'S official office or an approved secure and insured storage facility. The COMPLIANCE OFFICER shall maintain written records pertaining to (a) the date and amount of each Bond issuance, (b) the physical location of each Bond transcript, (c) the type and nature of each Bond issuance and (d) the identity of the participants in each Bond issuance.

Each Bond transcript should contain the following:

- (i) Minutes and resolution(s) authorizing the issue
- (ii) Certifications of issue price
- (iii) Any formal elections (ex., election to employ an accounting methodology other than specific tracing)
- (iv) Any agreement listed in "Private Business Use" (described below) which relates to a Bond-financed facility

Additionally, each Borrower shall maintain the following for life of the Bonds plus three (3) years:

- (i) Appraisals, demand surveys, and/or feasibility studies for Bond-financed property
- (ii) Bond Trustee or bank statements regarding investment and expenditure of Bond funds
- (iii) Government grant documentation related to construction, renovation, or purchase of Bond-financed facilities
- (iv) Fund raising campaign literature, and records of pledges and funds donated for the Bond-financed property.

C. Form of Long Term Retention. ISSUER transcripts described in these Policies shall be maintained in paper form. After the later of six years from Bond issuance or expenditure of all proceeds of a particular Bond, the ISSUER may scan its written records into digital format and so long as the ISSUER maintains no fewer than two digital copies of such records and ISSUER'S counsel maintains at least one digital copy, the written records may be destroyed or summarized.

D. Separate Bank Account. The Code sets forth many provisions related to investment and expenditure of Bond proceeds. The Borrower shall establish a separate bank account or trust fund for Bond proceeds and maintain records for such account showing:

- (i) All expenditures on Bond-financed property
- (ii) All investments of Bond proceeds

E. Investments and Arbitrage Compliance. The Code sets forth restrictions if Bond proceeds are invested at yields materially higher than yield on the Bonds. The ISSUER does not invest Bond proceeds. The Borrower is responsible for investment and monitoring of Bond proceeds, to ensure compliance with yield restrictions of Code Section 148(a) and rebate requirements of Code Section 148(f). The Borrower shall monitor compliance with rebate and yield restriction rules on an annual basis. Monitoring includes, but is not limited to, the following:

- (i) Tracking allocation of Bond proceeds to expenditures for compliance with any temporary period and spending exceptions, no less frequently than annually
- (ii) Ensuring timely filing of IRS forms related to arbitrage or rebate payments
- (iii) Ensuring use of "fair market value" with respect to purchase and sale of investments

III. PERIODIC REVIEW

A. Private Use. The COMPLIANCE OFFICER recognizes there are detailed rules relating to private use of facilities financed with Bond proceeds. Accordingly, the COMPLIANCE OFFICER will recommend that each Borrower consult with bond counsel prior to entering into any new contract or renewing any existing contract which provides for a person or organization to manage, operate, or provide services or products with respect to or as part of any part of all or any portion of Bond financed facilities. Each non-profit Borrower will be cautioned to consult with bond counsel prior to allowing any facilities financed with Bond proceeds to be used for purposes which constitute an unrelated business use for income tax purposes.

B. Expenditures and Assets. The Borrower is responsible for oversight of expenditure of Bond proceeds, including monitoring whether such expenditures are made timely for purposes for which the Bonds were issued. Each Borrower will ensure all Bond proceeds are expended according the Code's requirements. Each Borrower shall retain the following for life of the Bonds plus three (3) years:

- (i) Documentation of allocations of Bond proceeds to expenditures (ex., allocation of Bond proceeds for expenditures for construction, renovation or purchase of facilities)
- (ii) Documentation of allocation of Bond proceeds to Bond issuance costs
- (iii) Copies of all requisitions, draw schedules, draw requests, invoices, bills and cancelled checks related to Bond proceeds spent during construction
- (iv) Copies of all contracts entered into for construction, renovation or purchase of Bond financed facilities
- (v) Records of expenditure reimbursements incurred prior to Bond issuance
- (vi) Schedule of all Bond financed facilities or equipment
- (vii) Depreciation schedules for Bond financed depreciable property
- (viii) Documentation of any purchase or sale of Bond financed assets

C. Disposition. Even though each Borrower may not expect to dispose of its Bond financed facilities, the COMPLIANCE OFFICER recognizes in the event any portion of such facilities are sold, assigned, or transferred in any transaction, such disposition may give rise to issues concerning proper use of any disposition proceeds for arbitrage purposes as well as potential issues concerning private use if not transferred for fair value. Accordingly, each Borrower, by receipt of a copy of these Policies, shall be cautioned that prior to any such sale, assignment or transfer to consult with bond counsel.

D. Compliance Matters. To the extent a post issuance review raises any concern regarding a possible tax compliance issue, the COMPLIANCE OFFICER and the affected Borrower, will immediately consult with bond counsel to determine the appropriate course of conduct, including without limitation, the possibility of remedial action pursuant to applicable Income Tax Regulations, or participation in the voluntary closing agreement program established by the Internal Revenue Service.

IV. REBATE

A. Rebate Analyst. The ISSUER shall cause the Borrower of each Bond, when required by Income Tax Regulations, to retain a rebate analyst for Bonds issued after the effective date of these Policies. In addition to preparing all yield and rebate calculations, the Borrower's rebate analyst shall calendar all computation dates and obtain from the Borrower all necessary records prior to the report dates. The rebate analyst shall complete either an annual or a five year calculation of the Rebate Requirement within 50 days after the close of each bond year and within 50 days after the first date on which there are no outstanding Bonds of the particular bond issue. The Borrower shall consult bond counsel concerning the appropriate analysis and treatment of Bond debt issued prior to the effective date of these Policies.

B. Rebate Payment. The ISSUER shall cause each Borrower to agree to take steps to ensure that it has retained sufficient funds to pay timely, and timely pay all rebates required.

V. PROJECT SPENDING STATUS REPORT

To ensure Bond proceeds are being spent and projects are completed in a timely fashion in compliance with the Tax Certificates related to the applicable Bond, no later than 30 days after the end of each bond year of each Bond, each Borrower should receive from its engineer or financial officer a brief written report detailing the status of projects, the projected use of unspent bond proceeds of each Bond and an estimate of the amount and timing of each future anticipated disbursement of Bond proceeds on a project by project basis. If requested, the Borrower shall provide the report to the COMPLIANCE OFFICER who may require further action, such as contacting tax counsel for advice on any further action under the Code.

The Borrower is responsible for timely expenditure of bond proceeds and monitoring to ensure expenditures are made for the purposes for which the Bonds were issued in accordance with the Code.

VI. CORRECTIVE ACTION

Corrective action may be required if, for example, it is determined Bond proceeds were not properly expended, a Borrower is not in compliance with arbitrage requirements imposed by the Code or a Borrower has taken action that results in impermissible private business use or entering a management contract with a private company for that facility. If the Borrower is advised that corrective action is necessary with respect to Bond financed facilities, the ISSUER will cooperate with the Borrower in a timely manner to:

- (i) Seek to enter into a closing agreement under the Tax-Exempt Bonds Voluntary Closing Agreement Program described in Notice 2001-60 (or successor thereto)
- (ii) Take remedial action described in Section 1.141-12 of the Code
- (iii) Take such other action as recommended by bond counsel

ARTICLE V - MISCELLANEOUS

SECTION 1. Directors' and Officers' Liabilities

- A. No director or officer shall be liable for any claims resulting from any act or omission in connection with his duties as a member of the Board of Directors or Executive Committee of the Authority, or as an officer of the Board of Directors, except for claims resulting from the gross negligence or willful misconduct of such director or officer. The Executive Committee is hereby authorized and empowered to obtain, at the expense of the Authority, liability insurance fully protecting the respective directors, officers, employees, agents and the Authority from any loss or expense incurred, including reasonable attorney's fees, as a result of acts or omissions of the directors, officers, employees and agents. The Authority hereby agrees to save, hold harmless and indemnify each director, officer, employee and agent from any loss, damage or expense (including attorneys fees) incurred by said

persons while acting in their official capacity or by reason of the fact the said person is or was a director, officer, employee or agent of the Authority, unless such loss, damage or expense was caused by the bad faith or gross negligence or willful misconduct of such director, officer, employee or agent. The termination of any civil or criminal action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that the person acted other than in good faith and in a manner which he reasonably believed to be in or not opposed to the best interest of the Authority nor with respect to any criminal action or proceeding, that he had reasonable cause to believe that his conduct was unlawful.

- B. Any indemnification under this Section 1 of this Article shall be made by the Authority only as authorized in the specific case upon a determination that indemnification of the officer, director and employee or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in this Section 1 of this Article. Such determination shall be made (a) by the Executive Committee by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (b) if such quorum is not obtainable, or, even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion; provided, however, that if a director, officer, employee or agent of the Authority has been successful on the merits or otherwise in defense of any action, suit or proceeding, or in defense of any claim, issue or matter therein, he shall automatically be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith without the necessity of any such determination that he has met the applicable standard of conduct set forth in this Section 1 of this Article.

SECTION 2. Reliance on Counsel's Opinion

The Board of Directors, the Executive Committee and the officers may employ and consult with legal counsel concerning any questions which may arise with reference to the duties and powers or with reference to any other matter pertaining to the operation of the Authority; and the opinion of such counsel shall be full and complete authorization and protection in respect to any action taken or suffered by the directors, the Executive Committee and the officers hereunder in good faith in accordance with the opinion of such counsel, and the Board of Directors, the Executive Committee, and the officers shall not be liable therefor.

SECTION 3. Amendments to Bylaws

These bylaws may be amended in writing at any time by the concurrence of no less than two thirds (2/3) of the voting members of the Board of Directors present at a duly called meeting at which a quorum is present. The notice of such meeting must state that one of the purposes of the meeting is to consider the amendment of these bylaws and must generally state

the substance of such proposed amendment. These bylaws may not be amended so as to permit the diversion or application of any of the assets of the Authority for any purpose other than those specified herein or in the Act or which would impair any contractual obligations. The Board of Directors, upon adoption of or amendment to these bylaws, shall send a copy of any such amendment to the participating political subdivisions of the Authority.

SECTION 4. Termination of Membership in the Authority.

Except as noted below, an Authority member may terminate its participation in the Authority upon thirty (30) days written notice to the Chairman of the Board of Directors. An Authority member shall not be permitted to terminate its participation in the Authority so long as such Authority member is obligated to repay an outstanding obligation to the Authority; provided such obligation has been lawfully approved by such member.

SECTION 5. Principal Office of the Authority

The books and records pertaining to the Authority and its administration shall be kept and maintained at the office of the Authority.

SECTION 6. Additional Committees

- A. The Executive Committee may from time to time appoint such other committees with such membership as the Executive Committee may determine necessary or appropriate. Such committees may be composed in whole or in part of persons who are not members of the Board of Directors.
- B. The Executive Committee shall appoint a Chairman's Advisory Committee consisting of at least one (1) member and not exceeding three (3) members. Such Committee shall consist of past Chairmen of the Board of Directors, and shall provide advice to the Executive Committee on any matters coming before it.

SECTION 7. Notices

Whenever under the Act or these bylaws notice is required or permitted to be given to the Directors or officers of the Authority, such notice may be given in writing by regular mail or by facsimile or electronic transmission, in either case addressed to such Director or officer at his address as shown on the books of the Authority. The time when such notice is so mailed or delivered via facsimile shall be deemed the time of the giving of such notice.

SECTION 8. Contracting for Services

The Authority was created to lower the borrowing costs of political subdivisions and beneficiaries through participation in Authority financings. By sharing the costs of

professional and other services negotiated at reasonable rates by the Authority, smaller financings undertaken through participation in Authority transactions can benefit directly and immediately. The Authority further recognizes the merit of independent review of proposed financial transactions to avoid self-dealing by professionals serving the Authority or its beneficiaries.

- A. The Executive Committee shall have the authority to contract with and hire professionals for the purpose of rendering legal, accounting, financial advisory, management and other services to the Authority and to pay such professionals for such services rendered to the Authority.
- B. The Executive Committee shall evaluate and determine fair and equitable compensation for legal services by reference to the Rules of Professional Conduct of the Louisiana State Bar Association, particularly, Rule 1.5 Fees. The fee schedules promulgated by the Attorney General of the State of Louisiana which describe the maximum fees allowed for services of bond counsel shall be complied with, but shall not be used to define or determine the amount of compensation for bond counsel services to the Authority.
- C. The Executive Committee shall evaluate and determine fair and equitable compensation for non-legal professionals in accordance with relevant industry standards, criteria and practice.

SECTION 9. Preliminary Review of Authority Transactions

The Executive Committee shall establish a procedure to review proposed Authority transactions for merit and shall have the authority to contract with independent financial advisors and such other professionals as it deems fit to evaluate and provide preliminary findings regarding the relative benefits of transactions proposed to the Authority, its members or to the beneficiaries of such transactions.

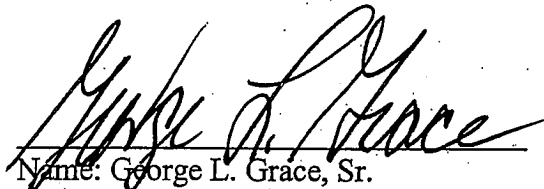

SECTION 10. Severability

Should any provision of these By-Laws be declared invalid or unlawful by a court of competent jurisdiction, the remaining provisions hereof shall remain in full force and effect and to that end, such invalid or unlawful provisions are hereby declared to be severable.

ARTICLE VI - DISTRIBUTION OF ASSETS
UPON FINAL DISSOLUTION

Upon final dissolution of the Authority, all assets shall be sold as determined by the Executive Committee, all debts and obligations of the Authority shall be paid, and all funds then remaining shall be distributed to the then current Authority members on an equal share basis.

IN WITNESS WHEREOF, the bylaws of the Authority have been executed on this 14th day of October, 2004.

Section 3.01 Rent. Commencing on the Commencement Date and continuing throughout the Term, the Corporation shall pay to the Board, at the address set forth in Section 18.02 hereof or such other place as the Board may designate from time to time in writing, as annual rent for the Land and the Stadium Expansion Land (the “*Rent*”), the sum of \$1.00 per year. Rent shall be due and payable annually in advance, with the first such payment of Rent being due on the Commencement Date and a like installment due on each anniversary thereafter during the Term.

Section 3.02 Additional Obligations. As further consideration for the entering into of this Ground Lease by the Board, the Corporation agrees to perform its construction obligations as set forth in Article V herein, and to execute and perform its obligations under the Facilities Lease and all other documents contemplated by and ancillary to this Ground Lease and the Facilities Lease. Title to all improvements constructed or placed in service on the Land and the Stadium Expansion Land by the Corporation shall vest in the Board and the cost thereof incurred by the Corporation shall constitute additional rent hereunder. In addition, the Corporation agrees to pay the costs of demolishing, developing and/or constructing the Facilities and the Stadium Expansion pursuant to the terms of this Ground Lease and the Facilities Lease, title to which shall vest in the Board, which payment obligation shall constitute additional rent hereunder.

ARTICLE IV USE OF LAND

Section 4.01 Purpose of Lease. The Corporation enters into this Ground Lease for the purpose of demolishing certain existing facilities and renovating, developing and constructing the Facilities and the Stadium Expansion and leasing the Facilities and the Stadium Expansion to the Board in

accordance with the Facilities Lease. Except as otherwise provided herein, the Facilities and the Stadium Expansion are to be used for no other purpose.

Section 4.02 Benefit of the Board and the University. The Board shall own the Facilities and the Stadium Expansion subject to the Corporation's rights under this Ground Lease and, for so long as the Facilities Lease remains in full force and effect, the Board shall lease back the Facilities and the Stadium Expansion from the Corporation for the support, maintenance and benefit of the Board and the University. The Facilities and the Stadium Expansion shall be owned and leased solely for a public purpose related to the performance of the duties and functions of the Board and the University. Under no circumstances shall the Facilities and the Stadium Expansion be used for any purpose other than the Permitted Use.

Section 4.03 Data and Voice Communication Systems. The University, at its expense, agrees to provide to the Facilities and the Stadium Expansion appropriate cabling to tie its computer system into the Facilities and the Stadium Expansion. The University shall provide the Facilities and the Stadium Expansion access to its computer system at no charge to the Corporation.

Section 4.04 Compliance with Statutory Requirements. Section 3361 *et seq.* of Title 17 of the Louisiana Revised Statutes prescribes rules and regulations for leases of any portion of the campus by a college or university. By execution of this Ground Lease, the Board represents that it has complied with applicable statutory requirements of such Title 17 including, without limitation:

(a) the waiver by written consent of the formulation and adoption of rules, regulations and requirements, if any, relative to the erection, construction and maintenance of the Facilities and the Stadium Expansion referenced in Section 3362 A of Title 17 of the Louisiana Revised Statutes, other than those set forth in this Ground Lease or specifically referenced in this Ground Lease;

(b) the waiver by written consent of the Board's right to require removal of the Facilities and the Stadium Expansion referenced in Section 3362 B of Title 17 of the Louisiana Revised Statutes, except as set forth in this Ground Lease; and

ARTICLE V
RESERVED

ARTICLE VI
ENCUMBRANCES

Section 6.01 Mortgage of Leasehold or the Facilities. Except for the Mortgage, the Corporation shall not mortgage, lien or grant a security interest in the Corporation's leasehold interest in the Land, the Stadium Expansion Land, the Facilities or the Stadium Expansion or any other right of the Corporation hereunder without the prior written consent of the Board and the Bond Insurer.

ARTICLE VII
MAINTENANCE AND REPAIR

Section 7.01 Maintenance, Repairs and Renovations.

(a) For as long as the Facilities Lease is in effect, the University, at the direction of the Board, shall be responsible for maintaining and repairing the Facilities and the Stadium Expansion in accordance with Section 7 of the Facilities Lease.

(b) In the event that the Facilities Lease has been terminated, the Corporation will: (1) maintain or cause to be maintained the Facilities and the Stadium Expansion, and will keep the Facilities and the Stadium Expansion in good repair and in good operating condition and make from time to time all necessary repairs thereto and renewals and replacements thereof; and (2) make from time to time any additions, modifications or improvements to the Facilities and the Stadium Expansion the Corporation may deem desirable for its business purposes that do not materially impair the effective use of the Facilities and the Stadium Expansion, provided that all such additions, modifications and improvements will become a part of the Facilities and the Stadium Expansion.

ARTICLE VIII CERTAIN LIENS PROHIBITED

Section 8.01 No Mechanics' Liens. Except as permitted in Section 8.02 hereof the Corporation shall not suffer or permit any mechanics' liens or other liens to be enforced against the Board's ownership interest in the Land, the Stadium Expansion Land, the Facilities or the Stadium Expansion nor against the Corporation's leasehold interest in the Land, the Stadium Expansion Land, the Facilities or the Stadium Expansion by reason of a failure to pay for any work, labor, services, or materials supplied or claimed to have been supplied to the Corporation or to anyone holding the Land, the Stadium Expansion Land, the Facilities or the Stadium Expansion or any part thereof through or under the Corporation.

Section 8.02 Release of Recorded Liens. If any such mechanics' liens or materialmen's liens shall be recorded against the Land, the Stadium Expansion Land, the Facilities or the Stadium Expansion, the Corporation shall cause the same to be released of record or, in the alternative, if the Corporation in good faith desires to contest the same, the Corporation shall be privileged to do so, but in such case the Corporation hereby agrees to indemnify and save the Board harmless from all liability for damages occasioned thereby and shall in the event of a judgment of foreclosure on said mechanics' lien, cause the same to be discharged and released prior to the execution of such judgment. In the event the Board reasonably should consider the Board's interest in the Land, the Stadium Expansion Land, the Facilities or the Stadium Expansion endangered by any such liens and should so notify the Corporation and the Corporation should fail to provide adequate security for the payment of such liens, in the form of a surety bond, cash deposit or cash equivalent, or indemnity agreement reasonably satisfactory to the Board within thirty (30) days after such notice, then the Board, at the Board's sole discretion, may discharge such liens and recover from the Corporation immediately as additional Rent under this Ground Lease the amounts paid, with interest thereon from the date paid by the Board until repaid by the Corporation at the rate of ten percent (10%) per annum.

Section 8.03 Memorandum of Recitals. The memorandum of lease to be filed pursuant to Section 18.04 of this Ground Lease shall state that any third party entering into a contract with the Corporation for improvements to be located on the Land or the Stadium Expansion Land, or any other party claiming under said third party, shall be on notice that neither the Board nor the Board's property shall have any liability for satisfaction of any claims of any nature in any way arising out of a contract with the Corporation.

ARTICLE IX
OPERATION AND MANAGEMENT OF FACILITIES

Section 9.01 Management of Facilities and the Stadium Expansion. For as long as the Facilities Lease is in effect, the University, at the direction of the Board, shall operate and manage the Facilities and the Stadium Expansion or cause the Facilities and the Stadium Expansion to be operated and managed in accordance with the Section 7 of the Facilities Lease.

Section 9.03 Audits. The Board may, at its option and at its own expense, and during customary business hours, conduct internal audits of the books, bank accounts, records and accounts of the Corporation. Audits may be made on either a continuous or a periodic basis or both, and may be conducted by employees of the Board, by the Louisiana Legislative Auditor or by independent auditors retained by the Board desiring to conduct such audit, but any and all such audits shall be conducted without materially or unreasonably or unnecessarily interrupting or interfering with the normal conduct of business affairs by the Corporation.

ARTICLE X
INDEMNIFICATION

Section 10.17 Indemnification by the Corporation. Excluding the acts or omissions of the Board, its employees, agents or contractors, the Corporation shall and will indemnify and save harmless the Board, its agents, officers, and employees, from and against any and all liability, claims, demands, damages, expenses, fees, fines, penalties, suits, proceedings, actions, and causes of action of any and every kind and nature arising or growing out of or in any way connected with the Corporation's construction of the Facilities and the Stadium Expansion. This obligation to indemnify shall include reasonable fees of legal counsel and third-party investigation costs and all other reasonable costs, expenses, and liabilities from the first notice that any claim or demand has been made; however, the Corporation and the Board shall use the same counsel if such counsel is approved by the Board, which approval shall not be unreasonably withheld or delayed. If the Board does not approve such counsel then the Board may retain independent counsel at the Board's sole cost and expense. It is expressly understood and agreed that the Corporation is and shall be deemed to be an independent contractor and operator responsible to all parties for its respective acts or omissions and that the Board shall in no way be responsible therefor.

Section 10.18 Contributory Acts. Whenever in this Ground Lease any party is obligated to pay an amount or perform an act because of its negligence or misconduct (or that of its agents, employees, contractors, guests, or invitees), such obligations shall be mitigated to the extent of any comparative fault or misconduct of the other party (or that of its agents, employees, contractors, guests, or invitees) as determined by a court of law, and in any disputes damages shall be apportioned based on the relative amounts of such negligence or willful misconduct as determined by a court of law.

ARTICLE XI
TERMINATION, DEFAULT AND REMEDIES

Section 11.01 Events of Default. Any one of the following events shall be deemed to be an "Event of Default" by the Corporation under this Ground Lease.

(a) The Corporation shall fail to pay any sum required to be paid to the Board under the terms and provisions of this Ground Lease and such failure shall not be cured within thirty (30) days after the Corporation's receipt of written notice from the Board of such failure.

(b) The taking by execution of the Corporation's leasehold estate (other than a foreclosure of the Mortgage) for the benefit of any Person.

(c) The Corporation shall fail to perform any other covenant or agreement, other than the payment of money, to be performed by the Corporation under the terms and provisions of this Ground Lease and such failure shall not be cured within ninety (90) days after receipt of written notice from the Board of such failure; provided that if during such ninety (90) day period, the Corporation takes action to cure such failure but is unable, by reason of the nature of the work involved, to cure such failure within such period and continues such work thereafter diligently and without unnecessary delays, such failure shall not constitute an Event of Default hereunder until the expiration of a period of time after such ninety (90) day period as may be reasonably necessary to cure such failure.

(d) A court of competent jurisdiction shall enter an order for relief in any involuntary case commenced against the Corporation, as debtor, under the Federal Bankruptcy Code, as now or hereafter constituted, or the entry of a decree or order by a court having jurisdiction over the Facilities and the Stadium Expansion appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator, or other similar official of or for the Corporation or any substantial part of the properties of the Corporation or ordering the winding up or liquidation of the affairs of the Corporation, and the continuance of any such decree or order unstayed and in effect for a period of ninety (90) consecutive days.

(e) The commencement by the Corporation of a voluntary case under the Federal Bankruptcy Code, as now or hereafter constituted, or the consent or acquiescence by the Corporation to the commencement of a case under such Code or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator, or other similar official of or for the Corporation or any substantial part of the properties of the Corporation.

Section 11.02 The Board's Rights Upon Default. Upon the occurrence and during the continuance of an Event of Default, the Board may at its option seek any and all damages occasioned by the Event of Default or may seek any other remedies available at law or in equity, including specific performance.

Section 11.03 Termination of Right of Occupancy. Notwithstanding any provision of law or of this Ground Lease to the contrary, except as set forth in Section 1.03 hereof, the Board shall not have the right to terminate this lease prior to the Expiration Date hereof. However, in the event there is an Event of Default by the Corporation hereunder, the Board (with the prior written consent of the Bond Insurer) shall have the right to terminate the Corporation's right to occupancy of the Land, the Stadium Expansion Land, the Facilities and the Stadium Expansion, except that the Facilities and the Stadium Expansion, at the option of the Board, shall remain thereon. The Board shall have the right upon ninety (90) days' written notice and opportunity to cure provided to the Bond Insurer and the Trustee, to take possession of the Land, the Stadium Expansion Land, the Facilities and the Stadium Expansion and to re-let the Land, the Stadium Expansion Land, the Facilities and the Stadium Expansion or take possession in its own right for the remaining Term of the Ground Lease upon such terms and conditions as the Board is able to obtain. Upon such re-letting, the Corporation hereby agrees to release its leasehold interest and all of its rights under this Ground Lease and the Facilities Lease to the new lessee of the Land and the Stadium Expansion Land (or to the Board, if the Board wishes to remain in possession on its own behalf) in consideration for the new lessee (or the Board, as applicable) agreeing to assume all of the

Corporation's obligations under the Ground Lease, the Facilities Lease and under any debt incurred by the Corporation in connection with the construction of the Facilities and the Stadium Expansion.

Section 11.04 Rights of the Board Cumulative. All rights and remedies of the Board provided for and permitted in this Ground Lease shall be construed and held to be cumulative, and no single right or remedy shall be exclusive of any other which is consistent with the former. The Board shall have the right to pursue any or all of the rights or remedies set forth herein, as well as any other consistent remedy or relief which may be available at law or in equity, but which is not set forth herein. No waiver by the Board of a breach of any of the covenants, conditions or restrictions of this Ground Lease shall be construed or held to be a waiver of any succeeding or preceding breach of the same or of any other covenant, condition or restriction herein contained. The failure of the Board to insist in any one or more cases upon the strict performance of any of the covenants of this Ground Lease, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment of future breaches of such covenant or option.

ARTICLE XII TITLE TO THE FACILITIES

Section 12.01 Title to Facilities. Title to the existing Facilities and the Stadium Expansion and any new Facilities as they are constructed or placed in service upon completion thereof shall be vested in the Board. The Board's right to obtain title to the Facilities and the Stadium Expansion unencumbered by the leasehold interest of the Corporation granted hereunder shall be as set forth in the Facilities Lease. All furniture, fixtures, equipment and furnishings permanently affixed to the Facilities and the Stadium Expansion shall be the property of the Board upon termination of this Ground Lease whether such termination be by expiration of the Term or an earlier termination under any provision of this Ground Lease.

Section 12.02 The Board's Option to Require Demolition. Upon the Expiration Date of the Term or earlier termination hereof, in the event the Facilities or the Stadium Expansion are no longer suitable for the Board's purposes, the Board in its sole discretion may require the Corporation to demolish the Facilities or the Stadium Expansion and remove the Facilities from the Land or the Stadium Expansion from the Stadium Expansion Land, and restore the Land or the Stadium Expansion Land to substantially the same condition as it existed on the date of the Original Ground Lease, the First Amendment to Ground Lease, the Second Amendment to Ground Lease, the Third Supplemental Ground Lease, or the Fourth Supplemental Ground Lease, as applicable, to be accomplished within one hundred eighty (180) days of such Expiration Date or earlier termination hereof. However, such demolition and removal of the Facilities or the Stadium Expansion shall be at the Board's sole cost and expense. In the event of such election upon the expiration of the Term, the Board shall notify the Corporation no later than six (6) months prior to the expiration of the Term. If this Ground Lease is terminated earlier, the Board shall notify the Corporation within thirty (30) days after the termination.

Section 12.03 Termination of Facilities Lease. Upon the termination of the Facilities Lease as a result of the Board's exercise of its option to purchase the Facilities and the Stadium Expansion granted under the Facilities Lease, all right and interest of the Corporation in and to this Ground Lease, the Facilities Lease and the Facilities and the Stadium Expansion shall be transferred to the Board, and the Corporation hereby agrees to execute any documents necessary to effectuate such transfer, or the Board may require the demolition of the Facilities and the Stadium Expansion as set forth in Section 12.02 above.

Section 12.04 Insurance Proceeds. Notwithstanding the fact that title to the Facilities and the Stadium Expansion is vested in the Board, if the Facilities Lease is no longer in force and effect, and all or any portion of the Facilities and the Stadium Expansion is damaged or destroyed by acts of God, fire,

flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively “*Casualty*”), the proceeds of any insurance received on account of any such Casualty shall be disbursed in accordance with the provisions of the Bond Documents, or if the Bond Documents are no longer in effect shall be disbursed to the Corporation as though the Corporation were the owner of the Facilities and the Stadium Expansion.

Section 12.05 Condemnation, Casualty and Other Damage. The risk of loss or decrease in the enjoyment and beneficial use of the Facilities and the Stadium Expansion due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively “*Casualty*”) or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Facilities and the Stadium Expansion by condemnation, expropriation, or eminent domain proceedings (collectively “*Expropriation*”) is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental or any other obligation hereunder.

ARTICLE XIII CONDEMNATION

Section 13.01 Condemnation. If the Facilities Lease has been terminated, upon the permanent Taking of all the Land, the Stadium Expansion Land, the Facilities and the Stadium Expansion, this Ground Lease shall terminate and expire as of the date of such Taking, and both the Corporation and the Board shall thereupon be released from any liability thereafter accruing hereunder except for Rent and all other amounts secured by this Ground Lease owed to the Board apportioned as of the date of the Taking or the last date of occupancy, whichever is later. The Corporation shall receive notice of any proceedings relating to a Taking and shall have the right to participate therein.

Section 13.02 Partial Condemnation if Facilities Lease is No Longer in Effect. Upon a temporary Taking or a Taking of less than all of the Land, the Stadium Expansion Land, the Facilities and the Stadium Expansion and if the Facilities Lease is no longer in effect, the Corporation, at its election, may terminate this Ground Lease by giving the Board notice of its election to terminate at least sixty (60) days prior to the date of such termination. Upon any such termination, the Rent accrued and unpaid hereunder shall be apportioned to the date of termination. In the event there is a partial condemnation of the Land or the Stadium Expansion Land and the Corporation decides not to terminate this Ground Lease, the Board and the Corporation shall either amend this Ground Lease or enter into a new lease so as to cover an adjacent portion of property, if necessary to restore or replace any portion of the Land, the Stadium Expansion Land, and/or Facilities and the Stadium Expansion.

Section 13.03 Partial or Total Condemnation if Facilities Lease is in Effect. If this Ground Lease is terminated under Section 13.01 or in the event of a Taking of less than all of the Land and the Facilities and the Stadium Expansion Land and the Stadium Expansion while the Facilities Lease is in force and effect, and the Board decides to restore or replace the Facilities and the Stadium Expansion in accordance with the Facilities Lease, the Board and the Corporation agree to enter into a new lease (in form and substance substantially the same as this Ground Lease) of a portion of property necessary to place thereon the Facilities and the Stadium Expansion and to enter into a new Facilities Lease (in form and substance substantially the same as the Facilities Lease) covering such replacement Facilities and the Stadium Expansion.

Section 13.04 Payment of Awards - If Facilities Lease is in Effect. Upon the Taking of all or any portion of the Land or the Facilities or the Stadium Expansion Land and the Stadium Expansion while

the Facilities Lease remains in full force and effect (a) the proceeds of the Award allocable to the value of the Facilities and the Stadium Expansion shall be disbursed in accordance with the provisions of the Facilities Lease and the Bond Documents, and (b) subject to the Bonds and any amounts owing to the Bond Insurer being paid in full, the Board shall be entitled (free of any claim by the Corporation) to the Award for the value of the Board's Interest (such value to be determined as if this Ground Lease were in effect and continuing to encumber the Board's Interest); and (c) the Corporation shall be entitled to the Award for the value of the Corporation's interest in the Land or Stadium Expansion Land under this Ground Lease that is the subject of the Taking.

Section 13.05 Payment of Awards - If Facilities Lease is not in Effect. Upon the Taking of all or any portion of the Land or the Facilities or the Stadium Expansion Land or the Stadium Expansion at any time after the Facilities Lease is no longer in force and effect, (a) the proceeds of the Award allocable to the value of the Facilities or the Stadium Expansion shall be disbursed in accordance with the provisions of the Bond Documents, or if the Bond Documents are no longer in effect shall be disbursed to the Corporation, (b) the Board shall be entitled (free of any claim of the Corporation) to the Award for the value of the Board's Interest in the Land (such value to be determined as if this Ground Lease were in effect and continuing to encumber the Board's Interest) and (c) the Corporation shall be entitled to the Award for the value of the Corporation's interest in the Land under this Ground Lease that is the subject of the Taking.

Section 13.06 Bond Documents Control. Notwithstanding anything in this Ground Lease to the contrary, in the event of a Casualty or a Taking of all or any portion of the Facilities or the Stadium Expansion, the provisions in the Bond Documents shall control the division, application and disbursement of any insurance proceeds or Award paid as a result thereof for so long as the Bond Documents remain in effect.

ARTICLE XIV
ASSIGNMENT, SUBLETTING, AND TRANSFERS
OF THE CORPORATION'S INTEREST

Section 14.01 Assignment of Leasehold Interest. Except as expressly provided for in Article VI and in this Article XIV, the Corporation shall not have the right to sell or assign the leasehold estate created by this Ground Lease, or the other rights of the Corporation hereunder to any Person without the prior written consent of the Board and the Bond Insurer.

Section 14.02 Subletting. The Corporation is not authorized to sublet the leasehold estate to any entity other than the Board; provided, however, that if the Facilities Lease terminates, the Corporation shall have the right to sublease the Facilities and the Stadium Expansion to University students, faculty and staff and Permitted Sublessees.

Section 14.03 Transfers of the Corporation's Interest. Except as otherwise expressly provided herein, any Person succeeding to the Corporation's interest as a consequence of any permitted conveyance, transfer or assignment shall succeed to all of the obligations of the Corporation hereunder and shall be subject to the terms and provisions of this Ground Lease.

The Corporation agrees, at any time and from time to time upon not less than thirty (30) days prior written notice by the Board, to execute, acknowledge and deliver to the Board or to such other party as the Board shall request, a statement in writing certifying

(a) that this Ground Lease is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), (b) to the best of its knowledge, whether or not there are then existing any offsets or defenses against the enforcement of any of the terms, covenants or conditions hereof upon the part of the Corporation to be performed (and if so specifying the same), (c) the dates to which the Rent and other charges have been paid, and (d) the dates of commencement and expiration of the Term, it being intended that any such statement delivered pursuant to this Section may be relied upon by any prospective purchaser of the Board's Interest or by any other Person.

The Board agrees, at any time and from time to time, upon not less than thirty (30) days prior written notice by the Corporation, to execute, acknowledge and deliver to the Corporation a statement in writing addressed to the Corporation or to such other party as the Corporation shall request, certifying (a) that this Ground Lease is unmodified and in full force and effect (or if there have been modifications that the same is in full force and effect as modified and stating the modifications); (b) the dates to which the Rent and other charges have been paid; (c) to the best of its knowledge after due inquiry, whether an Event of Default has occurred and is continuing hereunder (and stating the nature of any such Event of Default; (d) during the construction period, the status of construction of the Facilities and the Stadium Expansion and the estimated date of completion thereof; and (e) the dates of commencement and expiration of the Term, it being intended that any such statement delivered pursuant to this Section may be relied upon by any prospective (and permitted) assignee, sublessee or mortgagee of this Ground Lease or by any assignee or prospective assignee of any such permitted mortgage or by any undertenant or prospective undertenant of the whole or any part of the Facilities and the Stadium Expansion, or by any other Person.

ARTICLE XVI TAXES AND LICENSES

Section 16.01 Payment of Taxes. The Board shall pay, and, upon request by the Corporation, shall provide evidence of payment to the appropriate collecting authorities of, all federal, state and local taxes and fees, which are now or may hereafter be, levied upon the Corporation's interest in the Land or in the Facilities and the Stadium Expansion Land or in the Stadium Expansion or upon any of the Corporation's property used in connection therewith or upon the Board or the Board's Interest. The Board may pay any of the above items in installments if payment may be so made without penalty other than the payment of interest. The obligations of the Board to pay taxes and fees under this Section 16.01 shall apply only to the extent that the Board or the Corporation are not exempt from paying such taxes and fees and to the extent that such taxes and fees are not otherwise abated. The Board and the Corporation agree to cooperate fully with each other to the end that tax exemptions available with respect to the Land, the Facilities and the Stadium Expansion Land and the Stadium Expansion under applicable law are obtained by the party or parties entitled thereto.

Section 16.02 Contested Tax Payments. The Board shall not be required to pay, discharge or remove any such taxes or assessments so long as the Board is contesting the amount or validity thereof by appropriate proceeding which shall operate to prevent or stay the collection of the amount so contested. The Corporation shall cooperate with the Board in completing such contest and the Corporation shall have no right to pay the amount contested during the contest. The Corporation, at the Board's expense, shall join in any such proceeding if any law shall so require.

ARTICLE XVII
FORCE MAJEURE

Section 17.01 Discontinuance During Force Majeure. Whenever a period of time is herein prescribed for action to be taken by the Corporation, the Corporation shall not be liable or responsible for, and there shall be excluded from the computation for any such period of time, any delays due to Force Majeure. The Board shall not be obligated to recognize any delay caused by Force Majeure unless the Corporation shall within ten (10) days after the Corporation is aware of the existence of an event of Force Majeure, notify the Board thereof.

ARTICLE XVIII

Section 18.03 Relationship of Parties. Nothing contained herein shall be deemed or construed by the parties hereto, or by any third party, as creating the relationship of principal and agent, partners, joint venturers, or any other similar such relationship, between the parties hereto. It is understood and agreed that no provision contained herein nor any acts of the parties hereto creates a relationship other than the relationship of Lessor and Lessor hereunder.

Section 18.04 Memorandum of Lease. Neither the Board nor the Corporation shall file this Ground Lease for record in Tangipahoa Parish, Louisiana or in any public place without the written consent of the other. In lieu thereof the Board and the Corporation agree to execute in recordable form a memorandum of this Ground Lease in the form of Exhibit C attached hereto. Such memorandum shall be filed for record in Tangipahoa Parish, Louisiana.

Section 18.08 Curative Matters. Except for the express representations and warranties of the Board set forth in this Ground Lease, any additional matters necessary or desirable to make the Land and the Stadium Expansion Land useable for the Corporation's purpose shall be undertaken, in the Corporation's sole discretion, at no expense to the Board. Section 18.09 Nonwaiver. No waiver by the Board or the Corporation of a breach of any of the covenants, conditions, or restrictions of this Ground Lease shall constitute a waiver of any subsequent breach of any of the covenants, conditions or restrictions of this Ground Lease. The failure of the Board or the Corporation to insist in any one or more cases upon the strict performance of any of the covenants of the Ground Lease, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment for the future of such covenant or option. (c) The Corporation disclaims and the Board waives any warranties and representations with respect to compliance with Governmental Regulations, including Environmental Requirements, or the disposal of, or existence in, on, under, or about the Facilities and the Stadium Expansion of any Hazardous Substance. The Board acknowledges that the Corporation reserves in this Facilities Lease all rights to recover from the Board all costs and expenses imposed on the Corporation to bring the Facilities and the Stadium Expansion into compliance with any Environmental Requirement, and all costs of Remediation or cleanup of such Hazardous Substance imposed on the Corporation or the Board, which shall be payable by the Board as Additional Rental hereunder to the extent imposed upon the Corporation.

The Board shall pay all such amounts when due or within thirty (30) days after notice in writing from the Corporation, the Management Company, the Bond Insurer, or the Trustee to the Board stating the amount of the Additional Rental then due and the purpose thereof.

(d) The Board shall be entitled to a credit against and reduction of each Base Rental payment in an amount equal to any amounts derived from the following sources:

(e) Notwithstanding any other provision of the Facilities Lease, the obligation of the Board to make payments under this Facilities Lease, including payments of Base Rental and Additional Rental, shall be subject to, and dependent upon, appropriation of Lawfully Available Funds necessary to make the payments required under this Facilities Lease. The Vice President for Finance and Administration of the Board shall cause the University to include in the Budget and, if necessary, any amendments to the Budget, an amount of Lawfully Available Funds sufficient to make the payments of Base Rental and Additional Rental described herein which amounts may or may not ultimately be appropriated by the Board for such purpose. Subject to the foregoing and Section 29 hereof, the obligations of the Board to make payments pursuant to this Facilities Lease, and to perform and observe the other agreements and covenants on its part contained herein, shall be absolute and unconditional and shall not be subject to any diminution, abatement, set-off, or counterclaim. Subject to the foregoing and Section 29 hereof, until such time as the principal of, premium, if any, and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with this Facilities Lease, the Board shall not suspend or discontinue payment of Rental or any other payments pursuant to this Facilities Lease for any cause, and shall continue to perform and observe all of its agreements contained in this Facilities Lease. The Corporation and the Board acknowledge and agree that the obligation of the Board to pay Rental shall constitute a current expense of the Board payable by the Board from funds budgeted and appropriated in accordance with law for and in consideration of the right to use the Facilities and the Stadium Expansion during the Term and that such obligation shall not in any manner be construed to be a debt of the Board in contravention of any constitutional or statutory limitations or requirements concerning indebtedness of the Board and nothing contained herein shall constitute a pledge, lien or encumbrance upon any specific tax or other revenues of the Board.

(f) The payments of Base Rental and Additional Rental under this Facilities Lease for each Fiscal Year or portion thereof during the Term shall constitute the total Rental for such Fiscal Year or portion thereof and shall be paid by the Board for and in consideration of the construction by the Corporation of the Facilities and the Stadium Expansion and the right to the use and occupancy of the Facilities and the Stadium Expansion by the Board for and during such Fiscal Year or portion thereof.

(g) Amounts necessary to pay each Base Rental payment shall be deposited by the Board on the dates set forth in Section 6(b) hereof in lawful money of the United States of America at the office of the Trustee or at such other place or places as may be established by the Corporation and/or Trustee in accordance with the Indenture. Any amount necessary to pay any Base Rental payment or portion thereof which is not so deposited shall remain due and payable until received by the Trustee. Notwithstanding any dispute between the Board and the Corporation hereunder, the Board shall make all Rental payments when due and shall not withhold payment of any Rental pending the final resolution of such dispute or for any other reason whatsoever.

(h) This Facilities Lease is intended to be a triple net lease. The Board agrees that the Rental provided for herein shall be an absolute net return to the Corporation free and clear of any expenses, charges, taxes, abatements, counterclaims, reductions or set-offs whatsoever of any kind, character or nature; it being understood and agreed to by the Board that the Board shall bear responsibility for the payment of all costs and expenses associated with the ownership, management, operation, and

maintenance of the Facilities and the Stadium Expansion. Under no circumstances will the Corporation be required to make any payment on the Board's behalf or for the Board's benefit under this Facilities Lease, or assume any monetary obligation of the Board under this Facilities Lease, or with respect to the Facilities and the Stadium Expansion.

(i) The State, through the Division of Administration, is not, at any time whatsoever, obligated, committed or required to provide funds by legislative appropriation or any other means to pay debt service on the Bonds or to support the continued operation and maintenance of the Facilities and Stadium Expansion, it being understood that the portion of the lease payments payable by the Board under this Facilities Lease for payment of debt service on the Bonds are payable solely from the Lawfully Available Funds and the Board is not legally committed, obligated or required to make available any other funds to make the lease payments hereunder.

(j) (i) In addition to the Rental payments required hereby, the Board covenants and agrees to make an Extraordinary Rental payment to pay for costs of the Series 2017 Facilities, from funds on hand or collected by the Board, not to exceed \$9,000,000.

(ii) In addition to Rental payments required hereby, the Board (a) covenants to make an extraordinary rental payment to fund a portion of the capital cost of the Series 2007 Facilities and the Stadium Expansion from funds on hand, not to exceed \$5,170,000, on or after October 1, 2006; and (b) shall have the option to make Rental payments for the express purpose, and only for the purpose, of prepayment of the Bonds pursuant to Section 3.4 of the Series 2007 Indenture and Section 4.05 of the Series 2007 Agreement, such payment of extraordinary rent shall be solely at the option of the University and the Board and shall be paid in accordance with the provisions hereof and of the Series 2007 Indenture and the Series 2007 Agreement, and such provisions shall control regarding written directions to the Trustee for redemption.

Section 7. Operation, Alterations, Maintenance, Repair, Replacement and Security Service.

(a) The University, at the direction of the Board, shall be responsible for ensuring that all services necessary or required in order to adequately operate the Facilities and the Stadium Expansion in accordance with the Permitted Use are provided and maintained. The University shall continuously operate or cause to be operated the Facilities and the Stadium Expansion from the Commencement Date and continuing for the remainder of the Term for the Permitted Use, and in accordance with all Governmental Regulations. The Corporation may contract with a Management Company, subject to the approval of the Board, to provide operations and management services for the Facilities and the Stadium Expansion. All Rents collected by a Management Company under a Management Agreement shall be deposited in an operating account and transferred daily to the Trustee in accordance with the Indenture.

(b) The University, at the direction of the Board, shall be responsible for maintaining the Facilities and the Stadium Expansion and shall make or contract or cause to be made or contracted with a suitable contractor for the making of all alterations, repairs, restorations, and replacements to the Facilities and the Stadium Expansion, including without limitation the heating, ventilating, air conditioning, mechanical, electrical, elevators, plumbing, fire, sprinkler and theft systems, air and water pollution control and waste disposal facilities, structural roof, walls, and foundations, fixtures, equipment, and appurtenances to the Facilities and the Stadium Expansion as and when needed to preserve them in good working order, condition and repair (ordinary wear and tear excepted), regardless of whether such repairs, alterations, restorations or replacements are ordinary or extraordinary, foreseeable or unforeseeable, or are at the fault of the Board, the Corporation or some Other Party. All alterations, repairs, restoration, or replacements shall be of a quality and class equal to or better than the quality and class presently located in the Facilities and the Stadium Expansion.

(c) The University, at the direction of the Board, shall have the right during the Term to cause the Corporation or some other Party to make or construct any additions or improvements to the Facilities and the Stadium Expansion, alter the Facilities and the Stadium Expansion, attach fixtures, structures, or signs to or on the Facilities and the Stadium Expansion, and affix personal property to the Facilities and the Stadium Expansion without the Corporation's prior written consent to the extent allowed under the terms of any insurance covering the Facilities and the Stadium Expansion. All such alterations, improvements, additions, attachments, repairs, restorations, and replacements of all or any portion of the Facilities and the Stadium Expansion shall (i) be at the sole cost and expense of the University; (ii) not reduce the then fair market value of the Facilities and the Stadium Expansion; (iii) be constructed in a good and workmanlike manner; and (iv) be in compliance with all Governmental Regulations.

(d) The University, at the direction of the Board, shall provide or cause to be provided all security service, custodial service, janitorial service, trash disposal, and all other services necessary for the proper upkeep and maintenance of the Facilities and the Stadium Expansion as required herein. The Board acknowledges that the Corporation has made no representation or warranty with respect to systems and/or procedures for the security of the Facilities and the Stadium Expansion, any persons occupying, using or entering the Facilities and the Stadium Expansion, or any equipment, furnishings, or contents of the Facilities and the Stadium Expansion. It is the sole responsibility of the Board, through the University to cause to be provided or to provide for the security of persons on or entering the Facilities and the Stadium Expansion and/or property located at the Facilities and the Stadium Expansion, in accordance with reasonable and prudent business practices.

Section 8. Utilities. All utilities which are used or consumed in or upon or in connection with the Facilities and the Stadium Expansion during the Term, including, without limitation water, gas, electricity, sewerage, garbage, or trash removal, light, cable, heat, telephone, power, computer data and other utilities necessary for the operation of the Facilities and the Stadium Expansion (the "*Utility Service*") shall be the responsibility of the Board and/or the students, faculty, staff or Permitted Sublessees residing in the Facilities and the Stadium Expansion. Payments for Utility Services provided to the entire Facilities and the Stadium Expansion or to the common areas of the Facilities and the Stadium Expansion under such contract or contracts therefor as the Board may make shall be made by the Board directly to the respective utility companies furnishing such Utility Services.

The Corporation shall have no responsibility to the Board for the quality or availability of Utility Service to the Facilities and the Stadium Expansion, or for the cost to procure Utility Service. The Corporation shall not be in Default under this Facilities Lease or be liable to the Board or any other Person for direct or consequential damage, or otherwise, for any failure in supply of any Utility Service, heat, air conditioning, elevator service, cleaning service, lighting, security, or for surges or interruptions of electricity.

Section 9. Insurance.

(a) The University, at the direction of the Board, shall cause to be secured and maintained at the University's cost and expense:

(i) A policy or policies of insurance covering the Facilities and the Stadium Expansion against loss or damage by fire, lightening, earthquake, collapse, vandalism and malicious mischief, flood and storm surge, and against such other perils as are included in so-called "extended coverage" and against such other insurable perils as, under good insurance practice, from time to time are insured for properties of similar character and location, which insurance shall be not less than the full

replacement cost of the Facilities and the Stadium Expansion, without deduction for depreciation. In the event that the Facilities and the Stadium Expansion are not repaired or replaced, insurance proceeds shall be no greater than the actual cash value (replacement cost less depreciation) of the Facilities and the Stadium Expansion at the time of the loss. The policy shall be adjusted to comply with any applicable co-insurance provisions of such insurance policy. Full payment of insurance proceeds shall not be contingent on the degree of damage sustained at other facilities leased by the Board. The policy or policies covering such loss must explicitly waive any co-insurance penalty.

(ii) A policy of comprehensive public liability insurance with respect to the Facilities and the Stadium Expansion and the operations related thereto, whether conducted on or off the Facilities and the Stadium Expansion, against liability for personal injury (including bodily injury and death) and property damage, of not less than \$2,000,000 in combined single limit liability coverage. Such comprehensive public liability insurance shall specifically include, but shall not be limited to, sprinkler leakage legal liability, water damage legal liability, motor vehicle liability for all owned and non-owned vehicles, including rented or leased vehicles.

(iii) Boiler and machinery insurance coverage against loss or damage by explosion of steam boilers, pressure vessels and similar apparatus, but only if steam boilers, pressure vessels or similar apparatus are installed on the Facilities and the Stadium Expansion, in an amount not less than \$5,000,000 with deductible provisions not exceeding \$100,000 per accident.

(iv) Workers' compensation insurance issued by a responsible carrier authorized under the laws of the State to insure employers against liability for compensation under the Labor Code of the State, or any act hereafter enacted as an amendment thereto or in lieu thereof, such workers' compensation insurance to cover all persons employed by the University in connection with the Facilities and the Stadium Expansion and to cover full liability for compensation under any such act aforesaid.

(v) A policy of rental interruption insurance in the amount of at least one (1) year's rental in the event of loss of or damage to the Series 2004 Facilities or the Series 2017 Facilities.

(b) The Corporation shall:

(i) cause to be secured and maintained a policy of title insurance insuring the Corporation's leasehold interest under the Ground Lease in an amount equal to the par amount of the [Series 2013 Bonds, the Series 2017 Bonds, and the Series 2018 Bonds]; and

(ii) cause all of the construction professionals to secure and maintain:

(A) Comprehensive or Commercial General Liability insurance;

(B) Errors and Omissions insurance;

(C) Automobile Liability insurance;

(D) Worker's Compensation insurance;

(E) an all Risk Builder's Policy upon the construction on the Property; and

(F) boiler and machinery or additional property insurance;

all as required by the terms of any construction contracts entered into with regards to the demolition of certain existing facilities and the renovation, development and construction of the Facilities and the Stadium Expansion.

(c) All insurance required in this Section and all renewals of such insurance (excepting self-insurance or commercial insurance, through ORM) shall be issued by commercial insurers authorized to transact business in the State, and rated at least A- by Best's Insurance Reports (property/liability) or in the two highest rating categories of S&P and Moody's. All insurance policies provided or caused to be provided by the Corporation shall expressly provide that the policies shall not be canceled or altered without thirty (30) days' prior written notice to the University and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the Corporation or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained.

(d) All policies of liability insurance that the University is obligated to maintain according to this Facilities Lease (other than any policy of worker's compensation insurance) will name the Corporation, the Trustee and such other Persons or firms as the University may be required to name from time to time as additional insureds and shall expressly provide that the policies shall not be cancelled or altered without thirty (30) days' prior written notice to the Corporation and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the University or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained. All public liability, property damage liability, and casualty policies maintained by the University shall be written as primary policies and each such policy shall include a waiver of subrogation endorsement.

(e) Proceeds of insurance received and/or the amount of any loss that is self-insured with respect to destruction of or damage to any portion of the Facilities by fire, earthquake or other casualty or event shall be paid to the Trustee (or, in the case of ORM insurance, to the Board for delivery in full to the Trustee) for application in accordance with the provisions of Section 11 of this Facilities Lease and the Indenture.

(f) If the Series 2004 Facilities[, the Series 2007 Facilities, the Stadium Expansion] and the Series 2017 Facilities are self-insured through ORM, the insurance provisions of this Section shall be deemed as having been satisfied.

(g) The Corporation shall certify annually to the Bond Insurer that all insurance policies required by this Section 9 are as of the date of such certification in place and in effect.

Section 10. Condemnation, Casualty and Other Damage. The risk of loss or decrease in the enjoyment and beneficial use of the Facilities and the Stadium Expansion due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively "*Casualty*") or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Facilities and the Stadium Expansion by condemnation, expropriation, or eminent domain proceedings (collectively "*Expropriation*") is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental or any other obligation hereunder.

Section 11. Application of Insurance Proceeds; Condemnation Award. (a) If during construction, all or any portion of the Facilities and the Stadium Expansion is damaged or destroyed by a

Casualty, or is taken by Expropriation proceedings, the Board shall instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration or replacement of the Facilities and the Stadium Expansion in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. Following the completion of construction and acceptance of the Facilities and the Stadium Expansion by the Board on behalf of the Corporation, the Board shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted, the repair, restoration, or replacement thereof. The proceeds of any insurance, including the proceeds of any self-insurance fund, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction or taking of all or any portion of the Facilities shall be delivered to the Trustee and held by the Trustee in trust (or in the case of self-insurance through ORM, as set forth in paragraph (b) below), and shall be made available for, and to the extent necessary be applied to, such restoration, repair and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement and repair of the Facilities and the Stadium Expansion with respect to which they are held, in each case promptly after receipt of a written request of the Corporation stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee may conclusively rely upon such written requests and shall have no liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration or replacement of the Facilities shall be paid by Trustee in accordance with the terms of the Indenture.

In the event the proceeds of any insurance, and any additional funds deposited with the Trustee, are insufficient to fully repair, restore or replace the Facilities, the proceeds shall be paid to the Board for immediate delivery to Trustee and used to redeem the Outstanding Bonds.

Notwithstanding the foregoing, the Corporation's obligation to replace the Facilities and the Stadium Expansion in the event of Expropriation Proceedings is dependent on the Board entering into a lease with a different portion of the Campus as provided in Section 13.03 of the Ground Lease. In the event it is necessary to restore or replace the Facilities or the Stadium Expansion in a different location because of the Expropriation of all or a portion of the Facilities or the Stadium Expansion, the Corporation and the Board agree to amend or enter into a new Facilities Lease and Ground Lease in accordance with Sections 13.03 of the Ground Lease. In the event the Board, pursuant to the Ground Lease, decides not to repair, restore or replace the Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) shall be paid to the Board for immediate delivery to the Trustee and applied to the prepayment of the Bonds in accordance with the terms of the Indenture, and this Facilities Lease and the Ground Lease shall terminate on the date that the events described in Section 2(a) or 2(b) hereof have occurred.

(b) In the event that ORM insures the Facilities or the Stadium Expansion, the Board shall use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration or replacement of the Facilities or the Stadium Expansion.

Section 12. Encumbrances.

(a) *Payment by the Board.* The Board shall pay or cause to be paid all costs and charges for alterations, improvements, additions, repairs and maintenance (“*Work*”) (i) done by the Board or caused to be done by the Board in or to the Facilities and the Stadium Expansion, and (ii) for all materials furnished for or in connection with such Work. The Corporation reserves all rights to collect for any loss or damage sustained or incurred by the Corporation resulting from any and all Encumbrances, demands or liabilities arising on account of the Work, which shall be payable by the Board as Additional Rent hereunder.

(b) *Failure to Discharge.* If the Board fails to pay any charge for which an Encumbrance has been filed, and the Facilities and the Stadium Expansion or any portion thereof is placed in imminent danger of being seized, the Corporation may, but shall not be obligated to, pay such charge and related costs and interest, and the amount so paid, together with reasonable Legal Expenses incurred in connection with such Encumbrance, will be immediately due from the Board to the Corporation as Additional Rental. Nothing contained in this Facilities Lease will be deemed the consent or agreement of the Corporation to subject the Corporation’s interest in the Facilities or the Stadium Expansion to liability under any Encumbrance, or any mechanics’, materialman’s or other lien law. If the Board receives written notice that an Encumbrance has been or is about to be filed against the Facilities or the Stadium Expansion, or that any action affecting title to the Facilities or the Stadium Expansion has been commenced on account of Work done by or for the Board or for materials furnished to or for the Board, it shall immediately give the Corporation Notice of such notice.

(c) *Notice of Work.* At least fifteen (15) days prior to the commencement of any Work in or to the Facilities and the Stadium Expansion, by or for the University, the University shall give the Corporation Notice of the proposed Work and the names and addresses of the Persons supplying labor and materials for the proposed Work. The Corporation will have the right to post notices of nonresponsibility or similar written notices on the Facilities and the Stadium Expansion in order to protect the Facilities and the Stadium Expansion against any such claimants.

Section 13. Assignment and Sublease. (a) Neither this Facilities Lease nor any interest of the Board in the Facilities shall be mortgaged, pledged, assigned or transferred by the Board by voluntary act or by operation of law, or otherwise; provided, however, the Board may sublease all or any portion of the Facilities or the Stadium Expansion, or grant concessions involving the use of all or any portion of the Facilities or the Stadium Expansion, whether such concessions purport to convey a leasehold interest or a license to use all or a portion of the Facilities or the Stadium Expansion to any University student, faculty, staff or Permitted Sublessee. No such concession, leasehold interest or license to use the Facilities or the Stadium Expansion shall be granted to any University students, faculty or staff for a term of more than one (1) year, or to any Permitted Sublessee for a term of more than one (1) month. The Board shall, however, at all times remain liable for the performance of the covenants and conditions on its part to be performed under this Facilities Lease (including, without limitation, the payment of Base Rental and Additional Rental), notwithstanding any subletting or granting of concessions which may be made. Nothing herein contained shall be construed to relieve the Board from its obligations to pay Base Rental and Additional Rental as provided in this Facilities Lease or to relieve the Board from any other obligations contained herein. Other than subleases to University students, faculty, staff and Permitted Sublessees, in no event will the Board sublease or permit the use of all or any part of the Facilities to any person without an opinion of Bond Counsel that such will not cause interest on the Bonds to be included in the gross income of the owners of the Bonds for federal income tax purposes.

(b) The Corporation shall, concurrently with the execution hereof, assign all of its right, title and interest in and to this Facilities Lease, including without limitation its right to receive Base Rental

payable hereunder, to the Issuer pursuant to the Agreement, and the Issuer will in turn assign its rights under this Facilities Lease to the Trustee pursuant to the Indenture. The parties hereto further agree to execute any and all documents necessary and proper in connection therewith. Anything required or permitted to be done by the Corporation under this Facilities Lease may be done by the Trustee under the Indenture.

(c) Except as set forth in Section 13(b) hereof, the Corporation shall not sell or assign its interest in the Facility or this Facilities Lease without the prior written consent of the Board and the Bond Insurer.

Section 14. Additions and Improvements Removal. At the expiration of the Term, or termination of this Facilities Lease, all alterations, fixtures, improvements and additions made by the Board or the University and all equipment placed upon the Facilities and the Stadium Expansion that are incorporated into or made into component parts of the Facilities and the Stadium Expansion, as well as, title to all property, furniture, equipment, fixtures, and other property installed at or placed upon the Facilities and the Stadium Expansion by the Board which is not incorporated into or made a component part of the Facilities and the Stadium Expansion remain the property of the Board.

The Board hereby agrees to replace such property from time to time as such property becomes worn out, obsolete, inadequate, unsuitable or undesirable. The Board may add to or remove such property from time to time, and upon expiration of the Term, provided that the Board repairs any damage to the Facilities and the Stadium Expansion caused by such removal.

Section 15. Right of Entry. Representatives of the Corporation and the Bond Insurer shall, subject to reasonable security precautions, and upon giving the Board not less than twenty-four (24) hours advance Notice, have the right to enter upon the Facilities during reasonable business hours (and in emergencies without notice and at all times) accompanied by a Board Representative (i) to inspect the same, (ii) for any purpose connected with the rights or obligations of the Corporation under this Facilities Lease, or (iii) for all other lawful purposes. Any right of access to any portion of the Facilities leased to the students, faculty, staff or Permitted Sublessees shall be subject to their rights pursuant to their rental agreements and University policy.

Section 16. Mortgage Prohibition. Except as set forth in the Indenture, the Ground Lease and the Agreement, the Corporation shall not be entitled to mortgage or grant a security interest in the Facilities or the Stadium Expansion.

Section 17. Sale of Facilities; Attornment; and Conveyance and Transfer of the Corporation's Interest. If a person other than the Corporation shall succeed to the rights of the Corporation hereunder (in any case with the prior written consent of the Board as required hereby), upon the declaration of the successor to the Corporation's interest in this Facilities Lease, the Board agrees to fully attorn to and recognize any such successor as the Board's landlord under this Facilities Lease upon the then existing terms of this Facilities Lease, provided that such successor shall agree in writing to accept the Board's attornment and not to disturb the Board's possession so long as the Board shall observe the provisions and all covenants of this Facilities Lease. This attornment provision shall inure to the benefit of any such successor and shall be self-operative upon the election and declaration by such successor, and no further instrument shall be required to give effect to the provisions. However, the Board agrees to evidence and confirm the foregoing attornment provisions by the execution and delivery of instruments in recordable form satisfactory to such successor.

If the Facilities or the Stadium Expansion, or any part thereof, shall be sold or otherwise transferred by sale, assignment, transfer or other contract, or by operation of law or otherwise (with the

prior written consent of the Board as required hereby, with the prior written consent of the Bond Insurer with respect to the Facilities, and with an opinion of Bond Counsel that such action will not cause interest on the Bonds to be included in the gross income of the owner of the Bonds for federal tax purposes), and if such written consent specifically so provides, the Corporation shall be automatically and entirely released and discharged to the extent of the interest in or the portion of the Facilities or the Stadium Expansion sold, assigned or transferred from and after the effective date of such sale, assignment or transfer of all liability for the performance of any of the covenants of this Facilities Lease on the part of the Corporation thereafter to be performed. The purchaser or other transferee of the Facilities or the Stadium Expansion shall be deemed to have agreed to perform such covenants of the Corporation from and after the date of such assignment or sale during such transferee's period of ownership of the Corporation's interest under this Facilities Lease, all without further agreement between the Corporation, its successor and the Board. The Corporation's transferee shall not be held responsible for the performance of any of the covenants of this Facilities Lease on the part of the Corporation required to be performed prior to such sale and transfer, the Board reserving its rights against the Corporation for any unperformed covenants prior to such sale or transfer.

Section 18. Quiet Enjoyment. The Corporation covenants that the Board, on paying the Rental and performing and observing all of the covenants and agreements herein contained and provided to be performed by the Board or the University, shall and may peaceably and quietly have, hold, occupy, use, and enjoy the Facilities and the Stadium Expansion during the Term and may exercise all of its rights hereunder; and the Corporation agrees to warrant and forever defend the Board's right to such occupancy, use, and enjoyment and the title to the Facilities and the Stadium Expansion against the claims of any and all persons whomsoever lawfully claiming the same, or any part thereof subject only to the provisions of this Facilities Lease.

Section 19. Environmental Compliance and Indemnity.

(a) *Environmental Compliance.* The Board or the University shall operate or cause to be operated the Facilities and the Stadium Expansion in compliance with all Environmental Requirements continuously during the Term, and for such periods of time prior to the Commencement Date and after the Expiration Date, as long as the Board is in possession of the Facilities and the Stadium Expansion, in whole or in part. The Board shall not cause or permit any Hazardous Substance to be brought upon, kept, or used in or about the Facilities, the Stadium Expansion, the Land, or the Stadium Expansion Land, except for such Hazardous Substance as is necessary or useful to the operation of the Facilities and the Stadium Expansion.

(b) *The Board's Liability.* If the Board fails to comply with any of the foregoing warranties, representations, and covenants, and removal or Remediation of any Hazardous Substance found on the Facilities and the Stadium Expansion is required by Environmental Requirements or Governmental Authority, the Board shall promptly undertake the removal or Remediation of such Hazardous Substance, at the Board's sole cost and expense. In the event the Board fails or refuses to undertake such removal or Remedial actions, the Corporation may cause the removal or Remediation (or other cleanup reasonable acceptable to the Corporation) of any such Hazardous Substance from the Land, the Stadium Expansion Land, the Stadium Expansion, or the Facilities. The reasonable costs of removal, Remediation, or any other cleanup (including transportation and storage costs) will be considered as Additional Rental under this Facilities Lease, whether or not a court has ordered the cleanup, and those costs will become due and payable within ninety (90) days of written demand by the Corporation. In connection therewith, the Board will give the Corporation, its agents, and employees access to the Facilities and the Stadium Expansion to remove, remediate, or otherwise clean up any Hazardous Substance. The Corporation, however, has no affirmative obligation to remove, remediate, or otherwise clean up any Hazardous Substance, and this Facilities Lease will not be construed as creating any such obligation. The Board hereby agrees that it

shall be fully liable for all costs and expenses related to the use, storage, and disposal of any Hazardous Substance located in or about the Facilities and the Stadium Expansion by the Board.

Section 20. The Corporation's Reservation of Rights.

(a) The Corporation hereby reserves all of its rights to recover from the Board for any and all Claims asserted against the Corporation, including Litigation Expenses arising out of or by reason of:

(i) any injury to or death of any person or damage to property occurring on or about the Facilities or the Stadium Expansion occasioned by or growing out of or arising or resulting from any tortious or negligent act on the part of the Board in connection with the operation and management of the Facilities or the Stadium Expansion; or

(ii) any failure, breach, or default on the part of the Board in the performance of or compliance with any of the obligations of the Board under the terms of this Facilities Lease.

(b) Notwithstanding the fact that it is the intention of the parties that the Corporation shall not incur any pecuniary liability by reason of the terms of this Facilities Lease or the undertakings required of the Corporation hereunder, nevertheless, if the Corporation should incur any such pecuniary liability, then in that event, the Corporation shall be entitled to assert all rights and remedies granted in law or in equity to recover from the Board the amount of any pecuniary liability incurred by the Corporation, plus all Litigation Expenses incurred in defense of such liability to the extent subject to indemnification pursuant to Subsection (a) above.

(c) No recourse shall be had for the enforcement of any obligation, covenant, or agreement of the Corporation contained in this Facilities Lease or any Claim based thereon against the Corporation or of any successor thereto or member thereof, either directly or through the Corporation whether by virtue of any constitutional provision, statute, or rule of law. This Facilities Lease and the obligations of the Corporation hereunder, and any Claim asserted against the Corporation are solely corporate obligations, and the enforcement of any obligation or Claim shall be limited solely to the Corporation's interest in the Facilities or the Stadium Expansion. No personal liability shall attach to, or be incurred by, any officer, director, agent, employee or member of the Corporation and the Board acknowledges that all personal liability of any character against every such officer, director, agent, employee or member by the execution of this Facilities Lease, is expressly waived and released. The immunity of any officer, director, agent, employee or member of the Corporation under the provisions contained in this Section 20 shall survive any acquisition of the Facilities and the Stadium Expansion by the Board and the expiration or other termination of this Facilities Lease.

Section 21. Default by the Board. If (i) the Board shall fail to deposit with the Trustee any Base Rental payment required to be so deposited pursuant to Section 6 hereof by the close of business on the day such deposit is required pursuant to Section 6 hereof, and shall fail to remedy such breach within five (5) days thereof, but in no event later than the date on which such payment is required to enable the Corporation to make payment on the Bonds (without use of moneys held in the Debt Service Reserve Fund), or (ii) the Board shall fail to pay or discharge any monetary obligation under this Lease (other than the payment of Base Rental) as and when due, or within thirty (30) days after receipt of Notice from the Corporation that such sums are due and owing; or (iii) the Board shall breach any non-monetary terms, covenants or conditions herein, and shall (except with respect to any breach of covenant set forth in Section 3(h), which Section contains the timeframe whereby the failure to meet the Debt Service Coverage Ratio for the Parking Facilities shall become and Event of Default) fail to remedy any such breach with all reasonable dispatch within a reasonable period of time (or such longer period as the Trustee may approve) after written notice thereof from the Corporation, the Bond Insurer, or the

University to the Board, then and in any such event the Board shall be deemed to be in default hereunder, and the Corporation (with the prior written consent of the Bond Insurer) shall have the right, at its option, without any further demand or notice to terminate this Facilities Lease on the earliest date permitted by law or on any later date specified in any Notice given to the Board, in which case the Board's right to possession of the Facilities and the Stadium Expansion will cease and this Facilities Lease will be terminated, without, however, waiving the Corporation's right to collect all Rental and other payments due or owing for the period up to the time the Corporation regains possession (which have been approved for payment under this Facilities Lease, but not paid by the Board), and to enforce other obligations of the Board which survive termination of this Facilities Lease, and in such event the Corporation may without any further demand or notice re-enter the Facilities and the Stadium Expansion and eject all parties in possession thereof, subject to the rights of students, faculty, staff and Permitted Sublessees. The foregoing remedies of the Corporation are in addition to and not exclusive of any other remedy of the Corporation. Any such re-entry shall be allowed by the Board without hindrance, and the Corporation shall not be liable in damages for any such re-entry or be guilty of trespass. The Corporation understands and agrees that upon its termination of the Board's right to possession of the Facilities and the Stadium Expansion or termination of this Facilities Lease, the Corporation upon its re-entry of the Facilities and the Stadium Expansion shall only be allowed to use the Facilities and the Stadium Expansion for the Permitted Use and shall be subject to all applicable Governmental Regulations heretofore or hereafter enacted by any Governmental Authority relating to the use and operation of the Facilities and the Stadium Expansion.

Notwithstanding any other provision of this Facilities Lease, (i) in no event shall the Corporation have the right to accelerate the payment of any Base Rental payment hereunder and (ii) the Bond Insurer shall have ninety (90) days to cure an Event of Default hereunder.

Notwithstanding anything contained in this Section 21 to the contrary, a failure by the Board to pay when due any payment required to be made under this Facilities Lease or a failure by the Board to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Facilities Lease, resulting from a failure by the Board to appropriate moneys shall not constitute an Event of Default under this Section 21 and the Corporation shall not have any of the remedial rights set forth in this Section 21. Notwithstanding the foregoing, in such event the Board acknowledges that the Facilities Lease and the Stadium Expansion shall terminate and the Board shall immediately vacate the Facilities and the Stadium Expansion, and deliver the Facilities and the Stadium Expansion to the Corporation.

Section 22. Cumulative Remedies. Each right and remedy provided for in this Facilities Lease is cumulative and is in addition to every other right or remedy provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by the Corporation of any one or more of the rights or remedies provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise will not preclude the simultaneous or later exercise by the Corporation of any or all other rights or remedies provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise. All costs incurred by the Corporation in collecting any amounts and damages owing by the Board pursuant to the provisions of this Facilities Lease or to enforce any provision of this Facilities Lease, including reasonable Litigation Expenses from the date any such matter is turned over to an attorney, whether or not one or more actions are commenced by the Corporation, will also be recoverable by the Corporation from the Board. The waiver by the Corporation of any breach by the Board and the waiver by the Board of any breach by the Corporation of any term, covenant or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other term, covenant or condition hereof.

Section 23. Option to Purchase. For and in consideration of the obligations of the Board under the Facilities Lease, the mutual undertakings of the parties, the receipt and adequacy of which is hereby acknowledged, the Corporation grants to the Board an exclusive and irrevocable option to purchase for the price and on the terms, provisions, stipulations and conditions hereinafter set forth, all but not less than all of the Corporation's leasehold interest in the Facilities and/or the Stadium Expansion.

(a) *Effective Date.* The effective date of this Option agreement shall be the Commencement Date.

(b) *Term of Option.* The Option shall expire at midnight Central Standard Time, on the Expiration Date, or upon the termination of this Facilities Lease, whichever occurs first.

(c) *Limitation on Exercise of Option.* The Board may not exercise the Option, and the Option shall be voidable, at the sole election of the Corporation, if a Default by the Board has occurred and is continuing under the Facilities Lease, and the applicable time period in which the Board may cure such default has expired. Notwithstanding any provision of this Option to the contrary, the Board shall be entitled to exercise the Option as long as the Board is legally obligated to make payments of Base Rental under the Facilities Lease.

(d) *Exercise of Option.*

(i) The Series 2004 Facilities and the Series 2017 Facilities. The Board may exercise the Option herein granted with respect to the Series 2004 Facilities and the Series 2017 Facilities at any time on or before expiration of the Term, on any Interest Payment Date on or after August 1, 2027 or on the date the Series 2013 Bonds, the Series 2017 Bonds, and the Series 2018 Bonds are defeased pursuant to Article XII of the Amended and Restated Indenture, by Notice to the Corporation of its election to exercise the Option and purchase the Corporation's interest in and to the Series 2004 Facilities and the Series 2017 Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase the Series 2004 Facilities and the Series 2017 Facilities.

(ii) The Series 2007 Facilities and the Stadium Expansion. The Board may exercise the Option herein granted at any time on or before expiration of the Term with respect to the Stadium Expansion and on any Interest Payment Date on or after August 1, 2014 or on the date the Series 2007 Bonds are defeased pursuant to Article XII of the Series 2007 Indenture with respect to the Series 2007 Facilities, by Notice to the Corporation of its election to exercise the Option and purchase the

Corporation's interest in and to such Series 2007 Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase such portion of the Series 2007 Facilities.

(e) *Purchase Price.* The Purchase Price (i) for the Facilities shall be equal to the principal of all Bonds then Outstanding plus the interest to accrue on such Bonds until the purchase date plus any prepayment penalties, charges or costs for early prepayment or defeasance of the Bonds and any Administrative Expenses owed prior to the purchase date which payments are necessary to discharge the Indenture pursuant to Article XII thereof; and (ii) for the Stadium Expansion shall be one dollar (\$1.00) (collectively, the "*Purchase Price*").

(f) *Effect on Facilities Lease and Ground Lease.* Upon the purchase of the Corporation's leasehold interest in the Facilities or the Stadium Expansion, as the case may be, by the Board pursuant to this Option, the Facilities Lease and the Ground Lease shall terminate with respect to that portion of the Land or the Stadium Expansion Land, as applicable, and that portion of the Facilities or Stadium Expansion and all of the Corporation's leasehold interest in that portion of the Land or the Stadium Expansion Land, as applicable, and that portion of the Facilities or Stadium Expansion under the Facilities Lease shall terminate but shall continue in effect with respect to that portion of the Facilities or Stadium Expansion not so purchased. A purchase of the Corporation's leasehold interest in the Stadium Expansion shall (A) require an opinion of Bond Counsel that such purchase will not cause interest on the Series 2007 Bonds to be included in the gross income of the owners of the Series 2007 Bonds for Federal income tax purposes and (B) not reduce the Rental payable by the Board hereunder.

(g) *Payment of Purchase Price.* The Board, on the purchase date, shall deposit an amount equal to the Purchase Price with the Trustee in the case of the Facilities and with the Corporation with respect to the Stadium Expansion.

(i) Conveyance. In the event of and upon the payment of the Purchase Price and any other sums due under this Facilities Lease by the Board, the Corporation will on the purchase date execute and deliver to the Board a written cancellation of the Ground Lease and this Facilities Lease with respect to that portion of the Facilities and/or Stadium Expansion.

(ii) Assignment of Contract Rights and Obligations. The conveyance of the Corporation's leasehold interest in the Facilities and/or the Stadium Expansion shall also effect a transfer and assignment of all rights, warranties and liabilities of the Corporation under then existing contracts of any nature with respect to the Facilities and/or the Stadium Expansion.

(h) *Closing.* In the event the Option is timely exercised, notice of the Board's election to the Corporation shall constitute an irrevocable conversion of the Option into a binding obligation of the Corporation to sell its leasehold interest in the Facilities and/or the Stadium Expansion and the Board to buy the same under the terms and conditions set forth in this Section 23, and in such event, the Corporation and the Board shall have the right to demand specific performance of this agreement by the other. The closing shall occur at the offices of the Board or its counsel, or at such other time, place, and date as agreed upon by the Corporation and the Board.

(i) *Closing Costs.* The Board shall pay all closing costs and charges incident to the conveyance of the Corporation's interest in the Land, the Stadium Expansion Land, the Stadium Expansion, and the Facilities.

(j) *No Warranty.* The Corporation shall convey its leasehold interest in the Facilities and the Stadium Expansion without any warranty whatsoever of any nature. The conveyance of the leasehold interest in the Facilities and the Stadium Expansion shall be without any warranty as to fitness and

condition, as set forth in Section 5 of this Facilities Lease. Language substantially similar to the language contained in Section 5 of this Facilities Lease shall be incorporated into and made a part of such conveyance. In no event shall the Corporation be responsible for any defects in title.

(k) *Default under the Option:*

(i) In the event the Option is exercised, and the Corporation fails to consummate the transactions contemplated herein for any reason, except default by the Board or the failure of the Board to satisfy any of the conditions set forth herein, the Board may, in addition to any other rights and remedies which may otherwise be available to the Board, enforce this agreement by specific performance. The Board's remedies under this Section are expressly subject to the provisions of Section 30 of this Facilities Lease.

(ii) In the event the Option is exercised, and the Board fails to consummate the transactions contemplated herein for any reason, except default by the Corporation or the failure of the Corporation to satisfy any of the conditions set forth herein, the Corporation (a) may enforce this agreement by specific performance and in such action shall have the right to recover damages suffered by reason of the Board's delay; or (b) may bring suit for damages for breach of this agreement.

(iii) No delay or omission in the exercise of any right or remedy accruing to either party upon any breach by the other party under this Section 23 shall impair such right or remedy or be construed as a waiver of any such breach theretofore or thereafter occurring. The waiver by either party of any condition or any subsequent breach of the same or any other term, covenant or condition contained in this Section 23 shall not be deemed to be a waiver of any other condition or of any subsequent breach of the same or of any other term, covenant or condition herein contained.

(l) *Attorney's Fees.* Should either party employ an attorney or attorneys to enforce any of the provisions hereof, or to protect its interest in any matter arising under this agreement, or to recover damages for the breach of this agreement, the party prevailing in any final judgment shall have the right to collect from the losing party all Litigation Expenses incurred in enforcing such rights.

(m) *Notices.* Any notices required or permitted under this Section 23 shall be in writing and delivered either in person to the other party, or the other party's authorized agent, or by United States Certified Mail, return receipt requested, postage prepaid, to the address set forth in Section 50 of this Facilities Lease, or to such other address as either party may designate in writing and delivered as herein provided.

(n) *Assignability.* Except as set forth in the Indenture, the Mortgage or the Ground Lease, the Option may not be assigned by the Corporation or its interest in the Facilities and/or the Stadium Expansion sold (subject to the Option or otherwise) to any person or entity without the Board's prior written consent, which consent may be withheld by the Board in its sole discretion.

(o) *Time of Essence:* Time is of the essence of this Option.

(p) *Binding Effect:* This Option shall be binding upon and shall inure to the benefit of the parties hereto and their heirs, successors and assigns.

Section 24. Severability. If any provisions of this Facilities Lease shall be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have

the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable, to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or Sections contained in this Facilities Lease shall not affect the remaining portions of this Facilities Lease, or any part thereof.

Section 25. Redemption of Bonds. The Corporation agrees that it will not exercise its option to redeem any Bonds pursuant to the Indenture unless the Board consents to such redemption or such redemption is to be effected with moneys derived from a source other than payments made by the Board under this Facilities Lease, however, in no event shall the mandatory redemption of any Bonds pursuant to the Indenture require the consent of the Board. The Corporation further agrees that if requested by the Board it will take all actions necessary to redeem all or any portion of the Bonds designated by the Board on the first date that it may do so under the terms of the Indenture so long as the Board agrees to provide funds in an amount, and at the time, required to effect such redemption.

Section 26. Additional Bonds. Upon the request and at the expense of the Board, the Corporation shall take action as may be required to effect the issuance of Additional Bonds in such amount as the Board may request as permitted by and in accordance with the provisions of the Indenture for any purpose permitted thereby.

Section 27. Execution. This Facilities Lease may be simultaneously executed in any number of counterparts, each of which when so executed shall be deemed to be an original, and all of which together shall constitute one and the same Facilities Lease.

Section 28. Law Governing. This Facilities Lease is made in the State under the constitution and laws of the State and is to be governed by the laws of the State.

Section 29. Nonappropriation of Funds. In the event no funds or insufficient funds are lawfully appropriated in any Fiscal Year enabling the payment of Base Rental and Additional Rental due during the next succeeding Fiscal Year, the Board will immediately notify the Corporation and the Trustee of such occurrence. On the first day of the month following the Base Rental payment date on which the last payment of Base Rental can be made in full from Lawfully Available Funds, this Facilities Lease shall terminate without penalty or expense to the Board of any kind whatsoever, except as to the portions of Base Rental and Additional Rental payments herein agreed upon for Fiscal Years for which sufficient funds have been lawfully appropriated. In the event of such termination, the Board agrees peaceably to surrender possession of the Facilities to the Corporation on the date of such termination in its original condition (normal wear and tear excepted). The Corporation will have all legal and equitable rights and remedies to take possession of the Facilities and re-let or sell the Facilities as the Corporation determines and as granted in this Facilities Lease. The Board acknowledges that the Corporation's rights to take possession and to re-let or sell the Facilities under this Section 29 may be assigned to the Trustee for the benefit of the owners of the Bonds, and the Board agrees that the Trustee shall be entitled to exercise all of the rights of the Corporation under this Section 29. The event of an inability by the Board to cause the appropriation of sufficient funds for the payment of sums due under this Facilities Lease shall not constitute a default hereunder, but shall ipso facto terminate this Facilities Lease. This provision is operative notwithstanding any provisions of this Facilities Lease to the contrary. The Board shall be considered in default hereunder if sufficient funds are lawfully appropriated for the payment of Rental required under this Facilities Lease and the Board fails to use lawfully appropriated funds for the payment of Rental. In such event, the Corporation shall be entitled to the rights and remedies set forth in Sections 21 and 22 hereof.

Section 30. Exculpatory Provision. In the exercise of the powers of the Corporation and its trustees, officers, employees and agents under this Facilities Lease and the Indenture, the Corporation shall not be accountable or liable to the Board (i) for any actions taken or omitted by it or its officers, employees or agents in good faith and believed by it or them to be authorized or within their discretion or rights or powers conferred upon them, or (ii) for any claims based on this Facilities Lease against any officer, employee or agent of the Corporation in his or her personal capacity, all such liability, if any, being expressly waived by the Board by the execution of this Facilities Lease. Nothing in this Facilities Lease or the Indenture is intended to require or obligate, nor shall anything herein or therein be interpreted to require or obligate, the Corporation for any purpose or at any time whatsoever, to provide, apply or expend any funds coming into the hands of the Corporation other than the funds derived from the issuance of the Bonds under the Indenture and moneys derived pursuant to the Indenture and this Facilities Lease.

The Board specifically agrees to look solely to the Corporation's interest in the Facilities and the Stadium Expansion for the recovery of any judgments from the Corporation. It is agreed that the Corporation will not be personally liable for any such judgments, or incur any pecuniary liability as a result of this Facilities Lease to the Board, or the breach of its obligations hereunder. The Corporation's liability under this Facilities Lease is "in rem" as to its interest in the Facilities and the Stadium Expansion. The provisions contained in the preceding sentences are not intended to and will not limit any right that the Board might otherwise have to obtain injunctive relief against the Corporation or relief in any suit or action in connection with enforcement or collection of amounts that may become owing or payable under or on account of insurance maintained by the Corporation.

Section 31. Amendments. This Facilities Lease may be amended only as permitted in Article VIII of the Agreement.

Section 32. Recording. The Corporation covenants and agrees that it will promptly record and from time to time re-record a memorandum in recordable form a memorandum of this Facilities Lease in the form of Exhibit B attached hereto and the Indenture and all supplements thereto and hereto in such manner and in such places as may be required by law in order to fully protect and preserve the security of the holders or owners of the Bonds.

Section 33. Construction Against Drafting Party. The Corporation and the Board acknowledge that each of them and their counsel have had an opportunity to review this Facilities Lease and that each Party was responsible for the drafting thereof.

Section 34. Time of the Essence. Time is of the essence of each and every provision of this Facilities Lease.

Section 35. No Waiver. The waiver by the Corporation of any agreement, condition, or provision contained in this Facilities Lease will not be deemed to be a waiver of any subsequent breach of the same or any other agreement, condition, or provision contained in this Facilities Lease, nor will any custom or practice that may grow up between the parties in the administration of the terms of this Facilities Lease be construed to waive or to lessen the right of the Corporation to insist upon the performance by the Board in strict accordance with the terms of this Facilities Lease. The subsequent acceptance of Rental by the Corporation will not be deemed to be a waiver of any preceding breach by the Board of any agreement, condition, or provision of this Facilities Lease, other than the failure of the Board to pay the particular Rental so accepted, regardless of the Corporation's knowledge of such preceding breach at the time of acceptance of such Rental.

Section 36. Survival. To the extent permitted by law and to the extent such will not constitute the incurrence of debt by the Board, all of the Corporation's remedies and rights of recovery under

Sections 19 and 20 of this Facilities Lease shall survive the Term and/or the purchase of the Facilities by the Board under the Option.

Section 37. Counterparts. This Facilities Lease may be executed in any number of counterparts, each of which shall be an original, but all of which shall together constitute one and the same instrument.

Section 38. Estoppel Certificates. At any time and from time to time but within ten (10) days after prior written request by the Corporation, the Board will execute, acknowledge, and deliver to the Corporation, promptly upon request but only to the extent accurate, a certificate certifying (i) that this Facilities Lease is unmodified and in full force and effect or, if there have been modifications, that this Facilities Lease is in full force and effect, as modified, and stating the date and nature of each modification; (ii) the date, if any, to which Rental and other sums payable under this Facilities Lease have been paid; (iii) that no Notice of any default has been delivered to the Corporation which default has not been cured, except as to defaults specified in said certificate; (iv) that there is no Event of Default under this Facilities Lease or an event which, with Notice or the passage of time, or both, would result in an Event of Default under this Facilities Lease, except for defaults specified in said certificate; and (v) such other matters as may be reasonably requested by the Corporation. Any such certificate may be relied upon by any prospective purchaser or existing or prospective mortgagee of the Facilities or the Stadium Expansion or any part thereof. The Board's failure to notify the Corporation of any inaccuracies in the proposed certificate within the specified time period shall be conclusive evidence that the matters set forth in the certificate are accurate and correct.

Section 39. Waiver of Jury Trial. The Corporation and the Board waive trial by jury in any action, proceeding, or counterclaim brought by either of the Parties to this Facilities Lease against the other on any matters whatsoever arising out of or in any way connected with this Facilities Lease, the relationship of the Corporation and the Board, the Board's use or occupancy of the Facilities or the Stadium Expansion, or any other Claims, and any emergency statutory or any other statutory remedy.

ARTICLE XI

INDEMNIFICATION OF OFFICERS AND DIRECTORS

The Corporation shall indemnify and hold harmless any person who was or is party or is threatened to be made party to any action, suit or proceeding, whether civil, criminal, administrative or investigative (including any action by or in the right of the Corporation) by reason of the fact that the person is or was:

- a) A Director, Officer, employee, incorporator or agent of the Corporation; and/or,
- b) Serving at the request of the Corporation as a Director, Officer, employee, incorporator or agent of another business, foreign or nonprofit corporation, partnership, joint venture or other enterprise.

(collectively "**Protected Group**") against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit, or proceeding if the person acted in good faith and in a manner reasonably believed to be in or not opposed to the best interest of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that their conduct was unlawful; provided that in case of actions by or in the right of the Corporation, the indemnity shall be limited to expenses (including attorneys' fees and amounts paid in settlement not exceeding, in the judgment of the

Board, the estimated expense of litigating the action to conclusion) actually and reasonably incurred in connection with the defense or settlement of such action.

No indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of their duty to the Corporation unless and only to the extent that the court shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, they are fairly and reasonably entitled to indemnity for such expense which the court shall deem proper.

The termination of any action, suit or proceeding by judgment, order settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which they reasonably believed to be in or not opposed to the best interest of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that their conduct was unlawful.

To the extent that a member of the Protected Group has been successful on the merits or otherwise in defense of any such action, suit or proceeding, or in defense of any claim, issue or matter therein, they shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by them in connection therewith.

This indemnification (unless ordered by the court) shall be made by the Corporation only as authorized in a specific case upon a determination that the applicable standard of conduct has been met. Such determination shall be made by (a) the Board by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding, or (b) if such a quorum is not obtainable or a quorum of disinterested Directors so directs, by independent legal counsel.

The expenses incurred in defending such an action, suit or proceeding shall be paid by the Corporation in advance of the final disposition thereof if authorized by the Board in the manner provided above, upon receipt of an undertaking by or on behalf of the member of the Protected Group to repay such amount unless it shall ultimately be determined that they are entitled to be indemnified by the Corporation as authorized hereunder.

The foregoing indemnification shall not be exclusive of other rights to which any member of the Protected Group may be entitled as a matter of law, and shall inure to the benefit of any member of the Protected Group's heirs and legal representatives.

The Corporation may procure insurance on behalf of any member of the Protected Group against any liability asserted against or incurred by the person in any such capacity, or arising out of the person's status as such, whether or not the Corporation would have the power to indemnify the person against such liability under the laws of the State of Louisiana.

ARTICLE XII

SEAL

SECTION 1: Corporation Seal. The Corporation may use a seal of such design as may be adopted by the Board.

SECTION 2: Necessity of Seal. Failure to affix the seal shall not affect the validity of any instrument.

ARTICLE XIII

AMENDMENTS

These By-laws may be altered or amended or repealed by the affirmative vote of two-thirds (2/3rds) of the Board at any regular meeting or at any special meeting of the Board called for that purpose; provided, however, that no change of the time or place of the election of Directors shall be made within fifty (50) days preceding the day on which such election is to be held, and that in the case of any change of such time or place, notice thereof shall be given to each Director at least twenty (20) days before the election is held.

ARTICLE XIV

DISSOLUTION

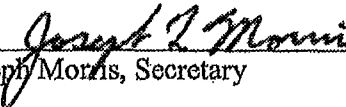

SECTION 1: Procedure. The Corporation shall use its funds only to accomplish the Mission and Corporate Objectives, and no part of the funds shall inure, or be distributed to any Director, Officer or other person. On dissolution of the Corporation, any funds remaining shall be distributed to the University.

ARTICLE XV

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in sections 509(a)(1) and 170(b)(1)(A)(iv).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, if you are involved in an excess benefit transaction, that transaction might be subject to the excise taxes of section 4958. Additionally, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please contact your key district office.

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

Letter 942 (DO/CO)

UNIVERSITY FACILITIES INC

Donors may deduct contributions to you as provided in section 170 of the Code. Requests, legacies, devises, transfers, or gifts to you or for your use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of Code sections 2055, 2106, and 2522.

Contribution deductions are allowable to donors only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. See Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, which sets forth guidelines regarding the deductibility, as charitable contributions, of payments made by taxpayers for admission to or other participation in fundraising activities for charity.

In the heading of this letter we have indicated whether you must file Form 990, Return of Organization Exempt From Income Tax. If Yes is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. However, if you receive a Form 990 package in the mail, please file the return even if you do not exceed the gross receipts test. If you are not required to file, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding \$1,000,000 in any year, the penalty is \$100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding \$1,000,000 shall not exceed \$50,000. This penalty may also be charged if a return is not complete, so be sure your return is complete before you file it.

You are required to make your annual return available for public inspection for three years after the return is due. You are also required to make available a copy of your exemption application, any supporting documents, and this exemption letter. Failure to make these documents available for public inspection may subject you to a penalty of \$20 per day for each day there is a failure to comply (up to a maximum of \$10,000 in the case of an annual return).

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

As part of a continuing program, we periodically examine the operations of tax-exempt organizations. The purpose of this program is to determine whether the organizations are operating within the scope of the laws under which they are granted exemption. Therefore, you should keep information that would show that you are operating for section 501(c)(3) purposes. The information should include the training given to the child care providers, number of inspections, reports submitted to the state, and other pertinent information about your activities. You should also keep records of your income and your disbursements of funds.

This determination is based on evidence that your funds are dedicated to the purposes listed in section 501(c)(3) of the Code. To assure your continued exemption, you should keep records to show that funds are expended only for those purposes. If you distribute funds to other organizations, your records should show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), there should be evidence that the funds will remain dedicated to the required purposes and that they will be used for those purposes by the recipient.

If you are a wholly-owned instrumentality of a state or a political subdivision of a state, wages paid for services performed for you are not subject to unemployment taxes under the Federal Unemployment Tax Act (FUTA) or to any portion of the social security taxes under the Federal Insurance Contributions Act (FICA). Wages of your employees hired after March 31, 1986 are subject to only the medicare portion of the social security tax. If you want full social security coverage for your employees, it may be obtained only by an agreement under section 218 of the Social Security Act between the state and the Secretary of Health and Human Services.

Any questions you may have concerning your liability for FICA or FUTA taxes should be addressed to the Internal Revenue Service, Office of the Associate Chief Counsel (Employee Benefits and Exempt Organizations), CC:EBOE, Room 5213, P. O. Box 7604, Ben Franklin Station, Washington, D.C. 200044.

If we have indicated in the heading of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

We have sent a copy of this letter to your representative as indicated in your power of attorney.

If your organization conducts fund-raising events such as benefit dinners, auctions, membership drives, etc., where something of value is received in return for contributions, you can help your donors avoid difficulties with their income tax returns by assisting them in determining the proper tax treatment of their contributions. To do this you should, in advance of the event, determine the fair market value of the benefit received and state it in your fund-raising materials such as solicitations, tickets, and receipts in such a way that your donors can determine how much is deductible and how much is not. To assist you in this, the Service has issued Publication 1391, Deductibility of Payments Made to Charities Conducting Fund-Raising Events. You may obtain copies of Publication 1391 from your local IRS Office. Guidelines for deductible amounts are also set forth in Revenue Ruling 67-246, 1967-2 C.B. 104 and Revenue Procedure 90-12, 1990-1 C.B. 471 and Revenue Procedure 92-49, 1992-26 I.R.B. 18.

The value of time or personal services contributed to your organization by volunteers is not deductible by those volunteers as a charitable contribution for Federal income tax purposes. You should advise your volunteers to this effect.

Guidelines under which private foundations may rely on this determination, for gifts, grants, and contributions made after March 13, 1989, were liberalized and published in Rev. Proc. 89-23, Cumulative Bulletin 1989-1, page B44.

Louisiana Local Government Environmental Facilities
and Community Development Authority
Baton Rouge, Louisiana

\$11,960,000
Louisiana Local Government Environmental Facilities and
Community Development Authority
Revenue Refunding Bonds
(Southeastern Louisiana University Student Housing/
University Facilities, Inc. Project)
Series 2019

We have acted as bond counsel to the Louisiana Local Government Environmental Facilities and Community Development Authority (the "*Issuer*"), a political subdivision of the State of Louisiana (the "*State*"), in connection with the issuance by the Issuer of the above-captioned bonds (the "*Series 2019 Bonds*") pursuant to Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 33:4548.16, inclusive) and Chapter 14 and Chapter 14-A of Title 39 the Louisiana Revised Statutes of 1950, as amended (La. R.S. 39:1441 through 1456, inclusive) (collectively, the "*Act*").

The Series 2019 Bonds have been issued by the Issuer pursuant to the Act and other constitutional and statutory authority and an Amended and Restated Trust Indenture dated as of February 1, 2019 (the "*Indenture*") between the Issuer and Regions Bank, New Orleans, Louisiana, as trustee (the "*Trustee*"). Capitalized terms used herein that are not otherwise defined have the meaning given them in the Indenture.

The Series 2019 Bonds are issuable as fully registered bonds, are dated, bear interest until paid at the rate per annum, mature in the principal amounts and on the dates, and are subject to redemption all as set forth in the Indenture and in the Series 2019 Bonds.

The Series 2019 Bonds are issued under and are secured as to principal and interest by the Indenture, which provides a description of the nature and extent of the security for the Series 2019 Bonds, a statement of the terms and conditions under which the Series 2019 Bonds are issued and secured, the rights, duties and obligations of the Issuer, the rights, duties and immunities of the Trustee and the rights of the owners of the Series 2019 Bonds.

The Issuer previously issued its \$60,985,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004A (the "*Series 2004A Bonds*") and its \$15,000,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B (the "*Series 2004B Bonds*") and, together with the Series 2004A Bonds, the "*Series 2004 Bonds*") on behalf of University Facilities Inc., a Louisiana non-profit corporation (the "*Corporation*"), for the purpose of financing the cost of acquiring immovable property and financing the development, design, construction and equipping of new student housing facilities (the "*Facilities*") for Southeastern Louisiana University (the "*University*") located on immovable property owned by, or subject to the supervision and management of the Board of Supervisors for the University of Louisiana

System (the "*Board*") in the City of Hammond, Parish of Tangipahoa, Louisiana, which Facilities have been leased to the Board on behalf of the University (collectively, the "*Project*"). The Series 2019 Bonds are being issued for the purpose of (i) refunding the Series 2004B Bonds and (ii) paying costs of issuance of the Series 2019 Bonds, including the premium for a bond insurance policy insuring the Series 2019 Bonds and a debt service reserve insurance policy insuring the Series 2019 Debt Service Reserve Fund.

The Issuer and the Corporation have entered into an Amended and Restated Loan and Assignment Agreement dated as of February 1, 2019 (the "*Agreement*"), pursuant to which the Issuer will loan the proceeds from the sale of the Series 2019 Bonds to the Corporation for the foregoing purposes. Pursuant to the Agreement, the Corporation has agreed to make loan payments (the "*Payments*") solely from the Base Rental (as defined in the Agreement) in amounts sufficient to pay the principal of, premium, if any, and interest on the Series 2019 Bonds. The rights of the Issuer under the Agreement (except for the rights of the Issuer relating to exculpation, indemnification and payment of expenses thereunder) have been pledged and assigned by the Issuer to the Trustee as security for the Series 2019 Bonds.

The Board is leasing the land upon which the Facilities have been constructed to the Corporation pursuant to an Amended and Restated Ground and Buildings Lease Agreement dated as of February 1, 2019 (the "*Ground Lease*").

The Facilities have been leased by the Corporation to the Board pursuant to an Amended and Restated Agreement to Lease with Option to Purchase dated as of February 1, 2019 (the "*Facilities Lease*").

The Series 2019 Bonds are also entitled to the benefits of the Mortgage and Security Agreement and Assignment of Leases and Rents dated as of August 13, 2004, as amended by a First Amendment to Act of Mortgage, Assignment of Leases and Security Agreement dated June 7, 2017, and an Act of Leasehold Mortgage, Assignment of Leases and Security Agreement dated June 7, 2017 (collectively, the "*Mortgage*"), all by the Corporation in favor of the Trustee, pursuant to which the Corporation has mortgaged its leasehold interest in and to the land and the improvements located thereon as described therein, granted a security interest in certain movable property and assigned its rights to all leases and rents relating to the Facilities.

We have examined: (i) the constitution and statutes of the State, including the Act; (ii) a certified transcript of the proceedings of the Issuer authorizing the issuance of the Series 2019 Bonds; (iii) the Indenture, the Agreement, the Tax Regulatory Agreement and Arbitrage Certificate dated the date of delivery and payment for the Series 2019 Bonds among the Issuer, the Corporation, the Board and the Trustee (the "*Tax Agreement*"); and (iv) such other documents, instruments, proofs and matters of law as we have deemed relevant to the issuance of the Series 2019 Bonds and necessary for the purpose of this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Board and the Corporation contained in the Indenture, the Agreement and the Tax Agreement, the certified proceedings and other certifications of public officials and others furnished to us, including certifications furnished to us by or on behalf of the Issuer, the Corporation and the Board, without undertaking to verify the same by independent investigation.

On the basis of the foregoing examinations, we are of the opinion, as of the date hereof and under existing law, that:

1. The Issuer is a validly existing political subdivision of the State and has the power and authority to enter into the Agreement and the Indenture and to issue and sell the Series 2019 Bonds.
2. The Series 2019 Bonds are valid and binding special and limited obligations of the Issuer secured by and entitled to the benefits of the Indenture and are payable solely from the revenues and other amounts pledged and assigned under the Indenture.
3. The Agreement and the Indenture have been duly authorized, executed and delivered by the Issuer and constitute valid and binding obligations of the Issuer, enforceable upon the Issuer in accordance with their terms, and all rights of the Issuer under the Agreement have been validly assigned to the Trustee under the Indenture, with the exception of certain rights of the Issuer relating to notice, exculpation, indemnification and payment of expenses.
4. The Series 2019 Bonds and interest thereon do not constitute an indebtedness or pledge of the general credit of the Issuer within the meaning of any State constitutional or statutory provision and will not constitute a general obligation or a charge against any other revenues of the Issuer.
5. Interest on the Series 2019 Bonds (including any original issue discount properly allocable to an owner thereof) is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax.
6. Under the Act, the Series 2019 Bonds are exempt from all taxation by the State of Louisiana or any political subdivision thereof.

In rendering the opinions expressed in paragraph 5 above, we have relied upon the opinion of even date herewith of Jones Fussell, L.L.P., Covington, Louisiana, counsel to the Corporation that the Corporation is an organization that is exempt from federal income tax under Section 501(a) of the Internal Revenue Code of 1986, as amended (the "Code") as an organization described in Section 501(c)(3) of the Code. We have also relied upon such opinion with respect to (i) the due organization of the Corporation, (ii) the good standing of the Corporation in the State; (iii) the corporate power of the Corporation to enter into, and the due authorization, execution and delivery by the Corporation of, the Agreement, the Ground Lease and the Facilities Lease, and the valid and binding effect thereof on the Corporation, and (iv) matters which might be disclosed as a result of an examination of the indentures, mortgages, deeds of trust, certifications of incorporation, by-laws, and other agreements or instruments to which the Corporation is a party or by which it or its properties are bound. We are not passing upon title to the Facilities or the nature or extent of any liens thereon.

We have relied on representations of the Issuer, the Board and the Corporation with respect to matters solely within the knowledge of the Issuer, the Board and the Corporation, which we have not independently verified, and have assumed continuing compliance with the covenants in the Indenture, the Agreement and the Tax Agreement pertaining to those sections of the Code that affect the exclusion from gross income of interest on the Series 2019 Bonds for federal income tax purposes. In the event that such representations are determined to be inaccurate or incomplete or the Issuer, the Board or the Corporation fails to comply with the foregoing covenants, interest on the Series 2019 Bonds could be includable in gross income for

federal income tax purposes from the date of their original delivery, regardless of the date on which the event causing such inclusion occurs.

The accrual or receipt of interest on the Series 2019 Bonds may otherwise affect the federal income tax liability of certain recipients. The extent of these other tax consequences will depend upon the recipient's particular tax status or other items of income or deduction. We express no opinion regarding any such consequences and investors should consult their tax advisors regarding the tax consequences of purchasing or holding the Series 2019 Bonds.

It is to be understood that the rights of the owners of the Series 2019 Bonds and the enforceability of the Series 2019 Bonds, the Indenture, the Agreement and the other documents enumerated above may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable, and that their enforcement may also be subject to the exercise of the sovereign police powers of the State or its governmental bodies and the exercise of judicial discretion in appropriate cases.

For purposes of this opinion, our services as bond counsel have not extended beyond the examinations and expressions of the conclusions referred to above. This opinion is given as of the date hereof and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in the law that may hereafter occur. Except as stated above, no opinion is expressed as to any federal or state tax consequences resulting from the ownership of, receipt of interest on, or disposition of, the Series 2019 Bonds.

In connection with the issuance of the Bonds, we have examined the following:

(the "Corporation") and Stifel, Nicolaus & Company, Incorporated, acting on its own behalf and on behalf of Raymond James & Associates, Inc. (collectively, the "Underwriters") and accepted by the Board of Supervisors for the University of Louisiana System (the "Board") on behalf of Southeastern Louisiana University (the "University");

- i. The Tax Regulatory Agreement and Arbitrage Certificate dated February 7, 2019, by and between the Issuer and the Trustee and the Corporation Certificate executed by the Corporation and the Board and attached thereto as an exhibit (collectively, the "Tax Agreement").

Items a-i above are collectively referred to herein as the "Transaction Documents."

In all such examinations, we have assumed the genuineness of all signatures, the authenticity of all documents presented to us as originals, and the conformity to original documents of all copies submitted to us as certified, conformed, or photographic copies. As to certificates, we have assumed the same to be properly given and to be accurate. With respect to matters of fact relevant to this opinion, we have relied, without independent verification of the accuracy or completeness of the matters set forth therein, on the representations and warranties of the parties thereto set forth in the Indenture, the Bond Purchase Agreement, the Loan Agreement, the Ground Lease, the Facilities Lease, and the Tax Agreement, as well as certificates of officers of the Issuer and the Corporation and the other parties to the documents, delivered in connection with the issuance of the Bonds.

Based upon the foregoing, and subject to other assumptions and conditions as are hereinafter set forth, and having regard to applicable matters of law, we are of the opinion, as of the date hereof, as follows:

1. the Bond Purchase Agreement constitutes the legal, valid, and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms, except as enforcement thereof may be limited by laws relating to bankruptcy, reorganization, insolvency, or other

similar laws affecting the enforcement of creditors' rights generally, by usual limitations on the availability of equitable remedies, or by the valid exercise of the sovereign police powers of the State of Louisiana and its governmental bodies and the constitutional powers of the United States of America and except as any indemnification provisions of the Bond Purchase Agreement may be limited by applicable securities laws or by public policy;

2. the Bonds are exempt securities within the meaning of §3(a)(2) of the Securities Act of 1933, as amended (the "Securities Act"), to the extent provided in the Securities Act, and it is not necessary in connection with the offer and sale of the Bonds to the public to register the Bonds under the Securities Act;

3. pursuant to the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"), and to the extent provided in such Trust Indenture Act, it is not necessary to qualify the Indenture under the Trust Indenture Act;

4. the statements and information in the Official Statement under the headings "THE SERIES 2019 BONDS," "SOURCES OF PAYMENT" and "APPENDIX C – FORMS OF PRINCIPAL FINANCING DOCUMENTS" insofar as such descriptions purport to summarize certain provisions of the Bonds, the Transaction Documents described therein, and applicable provisions of law, are accurate summaries of the matters set forth, and fairly present the information purported to be shown;

5. the summary of the Approving Opinion under the heading "TAX EXEMPTION" in the Official Statement accurately reflects the substance of the legal conclusions contained in the Approving Opinion;

6. we have not been engaged or undertaken to review the accuracy, completeness, or sufficiency of the Official Statement, or any other offering materials relating to the Bonds, and we express no opinion with respect to such accuracy, completeness, or sufficiency; however, no facts have come to the attention of the lawyers within our firm actively engaged in our role as Bond Counsel in connection with the issuance of the Bonds which lead us to believe that, as of the date thereof or as of the date hereof the Official Statement contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and

7. the Bonds and the repayment obligations owed to Assured Guaranty Municipal Corp. in connection with the Debt Service Reserve Insurance Policy are payable from and secured by a valid lien on and pledge of the Trust Estate in the manner and to the extent provided in the Indenture, the Issuer is duly authorized to pledge such Trust Estate, and no further action on the part of the Issuer or any other party is required to perfect the same or the interest of the Bondholders therein.

In rendering the foregoing opinions, we have relied upon the opinion of even date herewith of The Becknell Law Firm, APLC, Metairie, Louisiana, with respect to, among other matters,

validity of the proceedings of the Issuer, the due authorization, execution, and delivery by the Issuer of the Transaction Documents to which it is a party and the validity and enforceability thereof against the Issuer.

We have assumed that the Bond Purchase Agreement has been duly authorized, executed, and delivered by the Corporation, the Board and the Underwriters.

We have reviewed only those documents, opinions, certificates, and proceedings necessary to enable us to render our opinion to the Issuer of even date herewith as to the legality and validity of the Bonds and the tax exempt status of the interest on the Bonds. This opinion speaks as of its date and we are under no obligation to provide any updates of this opinion. This opinion is given solely for the use and benefit of the addressees hereof, and only in connection with the issuance and delivery of the Bonds pursuant to the Bond Purchase Agreement, and may not be used or relied upon by any other person or in connection with any other transaction, except with express consent of this firm.

Respectfully submitted,

We have also examined (i) the resolutions adopted by the Executive Committee of the Board of Directors of the Authority on November 8, 2018 and January 10, 2019, authorizing the issuance, sale and delivery of the Bonds (collectively, the "Bond Resolution"); (ii) a fully executed counterpart of the Amended and Restated Loan and Assignment Agreement dated as of February 1, 2019; (iii) the Indenture (iv) a fully executed copy of the Bond Purchase Agreement dated January 15, 2019 (the "Bond Purchase Agreement"), by and among the Authority, Stifel Nicolaus & Company, Incorporated, on its behalf and on behalf of Raymond James & Associates, Inc., the Board of Supervisors for the University of Louisiana System, acting on behalf of Southeastern Louisiana University (the "Board") and University Facilities, Inc.; (v) a fully executed copy of the Tax Regulatory Agreement and Arbitrage Certificate dated February 7, 2019 (the "Tax Agreement") between the Authority and the Trustee; (vi) a certified transcript of the proceedings and certifications of the Authority; and (vii) such other documents, instruments, papers and matters of law as we have considered necessary or appropriate for the purposes of this opinion (documents referred to in (ii) - (v) above, hereinafter collectively referred to as the "Authority Documents").

Based upon such examination and subject to the other qualifications stated herein, we are of the opinion on the date hereof that:

1. The Authority is a political subdivision of the State, duly organized and validly existing under the Constitution and laws of the State, with full power to execute and perform its obligations under the Authority Documents.

2. Each member and officer of the governing body of the Authority identified in the General Certificate of the Authority delivered on the date hereof in connection with the issuance and delivery of the Bonds has been duly elected and is qualified to serve as such.

3. The proceedings of the Executive Committee of the Authority and the Bond Resolution approving the execution and delivery of the Authority Documents by the Authority were duly adopted at meetings of the Executive Committee of the Authority that were called and held pursuant to law and with public notice required by law at which a quorum was present and acting throughout, and comply in all respects with the procedural rules of the Authority and the procedural requirements of State law and remain in full force and effect on the date hereof.

4. To the best of our knowledge and based solely upon the certifications of the Authority, there is no action, suit, proceeding, inquiry or investigation at law or in equity, before or by any court, regulatory agency, public board or body, pending or, to the best of our knowledge, threatened in any way affecting the existence or powers of the Authority or its governing body or the titles of its officers to their respective offices, or seeking to prohibit, restrain or enjoin the issuance, sale or delivery of the Bonds, the application of the proceeds thereof in accordance with the Indenture, or the collection or application of revenues, securities or investments of the Authority pledged or to be pledged to pay the principal of and interest on the Bonds, or the pledge thereof or of the proceeds of the Bonds, or in any way contesting or affecting the validity or enforceability of the Authority Documents, or any action of the Authority contemplated by any of said documents, the Authority's proceedings, or contesting in any way the completeness or accuracy of the Authority Documents or the powers of the Authority to execute and deliver the Authority Documents.

5. 6. All approvals required to be obtained pursuant to the Act by the Authority in connection with the issuance of the Bonds have been obtained and are in full force and effect; however, no opinion is expressed as to the validity of the Bonds.

7. To the best of our knowledge and based solely upon the certifications of the Authority, the execution and delivery of, and compliance with the terms and provisions of the Authority Documents will not conflict with, violate or constitute a breach of or default under any provision of the By-Laws, or any existing law, court or administrative regulation, decree

or order or any agreement, Indenture, mortgage, loan or other instrument to which the Authority is subject or by which it is bound.

In connection with this opinion, we have assumed the accuracy and completeness of all documents and records that we have reviewed, the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity to authentic original documents of all documents submitted to us as certified, conformed or photostatic copies. We have further assumed: (i) the legal capacity of all of the individuals other than representatives of the Authority who have executed the Authority Documents, (ii) that the Authority Documents have been duly authorized, executed and delivered on behalf of the other parties thereto, and are the valid and legally binding obligation of such parties enforceable in accordance with their respective subject, as to enforceability, to customary exceptions for bankruptcy and similar laws and to the availability of equitable remedies, (iii) the conduct of the parties to the transactions contemplated by the Authority Documents complies with any requirements of good faith, fair dealing and conscionability, (iv) that there has not been any mutual mistake of fact or misunderstanding, fraud, duress or undue influence; and (v) the accuracy of statements contained in the certificates furnished at the closing.

We render no opinion with respect to the exclusion of interest on the Bonds for federal income tax purposes and other federal tax consequences resulting from ownership and disposition of the Bonds. We have not been engaged, nor have we undertaken, to perform any independent investigation as to the existence of any claim, litigation; action, suit, proceeding, investigation or inquiry, administrative or judicial, pending or threatened, against or relating to the Authority or its assets. As to matters of fact material to our opinion, we have relied upon representations and certifications of the Authority and of public officials as we have deemed necessary for the purpose of rendering this opinion, without verifying the same by independent investigation. With respect to our reliance on such representations, certificates and opinions, nothing has come to our attention which would indicate that our reliance is not justified. We have relied solely upon the Bond Resolution and the By-Laws with respect to the due authorization, execution and delivery of the Authority Documents, the due organization, good standing and existence of the Authority under the laws of the United States and the State.

Agreement, the First Supplemental Agreement, the Original Indenture, the First Supplemental Indenture, the Original Ground Lease, the First Amendment to Ground Lease, the Second Amendment to Ground Lease, the Third Supplemental Ground Lease, the Original Facilities Lease, the First Amendment to Facilities Lease, the Second Amendment to Facilities Lease, the Third Supplemental Facilities Lease and the Original Series 2004 Mortgage, we have relied on the opinions of Seale & Ross dated August 13, 2004, March 14, 2007 and November 13, 2013.

For purposes of this opinion, we have also reviewed all statutes or constitutional provisions and all documents, agreements, and other instruments described in the Bond Purchase Agreement or as otherwise necessary to allow us to render this opinion.

Based on such review, it is our opinion that:

- (a) The Corporation is:
 - (i) a private nonprofit corporation duly incorporated, validly organized and existing and qualified to do business and in good standing under the laws of the State of Louisiana;
 - (ii) organized under the Louisiana Nonprofit Corporation Law (La. R.S. 12:201 *et. seq*) and operated to support and benefit the educational, scientific, research and public service missions of Southeastern Louisiana University;
 - (iii) not organized and operated for pecuniary profit;
 - (iv) organized and operated such that no part of its net earnings will inure to the benefit of any person, private stockholder or individual;
 - (v) an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "*Code*"), exempt from federal income tax under Section 501(a) of the Code (except for unrelated business income tax imposed pursuant to Section 511 of the Code); and
 - (vi) not a "private foundation" as defined in Section 509(a) of the Code and is in receipt of the determination letter from the Internal Revenue Service (the "*Service*") dated March 10, 1999 (the "*Determination Letter*") to such effect, which Determination Letter has not been modified, limited or revoked.

- (b) To the best of our knowledge, based on inquiry consisting of our review of certain documents and information provided in connection therewith and discussions with representatives of Corporation related thereto, the Corporation:

- (i) has not received notification from the Service to the effect that it is not an organization described in Section 501(c)(3) of the Code and not exempt from federal income tax under Section 501(a) of the Code; and
 - (ii) has not taken any action which would impair its status as an organization described in Section 501(c)(3) of the Code.
- (c) The current and projected use of the Facilities (as such term is defined in the Loan Agreement) financed with the proceeds of the Prior Bonds and the Series 2019 Bonds is substantially related to the exercise or performance of the charitable purposes or functions constituting the basis for the Corporation's exemption under Section 501(c)(3) of the Code as determined by applying Section 513(a) of the Code, and therefore does not constitute an unrelated trade or business within the meaning of Section 513(a).
- (d) The consummation of the transactions contemplated in the Corporation Documents and the Official Statement will not adversely affect the exempt status of the Corporation an exempt organization described in Section 501(c)(3) of the Code and as an organization exempt from federal income tax under Section 501(a) of the Code.
- (e) To the best of our knowledge, there is no action, suit or proceeding at law or in equity or before or by any federal court, or other federal governmental agency or body, pending or threatened, against or affecting the Corporation, wherein an unfavorable decision, ruling or finding would materially adversely affect the financial condition of the Corporation, or the transactions contemplated by the Corporation Documents or described in the Official Statement which, in any way, would adversely affect the validity or enforceability of the Series 2019 Bonds or any of the Corporation Documents or which would adversely affect the status of the Corporation as an organization described in Section 501(c)(3) of the Code.
- (f) The Corporation has full power and authority to execute and deliver and to carry out and consummate the transactions contemplated by the Corporation Documents.
- (g) The Corporation has authorized all action necessary to be taken for the execution, delivery and due performance by Corporation under the Corporation Documents.
- (h) The Corporation Documents have been duly executed and constitute legal, valid and binding obligations of the Corporation, enforceable against the Corporation in accordance with their respective terms, except to the extent that enforceability may

be limited by bankruptcy, insolvency or other laws affecting creditors' rights generally.

- (i) There is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any court, public board or public body pending, or to the best of our knowledge, threatened against or affecting the Corporation (or, to our knowledge, any basis therefor) or its properties, wherein an unfavorable decision, ruling, or finding would adversely affect the transactions contemplated by the Corporation Documents, its financial condition, properties or operations or the validity or enforceability of the Corporation Documents or the Series 2019 Bonds, or any agreement or instrument to which Corporation is or is expected to be a party and which is used or contemplated for use in the consummation of the transactions contemplated by the Corporation Documents.
- (j) The execution and delivery of the Corporation Documents will not conflict with or constitute a breach of or default under its Articles of Incorporation or By-Laws.
- (k) The execution and delivery of the Corporation Documents will not conflict with or constitute a breach of or default under any existing law; court order or administrative regulation, decree or order or any agreement, indenture, mortgage or other instrument to which the Corporation is subject or under which the Corporation or its properties currently is or currently may be bound.
- (l) No approval or other action by any governmental authority or agency, other than approvals or actions already obtained, is required in connection with the execution or performance by the Corporation of the Corporation Documents.
- (m) The information in the Official Statement under the captions "INTRODUCTORY STATEMENT," "THE CORPORATION," "ABSENCE OF LITIGATION—The Corporation" and "APPENDIX B—PROPOSED FORMS OF FINANCING DOCUMENTS" does not, as of the date hereof, contain any untrue or misleading statement of a material fact by the Corporation or omit to state a material fact by the Corporation necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

The opinions set forth above are subject to the following qualifications:

- (a) The law covered by the opinions expressed herein is limited to the laws of the State of Louisiana, the federal laws of the United States and the judicial decisions relating

thereto that are published, accessible and generally available to lawyers practicing in such jurisdictions. For purposes of our opinions, we have disregarded the choice of law provisions in the Corporation Documents, and instead have assumed that the Corporation Documents are governed exclusively by the internal substantive laws and judicial interpretations of the State of Louisiana.

- (b) We express no opinion as to the effects of (i) bankruptcy, insolvency, fraudulent transfer and conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally, (ii) general principles of equity (regardless of whether enforcement is sought in a proceeding at law or in equity) including the possible unavailability of specific performance or injunctive relief and the exercise of discretionary powers by any court before which specific performance or injunctive relief or other equitable remedies may be sought, or (iii) blue sky and similar laws, antitrust, unfair competition and similar laws, tax laws, environmental laws, employment laws (including, without limitation, those concerning discrimination and safety), laws concerning discrimination and fairness in housing and similar laws, immigration laws, occupational licensing and similar laws, local, state or federal healthcare laws or regulations and building, fire and safety code.
- (c) The enforceability of the Corporation Documents is subject to general principles of equity, including but not limited to, court decisions interpreting such laws, statutes of limitation, and personal jurisdiction (regardless of whether enforceability is considered in a proceeding in equity or at law). No opinion is expressed as to the enforceability of: (1) self-help provisions, including, but not limited to any provisions granting a non-judicial power of sale, (2) provisions which purport to establish evidentiary standards (if any), (3) provisions related to waiver of remedies (or the delay or omission of enforcement thereof), disclaimers of liability, limitations with respect to third parties' or the Issuer's or the Company's gross negligence or willful misconduct, releases of legal or equitable rights, discharges or defenses, or the creation of rights and remedies not available under the laws of the State of Louisiana, and (4) any clause purporting to (i) define waste, (ii) waive the right of the Company to notice and a hearing, (iv) waive any or all rights to the benefits of statutes, laws, ordinances, and regulations, (v) strictly prohibit prepayment or allow the collection of any prepayment fee, charge, penalty or premium upon acceleration of any debt evidenced by the Corporation Documents.
- (d) Certain remedial provisions of the Corporation Documents may be unenforceable in whole or in part but the inclusion of such provisions does not affect the validity of the balance of such Corporation Documents, and the practical realization of the

benefits created by such Corporation Documents as a whole will not be materially impaired by the enforceability of those particular provisions. In addition, certain remedial provisions may be subject to additional procedural requirements not set forth therein. The availability of specific performance, injunctive relief or other equitable remedies is subject to the discretion of the court before which such proceedings thereof may be brought.

- (e) We express no opinion with respect to (i) the Corporation's or Board's right in, title to or legal or beneficial ownership of the Facilities, whether now owned or hereafter acquired, (ii) the lien priority of the Series 2004 Mortgage and the Series 2017 Mortgage or (iii) any security interest in any collateral that is not governed by Article 8 or Article 9 of the UCC or the laws of the State of Louisiana relating to the Mortgage.
- (f) We express no opinion as to any actions that may be required to be taken periodically under the Revised Statutes of the State of Louisiana, the Louisiana Civil Code, the UCC or any other applicable law for the effectiveness of the Series 2004 Mortgage, the Series 2017 Mortgage or any other Corporation Document, or the validity or perfection of any security interest, to be maintained.
- (g) The phrase "to the best of our knowledge" means the conscious awareness by lawyers in the primary lawyer group of factual matters which lawyers reasonably experienced in matters such as this transaction would customarily recognize as being relevant to the opinion or confirmation so qualified. Where any opinion or confirmation is qualified by the phrase "to the best of our knowledge" the lawyers in the primary lawyer group are without knowledge, or conscious awareness, that the opinion or confirmation is untrue. "Primary lawyer group" means any lawyer in this firm (i) who signs this opinion letter, (ii) who is actively involved in negotiating or documenting the transaction, or (iii) solely as to information relevant to a particular opinion or factual confirmation issue, who is primarily responsible for providing the response concerning the particular opinion or issue.

In rendering our opinions:

- (a) As to our opinion in paragraph (a)(i) of this opinion letter, as to the valid existence of the Corporation, we have relied solely on the Good Standing Certificates from the State of Louisiana.

- (b) We have assumed that value has been given in connection with the grant by the Corporation of the Series 2004 Mortgage and the Series 2017 Mortgage and a security interest in the Facilities and the Corporation has rights in such Facilities.
- (c) We have assumed that the Corporation Documents constitute the valid, legally binding and enforceable agreements of each party thereto (other than the Corporation).
- (d) We have relied on all representations and warranties contained in the Corporation Documents and certificates in support of this opinion letter insofar as they relate to matters of fact not within our knowledge.
- (e) We also have assumed the due and proper recordation and filing of the Series 2004 Mortgage and the Series 2017 Mortgage and any financing statements with the Clerk of Court for the Parish of Tangipahoa, State of Louisiana following delivery by the Corporation.

This opinion letter is delivered solely to the addressees hereof in connection with the transactions contemplated by the Corporation Documents and without our express consent, may not be relied upon by any person other than such addressees and their respective successors and assigns; provided that this opinion letter is subject to the limitations and qualifications contained herein and is only applicable as of the date hereof. We have and assume no obligation to update or supplement this opinion letter if any applicable laws change after the date of this opinion letter, or if we become aware of any facts that might change the opinions expressed above after the date of this opinion letter.

**Louisiana Local Government Environmental Facilities
and Community Development Authority Revenue Refunding Bonds
(Southeastern Louisiana University Student Housing/University Facilities, Inc. Project)
Series 2019**

Ladies and Gentlemen:

We have acted as counsel to the Board of Supervisors for the University of Louisiana System (the "Board") in connection with the issuance by the Louisiana Local Government Environmental Facilities and Community Development Authority (the "Issuer") of the above referenced Bonds (the "Series 2019 Bonds"). The Series 2019 Bonds are being issued for the purpose of refunding the Issuer's \$15,000,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B (the "Series 2004 Bonds"). Capitalized terms used and not otherwise defined herein shall have the meanings assigned thereto

in the hereinafter defined Official Statement.

In connection therewith we have examined all proceedings of the Board in the approval and execution of the issuance of the Series 2019 Bonds, including but not limited to the adoption and approval of the resolution adopted by the Board on October 25, 2018 (the "Board Resolution"), the Official Statement (the "Official Statement") dated January 15, 2019, relating to the Series 2019 Bonds, the 15c2-12 certificate of the Board, the Continuing Disclosure Certificate of the Board, the Amended and Restated Ground and Buildings Lease Agreement by and between the Board, as Lessor, and University Facilities, Inc. (the "Corporation"), as Lessee, dated as of February 1, 2019, the Amended and Restated Agreement to Lease with Option to Purchase by and between the Corporation, as Lessor, and the Board, as Lessee, dated as of February 1, 2019, the Bond Purchase Agreement by and among the Issuer, the Corporation, the Board and Stifel, Nicolaus & Company, Incorporated, acting on its own behalf and on behalf of Raymond James & Associates, Inc., dated January 15, 2019 and the Corporation Certificate attached as an exhibit to the Tax Regulatory Agreement and Arbitrage Certificate executed by the Board and the Corporation dated February 7, 2019 (collectively, the "Board Documents").

Based on the foregoing we are of the opinion that:

1. The Board is a public Constitutional corporation duly created and validly existing under the laws of the state of Louisiana with full power and authority to own its properties and conduct its business and affairs, particularly to adopt the Board Resolution authorizing the Board Documents, to execute, deliver and perform its obligations under the Board Documents and to conduct the business now being conducted by it, the Board having taken all requisite action required to authorize the execution and delivery thereof and the consummation of the transactions contemplated thereby.

2. The Board Resolution approving and authorizing the execution and delivery of the Board Documents, was duly adopted at meetings of the Board which were called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting throughout and has not been amended from the date of its adoption;

3. The Board Documents have been duly authorized, executed and delivered and constitute legal, valid and binding obligations of the Board enforceable and in accordance with their respective terms except insofar as the enforcement thereof may be limited by applicable bankruptcy, reorganization, moratorium, insolvency, liquidation or other laws affecting creditors' rights generally, by general principles of equity and as otherwise set forth herein.

4. The Board is a validly organized and existing agency of the State with the requisite power and authority with the University to enforce the collection of the Housing Lawfully Available Funds;

5. To the best of our knowledge and after reasonable inquiries, there is no action, suit, proceeding, inquiry, or investigation at law or inequity by or before any court or public board or body pending or to our knowledge threatened against or affecting the Board or the University that in any way questions or affects the validity of the Board Documents or any proceedings taken by

the Board in connection therewith, or seeks to restrain or enjoin the issuance of delivery of the Board Documents, or that might result in a material adverse change in the condition (financial or otherwise), business or affairs of the Board wherein an unfavorable decision, ruling or finding would adversely affect the validity of the Board Documents including but not limited to (a) the financial position of the University taken as a whole; (b) the ability of the Board to perform its obligations under the Board Documents; or (c) the security for the Series 2019 Bonds.

Please be advised that while there may be lawsuits pending involving the Board itself, it is not possible for us to confer with every attorney handling such matters. Furthermore, it would be impossible to predict the outcomes of such cases. However, to the extent there are adverse judgments in excess of any Board insurance policy limit, such judgments could be satisfied only through an appropriation by the Louisiana Legislature because Board assets are not available to satisfy such judgments.

6. (a) The adoption of the Board Resolution and the execution and delivery of the Board Documents and compliance with the provisions thereof under the circumstances contemplated thereby, do not and will not in any material respect conflict with, result in a violation of or constitute on the part of the Board a material breach of or material default, under any material indenture, mortgage, agreement or other instrument of which we have knowledge after due and reasonable inquiry, to which the Board is a party or by which it is bound or any existing law, regulation, court order or consent decree to which the Board is subject relative to the Board Documents.

(b) The adoption of the Board Resolution and the execution and delivery of the Board Documents and compliance with the provisions thereof under the circumstances contemplated thereby, do not and will not in any material respect conflict with, result in a violation of or constitute on the part of the University a material breach of or material default, under any material indenture, mortgage, agreement or other instrument of which we have knowledge after due and reasonable inquiry, to which the University is a party or by which it is bound or any existing law, regulation, court order or consent decree to which the Board is subject relative to the Board Documents.

(c) As to questions of fact material to our opinion, we have relied upon representations of the Authority, the Board and the Corporation contained in the Indenture, the Agreement and the Tax Agreement, the certified proceedings and other certifications of public officials and others furnished to us, including certifications furnished to us by or on behalf of the Issuer, the Corporation and the Board, without undertaking to verify the same by independent investigation.

7. No approval or other action by any governmental agency or authority, other than approvals or actions already sought and obtained, is required in connection with the execution and performance by the Board and the Board Documents.

8. Based upon our participation in the preparation of the Official Statement, and without having undertaken to determine independently the accuracy or the completeness of the statements contained therein, we have no reason to believe that the statements with respect to the

Board contained in the Official Statement under the headings entitled “THE BOARD”, “THE UNIVERSITY”, “THE FACILITIES,” “BONDHOLDERS RISKS” and “CONTINUING DISCLOSURE” as to the Board and the University, contain any untrue statement of a material fact or not to state a material fact necessary in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

This opinion is rendered solely to the addressees hereof in connection with the captioned transaction and may not be relied upon by any person for any other purpose without our prior written consent. Further, copies of this letter may not be circulated or furnished to any party and neither this letter nor the opinion set forth herein may be quoted or referred to in any report or document furnished to any other party without our prior written consent.

The opinions set forth herein are subject to the following qualifications and limitations.

(a) The opinions set forth in this letter are given as of the date hereof and we do not undertake to report or advise you or any other person of any changes in law, statutes or jurisprudence in any matter set forth herein. The opinion is limited to the matters expressly stated herein and no opinion may be inferred or implied beyond the matters expressly stated herein.

(b) We are qualified to practice law in the State of Louisiana and the foregoing opinions are limited exclusively to the presently effective laws of the State and the Federal Laws of the United States of America in effect on and as of the date hereof and no opinion is expressed herein as to any matter governed by the laws of other jurisdictions.

(c) We have assumed the accuracy of and compliance with representations, warranties and covenants of the Board, its officers, representatives or agents, contained in the Board Documents or made in connection with the entering into of the Board Documents delivered in this transaction.

As to questions of fact material to our opinion, we have relied upon representations of the representatives of the Board contained in the Board Documents, the certified proceedings and other certifications of public officials and others furnished to us, without undertaking to verify the same by independent investigation. We have assumed that all signatures (other than signatures of Board Representatives) on all documents submitted to us, are genuine, that all documents submitted to us as originals are accurate and complete, and that all documents submitted to us as copies are true and correct copies of the originals thereof.

For the purpose of this opinion our services as counsel to Board have not extended beyond the examination and expressions of conclusions referred to herein. In addition in rendering the foregoing opinion with respect to enforceability of the various agreements to which the Board is a party, we have assumed that such agreements are enforceable against the parties thereto other than the Board. This opinion is not offered nor shall it be construed as a guarantee or warranty nor has the firm of DeCuir, Clark & Adams, L.L.P. performed or been asked to perform any title examinations with respect to the Equipment nor has the undersigned expressed or issued an

opinion as to the title herein or otherwise.

Sincerely,

Ladies and Gentlemen:

We have acted as counsel for Regions Bank (the "Bank"), an Alabama banking corporation, in connection with said Bank serving as Trustee (the "Trustee") under an Amended and Restated Trust Indenture dated as of February 1, 2019 (the "Indenture") by and between the Louisiana Local Government Environmental Facilities and Community Development Authority (the "Issuer") and the Bank, as Trustee, relating to the issuance of the Issuer's above referenced bonds (the "Bonds"). Unless otherwise expressly provided herein, capitalized terms used herein have the respective meanings assigned to them in the Indenture, and in addition thereto, the Indenture and the Tax Regulatory Agreement and Arbitrage Certificate dated as of even date herewith (the "Tax Agreement") between the Issuer and the Trustee are collectively referred to herein as the "Trustee Documents."

In our capacity as counsel to the Bank, we have examined originals or copies,

certified or otherwise, identified to our satisfaction, of: (1) the Articles of Incorporation and Bylaws of the Bank, which have been certified to us by a responsible officer of the Bank to be true and correct; (2) the Indenture; (3) the Tax Agreement; and (4) such other documents and matters of law as we have deemed necessary in order to render the following opinions.

Based upon the foregoing, and subject to the qualifications and exclusions otherwise stated herein, we are of the opinion that:

1. The Bank is a state banking corporation with trust powers, duly organized, validly existing and in good standing under the laws of the State of Alabama and authorized to serve as a corporate trustee in the State of Louisiana;
2. The Trustee Documents have been duly authorized, executed, and delivered by the Bank, and the duties and obligations of the Bank under the Trustee Documents constitute the valid, legal and binding obligations of the Bank, enforceable against the Bank in accordance with their respective terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, liquidation, moratorium or other similar laws affecting the enforcement of creditors' rights in general;
3. The Bank has all necessary trust powers and authority required to carry out the duties of the Bank provided under the Trustee Documents;
4. To the best of our knowledge (without independent investigation and based solely upon the certifications of the Bank set forth in the Certificate of Trustee of even date herewith), the acceptance by the Bank of its duties and obligations under the Trustee Documents and compliance with provisions thereof do not conflict with or constitute a breach of or default under any law, administrative regulation, consent decree or any agreement or other instrument to which the Bank is subject;
5. To the best of our knowledge (without independent investigation and based solely upon the certifications of the Bank set forth in the Certificate of Trustee of even date herewith), all approvals, consents and orders of any governmental authority or agency having jurisdiction in the matter, which would constitute a condition precedent to the performance by the Bank of its duties and obligations under the Trustee Documents, have been obtained and are in full force and effect;

6. To the best of our knowledge (without independent investigation and based solely upon the certifications of the Bank set forth in the Certificate of Trustee of even date herewith), no litigation is pending or threatened, which in any way contests or affects the existence or powers (including trust powers) of the Bank or the Bank's ability to fulfill its duties and obligations under the Trustee Documents; and
7. The Bonds have been duly authenticated and delivered by an authorized officer of the Bank in its capacity as Trustee.

In rendering the opinions expressed herein, with your permission and without further investigation, we have relied, to the extent that we deem such reliance proper, upon the Certificate of Trustee of even date herewith of an authorized officer of the Bank with respect to the accuracy of the material factual matters which were contained in such certificates and not independently established by us. In addition, we have also assumed authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified or photostatic copies, the genuineness of all signatures (other than representatives of the Bank), the power to enter into and perform all of their respective obligations thereunder, and the due authorization, execution and delivery of the Trustee Documents by the respective parties thereto other than the Bank.

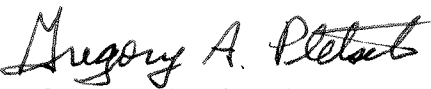

In basing the opinions and other matters set forth herein on "our knowledge", the words "our knowledge" signify that, in the course of our representation of the Bank in matters with respect to which we have been engaged by it, no information has come to our attention that would give us actual knowledge or actual notice that any such opinions or other matters are not accurate or that any of the foregoing documents, certificates, reports and information on which we have relied are not accurate and complete.

We have not made an inquiry or investigation with respect to compliance with applicable federal and state securities laws and regulations. No opinion is extended and we specifically disclaim any opinion, as to (i) the excludability of interest on the Bonds from federal or state income taxes; (ii) the applicability or compliance with federal or state securities or "Blue Sky" laws (including, without limitation, the Trust Indenture Act of 1939, as amended); (iii) the enforceability of any provisions of any Trustee Document or other document referred to herein, if any, which purports to grant extra judicial remedies; (iv) the legality or enforceability of indemnification provisions; (v) the legality or enforceability of the waiver of any rights or remedies by the Bank under the Trustee Documents; and (vi) the authority of the Trustee to perform any duties or obligations on its part under the Trustee Documents, other than those that can be performed in the State of Louisiana.

The opinions expressed hereinabove are expressed only insofar as the substantive laws of the State of Louisiana (without reference to its conflicts of laws rules) and the federal laws of the United States of America governing the banking and fiduciary powers of the Bank which are in effect on the date hereof may be applicable and are qualified to the extent that (i) certain equitable remedies including specific performance may be unavailable; (ii) any indemnification provisions contained therein may be limited by applicable laws and public policy; and (iii) we express no opinion as to the creation, perfection or validity of any lien purported to be granted under the Trustee Documents. This opinion is furnished solely for the benefit of the addressees and is not to be used, circulated, quoted, relied upon or otherwise referred to for any other purpose without our prior written approval.

Respectfully submitted,

Ladies and Gentlemen:

We have served as underwriter's counsel to Stifel, Nicolaus & Company, Incorporated and Raymond James & Associates, Inc. and (collectively, the "**Underwriters**") in connection with the authorization, the sale, delivery and issuance by the Louisiana Local Government Environmental Facilities and Community Development Authority (the "**Issuer**" or "**Authority**") of Eleven Million Nine Hundred Sixty Thousand Dollars (\$11,960,000) principal amount of Revenue Refunding Bonds (Southeastern Louisiana University Housing/University Facilities, Inc. Municipal Bond Insurance Policy No. 219207-N
and
Municipal Bond Debt Service Reserve Insurance Policy No. 219207-R
With Respect to
\$11,960,000 In Aggregate Principal Amount of
Louisiana Local Government Environmental Facilities and Community Development Authority
Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project), Series 2019

Ladies and Gentlemen:

I am Counsel of Assured Guaranty Municipal Corp., a New York stock insurance company ("AGM"). You have requested my opinion in such capacity as to the matters set forth below in connection with the issuance by AGM of its above-referenced policy no. 219207-N (the "Insurance Policy") and its municipal bond debt service reserve insurance policy no. 219207-R (the "Reserve Policy" and, together with the Insurance Policy, the "Policy"). In that regard, and for purposes of this opinion, I have examined such corporate records, documents and proceedings as I have deemed necessary and appropriate.

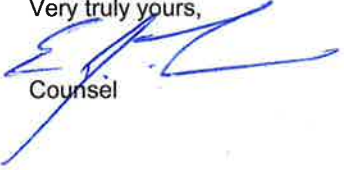

Based upon the foregoing, I am of the opinion that:

1. AGM is a stock insurance company duly organized and validly existing under the laws of the State of New York and authorized to transact financial guaranty insurance business therein.
2. The Policy has been duly authorized, executed and delivered by AGM.
3. The Policy constitutes the valid and binding obligation of AGM, enforceable in accordance with its terms, subject, as to the enforcement of remedies, to bankruptcy, insolvency, reorganization, rehabilitation, moratorium and other similar laws affecting the enforceability of creditors' rights generally applicable in the event of the bankruptcy or insolvency of AGM and to the application of general principles of equity.

In addition, please be advised that I have reviewed the description of the Policy under the caption "**BOND INSURANCE POLICY – BOND INSURANCE POLICY**" in the official statement relating to the above-referenced Bonds dated January 15, 2019 (the "Official Statement"). There has not come to my attention any information which would cause me to believe that the description of the Policy referred to above, as of the date of the Official Statement or as of the date of this opinion, contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. Please be advised that I express no opinion with respect to any information contained in, or omitted from, the caption "**BOND INSURANCE POLICY – ASSURED GUARANTY MUNICIPAL CORP.**".

I am a member of the Bar of the State of New York, and do not express any opinion as to any law other than the laws of the State of New York.

Very truly yours,

Counsel

MUNICIPAL BOND INSURANCE POLICY

ISSUER: Louisiana Local Government Environmental
Facilities and Community Development Authority

Policy No.: 219207-N

Effective Date: February 7, 2019

BONDS: \$11,960,000 in aggregate principal amount of
Revenue Refunding Bonds (Southeastern
Louisiana University Student Housing/University
Facilities, Inc. Project), Series 2019

Premium: \$88,879.70

ASSURED GUARANTY MUNICIPAL CORP. ("AGM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") (as set forth in the documentation providing for the issuance of and securing the Bonds) for the Bonds, for the benefit of the Owners or, at the election of AGM, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which AGM shall have received Notice of Nonpayment, AGM will disburse to or for the benefit of each Owner of a Bond the face amount of principal of and interest on the Bond that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by AGM, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of the principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in AGM. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by AGM is incomplete, it shall be deemed not to have been received by AGM for purposes of the preceding sentence and AGM shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, who may submit an amended Notice of Nonpayment. Upon disbursement in respect of a Bond, AGM shall become the owner of the Bond, any appurtenant coupon to the Bond or right to receipt of payment of principal of or interest on the Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under the Bond, to the extent of any payment by AGM hereunder. Payment by AGM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of AGM under this Policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AGM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer which has been recovered from such Owner pursuant to the

United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from an Owner, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

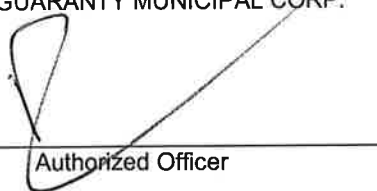

AGM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AGM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AGM and shall not be deemed received until received by both and (b) all payments required to be made by AGM under this Policy may be made directly by AGM or by the Insurer's Fiscal Agent on behalf of AGM. The Insurer's Fiscal Agent is the agent of AGM only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AGM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AGM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AGM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be canceled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTYCASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

In witness whereof, ASSURED GUARANTY MUNICIPAL CORP. has caused this Policy to be executed on its behalf by its Authorized Officer.

Premium: \$45,265.33

Termination Date: The earlier of August 1, 2034 and
the date the Bonds are no longer outstanding

ASSURED GUARANTY MUNICIPAL CORP. ("AGM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") as set forth in the documentation (the "Bond Document") providing for the issuance of and securing the Bonds, for the benefit of the Owners, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

AGM will make payment as provided in this Policy to the Trustee or Paying Agent on the later of the Business Day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which AGM shall have received Notice of Nonpayment, in a form reasonably satisfactory to it. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by AGM is incomplete, it shall be deemed not to have been received by AGM for purposes of the preceding sentence and AGM shall promptly so advise the Trustee, Paying Agent or Issuer, as appropriate, who may submit an amended Notice of Nonpayment. Payment by AGM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of AGM under this Policy. Upon such payment, AGM shall become entitled to reimbursement of the amount so paid (together with interest and expenses) pursuant to the Bond Document.

The amount available under this Policy for payment shall not exceed the Policy Limit. The amount available at any particular time to be paid to the Trustee or Paying Agent under the terms of this Policy shall automatically be reduced by any payment under this Policy. However, after such payment, the amount available under this Policy shall be reinstated in full or in part, but only up to the Policy Limit, to the extent of the reimbursement of such payment (exclusive of interest and expenses) to AGM by or on behalf of the Issuer. Within three Business Days of such reimbursement, AGM shall provide the Trustee, the Paying Agent and the Issuer with notice of the reimbursement and reinstatement.

Payment under this Policy shall not be available with respect to (a) any Nonpayment that occurs prior to the Effective Date or after the Termination Date of this Policy or (b) Bonds that are not outstanding under the Bond Document. If the amount payable under this Policy is also payable under another insurance policy or surety bond insuring the Bonds, payment first shall be made under this Policy to the extent of the amount available under this Policy up to the Policy Limit. In no event shall AGM incur duplicate liability for the same amounts owing with respect to the Bonds that are covered under this Policy and any other insurance policy or surety bond that AGM has issued.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York are, or the Insurer's Fiscal Agent is, authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AGM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the

stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer that has been recovered from such Owner pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from the Issuer, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment of principal or interest thereunder, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds. "Policy Limit" shall be the dollar amount of the debt service reserve fund required to be maintained for the Bonds by the Bond Document from time to time (the "Debt Service Reserve Requirement"), but in no event shall the Policy Limit exceed \$1,293,295.10. The Policy Limit shall automatically and irrevocably be reduced from time to time by the amount of each reduction in the Debt Service Reserve Requirement, as provided in the Bond Document.

AGM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AGM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AGM and shall not be deemed received until received by both and (b) all payments required to be made by AGM under this Policy may be made directly by AGM or by the Insurer's Fiscal Agent on behalf of AGM. The Insurer's Fiscal Agent is the agent of AGM only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AGM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AGM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AGM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be cancelled or revoked. The Authority issued its \$15,000,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B (the “Series 2004B Bonds”) pursuant to that certain Trust Indenture dated as of August 1, 2004 for the purposes of financing the cost of acquiring immovable property and financing the development, design, construction and equipping of new student housing facilities (the “Facilities”) for Southeastern Louisiana University (the “University”) located on immovable property owned by, or subject to the supervision and management of the Board of Supervisors for the University of Louisiana System (the “Board”) in the City of Hammond, Parish of Tangipahoa, Louisiana, which Facilities have been leased to the Board on behalf of the University.

The proceeds of the Series 2019 Bonds have been loaned to the Corporation pursuant to an Amended and Restated Loan and Assignment Agreement dated as of February 1, 2019 (the “Loan Agreement”) between the Authority and the Corporation, for the foregoing purposes. The Board of Supervisors for the University of Louisiana System (the “Board”), acting on behalf of the University, has leased the land upon which the Facilities are located on the campus of the University (the “Land”) and the Facilities to the Corporation pursuant to an Amended and Restated Ground and Buildings Lease dated as of February 1, 2019 (the “Ground Lease”), by and between the Board and the Corporation, and has leased

R.S. 33:4548.1 through 4548.16, inclusive) (the “*LCDA Act*”), Chapters 14 and 14-A of Title 39 of the Louisiana Revised Statutes of 1950, as amended (the “*Refunding Act*” and, together with the LCDA Act, the “*Act*”) and pursuant to an Amended and Restated Trust Indenture dated as of February 1, 2019 (the “*Indenture*”), between the Authority and the Trustee, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, and to which Indenture reference is hereby made for a more complete description of the assigned revenues constituting the Trust Estate, the nature and extent of the security, the terms and conditions under which the Series 2019 Bonds are issued and secured, the terms and conditions under which Additional Bonds may be issued and secured, the rights, duties and immunities of the Trustee and the rights of the registered owners of the Series 2019 Bonds. The registered owner of this Series 2019 Bond shall have no rights to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture, and by acceptance of this Series 2019 Bond, the owner hereof assents to all of the provisions of the Indenture and the Assignment (hereinafter defined). All terms not defined herein shall have the meanings assigned thereto in the Indenture.

The Series 2019 Bonds have been issued on a parity with the Authority’s \$40,910,000 Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2013 and its \$35,465,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2017.

The Series 2019 Bonds are issuable as fully registered bonds without coupons, in Authorized Denominations, and shall be numbered from No. R-1 upwards. The Series 2019 Bonds are limited and special revenue obligations of the Authority and are payable solely from (i) payments received by the Authority from the Corporation pursuant to the Agreement (except however, the Authority’s rights to exculpation, indemnification and payment of expenses by the Corporation under the Agreement) and (ii) all funds held by the Trustee under the Indenture and available for such payment, said payments and funds being herein referred to as the “*Trust Estate*.” The Agreement, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, provides that the Corporation is unconditionally obligated to make payments, but solely from the Payments (as defined in the Agreement) in an aggregate amount sufficient, for the payment in full of the principal and interest of all Series 2019 Bonds issued and outstanding under the Indenture, to the date of payment thereof, and certain costs, expenses and charges of the Authority and the Trustee. The Agreement imposes upon the Corporation certain obligations respecting the use and operation of its Facilities and the maintenance and repair of said Facilities.

THE SERIES 2019 BONDS AND THE INTEREST THEREON ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE TRUST ESTATE. THE SERIES 2019 BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION AND SHALL NOT CONSTITUTE A PLEDGE OF THE FAITH AND CREDIT OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF, BUT SHALL BE PAYABLE SOLELY FROM THE FUNDS PROVIDED FOR IN THE LOAN AGREEMENT AND THE

INDENTURE. THE ISSUANCE OF THE SERIES 2019 BONDS SHALL NOT DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE OF LOUISIANA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY ANY TAXES OR TO MAKE ANY APPROPRIATION OF THEIR PAYMENT. THE ISSUER HAS NO POWER TO TAX.

As long as any of the Series 2019 Bonds remain outstanding, there shall be permitted the exchange of Series 2019 Bonds at the principal corporate trust office of the Trustee. Any Series 2019 Bond or Series 2019 Bonds upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his legal representative duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of other Bonds in Authorized Denominations.

For every such exchange or transfer of Series 2019 Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Trustee shall not be required to register the transfer or exchange of (a) any Series 2019 Bonds during the fifteen (15) day period next preceding the selection of Series 2019 Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2019 Bonds selected for redemption, or (b) any Series 2019 Bonds selected, called or being called for redemption in whole or in part, except in the case of any Series 2019 Bond to be redeemed in part, the portion thereof not so to be redeemed.

REDEMPTION PROVISIONS

Optional Redemption

The Series 2019 Bonds maturing August 1, 2029 and thereafter are subject to redemption prior to maturity at the option of the Corporation, upon written direction to the Authority, on or after February 1, 2029 as a whole at any time, or in part on any Interest Payment Date, the maturity of said Bonds to be redeemed to be designated by the Corporation and selected within a maturity by the Trustee in such manner as the Trustee may determine, at the redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date.

Extraordinary Redemption

The Series 2019 Bonds shall be redeemed as a whole or in part (in an integral multiple of \$5,000) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds, condemnation award or payment in lieu of condemnation with respect to the Series 2004 Facilities will not be applied to the restoration, repair, or reconstruction of the Series 2004 Facilities at a price equal to the principal amount of the Series 2019 Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, in an aggregate principal amount equal to the amount of such insurance proceeds, condemnation award, or payment in lieu of condemnation not used for restoration, repair, or reconstruction. If in part, the Series 2019 Bonds to be redeemed shall be in the inverse order of their maturity and selected within a maturity by the Trustee in such manner as the Trustee may determine. If the amount of any insurance proceeds, condemnation award, or payment in lieu of condemnation to be applied in redemption of the Series 2019 Bonds is not an integral multiple of \$5,000, the principal amount of Series 2019 Bonds

to be redeemed pursuant to this subparagraph (b) shall be decreased to the next lower multiple of \$5,000.

If on any occasion less than all of the Series 2019 Bonds then outstanding shall be redeemed pursuant to the optional or mandatory redemption provisions described in the Indenture, then the principal amount of the Series 2019 Bonds so redeemed shall be considered to have satisfied a portion of the mandatory sinking fund redemptions required by the above tables. The principal amounts required by the tables above shall be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional redemption.

Unless otherwise specified above, if less than all of the Series 2019 Bonds shall be called for redemption, the maturity of the Series 2019 Bonds to be redeemed shall be designated by the Corporation, on behalf of the Board, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Series 2019 Bond to be redeemed shall be in the principal amount of an Authorized Denomination. If a portion of any Series 2019 Bond shall be called for redemption, a new Series 2019 Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

At least thirty (30) days before the redemption date of any Series 2019 Bonds redeemed the Trustee shall cause a notice of any such redemption, signed by an authorized officer of the Trustee, to be mailed, postage prepaid, to all Bondholders of record owning Series 2019 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register, but any defect in such mailing of any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2019 Bonds then outstanding shall be called for redemption, the numbers of such Series 2019 Bonds to be redeemed and, in the case of Series 2019 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2019 Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Series 2019 Bond, a new Series 2019 Bond in principal amount equal to the unredeemed portion of such Series 2019 Bond will be issued.

Modifications or alterations of the Indenture or any agreement supplemental thereto or of the Agreement or any agreement supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture and the Agreement. So long as no event of nonperformance under the Agreement has occurred and is continuing, no such supplement shall become effective unless the Corporation, on behalf of the Board, shall have given its prior written approval.

It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State to exist, to have happened and to have been performed, precedent to and in the execution and delivery of the Indenture and the issuance of this Series 2019 Bond, do exist, have happened and have been performed in regular and due form as required by law.

R.S. 33:4548.1 through 33:4548.16, inclusive) and Chapter 14 and Chapter 14-A of Title 39 the Louisiana Revised Statutes of 1950, as amended (La. R.S. 39:1441 through 1456, inclusive) (collectively, the "*Act*").

The Series 2019 Bonds have been issued by the Issuer pursuant to the Act and other constitutional and statutory authority and an Amended and Restated Trust Indenture dated as of February 1, 2019 (the "*Indenture*") between the Issuer and Regions Bank, New Orleans, Louisiana, as trustee (the "*Trustee*"). Capitalized terms used herein that are not otherwise defined have the meaning given them in the Indenture.

The Series 2019 Bonds are issuable as fully registered bonds, are dated, bear interest until paid at the rate per annum, mature in the principal amounts and on the dates, and are subject to redemption all as set forth in the Indenture and in the Series 2019 Bonds.

The Series 2019 Bonds are issued under and are secured as to principal and interest by the Indenture, which provides a description of the nature and extent of the security for the Series 2019 Bonds, a statement of the terms and conditions under which the Series 2019 Bonds are issued and secured, the rights, duties and obligations of the Issuer, the rights, duties and immunities of the Trustee and the rights of the owners of the Series 2019 Bonds.

The Issuer previously issued its \$60,985,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004A (the "*Series 2004A Bonds*") and its \$15,000,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B (the "*Series 2004B Bonds*") and, together with the Series 2004A Bonds, the "*Series 2004 Bonds*") on behalf of University Facilities Inc., a Louisiana non-profit corporation (the "*Corporation*"), for the purpose of financing the cost of acquiring immovable property and financing the development, design, construction and equipping of new student housing facilities (the "*Facilities*") for Southeastern Louisiana University (the "*University*") located on immovable property owned by, or subject to the supervision and management of the Board of Supervisors for the University of Louisiana

System (the "*Board*") in the City of Hammond, Parish of Tangipahoa, Louisiana, which Facilities have been leased to the Board on behalf of the University (collectively, the "*Project*"). The Series 2019 Bonds are being issued for the purpose of (i) refunding the Series 2004B Bonds and (ii) paying costs of issuance of the Series 2019 Bonds, including the premium for a bond insurance policy insuring the Series 2019 Bonds and a debt service reserve insurance policy insuring the Series 2019 Debt Service Reserve Fund.

The Issuer and the Corporation have entered into an Amended and Restated Loan and Assignment Agreement dated as of February 1, 2019 (the "*Agreement*"), pursuant to which the Issuer will loan the proceeds from the sale of the Series 2019 Bonds to the Corporation for the foregoing purposes. Pursuant to the Agreement, the Corporation has agreed to make loan payments (the "*Payments*") solely from the Base Rental (as defined in the Agreement) in amounts sufficient to pay the principal of, premium, if any, and interest on the Series 2019 Bonds. The rights of the Issuer under the Agreement (except for the rights of the Issuer relating to exculpation, indemnification and payment of expenses thereunder) have been pledged and assigned by the Issuer to the Trustee as security for the Series 2019 Bonds.

The Board is leasing the land upon which the Facilities have been constructed to the Corporation pursuant to an Amended and Restated Ground and Buildings Lease Agreement dated as of February 1, 2019 (the "*Ground Lease*").

The Facilities have been leased by the Corporation to the Board pursuant to an Amended and Restated Agreement to Lease with Option to Purchase dated as of February 1, 2019 (the "*Facilities Lease*").

The Series 2019 Bonds are also entitled to the benefits of the Mortgage and Security Agreement and Assignment of Leases and Rents dated as of August 13, 2004, as amended by a First Amendment to Act of Mortgage, Assignment of Leases and Security Agreement dated June 7, 2017, and an Act of Leasehold Mortgage, Assignment of Leases and Security Agreement dated June 7, 2017 (collectively, the "*Mortgage*"), all by the Corporation in favor of the Trustee, pursuant to which the Corporation has mortgaged its leasehold interest in and to the land and the improvements located thereon as described therein, granted a security interest in certain movable property and assigned its rights to all leases and rents relating to the Facilities.

We have examined: (i) the constitution and statutes of the State, including the Act; (ii) a certified transcript of the proceedings of the Issuer authorizing the issuance of the Series 2019 Bonds; (iii) the Indenture, the Agreement, the Tax Regulatory Agreement and Arbitrage Certificate dated the date of delivery and payment for the Series 2019 Bonds among the Issuer, the Corporation, the Board and the Trustee (the "*Tax Agreement*"); and (iv) such other documents, instruments, proofs and matters of law as we have deemed relevant to the issuance of the Series 2019 Bonds and necessary for the purpose of this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Board and the Corporation contained in the Indenture, the Agreement and the Tax Agreement, the certified proceedings and other certifications of public officials and others furnished to us, including certifications furnished to us by or on behalf of the Issuer, the Corporation and the Board, without undertaking to verify the same by independent investigation.

On the basis of the foregoing examinations, we are of the opinion, as of the date hereof and under existing law, that:

1. The Issuer is a validly existing political subdivision of the State and has the power and authority to enter into the Agreement and the Indenture and to issue and sell the Series 2019 Bonds.
2. The Series 2019 Bonds are valid and binding special and limited obligations of the Issuer secured by and entitled to the benefits of the Indenture and are payable solely from the revenues and other amounts pledged and assigned under the Indenture.
3. The Agreement and the Indenture have been duly authorized, executed and delivered by the Issuer and constitute valid and binding obligations of the Issuer, enforceable upon the Issuer in accordance with their terms, and all rights of the Issuer under the Agreement have been validly assigned to the Trustee under the Indenture, with the exception of certain rights of the Issuer relating to notice, exculpation, indemnification and payment of expenses.
4. The Series 2019 Bonds and interest thereon do not constitute an indebtedness or pledge of the general credit of the Issuer within the meaning of any State constitutional or statutory provision and will not constitute a general obligation or a charge against any other revenues of the Issuer.
5. Interest on the Series 2019 Bonds (including any original issue discount properly allocable to an owner thereof) is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax.
6. Under the Act, the Series 2019 Bonds are exempt from all taxation by the State of Louisiana or any political subdivision thereof.

In rendering the opinions expressed in paragraph 5 above, we have relied upon the opinion of even date herewith of Jones Fussell, L.L.P., Covington, Louisiana, counsel to the Corporation that the Corporation is an organization that is exempt from federal income tax under Section 501(a) of the Internal Revenue Code of 1986, as amended (the "Code") as an organization described in Section 501(c)(3) of the Code. We have also relied upon such opinion with respect to (i) the due organization of the Corporation, (ii) the good standing of the Corporation in the State; (iii) the corporate power of the Corporation to enter into, and the due authorization, execution and delivery by the Corporation of, the Agreement, the Ground Lease and the Facilities Lease, and the valid and binding effect thereof on the Corporation, and (iv) matters which might be disclosed as a result of an examination of the indentures, mortgages, deeds of trust, certifications of incorporation, by-laws, and other agreements or instruments to which the Corporation is a party or by which it or its properties are bound. We are not passing upon title to the Facilities or the nature or extent of any liens thereon.

We have relied on representations of the Issuer, the Board and the Corporation with respect to matters solely within the knowledge of the Issuer, the Board and the Corporation, which we have not independently verified, and have assumed continuing compliance with the covenants in the Indenture, the Agreement and the Tax Agreement pertaining to those sections of the Code that affect the exclusion from gross income of interest on the Series 2019 Bonds for federal income tax purposes. In the event that such representations are determined to be inaccurate or incomplete or the Issuer, the Board or the Corporation fails to comply with the foregoing covenants, interest on the Series 2019 Bonds could be includable in gross income for

federal income tax purposes from the date of their original delivery, regardless of the date on which the event causing such inclusion occurs.

The accrual or receipt of interest on the Series 2019 Bonds may otherwise affect the federal income tax liability of certain recipients. The extent of these other tax consequences will depend upon the recipient's particular tax status or other items of income or deduction. We express no opinion regarding any such consequences and investors should consult their tax advisors regarding the tax consequences of purchasing or holding the Series 2019 Bonds.

It is to be understood that the rights of the owners of the Series 2019 Bonds and the enforceability of the Series 2019 Bonds, the Indenture, the Agreement and the other documents enumerated above may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable, and that their enforcement may also be subject to the exercise of the sovereign police powers of the State or its governmental bodies and the exercise of judicial discretion in appropriate cases.

For purposes of this opinion, our services as bond counsel have not extended beyond the examinations and expressions of the conclusions referred to above. This opinion is given as of the date hereof and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in the law that may hereafter occur. Except as stated above, no opinion is expressed as to any federal or state tax consequences resulting from the ownership of, receipt of interest on, or disposition of, the Series 2019 Bonds.

Respectfully submitted,

Jones Walker LLP

Blanket Issuer Letter of Representations

Ladies and Gentlemen:

This letter sets forth our understanding with respect to all issues (the "Securities") that Issuer shall request be made eligible for deposit by The Depository Trust Company ("DTC").

To induce DTC to accept the Securities as eligible for deposit at DTC, and to act in accordance with DTC's Rules with respect to the Securities, Issuer represents to DTC that Issuer will comply with the requirements stated in DTC's Operational Arrangements, as they may be amended from time to time.

Note:

Schedule A contains statements that DTC believes accurately describe DTC, the method of effecting book-entry transfers of securities distributed through DTC, and certain related matters.

Very truly yours,

SCHEDULE A

**SAMPLE OFFERING DOCUMENT LANGUAGE
DESCRIBING BOOK-ENTRY-ONLY ISSUANCE**

(Prepared by DTC—bracketed material may be applicable only to certain issues)

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds \$200 million, one certificate will be issued with respect to each \$200 million of principal amount and an additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Participants") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Rules applicable to DTC and its Participants are on file with the Securities and Exchange Commission.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Securities with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

[6. Redemption notices shall be sent to Cede & Co. if less than all of the Securities within an issue are being redeemed. DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.]

7. Neither DTC nor Cede & Co. will consent or vote with respect to Securities. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Principal and interest payments on the Securities will be made to DTC. DTC's practice is to credit Direct Participants' accounts on payable date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on payable date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Agent, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Issuer or the Agent, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

[9. A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to the [Tender/Remarketing] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to the [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with a demand for purchase or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records.]

10. DTC may discontinue providing its services as securities depository with respect to the Securities at any time by giving reasonable notice to the Issuer or the Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Security certificates are required to be printed and delivered.

11. The Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered.

12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

Rating Action: Moody's assigns A3 to Southeastern Louisiana University's Series 2019 bonds; outlook stable

07 Jan 2019

New York, January 07, 2019 -- Moody's Investors Service has assigned an A3 rating to Southeastern Louisiana University's anticipated \$13.5 million in Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/ University Facilities, Inc. Project), Series 2019. The bonds will be issued by Louisiana Local Government Environmental Facilities and Community Development Authority and have an expected final maturity in 2035. We maintain A3 ratings on \$111 million of outstanding debt. The outlook is stable.

RATINGS RATIONALE

Southeastern Louisiana University's credit quality positively incorporates its solid market position as a regional university with stabilizing enrollment, growing net tuition revenue, and improved operating performance, supporting its good strategic positioning. The rating also reflects Southeastern's solid liquidity and healthy financial reserves as well as management's continued ability to maintain strong cash flow despite stagnant state operating support. The rating is tempered by limited pricing authority, which will moderate growth of net tuition revenue and potential enrollment pressure resulting from changes in state scholarship aid. Large post-employment health and pension liabilities also weigh down credit quality.

RATING OUTLOOK

The stable outlook reflects expectations of continued strong operating performance, steady to growing enrollment, and the ongoing ability to adjust operations to potential revenue fluctuations. The outlook also incorporates continued good pledged revenue coverage of debt service.

FACTORS THAT COULD LEAD TO AN UPGRADE

- Enhanced autonomy from the state to set tuition and fees
- Improved operations leading to material and sustained growth in flexible reserves
- Improved revenue diversity including increase in donor support

FACTORS THAT COULD LEAD TO A DOWNGRADE

- Reduction in liquidity or material decline in operating performance
- Deterioration in the state's credit quality or reductions in state support
- Decline in student market strength, evidenced by material decline in enrollment or net tuition revenue

LEGAL SECURITY

The Series 2019 bonds as well as parity Series 2004B (to be refunded), Series 2013 and Series 2017 bonds are secured by lease payments from the Board of Supervisors of the University of Louisiana System to University Facilities, Inc. (UFI), a university-related not-for-profit entity. Housing system revenues are the primary source of debt repayment, but lease payments are payable from all lawfully available university funds including auxiliary revenues but excluding state appropriations and tuition and fee revenue. The obligation of the board on behalf of the university to pay rental to UFI is dependent on the board's approval of the university's budget including budgeted funds necessary to make payments of rental required under the facilities lease agreement.

The board covenants to maintain debt service coverage ratio of 1.1x for housing revenues and 1.25x for lawfully available revenues. Fiscal 2018 coverage is 1.8x from housing revenues and 2.1x from all available revenues. Bonds are also secured by mortgage pledges for the various facilities and have debt service reserve requirements. Series 2019 bonds are expected to meet that requirement through a surety fund.

USE OF PROCEEDS

Proceeds of the Series 2019 Bonds will be used to refund Series 2004B Bonds and pay costs of issuance.

PROFILE

Southeastern Louisiana University is located approximately 50 miles northwest of New Orleans and 45 miles east of Baton Rouge in Hammond, Louisiana. The mid-size regional university enrolled approximately 12,000 full-time equivalent students in fall 2018 and had \$152 million of operating revenue in fiscal 2018.

THE BONDS DO NOT CONSTITUTE A PLEDGE OF THE GENERAL CREDIT OF THE AUTHORITY OR THE CORPORATION AND DO NOT CONSTITUTE AN INDEBTEDNESS OR PLEDGE OF THE GENERAL CREDIT OF THE STATE, THE BOARD, THE UNIVERSITY, OR ANY POLITICAL SUBDIVISION OF THE STATE (OTHER THAN THE AUTHORITY). THE AUTHORITY HAS NO POWER TO TAX.**

Section 3.6 Authentication. No Series 2013 Bond, Series 2017 Bond, or Series 2019 Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Indenture unless and until a certificate of authentication substantially in the form set forth in Exhibit A-1, Exhibit A-2, or Exhibit A-3, respectively, attached hereto and made a part hereof shall have been duly executed by a duly authorized representative of the Trustee, and such executed certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Indenture. Section 3.7 Mutilated, Lost, Stolen, or Destroyed Bonds. In the event any outstanding Bond, whether temporary or definitive, is mutilated, lost, stolen, or destroyed, the Authority may execute and, upon its request, the Trustee may authenticate a new Bond of the same principal amount and of like tenor as the mutilated, lost, or stolen or destroyed Bond; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen, or destroyed Bond, there shall be first furnished to the Authority and the Trustee evidence of such loss, theft, or destruction in form satisfactory to the Authority and the Trustee, together with indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a substitute Bond the Authority may authorize the payment of the same. The Authority and the Trustee may charge the owner of such Bond with their reasonable fees and expenses in this connection. Any Bond issued under the provisions of this Section 3.7 in lieu of any Bond alleged to be destroyed, lost, or stolen shall constitute an original additional contractual obligation on the part of the Authority, whether or not the Bond so alleged to be destroyed, lost, or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture together with all other Bonds in substitution for which such Bonds were issued.

(b) Payment made to the person deemed to be the owner of any Bond for the purpose of such payment in accordance with the provisions of this Section 3.9 shall be valid and effectual, to the extent of the sum or sums so paid, to satisfy and discharge the liability upon such Bond in respect of which such payment was made.

Section 3.10 Exchange and Transfer of Bonds.

(a) As long as any of the Bonds remain outstanding, there shall be permitted the exchange of Bonds at the principal corporate trust office of the Trustee. (b) For every such exchange or transfer of Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee, or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

(c) The Trustee shall not be required to register the transfer or exchange of (i) any Bonds during the fifteen (15) day period next preceding the selection of Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Bonds selected for redemption, or (ii) any Bonds selected, called, or being called for redemption in whole or in part, except in the case of any Bond to be redeemed in part, the portion thereof not so to be redeemed.

(d) Neither the Authority, the Trustee, the Corporation nor the Board is responsible for the performance by DTC of any of its obligations, including, without limitation, the payment of moneys

received by DTC, the forwarding of notices received by DTC or the giving of any consent or proxy in lieu of consent.

(e) Whenever during the term of the Bonds the beneficial ownership thereof is determined by a book entry at DTC, the requirements of this Indenture of holding, delivering or transferring Bonds shall be deemed modified to require the appropriate person to meet the requirements of DTC as to registering or transferring the book entry to produce the same effect.

(f) DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the Authority and the Trustee and discharging its responsibilities with respect thereto under applicable law.

(g) The Authority, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the Bonds if the Authority determines that (i) DTC is unable to discharge its responsibilities with respect to the Bonds, or (ii) a continuation of the requirement that all of the outstanding Bonds be registered on the registration books kept by the Trustee in the name of Cede & Co., or any other nominee of DTC, is not in the best interest of the beneficial owners of the Bonds.

(h) Upon the termination of the services of DTC with respect to the Bonds pursuant to the above two paragraphs, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Authority is willing and able to undertake such functions upon reasonable and customary terms, the Authority is obligated to deliver Bonds to the owner, at the expense of the said owner as described in this Indenture, and the Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names holders transferring or exchanging Bonds shall designate in accordance with the provisions of this Indenture.

(i) Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Blanket Letter of Representations of the Authority dated November 17, 1998 and delivered to DTC.

(j) If at any time DTC ceases to hold the Bonds, all references herein to DTC shall be of no further force or effect.

Section 3.14 Provisions Related to Series 2017 Bond Insurance Policy and the Series 2019 Bond Insurance Policy. As long as any Series 2017 Bonds or any Series 2019 Bonds (for purposes of this section, collectively, the “*Insured Bonds*”) are insured by the Series 2017 Bond Insurer and the Series 2019 Bond Insurer (for purposes of this section, collectively, the “*Bond Insurer*”), are outstanding and Bond Insurer is not then in default under the Series 2017 Bond Insurance Policy or the Series 2019 Bond Insurance Policy (for purposes of this section, collectively, the “*Bond Insurance Policy*”), then notwithstanding any provisions of the Indenture to the contrary, the provisions of this Section shall apply; provided, however, to the extent the Bond Insurer has made any payments under the Bond Insurance Policy it shall retain its rights of subrogation:

(a) The prior written consent of the Bond Insurer shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Series 2017 Debt Service Reserve Fund or the Series 2019 Debt Service Reserve Fund. Notwithstanding anything to the contrary set forth in the Indenture, amounts on deposit in the Series 2017 Debt Service Reserve Fund and the Series 2019 Debt Service Reserve

Fund shall be applied solely to the payment of debt service due on the Series 2017 Bonds or the Series 2019 Bonds, as applicable.

(b) Further to the rights granted to Bond Insurer under Article VIII of this Indenture and as a term of this Indenture and each Insured Bond, the Trustee and each owner of the Insured Bonds appoint the Bond Insurer as their agent and attorney-in-fact with respect to the Insured Bonds and agree that the Bond Insurer may at any time during the continuation of any proceeding by or against the Authority, the Board, the Corporation or the University under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an “*Insolvency Proceeding*”) direct all matters relating to such Insolvency Proceeding, including without limitation, (A) all matters relating to any claim or enforcement proceeding in connection with an Insolvency Proceeding (a “*Claim*”), (B) the direction of any appeal of any order relating to any Claim, (C) the posting of any surety, supersedeas or performance bond pending any such appeal, and (D) the right to vote to accept or reject any plan of adjustment. In addition, the Trustee and each owner of the Insured Bonds delegate and assign to the Bond Insurer, to the fullest extent permitted by law, the rights of the Trustee and each owner of the Insured Bonds with respect to the Insured Bonds in the conduct of any Insolvency Proceeding, including, without limitation, all rights of any party to an adversary proceeding or action with respect to any court order issued in connection with any such Insolvency Proceeding. Remedies granted to the Bondholders shall expressly include mandamus.

(c) The maturity of Insured Bonds insured by the Bond Insurer shall not be accelerated without the consent of the Bond Insurer and in the event the maturity of the Insured Bonds is accelerated, the Bond Insurer may elect, in its sole discretion, to pay accelerated principal and interest accrued, on such principal to the date of acceleration (to the extent unpaid by the Authority) and the Trustee shall be required to accept such amounts. Upon payment of such accelerated principal and interest accrued to the acceleration date as provided above, the Bond Insurer’s obligations under the Bond Insurance Policy with respect to such Insured Bonds shall be fully discharged.

(d) The Bond Insurer is a third party beneficiary of this Indenture.

(e) The exercise of any provision of this Indenture which permits the purchase of Insured Bonds in lieu of redemption shall require the prior written approval of the Bond Insurer if any Insured Bond so purchased is not cancelled upon purchase.

(f) Unless the Bond Insurer otherwise directs, upon the occurrence and continuance of an Event of Default or an event which with notice or lapse of time would constitute an Event of Default, amounts on deposit in the Series 2017 Project Fund shall not be disbursed, but shall instead be applied to the payment of debt service or redemption price of the Series 2017 Bonds.

(g) The rights granted to the Bond Insurer under this Indenture or any other Bond Document to request, consent to or direct any action are rights granted to the Bond Insurer in consideration of its issuance of the Bond Insurance Policy. Any exercise by the Bond Insurer of such rights is merely an exercise of the Bond Insurer’s contractual rights and, except as otherwise provided in the Bond Documents, shall not be construed or deemed to be taken for the benefit, or on behalf, of the Bondholders and such action does not evidence any position of the Bond Insurer, affirmative or negative, as to whether the consent of the Bondowners or any other person is required in addition to the consent of the Bond Insurer.

(h) To accomplish defeasance of the Insured Bonds, the Authority shall cause to be delivered (i) a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to the Bond Insurer (“*Accountant*”) verifying the sufficiency of the escrow established to pay the Insured Bonds in full on the maturity or redemption date (“*Verification*”), (ii) an escrow deposit

agreement (which shall be acceptable in form and substance to the Bond Insurer), (iii) an opinion of nationally recognized bond counsel to the effect that Insured Bonds are no longer “Outstanding” under the Indenture and (iv) a certificate of discharge of the Trustee with respect to the Insured Bonds; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the Authority, Trustee and Bond Insurer. The Bond Insurer shall be provided with final drafts of the above-referenced documentation not less than five business days prior to the funding of the escrow. Insured Bonds shall be deemed “Outstanding” under the Indenture unless and until they are in fact paid and retired or the above criteria are met.

(i) Amounts paid by the Bond Insurer under the Bond Insurance Policy shall not be deemed paid for purposes of the Indenture and the Insured Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the Authority in accordance with this Indenture. This Indenture shall not be discharged unless all amounts due or to become due to the Bond Insurer have been paid in full or duly provided for.

(j) Claims Upon Bond Insurance Policy and Payments by and to Bond Insurer.

If, on the third Business Day prior to the related scheduled interest payment date or principal payment date (“*Payment Date*”) there is not on deposit with the Trustee, after making all transfers and deposits required under this Indenture, moneys sufficient to pay the principal of and interest on the Insured Bonds due on such Payment Date, the Trustee shall give notice to the Bond Insurer and to its designated agent (if any) (the “*Insurer’s Fiscal Agent*”) by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Insured Bonds due on such Payment Date, the Trustee shall make a claim under the Bond Insurance Policy and give notice to the Bond Insurer and the Insurer’s Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Insured Bonds and the amount required to pay principal of the Series 2017 Bonds, confirmed in writing to the Bond Insurer and the Insurer’s Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Bond Insurance Policy.

The Trustee shall designate any portion of payment of principal on Insured Bonds paid by the Bond Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Insured Bonds registered to the then current Bondholder, whether DTC or its nominee or otherwise, and shall issue a replacement Insured Bond to the Bond Insurer, registered in the name of Assured Guaranty Municipal Corp., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee’s failure to so designate any payment or issue any replacement Insured Bond shall have no effect on the amount of principal or interest payable by the Authority on any Insured Bond or the subrogation rights of the Bond Insurer.

The Trustee shall keep a complete and accurate record of all funds deposited by the Bond Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Insured Bond. The Bond Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

Upon payment of a claim under the Bond Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of owners of the Insured Bonds referred to herein as the “*Policy Payments Account*” and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Bond Insurance Policy in trust on behalf of owners of the Insured Bonds and shall deposit any such amount in the Policy Payments Account and distribute such amount

only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to owners of the Insured Bonds in the same manner as principal and interest payments are to be made with respect to the Insured Bonds under the sections hereof regarding payment of Insured Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything herein to the contrary, the Authority agrees to pay to the Bond Insurer, solely from the Trust Estate, (i) a sum equal to the total of all amounts paid by the Bond Insurer under the Bond Insurance Policy (the “*Insurer Advances*”); and (ii) to the extent permitted by law, interest on such Insurer Advances from the date paid by the Bond Insurer until payment thereof in full, payable to the Bond Insurer at the Late Payment Rate per annum (collectively, the “*Insurer Reimbursement Amounts*”). “*Late Payment Rate*” means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Insured Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. The Authority hereby covenants and agrees that the Insurer Reimbursement Amounts are secured by a lien on and pledge of the Trust Estate and payable from such Trust Estate on a parity with debt service due on the Insured Bonds.

Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the Policy Payments Account following a Payment Date shall promptly be remitted to the Bond Insurer.

(k) The Bond Insurer shall, to the extent it makes any payment of principal or interest on the Insured Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Bond Insurance Policy (which subrogation rights shall also include the rights of any such recipients in connection with any Insolvency Proceeding). Each obligation of the Authority to the Bond Insurer under the Bond Documents shall survive discharge or termination of such Bond Documents.

(l) The Authority shall pay or reimburse the Bond Insurer, solely from amounts paid by the Corporation from Additional Rentals paid by the Board pursuant to the Facilities Lease and to the extent permitted by law, any and all charges, fees, costs and expenses that the Bond Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Bond Document; (ii) the pursuit of any remedies under the Indenture or any other Bond Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Indenture or any other Bond Document whether or not executed or completed, or (iv) any litigation or other dispute in connection with the Indenture or any other Bond Document or the transactions contemplated thereby, other than costs resulting from the failure of the Bond Insurer to honor its obligations under the Bond Insurance Policy. The Bond Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Indenture or any other Bond Document.

(m) After payment of reasonable expenses of the Trustee, the application of funds realized upon default shall be applied to the payment of expenses of the Authority or rebate only after the payment of past due and current debt service on the Bonds and amounts required to restore each Debt Service Reserve Fund to its respective Debt Service Reserve Fund Requirement.

(n) The Bond Insurer shall be entitled to pay principal or interest on the Insured Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Authority (as such terms are defined in the Bond Insurance Policy) and any amounts due on the Insured Bonds as a result of acceleration of

the maturity thereof in accordance with the Indenture, whether or not the Bond Insurer has received a Notice of Nonpayment (as such terms are defined in the Bond Insurance Policy) or a claim upon the Bond Insurance Policy.

(o) The notice address of the Bond Insurer is: Assured Guaranty Municipal Corp., 1633 Broadway, New York, New York 10019, Attention: Managing Director – Surveillance, Re: Policy No. 218242-N (2017) and Policy No. 219207-N (2019), Telephone: (212) 974-0100; Telecopier: (212) 339-3556. In each case in which notice or other communication refers to an Event of Default, then a copy of such notice or other communication shall also be sent to the attention of the General Counsel and shall be marked to indicate “URGENT MATERIAL ENCLOSED.”

(p) The Bond Insurer shall be provided with the following information by the Authority, the Corporation or the Trustee, as the case may be:

(i) The fiscal year budget of the Board within thirty (30) days after adoption of such budget;

(ii) Annual audits prepared by the Legislative Auditor of the State of Louisiana, within two hundred and ten (210) days of the completion of the Board’s fiscal year or such later date as may be extended with the approval of the Legislative Auditor of the State of Louisiana and the Bond Insurer, together with a certification of the Board stating that no Event of Default has occurred or is continuing under the Bond Documents);

(iii) Notice of any draw upon the Series 2017 Debt Service Reserve Fund or the Series 2019 Debt Service Reserve Fund within two Business Days after knowledge thereof other than (i) withdrawals of amounts in excess of the Series 2017 Debt Service Reserve Fund Requirement or the Series 2019 Debt Service Reserve Fund and (ii) withdrawals in connection with a refunding of Insured Bonds;

(iv) Notice of any default known to the Trustee, the Board or the Authority within five Business Days after knowledge thereof;

(v) Prior notice of the advance refunding or redemption of any of the Series 2017 Bonds, including the principal amount, maturities and CUSIP numbers thereof;

(x) All reports, notices and correspondence to be delivered to Bondholders under the terms of the Bond Documents; and

In addition, to the extent that the Authority or the Corporation has entered into a continuing disclosure agreement, covenant or undertaking with respect to the Insured Bonds, all information furnished pursuant to such agreements shall also be provided to the Insurer, simultaneously with the furnishing of such information.

(q) The Bond Insurer shall have the right to receive such additional information as it may reasonably request.

(r) The Authority and the Corporation will permit the Bond Insurer to discuss the affairs, finances and accounts of the Authority and the Corporation or any information the Bond Insurer may reasonably request regarding the security for the Insured Bonds with appropriate officers of the Authority and the Corporation and will use commercially reasonable efforts to enable the Bond Insurer to have access to the facilities, books and records of the Authority and the Corporation on any business day upon reasonable prior notice.

(s) The Trustee shall notify the Bond Insurer of any known failure of the Authority, the Corporation and the Board to provide notices, certificates and other information under the Bond Documents.

(t) Notwithstanding satisfaction of the other conditions to the issuance of Additional Bonds set forth in Article V of the Indenture, no such issuance may occur unless each Debt Service Reserve Fund is fully funded at the respective Debt Service Reserve Fund Requirement (including the proposed issue) upon the issuance of such Additional Bonds, in either case unless otherwise permitted by the Bond Insurer.

(u) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Indenture would adversely affect the security for the Insured Bonds or the rights of the Bondholders, the Trustee shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Bond Insurance Policy.

(v) No contract shall be entered into or any action taken by which the rights of the Bond Insurer or security for or sources of payment of the Insured Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Bond Insurer.

The Corporation, at its own expense, shall make the calculation(s) required by the Code and the Series 2019 Tax Regulatory Agreement and Arbitrage Certificate and shall direct the Trustee to make deposits to and make disbursements from the Series 2019 Rebate Fund that the Corporation determines are in accordance therewith. The Series 2019 Tax Regulatory Agreement and any provisions of this Indenture governing deposits to the Series 2019 Rebate Fund may be superseded or amended by the Corporation (except the requirement of annual calculations and deposits to the Series 2019 Rebate Fund, if required) if accompanied by an opinion of Bond Counsel addressed to the Corporation and the Trustee to the effect that the use of the new Series 2019 Tax Regulatory Agreement will not cause the interest on the Series 2019 Bonds to become includable in gross income of the recipient thereof for federal tax purposes.

Section 4.12 Receipts Fund. There shall be deposited into the Receipts Fund all funds received from or paid on behalf of the Board under the Facilities Lease, including: (i) daily, all rents, charges, and other amounts, held in the deposit account maintained by the Management Company pursuant any Management Agreement; and (ii) all Housing Lawfully Available Funds from the Board used to make Base Rental Payments pursuant to the Facilities Lease. The Trustee will transfer the amount so deposited in the Receipts Fund to the Debt Service Fund without distinction or priority. Moneys on deposit in the Receipts Fund will be withdrawn by the Trustee in accordance with the requirements of this Indenture and ratably on a parity therewith and applied in the following priority:

(a) At such time as may be required by the Tax Regulatory Agreement but not less often than annually, to the Rebate Fund the amount required to be deposited thereunder;

(b) On the twenty-fifth (25th) day of each month, beginning on the twenty-fifth (25th) day of the month following the effective date of any Management Agreement, to the Operating Fund (as defined in the Management Agreement) maintained by the Management Company, an amount necessary to make the amount in the Operating Fund equal to the Operating Expenses for the next month as shown on the Operating Budget (as defined in the Management Agreement) for such month, as certified by the Management Company;

(c) On the twenty-fifth (25th) day of each month, into the Interest Account of the Debt Service Fund, commencing February 25, 2019 an amount equal to one-sixth (1/6th) of the interest due and payable on such Bonds on the next February 1 and August 1 or such lesser amount that, together with amounts already on deposit in the Interest Account of the Debt Service Fund will be sufficient to pay interest on such Bonds on such Interest Payment Date;

(d) On the twenty-fifth (25th) day of each month, commencing February 25, 2019, into the Principal Account of the Debt Service Fund, an amount equal to one-twelfth (1/12th) of the principal of the Bonds payable on the next Principal Payment Date;

(e) On the twenty-fifth (25th) day of each month, any amounts due to the Bond Insurer for amounts due other than the reimbursement of principal of and interest on the respective Bonds insured by such Bond Insurer, which amounts are reimbursed under items (c) and (d) above;

(f) On the twenty-fifth (25th) day of each month following any drawing on the Debt Service Reserve Fund in accordance with the provisions hereof, an amount equal to the lesser of (i) one twelfth (1/12th) of the amount necessary to cause the amount on deposit in the Debt Service Reserve Fund to equal the Debt Service Reserve Fund Requirement within twelve (12) months or (ii) the excess of the Debt Service Reserve Fund Requirement over the amount on deposit in the Debt Service Reserve Fund;

(g) Annually, beginning August 1, 2019, the Replacement Fund Annual Funding Requirement if required pursuant to Section 4.30 hereof; or such lesser annual amount as is permitted by the Board of Regents and approved by the Bond Insurer; in each case, as set forth in writing delivered in advance thereof to the Trustee; and, in the event that any funds shall have been withdrawn from the Replacement Fund to cure any deficiency in the Interest Account or the Principal Account of the Debt Service Fund pursuant to Section 4.3(c), Section 4.4(c), and Section 4.5(c) of this Indenture, the amount of such withdrawal;

(h) On the twenty-fifth (25th) day of each month, commencing the month following the effective date of any Management Agreement, an amount equal to the monthly Management Fee for the current Fiscal Year plus any Management Fee for any prior month that remains unpaid;

(i) Annually on August 1 of each year beginning August 1, 2019 any amounts remaining in the Receipts Fund after making all transfers required to be made on such date under Section 4.12(a) through (h) hereof shall be transferred to the Surplus Fund and applied as set forth in Section 4.18 of this Indenture.

Section 4.13 Series 2013 Debt Service Reserve Fund. Moneys on deposit in the Series 2013 Debt Service Reserve Fund shall be maintained in an amount equal to the Series 2013 Debt Service Reserve Fund Requirement, and shall be transferred, in accordance with the priority set out in Section 4.3(c) above, to the Interest Account or the Principal Account of the Series 2013 Debt Service Fund in such amount as shall be necessary to remedy any deficiency therein (taking into account any amounts available therefor in the Surplus Fund and the Replacement Fund). Whenever the amount in the Series 2013 Debt Service Reserve Fund, together with the amount in the Series 2013 Debt Service Fund, is sufficient to pay in full all outstanding Series 2013 Bonds in accordance with their terms, the funds on deposit in the Series 2013 Debt Service Reserve Fund shall be transferred to the Series 2013 Debt Service Fund and shall be available to pay all outstanding Series 2013 Bonds in accordance with their terms. If the balance of the Series 2013 Debt Service Reserve Fund is greater than the Series 2013 Debt Service Reserve Fund Requirement, all amounts in the Series 2013 Debt Service Reserve Fund in excess of the Series 2013 Debt Service Reserve Fund Requirement shall be transferred to the Interest Account of the Series 2013 Debt Service Fund. In no event shall moneys in the Series 2013 Debt Service Reserve Fund be used to make payments of principal or interest on the Series 2017 Bonds or the Series 2019 Bonds and in no event shall the moneys in the Series 2017 Debt Service Reserve Fund or the Series 2019 Debt Service Reserve Fund be used to make payments of principal and interest on the Series 2013 Bonds.

Section 4.14 Series 2017 Debt Service Reserve Fund.

(a) Monies in the Series 2017 Debt Service Reserve Fund shall be maintained in an amount equal to the Series 2017 Debt Service Reserve Requirement. The Series 2017 Debt Service Reserve Fund Requirement will initially be satisfied by the deposit of the Series 2017 Debt Service Reserve Fund Surety Policy with the Trustee. Monies in the Series 2017 Debt Service Reserve Fund shall be used solely for transfer to the Series 2017 Debt Service Fund in amounts required to prevent any default in the payment of the principal of and interest on the Series 2017 Bonds.

(b) Whenever the amount in the Series 2017 Debt Service Reserve Fund, together with the amount in the Series 2017 Debt Service Fund is sufficient to pay in full all Outstanding Series 2017 Bonds in accordance with their terms (including principal or applicable premium and interest thereon), the funds on deposit in the Series 2017 Debt Service Reserve Fund shall be transferred to the Series 2017 Debt Service Fund and shall be available to pay all Outstanding Series 2017 Bonds. Prior to said transfer, all investments held in the Series 2017 Debt Service Reserve Fund shall be liquidated to the extent necessary in order to provide for the timely payment of principal and interest (or redemption premium) on the Series 2017 Bonds.

(c) In lieu of the required deposits or transfers to the Series 2017 Debt Service Reserve Fund or to provide for the removal of all or a portion of the amounts on deposit in the Series 2017 Debt Service Reserve Fund, the Authority may, with the prior written consent of the Series 2017 Bond Insurer, cause to be deposited into the Series 2017 Debt Service Reserve Fund a surety bond or an insurance policy satisfactory in form and substance to the Series 2017 Bond Insurer for the benefit of the holders of the Series 2017 Bonds or a letter of credit in an amount equal to (i) the difference between the Series 2017 Debt Service Reserve Requirement and the sums then on deposit in the Series 2017 Debt Service Reserve Fund, if any, or (ii) the Series 2017 Debt Service Reserve Requirement. The surety bond, insurance policy or letter of credit shall be payable (upon the giving of notice as required thereunder) on any due date on which monies will be required to be withdrawn

from the Series 2017 Debt Service Reserve Fund and applied to the payment of principal of or interest on any Series 2017 Bonds when such withdrawal cannot be met by amounts on deposit in the Series 2017 Debt Service Reserve Fund or provided from any other Fund under this Indenture. The insurer providing such surety bond or insurance policy shall be an insurer whose municipal bond insurance policies insuring the payment, when due, of the principal of and interest on municipal bond issues results in such issues being rated not lower than AA by S&P or Aa by Moody's. The letter of credit Authority shall be a bank or trust company that is rated not lower than AA by S&P or Aa by Moody's, and the letter of credit itself shall be rated not lower than AA by S&P or Aa by Moody's. If a disbursement is made pursuant to a surety bond, an insurance policy or a letter of credit provided pursuant to this subsection, The Authority shall be obligated either (i) to reinstate the maximum limits of such surety bond, insurance policy or letter of credit or (ii) to deposit into the Series 2017 Debt Service Reserve Fund, funds in the amount of the disbursement made under such surety bond, insurance policy or letter of credit, or a combination of such alternatives, as shall provide that the amount in the Series 2017 Debt Service Reserve Fund equals the Series 2017 Debt Service Reserve Requirement. In connection with its obligation to provide for any reinstatement of amounts on deposit in the Series 2017 Debt Service Reserve Fund to the Series 2017 Debt Service Reserve Requirement, the Authority may agree to provide the insurer or the Authority of such letter of credit a pledge of the amounts to be deposited in the Series 2017 Debt Service Reserve Fund to provide for such reinstatement provided, however, such obligation shall be subject and subordinate to the pledge created by this Indenture as security for the Series 2017 Bonds. Reimbursement of amounts paid by an insurer under a surety bond, insurance policy or letter of credit, including interest thereon, shall be made on a monthly basis commencing in the first month following each draw and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of such draw and the interest due thereon and shall be credited first to the principal due and then to interest due. In the event that the rating attributable to any insurer providing any surety bond or insurance policy (other than the Surety Provider) or any bank or trust company providing any letter of credit held as above provided in the Series 2017 Debt Service Reserve Fund shall fall below that required as above provided, the Authority shall use its best efforts to replace, as soon as possible, such surety bond, insurance policy or letter of credit with a surety bond, insurance policy or letter of credit which shall be satisfactory to the Series 2017 Bond Insurer and meet the above provided requirements.

(d) In the event that the Series 2017 Debt Service Reserve Fund contains both cash and a surety bond, insurance policy or letter of credit and a disbursement from the Series 2017 Debt Service Reserve Fund is required hereunder, the Trustee shall draw such disbursement first from cash on hand in the Series 2017 Debt Service Reserve Fund until the cash is completely drawn down before making any draw on the surety bond, insurance policy or letter of credit.

(e) In the event that the Trustee makes a disbursement from any surety bond, insurance policy or letter of credit in the Series 2017 Debt Service Reserve Fund, the Authority shall use any available funds first to reimburse the Authority of such surety bond, insurance policy or letter of credit prior to using such funds to replenish the Series 2017 Debt Service Reserve Fund with any cash necessary to meet the Series 2017 Debt Service Reserve Requirement.

(f) In the event of the refunding of any Series 2017 Bonds, the Trustee shall, if the Authority so directs, withdraw from the Series 2017 Debt Service Reserve Fund all, or any portion of, the amounts accumulated therein with respect to the Series 2017 Bonds being refunded and deposit such amounts to be held for the payment of the principal or redemption premium, if applicable, and interest on the Series 2017 Bonds being refunded; provided that such withdrawal shall not be made unless (i) immediately thereafter the Series 2017 Bonds being refunded shall be deemed to have been paid pursuant to Article XII and (ii) the amount remaining in the Series 2017 Debt Service Reserve Fund, after giving effect to the issuance of the refunding

bonds and the disposition of the proceeds thereof, shall not be less than the Series 2017 Debt Service Reserve Fund Requirement.

Section 4.15 Series 2019 Debt Service Reserve Fund.

(a) Monies in the Series 2019 Debt Service Reserve Fund shall be maintained in an amount equal to the Series 2019 Debt Service Reserve Requirement. The Series 2019 Debt Service Reserve Fund Requirement will initially be satisfied by the deposit of the Series 2019 Debt Service Reserve Fund Surety Policy with the Trustee. Monies in the Series 2019 Debt Service Reserve Fund shall be used solely for transfer to the Series 2019 Debt Service Fund in amounts required to prevent any default in the payment of the principal of and interest on the Series 2019 Bonds.

(b) Whenever the amount in the Series 2019 Debt Service Reserve Fund, together with the amount in the Series 2019 Debt Service Fund is sufficient to pay in full all Outstanding Series 2019 Bonds in accordance with their terms (including principal or applicable premium and interest thereon), the funds on deposit in the Series 2019 Debt Service Reserve Fund shall be transferred to the Series 2019 Debt Service Fund and shall be available to pay all Outstanding Series 2019 Bonds. Prior to said transfer, all investments held in the Series 2019 Debt Service Reserve Fund shall be liquidated to the extent necessary in order to provide for the timely payment of principal and interest (or redemption premium) on the Series 2019 Bonds.

(c) In lieu of the required deposits or transfers to the Series 2019 Debt Service Reserve Fund or to provide for the removal of all or a portion of the amounts on deposit in the Series 2019 Debt Service Reserve Fund, the Authority may, with the prior written consent of the Series 2019 Bond Insurer, cause to be deposited into the Series 2019 Debt Service Reserve Fund a surety bond or an insurance policy satisfactory in form and substance to the Series 2019 Bond Insurer for the benefit of the holders of the Series 2019 Bonds or a letter of credit in an amount equal to (i) the difference between the Series 2019 Debt Service Reserve Requirement and the sums then on deposit in the Series 2019 Debt Service Reserve Fund, if any, or (ii) the Series 2019 Debt Service Reserve Requirement. The surety bond, insurance policy or letter of credit shall be payable (upon the giving of notice as required thereunder) on any due date on which monies will be required to be withdrawn from the Series 2019 Debt Service Reserve Fund and applied to the payment of principal of or interest on any Series 2019 Bonds when such withdrawal cannot be met by amounts on deposit in the Series 2019 Debt Service Reserve Fund or provided from any other Fund under this Indenture. The insurer providing such surety bond or insurance policy shall be an insurer whose municipal bond insurance policies insuring the payment, when due, of the principal of and interest on municipal bond issues results in such issues being rated not lower than AA by S&P or Aa by Moody's. The letter of credit Authority shall be a bank or trust company that is rated not lower than not lower than AA by S&P or Aa by Moody's, and the letter of credit itself shall be rated not lower than AA by S&P or Aa by Moody's. If a disbursement is made pursuant to a surety bond, an insurance policy or a letter of credit provided pursuant to this subsection, The Authority shall be obligated either (i) to reinstate the maximum limits of such surety bond, insurance policy or letter of credit or (ii) to deposit into the Series 2019 Debt Service Reserve Fund, funds in the amount of the disbursement made under such surety bond, insurance policy or letter of credit, or a combination of such alternatives, as shall provide that the amount in the Series 2019 Debt Service Reserve Fund equals the Series 2019 Debt Service Reserve Requirement. In connection with its obligation to provide for any reinstatement of amounts on deposit in the Series 2019 Debt Service Reserve Fund to the Series 2019 Debt Service Reserve Requirement, the Authority may agree to provide the insurer or the Authority of such letter of credit a pledge of the amounts to be deposited in the Series 2019 Debt Service Reserve Fund to provide for such reinstatement provided, however, such obligation shall be subject and subordinate to the pledge created by this Indenture as security for the Series 2019 Bonds. Reimbursement of amounts paid by an insurer under a surety bond, insurance policy or letter of credit,

including interest thereon, shall be made on a monthly basis commencing in the first month following each draw and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of such draw and the interest due thereon and shall be credited first to the principal due and then to interest due. In the event that the rating attributable to any insurer providing any surety bond or insurance policy (other than the Surety Provider) or any bank or trust company providing any letter of credit held as above provided in the Series 2019 Debt Service Reserve Fund shall fall below that required as above provided, the Authority shall use its best efforts to replace, as soon as possible, such surety bond, insurance policy or letter of credit with a surety bond, insurance policy or letter of credit which shall be satisfactory to the Series 2019 Bond Insurer and meet the above provided requirements.

(d) In the event that the Series 2019 Debt Service Reserve Fund contains both cash and a surety bond, insurance policy or letter of credit and a disbursement from the Series 2019 Debt Service Reserve Fund is required hereunder, the Trustee shall draw such disbursement first from cash on hand in the Series 2019 Debt Service Reserve Fund until the cash is completely drawn down before making any draw on the surety bond, insurance policy or letter of credit.

(e) In the event that the Trustee makes a disbursement from any surety bond, insurance policy or letter of credit in the Series 2019 Debt Service Reserve Fund, the Authority shall use any available funds first to reimburse the Authority of such surety bond, insurance policy or letter of credit prior to using such funds to replenish the Series 2019 Debt Service Reserve Fund with any cash necessary to meet the Series 2019 Debt Service Reserve Requirement.

(f) In the event of the refunding of any Series 2019 Bonds, the Trustee shall, if the Authority so directs, withdraw from the Series 2019 Debt Service Reserve Fund all, or any portion of, the amounts accumulated therein with respect to the Series 2019 Bonds being refunded and deposit such amounts to be held for the payment of the principal or redemption premium, if applicable, and interest on the Series 2019 Bonds being refunded; provided that such withdrawal shall not be made unless (i) immediately thereafter the Series 2019 Bonds being refunded shall be deemed to have been paid pursuant to Article XII and (ii) the amount remaining in the Series 2019 Debt Service Reserve Fund, after giving effect to the issuance of the refunding bonds and the disposition of the proceeds thereof, shall not be less than the Series 2019 Debt Service Reserve Fund Requirement.

Section 4.16 Series 2017 and Series 2019 Debt Service Reserve Fund Surety Policy Provisions. Notwithstanding anything to the contrary set forth in the Indenture, the following provisions shall apply as long as the Series 2017 Debt Service Reserve Fund Surety Policy or the Series 2019 Debt Service Reserve Fund Surety Policy (for purposes of this section, collectively, the “Debt Service Reserve Fund Surety Policy”) is in effect:

(a) The Authority shall repay, or cause the Corporation to repay, any draws under the Debt Service Reserve Fund Surety Policy and pay all related reasonable expenses incurred by the Bond Insurer (as such term is defined in Section 3.14 hereof) and shall pay interest thereon from the date of payment by the Bond Insurer at the Late Payment Rate. “*Late Payment Rate*” means the lesser of (x) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate (“*Prime Rate*”) (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Insured Bonds (as such term is defined in Section 3.14 hereof), as applicable, and (y) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In

the event JPMorgan Chase Bank ceases to announce its Prime Rate publicly, Prime Rate shall be the publicly announced prime or base lending rate of such national bank as the Bond Insurer shall specify. If the interest provisions of this subparagraph (a) shall result in an effective rate of interest which, for any period, exceeds the limit of the usury or any other laws applicable to the indebtedness created herein, then all sums in excess of those lawfully collectible as interest for the period in question shall, without further agreement or notice between or by any party hereto, be applied as additional interest for any later periods of time when amounts are outstanding hereunder to the extent that interest otherwise due hereunder for such periods plus such additional interest would not exceed the limit of the usury or such other laws, and any excess shall be applied upon principal immediately upon receipt of such moneys by the Bond Insurer, with the same force and effect as if the Authority or the Corporation had specifically designated such extra sums to be so applied and the Bond Insurer had agreed to accept such extra payment(s) as additional interest for such later periods. In no event shall any agreed-to or actual exaction as consideration for the indebtedness created herein exceed the limits imposed or provided by the law applicable to this transaction for the use or detention of money or for forbearance in seeking its collection.

Repayment of draws and payment of expenses and accrued interest thereon at the Late Payment Rate (collectively, “*Policy Costs*”) shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of Policy Costs related to such draw.

Amounts in respect of Policy Costs paid to the Bond Insurer shall be credited first to interest due, then to the expenses due and then to principal due. As and to the extent that payments are made to the Bond Insurer on account of principal due, the coverage under the Debt Service Reserve Fund Surety Policy will be increased by a like amount, subject to the terms of the Reserve Policy. The obligation to pay Policy Costs shall be secured by a valid lien on all revenues and other collateral pledged as security for the Insured Bonds (subject only to the priority of payment provisions set forth under this Indenture).

All cash and investments in the Series 2017 Debt Service Reserve Fund and the Series 2019 Debt Service Reserve Fund shall be transferred to the Debt Service Fund for payment of debt service on the Series 2017 Bonds and the Series 2019 Bonds, as applicable, before any drawing may be made on the applicable Debt Service Reserve Fund Surety Policy or any other credit facility credited to the Series 2017 Debt Service Reserve Fund or the Series 2019 Debt Service Reserve Fund in lieu of cash (“*Credit Facility*”). Payment of any Policy Costs shall be made prior to replenishment of any such cash amounts. Draws on all Credit Facilities (including the applicable Debt Service Reserve Fund Surety Policy) on which there is available coverage shall be made on a pro-rata basis (calculated by reference to the coverage then available thereunder) after applying all available cash and investments in the Series 2017 Debt Service Reserve Fund and the Series 2019 Debt Service Reserve Fund. Payment of Policy Costs and reimbursement of amounts with respect to other Credit Facilities shall be made on a pro-rata basis prior to replenishment of any cash drawn from the Series 2017 Debt Service Reserve Fund and the Series 2019 Debt Service Reserve Fund. For the avoidance of doubt, “available coverage” means the coverage then available for disbursement pursuant to the terms of the applicable alternative credit instrument without regard to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.

(b) If either the Authority or the Corporation shall fail to pay any Policy Costs in accordance with the requirements of subparagraph (a) hereof, the Bond Insurer shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under the Indenture other than (i) acceleration of the maturity of the Bonds or (ii) remedies which would adversely affect owners of the Bonds.

(c) The Indenture shall not be discharged until all Policy Costs owing to the Bond Insurer shall have been paid in full. The Authority's obligation to pay such amounts shall expressly survive payment in full of the Insured Bonds.

(d) The Authority shall include any Policy Costs then due and owing the Bond Insurer in the calculation of the additional bonds test and the rate covenant in the Bond Documents.

(e) The Trustee shall ascertain the necessity for a claim upon the Debt Service Reserve Fund Surety Policy in accordance with the provisions of subparagraph (a) hereof and provide notice to the Bond Insurer in accordance with the terms of the Debt Service Reserve Fund Surety Policy at least three (3) Business Days prior to each date upon which interest or principal is due on the Insured Bonds.

Nothing in this Section 4.16 is intended to require or obligate nor shall anything herein be interpreted to require or obligate the Authority for any purpose or at any time whatsoever, to provide, apply or expend any funds coming into the hands of the Authority other than from the Trust Estate, which Trust Estate shall include without limitation payments under Section 6 of the Facilities Lease.

Section 4.17 Reserved.

Section 4.18 Surplus Fund. The Surplus Fund will continue to be maintained with the Trustee. Upon satisfaction of certain performance covenants contained in the Indenture, funds on deposit in the Surplus Fund at the end of any Fiscal Year may be transferred to the University. Until such transfer, moneys in the Surplus Fund will be available to be transferred to the Interest Account and/or the Principal Account of the Debt Service Fund whenever and to the extent that money on deposit in such Accounts is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Bonds.

Section 4.19 Series 2019 Current Refunding Fund. The Series 2019 Current Refunding Fund shall be maintained by the Trustee in trust and shall be used to receive the immediate transfer from the proceeds of the Series 2019 Bonds as provided in Section 4.2 hereof. Moneys in the Current Refunding Fund shall be used by the Trustee to redeem the Series 2004B Bonds on February 8, 2019. Any amounts remaining in the Series 2019 Current Refunding Fund following redemption of the Series 2004B Bonds on February 8, 2019 shall be deposited into the Interest Account of the Series 2019 Debt Service Fund.

Section 4.20 Investments.

(a) Moneys contained in the funds and accounts held by the Trustee under Section 4.1 of this Indenture shall be continuously invested and reinvested by the Trustee at the direction of the Corporation in Permitted Investments, to the extent practicable, that shall mature (or be readily convertible to cash) not later than the respective dates, as estimated by the Corporation, when the moneys in said Funds and Accounts shall be required for the purposes intended, and:

(i) No such investment shall be required to be made unless the cash at the time available therefor is at least equal to \$1,000;

(ii) The Trustee shall be authorized, to the extent necessary to enable the Trustee to discharge or perform its obligations hereunder, at any one or more times to sell any part or all of the investments whenever it may, for any reason or purpose whatsoever, deem any such sale to be desirable;

(iii) Any income derived from and any profit or loss on any such investment of moneys on deposit in any such fund or account shall be credited or debited, as the case may be, to the respective fund or account in which earned except that if the balance of the Debt Service Reserve Fund is equal to or greater than the Debt Service Reserve Fund Requirement, earnings in the Debt Service Reserve Fund shall be transferred to the Interest Account of the appropriate Debt Service Fund;

(iv) No Permitted Investments in any fund or account may mature beyond the latest maturity date of any Bonds outstanding at the time such Permitted Investments are deposited. For the purposes of this section, the maturity date of repurchase agreements for obligations is the maturity date of such repurchase agreements and not the maturity date of the underlying obligation;

(v) Moneys in the Debt Service Reserve Fund may be invested only in Permitted Investments maturing or redeemable at the option of the holder not later than two (2) years from the date of purchase thereof; provided, however, if moneys in the Debt Service Reserve Fund shall be invested in a guaranteed investment contract the Value of which is equal to the amount available to be withdrawn therefrom, such guaranteed investment contract may have a term of up to ten (10) years; and

(vi) No float forward or forward purchase agreement or other arrangement, agreement or financial product may be utilized in connection with the Debt Service Fund the Debt Service Reserve Fund or the Replacement Fund unless the Bond Insurer so permits and the terms thereof (including, without limitation, the parties thereto) are satisfactory to the Bond Insurer and, if satisfactory to the Bond Insurer, such agreements will constitute Permitted Investments.

(b) An Authorized Corporation Representative shall give to the Trustee directions respecting the investment of any money required to be invested hereunder, subject, however, to the provisions of this Article and Article V of the Agreement, and the Trustee shall then invest such money under this Section as so directed. The Trustee shall in no event have any liability for any loss resulting from the investment of moneys in accordance with the directions of the Authorized Corporation Representative. The Trustee shall furnish the Authority annually with a written copy and the Corporation with a written copy for the Board, on at least a monthly basis, of the types, amounts, yield and maturities of all such investments.

(c) All cash investments shall be valued by the Trustee as frequently as deemed necessary by the Trustee, but not less often than annually, at the market value thereof. Deficiencies in the amount on deposit in any fund or account resulting from a decline in market value shall be restored no later than the succeeding valuation date.

Section 4.21 Depository of Moneys and Security for Deposits. All of the funds and accounts established hereunder (except for the Rebate Fund) shall be special trust accounts held by the Trustee in trust for the benefit of the owners of the Bonds and shall not be subject to lien or attachment by any creditors of the Trustee, the Authority, the Corporation, or the Board. Uninvested sums in these funds and accounts shall be continually secured as are deposits of uninvested sinking funds of political subdivisions of the State or in the manner prescribed by Federal law for securing any Federal trust funds as may be prescribed from time to time by the Comptroller of the Currency.

Section 4.22 Arbitrage. Notwithstanding all the provisions hereof, the Authority or the Corporation shall not direct the investment of moneys in the various funds and accounts created hereunder in a manner that would result in the loss of exclusion from gross income of interest on the Bonds for Federal income tax purposes or in such manner which would result in the Bonds becoming “arbitrage bonds” within the meaning of Section 148 of the Code.

Section 4.23 Payments from the Series 2017 Project Fund.

(a) Payment of the Costs of the Series 2017 Facilities shall be made from the proceeds of the Series 2017 Bonds deposited into the Series 2017 Project Fund; provided, however that interest earnings on the amounts deposited into the Series 2017 Project Fund shall be transferred semi-annually fifteen (15) days prior to each Interest Payment Date, to the corresponding account of the Series 2017 Debt Service Fund and used to make the next payment of interest on the Series 2017 Bonds. All payments from the Series 2017 Project Fund shall be subject to the provisions and restrictions set forth in this Article, and the Authority covenants that it will not cause or permit to be paid from the Series 2017 Project Fund any sums except in accordance with such provisions and restrictions.

(b) Moneys in the Series 2017 Project Fund shall be used to pay the Costs of the Series 2017 Facilities; provided that if an Event of Default under the Agreement or this Indenture has occurred and is continuing, the Trustee shall transfer moneys in the Series 2017 Project Fund to the appropriate account of the Series 2017 Debt Service Fund for the purpose of paying the principal of and interest on the Series 2017 Bonds.

Section 4.24 Costs of the Series 2017 Facilities. For the purpose of this Indenture, the Costs of the Series 2017 Facilities shall embrace such costs as are eligible costs within the purview of the Act and, with respect to the Series 2017 Bonds, the Code and, without intending thereby to limit or restrict any proper definition of such costs, shall include the following:

Section 4.25 Requisitions from the Series 2017 Project Fund.

(a) Payments from the Series 2017 Project Fund shall be made in accordance with the provisions of this Section. In connection with a payment from the Series 2017 Project Fund, there shall be filed with the Trustee a requisition, substantially in the form of Exhibit B attached hereto and made a part hereof, signed by an Authorized Corporation Representative, stating:

- (i) the item number of each such payment;
- (ii) the name of the person, firm, or corporation to whom each such payment is due, or, if such payment has been made by the Corporation, that the Trustee is to reimburse the Corporation directly for such payment;
- (iii) the respective amounts to be paid;
- (iv) the purpose by general classification for which each obligation to be paid was incurred;
- (v) that obligations in the stated amounts have been incurred by the Corporation and are either (A) presently due and payable or (B) have been paid by the Corporation and that each item thereof is a proper charge against the Series 2017 Project Fund and has not been the subject of any prior requisition;
- (vi) that such requisition contains no item representing payment on account of any retainage to which the Corporation is entitled at the date of such requisition; and
- (vii) a certification that all work, materials, supplies, and equipment that are the subject of such requisition have been performed or delivered and are in accordance with the description of the Series 2017 Facilities referred to above.

(b) Upon receipt of each requisition, the Trustee shall pay the obligations set forth in such requisition out of the money in the Series 2017 Project Fund, and each such obligation shall be paid by check signed by one or more officers or employees of the Trustee designated for such purpose by the Trustee or by

wire transfer or credit to an account of the Corporation held by the Trustee or in such other manner as may be agreed on by the Corporation and the Trustee. In making such payments the Trustee may rely upon such requisitions. If for any reason the Corporation should decide prior to the payment of any item in a requisition not to pay such item, it shall give written notice of such decision to the Trustee and thereupon the Trustee shall not make such payment. Notwithstanding anything to the contrary provided in this Section, prior to payment of the first requisition, the Bondholders shall have received or shall have had an opportunity to review copies of a Memorandum of Ground Lease, a Memorandum of Facilities Lease, the Mortgage, and a UCC-1, each with stamped recordation information indicating that each document has been recorded in the mortgage, conveyance or clerk of court records of Tangipahoa Parish, as appropriate.

(c) The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured e-mail, facsimile transmission or other similar unsecured or electronic methods, provided however, that (i) such originally executed instructions or directions shall be signed by a person as may be designated and authorized to sign for the Corporation or in the name of the Corporation, by an authorized representative of the Corporation, and (ii) the Corporation shall provide to the Trustee an incumbency certificate listing such designated persons, which incumbency certificate shall be amended whenever a person is to be added or deleted from the listing. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict with or are inconsistent with a subsequent written instruction.

Section 4.26 Reliance upon Requisitions. All requisitions and opinions received by the Trustee as conditions of payment from the Series 2017 Project Fund may be relied upon by the Trustee and shall be retained by the Trustee, subject at all reasonable times to examination by the Authority, the Board, and the Corporation.

Section 4.27 Completion of the Series 2017 Facilities and Disposition of the Series 2017 Project Fund Balance. When the construction and renovation of the Series 2017 Facilities shall have been completed, which fact shall be evidenced to the Trustee by a certificate of an Authorized Corporation Representative delivered to the Trustee pursuant to Section 3.7 of the Agreement, the balance in the Series 2017 Project Fund shall be transferred by the Trustee to the Series 2017 Debt Service Fund (subject to the provisions of Section 4.4 hereof) and applied to redeem the Series 2017 Bonds in accordance with the provisions of Section 3.4 hereof, or as a credit towards the next debt service payment on the Series 2017 Bonds, all in accordance with the written direction of an Authorized Corporation Representative.

Section 4.28 Amounts Remaining in Funds; Releases. It is agreed by the parties hereto that any amounts remaining in the Funds and Accounts existing pursuant to this Indenture upon the expiration or sooner cancellation or termination of the Agreement, as provided therein, after payment in full of all Bonds then outstanding under this Indenture (or provisions for the payment thereof having been made in accordance with Article XII of this Indenture), and the fees, charges, and expenses of the Authority, the Bond Insurer, and the Trustee and all other amounts required to be paid under the Agreement and under this Indenture, other than amounts payable as arbitrage rebate under Section 148(f) of the Code, shall belong to and be paid to the Board.

Section 4.29 Application of Insurance Proceeds; Condemnation Award.

(a) If all or any portion of the Facilities is damaged or destroyed by a Casualty (as defined in the Facilities Lease), or is taken by Expropriation (as defined in the Facilities Lease) proceedings, the Board shall instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to

be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration, or replacement of the Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. The proceeds of any insurance, including the proceeds of any self-insurance through ORM, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction, or taking of all or any portion of the Facilities shall be delivered to the Trustee and held by the Trustee in a special account to be established upon receipt of any such funds and held by the Trustee in trust or in the case of self-insurance through ORM, as set forth in paragraph (b) below; and shall be made available for, and to the extent necessary be applied to, such restoration, repair, and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement, and repair of the Facilities with respect to which they are held, in each case promptly after receipt of a written request of the Corporation as advised by the Board stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee may conclusively rely upon such written requests and shall have no liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration, or replacement of the Facilities shall be paid by Trustee to the Corporation for the Board.

(b) In the event the University decides not to repair, restore or replace the Series 2004 Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation and including any portion of such payments attributable to the Board's interest) shall be paid to the Trustee and applied to the prepayment of the Series 2013 Bonds and the Series 2019 Bonds in accordance with the terms of this Indenture. In the event the University decides not to repair, restore, or replace the Series 2017 Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) shall be paid to the Trustee and applied to the redemption of the Series 2017 Bonds on a pro rata basis in accordance with this Indenture.

(c) In the event that ORM insures the Facilities, the Board shall cause the Corporation to use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration or replacement of the Facilities.

Section 4.30 Application of Money in the Replacement Fund.

(a) The Trustee shall, in accordance with Section 4.12 hereof, deposit an amount equal to the Replacement Fund Annual Funding Requirement into the Replacement Fund, annually on each August 1. Alternatively and with respect to the Series 2017 Bonds only, this requirement shall be deemed to have been satisfied and no annual deposits shall be required under Section 4.12 hereof if the Board shall cause to be deposited with the Trustee a one-time deposit to the Replacement Fund in an amount equal to ten percent (10%) of the hard construction costs of the Series 2017 Facilities (not including professional services and fees) on August 1 of the first full Fiscal Year of operation of the Series 2017 Facilities. The amounts required to be

deposited to the Replacement Fund hereunder may be reduced with the approval of the staff of the Board of Regents of the State of Louisiana, the Board and the Bond Insurer.

(b) All moneys in the Replacement Fund shall be held for the benefit of the Board through the Corporation, are not pledged under this Indenture and may be drawn on and used by the Corporation or the Board to (i) replace any worn out, obsolete, inadequate, unsuitable, or undesirable property, furniture, equipment, fixtures, and other property owned by the Board or the Corporation and located on the Facilities and (ii) maintain the Facilities and to make all alterations, repairs, restorations, and replacements to the Facilities as and when needed to preserve the Facilities in good working order, condition, and repair, each as required by the Facilities Lease. Withdrawals from the Replacement Fund for the purposes set forth above shall be made by the Trustee upon its receipt of a requisition from the Board or the Corporation substantially in the form attached hereto as Exhibit C to this Indenture. Moneys in the Replacement Fund may also be drawn by the Trustee and transferred to the Debt Service Fund if amounts on deposit therein, together with amounts available therefor in the Surplus Fund, are insufficient to pay debt service on the Bonds on any Interest Payment Date or Principal Payment Date.

(c) Any moneys remaining in the Replacement Fund immediately prior to the time all of the Bonds are paid, or provision for their payment is made in accordance with Article XII of the Indenture, shall, at the option of the University, be used, together with amounts held in the Debt Service Reserve Fund to pay in full all outstanding Bonds in accordance with their terms or shall be paid to the University.

Section 4.31 Application of Money in the Surplus Fund.

(a) Funds on deposit in the Surplus Fund at the end of any Fiscal Year may be transferred to the University on the date described below if (i) the Debt Service Coverage Ratio for the Facilities was 1.10:1.00 or greater for such Fiscal Year as evidenced by the audited financial statements for such Fiscal Year and (ii) neither the Corporation or the Board are in default under the financing documents on the date of transfer to the University. Upon receipt of the audited financial statements for such Fiscal Year, provided that the above described conditions have been met, then at the written instruction of the Board Representative, the Trustee shall transfer all of the amounts in the Surplus Fund on the last day of the immediately preceding Fiscal Year to the University.

(b) To the extent that there are insufficient funds in the Receipts Fund to make any of the transfers to the various funds and accounts required under Section 4.8(a) through (j) hereof on the dates such transfers are required to be made, any amounts contained in the Surplus Fund shall be transferred to such funds and accounts, in the priority set forth in Section 4.8 hereof, to make up for such deficiency.

Section 4.32 Application of Moneys in the Rebate Fund. Moneys in the Rebate Fund shall be used to make any rebate payments required to be made to the United States under the Code. The Rebate Fund shall be held for the sole benefit of the United States of America and is not pledged under this Indenture. Moneys required to be paid to the United States shall be deposited in the Rebate Fund, as applicable, by the Board as Base Rental under the Facilities Lease as required thereby and by this Indenture.

ARTICLE V
ADDITIONAL BONDS

Section 5.1 Additional Bonds.

(a) Additional Bonds may be issued in one or more series by the Authority at the request of the Corporation as advised by the Board under a supplement to this Indenture to pay all or part of the additional cost of the Facilities, so long as:

(i) No Event of Default under this Indenture has occurred and is then continuing and the Authority shall have approved the issuance of such additional bonds; and

(ii) There shall have been filed with the Trustee an opinion of an attorney or firm of attorneys generally recognized as having expertise in matters relating to municipal bonds to the effect that the exclusion from “gross income” for federal income tax purposes of the interest on the Bonds then outstanding under this Indenture shall not be adversely affected.

Such series of Additional Bonds shall be appropriately designated, shall be dated, shall bear interest at a rate or rates not exceeding the maximum rate then permitted by law, shall be numbered, shall have such paying agents and shall have such maturities and redemption provisions, all as may be provided in the supplement to this Indenture or the separate indenture authorizing the issuance of such series of Additional Bonds. It is anticipated that Additional Bonds will be issued hereunder to finance phase three of the Facilities.

The written consent of the Bond Insurer shall not be required in connection with the issuance of such Additional Bonds, but the Bond Insurer shall have the right to review and approve the documentation prepared in connection with the issuance of such Additional Bonds to ensure that such documentation is as contemplated by this Indenture and does not adversely affect the rights of the Bond Insurer under this Indenture in a manner not contemplated hereby.

(b) Additional Bonds may be issued under this Indenture for any other purpose with the prior written consent of the Bond Insurer.

Section 5.2 Refunding. Refunding Bonds may be issued under and secured by a supplement to this Indenture for the purpose of providing funds for the refunding of the Bonds and Additional Bonds; provided that if Refunding Bonds are issued other than for the purpose of realizing interest savings, the Bond Insurer’s consent in writing must be obtained prior to the issuance of such Additional Bonds and the execution of a Supplemental Indenture in accordance with Section 10.1(d) hereof.

Section 5.3 Additional Bonds and Refunding Bonds. The Bond Insurer shall receive copies of any disclosure documents circulated with respect to such Additional Bonds and Refunding Bonds.

ARTICLE VI
COSTS OF ISSUANCE

Section 6.1 Payment of Costs of Issuance from Series 2019 Bond Proceeds Fund. There shall be paid into the Series 2019 Costs of Issuance Account in the Series 2019 Bond Proceeds Fund the amounts required to be so paid from Series 2019 Bond proceeds pursuant to Section 4.2 of this Indenture; and such

amounts shall be applied to the payment of all items of expense, directly or indirectly payable or reimbursable and related to the authorization, sale and issuance of the Series 2019 Bonds including, but not limited to, publication costs, printing costs, costs of preparation and reproduction of documents, filing and recording fees, initial fees and charges of the Trustee, the Authority, or any other fiduciary, legal fees and charges, fees and disbursements of consultants and professionals and any other cost, charge or fee in connection with the original sale and issuance of the Series 2019 Bonds. Any additional costs of issuance shall be paid solely by the Corporation. The Trustee shall make payments from the Series 2019 Costs of Issuance Account upon receipt of statements from the parties entitled to be paid therefrom accompanied by a written request of the Authority directing the Trustee to pay such statements. Any amounts remaining in the Series 2019 Costs of Issuance Account after payment in full of all of the expenses and costs of issuance of the Series 2019 Bonds shall be transferred to the Interest Account of the Series 2019 Debt Service Fund.

ARTICLE VII ENFORCEMENT OF AGREEMENT AND FACILITIES LEASE

Section 7.1 Assignment of Agreement and Facilities Lease. The Authority has assigned all of its right, title, and interest in, to, and under the Agreement (except for rights relating to exculpation, indemnification, and payment of expenses thereunder), including the interest of the Authority in and to the Ground Lease and the Facilities Lease assigned by the Corporation to the Authority thereunder (except for payments of Additional Rentals made under the Facilities Lease), to the Trustee as security for the Bonds and hereby agrees that the Agreement and the Facilities Lease may be enforced by the Trustee and/or the owners of the Bonds in accordance with the terms of the Facilities Lease and this Indenture. Notwithstanding such assignment, the Authority agrees to cause the Corporation to comply with the terms contained in the Agreement and the Facilities Lease and the rights of the Bondholders and the Trustee shall be governed by the provisions of this Indenture, the Agreement, and the Facilities Lease.

All rights of action (including the right to file proof of claims) to enforce the Agreement, the Facilities Lease, and the Mortgage under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of the Bonds and without their production in any trial or other proceeding relating thereto. Any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee for the Bondholders without the necessity of joining as plaintiffs or defendants any of the Bondholders.

ARTICLE VIII EVENTS OF DEFAULT; REMEDIES

(vi) Default by the Authority in the due and punctual performance of any other of the covenants, conditions, agreements, and provisions contained in the Bonds or in this Indenture on the part of the Authority to be performed, if such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the Authority, the Board, the Bond Insurer and the Corporation by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the owners of not less than a majority in principal amount of the Bonds then outstanding. Such default shall not become an Event of Default if said default be of the nature that (A) it cannot be corrected within the thirty (30) day period after receipt of notice, but the Authority (or the Corporation pursuant to the provisions of Section 8.14 of this Indenture) promptly shall institute and diligently pursue corrective action until such default is cured, (B) the Trustee shall determine that such default is not curable but such default does not affect the validity or enforceability of the Bonds, this Indenture, or the Agreement, an event of nonperformance shall not have occurred under the Agreement (other than as a result of the cross-default provisions), and such default does not impair the security or the obligations provided for or under the Bonds, this Indenture, or the Agreement and (C) the Bond Insurer shall have consented to such event not being an Event of Default.

(b) The word “default” as used herein means failure of performance when due, exclusive of any period of grace, if any, allowed to correct any such failure.

(c) For all purposes of this Article VIII (other than Section 8.13 hereof), the Bond Insurer shall be deemed to be the sole owner of the Bonds it has insured for so long as it has not failed to comply with its payment obligations under the Bond Insurance Policies, and the Bond Insurer shall be entitled to (i) notify the Trustee of the occurrence of an Event of Default hereunder, (ii) request that the Trustee intervene in judicial proceedings that affect the Bonds or the security therefor, (iii) direct all remedies in the Event of Default, (iv) be recognized as the owner of each Bond which it insures for the purposes of exercising all rights and privileges available to Bondholders, (v) have the right to institute any suit, action, or proceeding at law or in equity under the same terms as a Bondholder in accordance with the provisions of the Indenture or each Bond for which it insures.

Notwithstanding anything to the contrary, any acceleration of principal payments must be subject to the Bond Insurer’s prior written consent.

Section 8.3 Remedies. Upon the occurrence of an Event of Default, the Authority, the Trustee, and, subject to Sections 8.10 and 8.11, and all rights granted to the Bond Insurer under Article VIII of the

Indenture, the Bondholders shall have all the rights and remedies as may be allowed by law, the Indenture, the Mortgage, or pursuant to the provisions of the Agreement and/or the Facilities Lease by virtue of their assignment hereunder, including but not limited to, acceleration of the maturity of all Bonds, or suit at law or in equity to enforce or enjoin the action or inaction of parties under the provisions of the Indenture, the Mortgage, the Agreement or the Facilities Lease.

Section 8.4 Acceleration; Annulment of Acceleration.

(a) Upon the occurrence of an Event of Default described in Section 8.2 of the Indenture, the Trustee may, and upon the written request of the Bond Insurer or the owners of a majority in aggregate principal amount of the Bonds shall, by notice in writing to the Authority, the Board, and the Corporation, declare the Bonds then outstanding immediately due and payable, and such Bonds shall become and be immediately due and payable, anything in such Bonds or in the Agreement or this Indenture to the contrary notwithstanding, and, subject to Article IX, the Trustee may exercise any remedies granted to it therein. (b) At any time after the principal of the Bonds shall have been so declared to be due and payable and before the entry of final judgment or decree in any suit, action, or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under the Indenture, the Mortgage, the Agreement, or the Facilities Lease, the Trustee may annul such declaration and its consequences with respect to the Bonds if (i) moneys shall have been deposited in the Debt Service Fund sufficient to pay all matured installments of principal (other than principal due solely because of acceleration) and interest; (ii) moneys shall be available sufficient to pay the charges, compensation, expenses, disbursements, advances, and liabilities of the Authority and the Trustee; (iii) all other amounts then payable by the Authority or the Corporation the Indenture or the Agreement shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee; and (iv) every Event of Default known to the Authority or the Trustee (other than a default in the payment of the principal of the Bonds due only because of such declaration) shall have been remedied to the satisfaction of the Authority and the Trustee. No such annulment shall extend to or affect any subsequent Event of Default or impair any right consequent thereon.

(c) No waiver of any Event of Default shall be effective without the prior written consent of the Bond Insurer.

Section 8.5 Insufficiency in the Debt Service Fund; Application of Moneys.

(a) Anything in this Indenture to the contrary notwithstanding, if at any time the moneys in the Debt Service Fund shall not be sufficient to pay the interest on, premium, if any, or the principal of the Bonds, as applicable, as the same shall become due and payable (either by their terms or by acceleration of maturities), such moneys, together with any other moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, including, without limitation, moneys paid by the Corporation pursuant to the Mortgage, shall, subject to the provisions of Sections 9.2 and 9.4 hereof, be applied as follows:

(i) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

FIRST, to the payment to the persons entitled thereto of all installments of interest then due and payable in the order in which such installments became due and payable and, if

the amount available shall not be sufficient to pay any particular installment, then to the payment thereof, ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds, as applicable; then

SECOND, to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds which shall have become due and payable (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture) in the order of their due dates, with interest on the principal amount of such Bonds due and payable, and, if the amount available shall not be sufficient to pay in full the principal of the Bonds and their interest thereon, then to the payment thereof ratably, according to the amount of the interest due on such date, and next to the payment of the principal, ratably, according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference; and then

THIRD, to the payment of the interest on and the principal of the Bonds, to the purchase and retirement of Bonds and to the redemption of Bonds, all in accordance with the provisions of this Indenture.

(ii) If the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference; and

(iii) If the principal of all the Bonds shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled, then, subject to the provisions of Section 8.4(b) above, in the event that the principal of all the Bonds shall later become or be declared due and payable, then all such moneys shall be applied in accordance with the provisions of Section 8.4(a) above.

(b) Whenever money is to be applied by the Trustee pursuant to the provisions of this Section, such money shall be applied by the Trustee at such times and from time to time as the Trustee in its sole discretion shall determine, having due regard to the amount of such money available for application and the likelihood of additional money becoming available for application in the future; the deposit of such money or otherwise setting aside such money in trust for the proper purpose shall constitute proper application by the Trustee; and the Trustee shall incur no liability whatsoever to the Authority, to any Bondholder or to any other person for any delay in applying any such money, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this Indenture as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such money, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date and shall not be required to make payment to the owner of any Bond shall be surrendered to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 8.6 Discontinuance of Proceedings. In case any proceeding taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, then and in every such case the Authority, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no proceeding had been taken.

Section 8.7 Appointment of Receiver. Upon the occurrence of an Event of Default, and upon filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Bondholders under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or keeper pending such proceedings, with such powers as the court making such appointment shall confer. Any expenses incurred in connection with such appointment shall be paid by the Corporation but only from the Trust Estate.

Section 8.8 Remedies Not Exclusive. No remedy by the terms of this Indenture conferred upon or reserved to the Trustee or the Bondholders is intended to be exclusive of any other remedy, but each and every remedy shall be cumulative and shall be in addition to every other remedy given under this Indenture or existing at law or in equity on or after the date of adoption of this Indenture.

Section 8.9 Remedies Vested in Trustee. All rights of action under this Indenture, the Loan Agreement, the Mortgage, or under any of the Bonds may be enforced by the Trustee without possession of the Bonds and without their production in any trial or other proceeding relating thereto. Any suit or proceeding instituted by the Trustee may be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any owners of the Bonds.

Section 8.10 Majority of Bondholders Control Proceedings. Subject to Section 8.6, if an Event of Default shall have occurred and be continuing, notwithstanding anything in this Indenture to the contrary, but subject to all rights granted to the Bond Insurer in this Indenture, the owners of at least a majority of the aggregate outstanding principal amount of Bonds then outstanding shall have the right, at any time by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting any proceeding to be taken in connection with the enforcement of the terms and conditions of this Indenture, provided the direction is in accordance with law and the provisions of this Indenture and, in the sole judgment of the Trustee, is not unduly prejudicial to the interest of Bondholders not joining in such direction, and provided further, that nothing in this Section shall impair the right of the Trustee in its discretion to take any other action under this Indenture which it may deem proper and which is not inconsistent with the direction by Bondholders.

Section 8.11 Individual Bondholder Action Restricted.

(a) No owner of any Bond shall have any right to institute any suit, action, or proceeding for the enforcement of this Indenture or for the execution of any trust hereunder or for any remedy under this Indenture unless an Event of Default has occurred (other than under Sections 8.2(a)(i) or 8.2(a)(ii)) hereof as to which the Trustee has actual notice, or as to which the Trustee has been notified in writing; and

(b) No one or more owners of Bonds shall have any right in any manner whatsoever to disturb or prejudice the security of this Indenture or to enforce any right hereunder except in the manner herein provided and then only for the equal benefit of the owners of all outstanding Bonds.

Section 8.12 Waiver and Non-Waiver of Event of Default. No delay or omission of the Trustee or of any owner of Bonds to exercise any right or power accruing upon any Event of Default shall impair the right

or power or shall be construed to be a waiver of an Event of Default or an acquiescence therein. Every power and remedy given by this Article to the Trustee and to the owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 8.13 Notice of Defaults.

(a) Within thirty (30) days after the receipt of notice of an Event of Default or the occurrence of an Event of Default of which the Trustee is deemed to have notice, the Trustee shall (unless the Event of Default has already been cured) give written notice of the Event of Default to the owners of all Series 2013 Bonds, Series 2017 Bonds, and Series 2019 Bonds then outstanding in the manner provided in Section 13.8 of this Indenture, provided that, except in the case of a default in the payment of principal, redemption price, or interest on any of the Series 2013 Bonds, the Series 2017 Bonds, and the Series 2019 Bonds, the Trustee may withhold the notice to the Bondholders if, in its sole judgment, it determines that the withholding of notice is not detrimental to the best interest of the Bondholders.

(b) The Trustee shall immediately notify, in writing, the Authority, the Board, the Bond Insurer, and the Corporation of any Event of Default known to the Trustee.

Section 8.14 Opportunity of Corporation to Cure Certain Defaults. The Authority and the Trustee hereby grant the Corporation full authority on the account of the Board and/or the Authority to perform any covenant or obligation and to otherwise fulfill any condition the failure or non-performance of which is or is alleged to be a default under Section 8.2(a)(vi) of this Indenture, and the Trustee agrees that performance by the Corporation shall be deemed to be performance by the Board and/or the Authority.

ARTICLE IX
CONCERNING THE TRUSTEE

Section 9.1 Acceptance of Trusts. The Trustee hereby represents and warrants to the Authority (for the benefit of the Board, the Corporation and the Bondholders as well as the Authority) that it is a state banking corporation duly organized and existing under the laws of the State of Alabama and that it is duly authorized under such laws to accept and execute trusts of the character herein set out. The Trustee accepts and agrees to execute the trusts imposed upon it by this Indenture, but only upon the terms and conditions set forth in this Article and subject to the provisions of this Indenture including the following express terms and conditions, to all of which the parties hereto and the respective Owners of the Bonds agree:

(a) Except during the continuance of an Event of Default within the purview of Section 8.2, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and the Trustee shall not be responsible for (x) the legality or enforceability of this Indenture (except with respect to performance of its obligations hereunder), the Agreement (except with respect to performance of its obligations hereunder), the Facilities Lease (except with respect to performance of its obligations hereunder), the Tax Regulatory Agreement (except with respect to performance of its obligations thereunder), and any supplement thereto, the Bonds (except as to the authentication of the Bonds), or any instruments or documents related thereto (collectively, the “*Transaction Documents*”) or (y) the legality, perfection, sufficiency or priority of the Trust Estate or any lien purported to be granted thereon under any of the aforesaid documents or otherwise. No implied covenants or obligations shall be read into this Indenture against the Trustee.

(b) No provision of this Indenture shall be construed to relieve the Trustee from liability for its negligence or willful misconduct, except that:

(i) in the absence of bad faith on the part of the Trustee, the Trustee may rely upon the authenticity of, and the truth of the statements and the correctness of the opinions expressed in, and shall be protected fully from liability in relying or acting upon, any resolution, opinion of counsel, certificate, request, notice, consent, waiver, order, signature guaranty, notarial seal, stamp, acknowledgment, verification, appraisal, report or other paper or document believed by the Trustee to be genuine and to have been signed, affixed or presented by the proper party or parties; but in the case of any such certificates or opinions that by any provision hereby are specifically required to be furnished to the Trustee, as the case may be, the Trustee shall be under a duty to examine the same to determine whether or not they conform to requirements of this Indenture;

(ii) in the absence of bad faith on the part of the Trustee, whenever the Trustee, or any of its agents, representatives, experts or counsel, shall consider it necessary or desirable that any matter be proved or established, such matter shall be deemed to be conclusively proved and established by a certificate executed by an Authorized Authority Representative or an Authorized Corporation Representative; provided, however, that the Trustee, or such agent, representative, expert or counsel may require, but is not obligated to require, such further and additional evidence and make such further investigation as it or they may consider reasonable;

(iii) the Trustee may consult with counsel and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered hereunder in good faith and in accordance with such advice or opinion of counsel;

(iv) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith and in accordance with any direction or request of the Bondholders;

(v) the Trustee shall not be liable for any error of judgment made in good faith by an officer or employee of the Trustee unless the Trustee is negligent in ascertaining the pertinent facts;

(vi) the Trustee shall not be deemed to have knowledge of any Event of Default, except for the failure of the Corporation to make or cause to be made scheduled payments to the Trustee provided for in the Agreement, unless and until an officer of the Trustee who customarily handles corporate trusts and is assigned to supervise this Indenture shall have actual knowledge thereof or the Trustee shall have received written advice thereof from any Bondholder;

(vii) anything in any of the Transaction Documents to the contrary notwithstanding, whether or not an Event of Default shall have occurred, the Trustee shall not be under any obligation to take any action under this Indenture that may involve it in any expense or liability, the payment of which within a reasonable time is not, in its opinion, assured to it by the security afforded to it by the terms of this Indenture, unless it is requested in writing to do so by one or more owners of the Bonds outstanding hereunder and furnished, from time to time as it may require, with security and indemnity satisfactory to it;

(viii) the Trustee need not take any action or follow any direction from any one or more Bondholders if the Trustee shall be advised by counsel that the action or proceedings so directed may not lawfully be taken or would be prejudicial to Bondholders not parties to such direction, or the Trustee in good faith believes following such direction would involve the Trustee in personal liability;

(ix) in no event shall the Trustee be liable to any person for special, indirect, punitive, exemplary or consequential damages, lost profits or loss of business arising under or in connection

with this Indenture, even if previously informed of the possibility of such damages and regardless of the form of action; and

(x) anything to the contrary in the Transaction Documents notwithstanding, the permissive right of the Trustee to do anything enumerated or set forth in any of the Transaction Documents shall not be construed as a duty, and the Trustee shall not be held responsible or liable for other than its negligence or willful misconduct.

(c) In case an Event of Default within the purview of Section 8.2 hereof has occurred and is continuing and the Trustee has or is deemed to have knowledge of the Event of Default pursuant to (b)(vi) above, subject to the provisions of this Article IX, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the degree of care and skill in their exercise as a prudent man would exercise under the circumstances.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee, including without limitation Sections 9.3 and 9.4 hereof, shall be subject to the provisions of this Section 9.1. The Trustee also accepts, and agrees to do and perform, the duties and obligations imposed upon it by and under the Agreement, and the Facilities Lease, but only upon the terms and conditions set forth in the Agreement, the Facilities Lease, and this Indenture. The rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty.

Section 9.2 Trustee Entitled to Indemnity. The Trustee shall be under no obligation to institute any suit, or to take any remedial proceeding under this Indenture or under the Agreement, or to enter any appearance in or in any way defend against any suit, in which it may be made a defendant (except in the case of the Trustee's own negligence), or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder or under the Agreement or the Facilities Lease, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability; the Trustee may, nevertheless, begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as such Trustee, without indemnity, and in such case the Authority shall reimburse the Trustee from funds available therefor under the Agreement for all costs and expenses, outlays and counsel fees and other reasonable disbursements properly incurred in connection therewith. If the Authority shall fail to make reimbursement, the Trustee may reimburse itself from any moneys in its possession under the provisions of this Indenture and shall be entitled to a preference over any of the Bonds.

Section 9.3 Trustee Not Responsible for Insurance, Taxes, Execution of Indenture, Acts of the Authority or Application of Moneys Applied in Accordance with this Indenture.

(a) The Trustee shall not be under any obligation to effect or maintain insurance or to renew any policies of insurance or to inquire as to the sufficiency of any policies of insurance carried by the Board or to report, or make or file claims or proof of loss for, any loss or damage insured against or which may occur, or to keep itself informed or advised as to the payment of any taxes or assessments, or to require any such payment to be made. The Trustee shall have no responsibility in respect of the validity, sufficiency, due execution or acknowledgment of this Indenture or the validity or sufficiency of the security provided hereunder or in respect of the validity of the Bonds or the due execution or issuance thereof, except as to the authentication thereof.

(b) The Trustee shall not be under any obligation to see that any duties herein imposed upon any party other than itself, or any covenants herein contained on the part of any party other than itself to be performed, shall be done or performed, and the Trustee shall be under no obligation for failure to see that any such duties or covenants are so done or performed.

(c) The Trustee shall not be liable or responsible because of the failure of the Authority or of any of its employees or agents to make any collections or deposits or to perform any act herein required of the Authority or because of the loss of any moneys arising through the insolvency or the act or default or omission of any other depository in which such moneys shall have been deposited under the provisions of this Indenture. The Trustee shall not be responsible for the application of any of the proceeds of the Bonds or any other moneys deposited with it and paid out, withdrawn or transferred hereunder if such application, payment, withdrawal or transfer shall be made in accordance with the provisions of this Indenture.

(d) The immunities and exemptions from liability of the Trustee hereunder shall extend to its directors, officers, employees and agents.

Section 9.4 Compensation. The Trustee shall be entitled to reasonable compensation for its ordinary services hereunder consistent with the results of the process by which the Trustee was selected and any extraordinary services rendered hereunder and to reimbursement for all expenses incurred in good faith hereunder, including the compensation, expenses and disbursements of such agents, representatives, experts and counsel as the Trustee may employ in connection with the exercise and performance of its powers and duties hereunder. Subject to the provisions of any contract relating to the compensation of the Trustee, the Authority shall cause the Board to pay to the Trustee as administrative expenses its reasonable fees and charges as Additional Rent in accordance with the Facilities Lease upon the written request of the Trustee and provided the Authority shall be furnished with sufficient funds to pay all costs and expenses (including attorneys' fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue. If the Board shall fail to make any payment required by this Section, the Trustee may, but shall be under no obligation to, make such payment from any moneys in its possession under the provisions of this Indenture, and the Trustee shall be entitled to a preference therefor over any of the Bonds Outstanding hereunder.

Section 9.5 Trustee to Preserve Records. All records and files pertaining to the Corporation in the custody of the Trustee shall be open at all reasonable times to the inspection of the Authority, the Board, the Corporation and their agents and representatives.

Section 9.6 Trustee May be Bondholder. The Trustee and its directors, officers, employees, or agents may in good faith buy, sell, own, hold and deal in any of the Bonds issued under and secured by this Indenture, and may join in the capacity of a Bondholder in any action which any Bondholder may be entitled to take with like effect as if such institution were not the Trustee under this Indenture.

Section 9.7 Trustee Not Responsible for Recitals. The recitals, statements and representations contained herein and in the Bonds shall be taken and construed as made by and on the part of the Authority and not by the Trustee, and the Trustee shall not be under any responsibility for the correctness of the same.

Section 9.8 Trustee Responsible for Reinscription. The Trustee, as set forth in the Agreement, is required to reinscribe the Mortgage at such times as shall be necessary to preserve the lien thereof. Under the Loan Agreement, the Corporation has covenanted to cooperate with the Trustee with regard to the foregoing. The Trustee shall notify the Authority in the event that any continuation statement shall be required to be filed in order to keep current any financing statements or other filings with respect to security interests securing the Bonds.

Section 9.9 Trustee May Rely on Certificates. Subject to the provisions of Section 9.1(b), the Trustee shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Indenture, upon any resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or person or to have been prepared and furnished pursuant to any of the provisions of the Agreement or this Indenture, or upon the written opinion of any attorney, engineer, accountant or other expert believed by it to be qualified in relation to the subject matter, and the Trustee shall not be under any duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument.

Section 9.10 Qualification of the Trustee. There shall at all times be a trustee hereunder which shall be a bank or trust company in good standing, duly authorized to exercise trust powers, subject to examination by federal or state authority, which is either (a) a bank or trust company, (b) a wholly-owned subsidiary of a bank or trust company, or (c) a wholly-owned subsidiary of a bank or holding company which has as a wholly-owned subsidiary a bank or trust company, in any case the holding company, bank or trust company having a combined capital, surplus and undivided profits of at least \$30,000,000, or assets under management of at least \$250,000,000, if there be such an institution willing, able and legally qualified to perform the duties of the Trustee hereunder on reasonable or customary terms. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 9.11 Resignation and Removal of Trustee.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee, acceptable to the Bond Insurer, and otherwise appointed under Section 9.12 hereof and until notice of resignation or removal and appointment, as the case may be, shall have been provided to the Bond Insurer. Notwithstanding anything herein to the contrary, the appointment of any successor Trustee must be approved in writing by the Bond Insurer.

(b) The Trustee may resign at any time by giving written notice thereof to the Authority, the Bond Insurer, the Board, the Corporation, and the Bondholders. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within thirty (30) days after the giving of such notice of resignation, the retiring Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed for cause at any time by an instrument or instruments in writing to the Trustee, with copies to the Authority, the Bond Insurer, the Board, and the Corporation, signed by the owners of not less than a majority in aggregate principal amount of the Bonds then outstanding, or by their attorneys, legal representatives, or agents and delivered to the Trustee, the Authority, the Board, and the Corporation (such instruments to be effective only when received by the Trustee). The Authority, at the direction of the Corporation, may also remove the Trustee, provided there is no event of default, at any time in the manner set forth in this Section 9.11(c). The Trustee may be removed for cause at any time at the request of the Bond Insurer.

(d) If at any time,

(i) the Trustee shall cease to be eligible under Section 9.10 hereof and shall fail to resign after written request therefor by the Corporation for the Board or by any Bondholder, or

(ii) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in any such case, (1) the Authority, in its discretion and without obligation, may or the Corporation, on behalf of the Board, may remove the Trustee, or (2) any Bondholder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor, but only, in each case, with the prior written approval of the Bond Insurer.

(e) If the Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause other than resignation (it being understood that no vacancy may occur as a result of resignation since the Trustee may not resign unless a successor has been appointed) or if the Trustee tenders its resignation, the Authority with the approval of the Corporation, and the Board (whose consent shall not be unreasonably withheld) and the Bond Insurer shall promptly appoint a successor provided the Authority shall be furnished with sufficient funds to pay all costs and expenses (including attorneys' fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by an instrument or concurrent instruments in writing executed by the owners of not less than a majority in aggregate principal amount of the Bonds then outstanding, and delivered to the Corporation for the Board and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede the successor Trustee appointed by the Authority. If no successor Trustee shall have been so appointed by the Authority or the Bondholders and accepted appointment in the manner hereinafter provided, any Bondholder who has been a bona fide owner of a Bond for at least six (6) months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Authority shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first class mail, postage prepaid, to all Bondholders upon the written request of the Trustee and provided the Authority shall be furnished with sufficient funds to pay all costs and expenses (including attorney's fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue. Each notice shall include the name and address of the principal corporate trust office of the successor Trustee.

Section 9.12 Successor Trustee.

(a) Every successor Trustee appointed hereunder shall execute, acknowledge, and deliver to its predecessor, and also to the Authority, the Bond Insurer, and the Corporation for the Board, an instrument in writing accepting such appointment hereunder, and thereupon such successor Trustee, without any further act, shall become fully vested with all the rights, immunities, powers, and trusts, and subject to all the duties and obligations, of its predecessors; but such predecessor shall, nevertheless, on the written request of its successor or of the Authority and upon payment of the expenses, charges, and other disbursements of such predecessor which are payable pursuant to the provisions of Section 9.4 hereof, execute and deliver an instrument transferring to such successor Trustee all the rights, immunities, powers, and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all property and moneys held by it hereunder to its successor, subject, nevertheless, to its preference, if any, provided for in Sections 9.2 and 9.4 hereof. Should any instrument in writing from the Authority be required by any successor Trustee for more fully and certainly vesting in such Trustee the rights, immunities, powers, and trusts hereby vested or intended to be vested in the predecessor Trustee any such instrument in writing shall and will be executed, acknowledged and delivered by the Authority upon the written request of the Trustee and provided the

Authority shall be furnished with sufficient funds to pay all costs and expenses (including attorneys' fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue.

(b) Notwithstanding any of the foregoing provisions of this Article, any bank or trust company having power to perform the duties and execute the trusts of this Indenture and otherwise qualified to act as Trustee hereunder with or into which the bank or trust company acting as Trustee may be merged or consolidated, or to which the corporate trust assets and corporate trust business of such bank or trust company may be sold, shall be deemed the successor of the Trustee.

Section 9.13 Co-Trustee.

(a) It is the purpose hereof that there shall be no violation of any law of any jurisdiction (including particularly the laws of the State) denying or restricting the right of banks or trust companies to transact business as trustee in such jurisdiction. It is recognized that in case of litigation hereunder and in particular in case of the enforcement of this Indenture upon the occurrence of an Event of Default, it may be necessary that the Trustee appoint an additional individual or institution as a separate Trustee or Co-Trustee. The following provisions of this Section are adapted to these ends.

(b) Upon the incapacity or lack of authority of the Trustee, by reason of any present or future law of any jurisdiction, to exercise any of the rights, powers and trusts herein granted to the Trustee or to hold title to the Trust Estate or to take any other action which may be necessary or desirable in connection therewith, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in a separate Trustee or Co-Trustee appointed by the Trustee but only to the extent necessary to enable the separate Trustee or Co-Trustee to exercise such rights, powers and trusts, and every agreement and obligation necessary to the exercise thereof by such separate Trustee or Co-Trustee shall run to and be enforceable by either of them.

(c) Should any deed, conveyance or instrument in writing from the Authority be required by the separate Trustee or Co-Trustee so appointed by the Trustee in order to more fully and certainly vest in and confirm to him or it such properties, rights, powers, trusts, duties, and obligations, any and all such deeds, conveyances, and instruments shall, on request, be executed, acknowledged, and delivered by the Authority upon the written request of the Trustee and provided the Authority shall be furnished with sufficient funds to pay all costs and expenses (including attorneys' fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue. In case any separate Trustee or Co-Trustee, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate Trustee or Co-Trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new Trustee or successor to such separate Trustee or Co-Trustee.

Section 9.14 Disclosure Documents. The Trustee shall have no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum or other disclosure material prepared or distributed with respect to the Bonds, except as provided in Section 13.13 herein.

ARTICLE X
SUPPLEMENTAL INDENTURES

Section 10.1 Supplemental Indentures Not Requiring Consent of Bondholders. The Authority and the Trustee may, with the consent of the Bond Insurer but without the consent of, or notice to, any of the

Bondholders, enter into an indenture or indentures supplemental to this Indenture as shall not be inconsistent with the terms and provisions hereof and in the opinion of the Trustee shall not materially and adversely affect the interest of the Bondholders for any one or more of the following purposes:

- (a) To cure any ambiguity or formal defect or omission in this Indenture;
- (b) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may be lawfully granted to or conferred upon the Bondholders or the Trustee or either of them;
- (c) To subject to the lien and pledge of this Indenture additional revenues, properties or collateral;
- (d) To provide for the issuance of Additional Bonds in conformity with the provisions of Article V of this Indenture and to fix all details with respect thereto or to provide further conditions, limitations or restrictions on the issuance of Additional Bonds;
- (e) To modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification hereof or thereof under any federal statute hereafter in effect or under any state Blue Sky Law, and, in connection therewith, if they so determine, to add to this Indenture or any indenture supplemental hereto such other terms, conditions and provisions as may be permitted or required by any said federal statute or Blue Sky Law; provided, that any such indenture supplemental hereto referred to in this Section 10.1(e) shall not, in the judgment of the Trustee, which may rely on an opinion of counsel, be to the prejudice of the owners of the Bonds; or
- (f) To provide any other modifications which, in the sole judgment of the Trustee, are not prejudicial to the interests of the Bondholders.

Section 10.2 Supplemental Indentures Requiring Consent of Bondholders. Anything contained in this Indenture to the contrary notwithstanding, except for indentures supplemental hereto authorized by Section 10.1 of this Indenture and subject to the terms and provisions contained in this Section 10.2, and not otherwise, the owners of not less than a majority in aggregate principal amount of the Bonds then outstanding shall have the right from time to time, with the consent of the Bond Insurer, to consent to and approve the execution by the Authority and the Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable by the Authority for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any indenture supplemental hereto; provided, however, that nothing contained in this Section 10.2 shall permit, or be construed as permitting, without the consent of the Bond Insurer and the owners of all the Bonds then outstanding (a) an extension of the stated maturity or scheduled sinking fund redemption or reduction in the principal amount or premium of, or reduction in the rate or extension of the time of payment of interest on, any Bonds, or (b) the creation of any lien on the Trust Estate or any part thereof pledged under this Indenture prior to or on a parity with the lien of this Indenture, or (c) a reduction in the aforesaid aggregate outstanding principal amount of Bonds the owners of which are required to consent to any such indenture supplemental hereto. No such amendment shall modify the rights, duties or immunities of the Trustee without the written consent of the Trustee.

If at any time the Authority shall request the Trustee to enter into any such supplemental indenture for any of the purposes of this Section 10.2, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such supplemental indenture to be given to the Bondholders in the manner provided in Section 13.8 of this Indenture. Such notice shall briefly set forth the

nature of the proposed supplemental indenture and shall state that copies thereof are on file at the principal corporate trust office of the Trustee for inspection by all Bondholders. If, within ninety (90) days or such longer period as shall be prescribed by the Authority following the giving of such notice, the owners of not less than a majority in aggregate principal amount of the Bonds outstanding at the time of the execution of any such supplemental indenture shall have consented to and approved the execution thereof as herein provided, no owner of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Authority from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental indenture as in this Section 10.2 permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith.

So long as no event of nonperformance under the Agreement has occurred and is continuing, no such supplement shall become effective unless the Corporation, on behalf of the Board, shall have given its prior written approval.

Section 10.3 Filing. Copies of any supplemental indenture shall be filed with the Trustee and delivered to the Authority and the Corporation for the Board.

Section 10.4 Reliance on Counsel. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, an opinion of counsel satisfactory to the Trustee, who may be counsel for the Authority, as conclusive evidence that any such proposed supplemental indenture complies with the provisions of this Article prior to joining in the execution of such supplemental indenture.

Section 10.5 Supplement Binding. Upon the execution of any supplemental indenture pursuant to the provisions of this Article, this Indenture shall be deemed to be supplemented, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the Trustee, the Authority, the Corporation, the Board and the owners of Bonds then outstanding shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modification and amendment.

Section 10.6 Supplemental Agreement. The Authority and the Corporation, with the approval of the Board, the Bond Insurer and the Trustee in certain events, may consent to supplemental loan agreements for the purposes and in the manner provided in Article VIII of the Agreement and the Trustee agrees that it shall take the actions required of it as provided thereunder.

Section 10.7 Notice to Rating Agencies and Bond Insurer. No supplemental indenture shall be executed and delivered pursuant to Sections 10.1 or 10.2 hereof without prior written notice having been given by the Trustee, to the Bond Insurer and Standard & Poor's Ratings Group (Attention: Bond Insurance Administration) of the Trustee's intention to execute such supplemental indenture not less than fifteen (15) days in advance of the execution of said supplemental indenture. The Authority shall also furnish to the Bond Insurer a full transcript of all proceedings relative to the supplemental indenture.

ARTICLE XI COVENANTS OF AUTHORITY

Section 11.1 Payment of Principal, Premium, and Interest. The Authority covenants that it will promptly pay, or cause to be paid, the principal of, premium, if any, and the interest on every Bond at the places, on the dates and in the manner provided herein and in said Bonds according to the true intent and meaning thereof but solely from the revenues of the Trust Estate and not from any other fund or source. The Authority further covenants that it will faithfully perform at all times all of its covenants, undertakings and

agreements contained in this Indenture, the Agreement or in any Bond executed, authenticated, and delivered hereunder or in any proceedings of the Authority pertaining thereto.

Section 11.2 Additional Security. The Authority covenants, whenever and so often as reasonably required to do so by the Trustee, promptly to execute and deliver or cause to be delivered all such other and further instruments, documents, or assurances, and to promptly do or cause to be done all such other further things, as may be necessary or reasonably required in order to further and more fully vest in the Trustee and the owners of the Bonds all rights, interest, powers, benefits, privileges, and advantages conferred or intended to be conferred upon them by this Indenture.

Section 11.3 Cure Title Defects. The Authority covenants to promptly, upon the request of the Trustee, from time to time, take or cause to be taken such action as may be necessary or proper to remedy or cure any material defect in or cloud upon the title to the Trust Estate or any part thereof, whether now existing or hereafter developing, and to prosecute all such suits, actions, and other proceedings as may be appropriate for such purpose and to indemnify and save the Trustee and every owner of Bonds, solely from the Trust Estate, harmless from all loss, cost, damage, and expense, including attorneys' fees, which they or either of them may ever incur by reason of any such defect, cloud, suit, action, or proceedings.

Section 11.4 Defend Against Actions. The Authority covenants to defend or cause to be defended every suit, action, or proceeding at any time brought against the Trustee or any owner of Bonds upon any claim arising out of the receipt, application or disbursement of any of the revenues of the Trust Estate or involving the Authority's, the Trustee's, or such Bondholders' rights under this Indenture or the Agreement and to indemnify and save harmless, solely from the Trust Estate, the Trustee and Bondholders against any and all liability claimed or asserted by any person whomsoever, arising out of such receipt, application, or disbursement of any such revenues; provided, however, that the Trustee or any owner of Bonds at its or his election may appear in and defend against any such suit, action, or proceeding; and notwithstanding any contrary provision hereof, this covenant shall continue and remain in full force and effect until all indebtedness, liabilities, obligations, and other sums secured hereby have been fully paid and satisfied, and this Indenture has been released of record and the lien hereof discharged.

Section 11.5 Non-Impairment of Security. The Authority covenants that so long as any of the Bonds issued pursuant to this Indenture are outstanding and unpaid, the Authority will not voluntarily consent to any amendment to the Agreement or otherwise take any action which will reduce the amount of moneys made available thereunder to the Trustee, or which will in any manner impair or adversely affect the rights of the Authority or the Trustee or the security provided by this Indenture to the owners from time to time of the Bonds.

Section 11.6 Authority's Obligation Limited.

(a) Nothing in the Agreement or this Indenture is intended to require or obligate nor shall anything therein be interpreted to require or obligate the Authority for any purpose or at any time whatsoever, to provide, apply, or expend any funds coming into the hands of the Authority other than from the Trust Estate.

(b) Any other term or provision in this Indenture or in the Agreement, the Mortgage, the Tax Regulatory Agreement, the Bond Purchase Agreement, the Bonds, or elsewhere to the contrary notwithstanding:

(i) Any and all obligations (including without limitation, fees, claims, demands, payments, damages, liabilities, penalties, assessments, and the like) of or imposed upon the Authority or its

members, officers, agents, employees, representatives, advisors, or assigns, whether under this Indenture or any of the Agreement, the Mortgage, the Tax Regulatory Agreement, the Bond Purchase Agreement, the Bonds or elsewhere and whether arising out of or based upon a claim or claims of tort, contract, misrepresentation, or any other or additional legal theory or theories whatsoever (collectively, the “*Obligations*”), shall in all events be absolutely limited obligations and liabilities, payable solely out of the following, if any, available at the time the Obligation in question is asserted:

(A) Bond Proceeds and investments therefrom; and

(B) Payments derived from the Bonds, this Indenture (including the Trust Estate to the extent provided in this Indenture), the Mortgage, and the Agreement (except the fees and expenses of the Authority and the Authority’s right to indemnification under the Agreement as set forth therein); (the above provisions (A) and (B) being collectively referred to as the “*Exclusive Sources of the Obligations*”).

(c) The Obligations shall not be deemed to constitute a debt or liability of the State or of any political subdivision thereof within the meaning of any State constitutional provision or statutory limitation and shall not constitute a pledge of the faith and credit of the State or of any political subdivision thereof, including the Authority, but shall be payable solely from and out of the Exclusive Sources of the Obligations and shall otherwise impose no liability whatsoever, primary or otherwise, upon the State or any political subdivision thereof, including the Authority, or any charge upon their general credit or taxing power.

(d) In no event shall any member, officer, agent, employee, representative, or advisor of the Authority, or any successor or assign of any such person or entity, be liable, personally or otherwise, for any Obligation.

(e) In no event shall this Indenture be construed as:

(i) depriving the Authority of any right or privilege; or

(ii) requiring the Authority or any member, officer, agent, employee, representative, or advisor of the Authority to take or omit to take, or to permit or suffer the taking of, any action by itself or anyone else; which deprivation or requirement would violate or result in the Authority’s being in violation of the Act or any other applicable state or federal law.

Section 11.7 Immunity of Officers, Employees, and Members of the Authority. No recourse shall be had for the payment of the principal of or premium or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in this Indenture against any past, present or future officer, director, member, employee or agent of the Authority, and all such liability of any such officers, directors, members, employees, or agents except for criminal or intentional acts as such is hereby expressly waived and released as a condition of and consideration for the execution of this Indenture and the issuance of such Bonds. No covenant or agreement contained in the Bonds or in this Indenture shall be deemed to be the covenant or agreement of any incorporator, director, or officer of the Authority past, present, or future in his or her individual capacity, and neither members of the Authority nor any official executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof. No recourse shall be had for the payment of the principal of or premium or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant, or agreement contained in this Indenture against any past, present or future officer, director, member, employee, or agent of the Authority, and all such liability of any such officers, directors, members, employees, or agents as such is hereby expressly

waived and released as a condition of and in consideration for the execution of this Indenture and the issuance of such Bonds.

Section 11.8 Role of the Authority. The Authority shall not be required to take any action not expressly provided for herein. The Authority shall have no obligation to review, control, or oversee the activities of Trustee in collecting any amounts payable pursuant to the Agreement or the Indenture, or the Mortgage, or in making any payments on the Bonds. Furthermore, the Authority shall not be obligated to take any action or execute any documents which might in its reasonable judgment involve it in any expense or liability unless it shall have been furnished with assurance of payment or reimbursement for any expense and with reasonable indemnity for liability of the Authority, its incorporators, directors, officers, and counsel.

Section 11.9 No Superior Pledge. Other than as provided in Article V hereof, the Authority shall grant no security interest or lien of any type in the Payments that is superior to the pledge set forth in Article II and shall issue no debt or obligation that is to be paid from the Payments prior to payment of principal of and interest on the Bonds and the other payments required hereunder. The Authority shall grant no security interest or lien or encumbrance of any type on the Payments that is on a parity with the pledge made by Article II.

ARTICLE XII DEFEASANCE

Section 12.1 Payment.

(a) When all of the Bonds shall have been paid and discharged, and there shall have been paid all fees and charges of the Trustee due or to become due through the date on which the last of the Bonds is retired, then this Indenture shall cease, terminate, and become null and void, and thereupon the Trustee shall release this Indenture including the cancellation and discharge of the lien hereof, and execute and deliver to the Authority such instruments in writing as shall be requisite to satisfy the lien hereof and, if necessary, to enter on the records such satisfaction and discharge and to re-convey to the Authority any property or interest therein or other rights hereby conveyed and such other instruments to evidence such release and discharge as may be reasonably required by the Authority, and the Trustee shall assign and deliver to the Authority any property at the time subject to the lien of this Indenture which may then be in its possession, except amounts in any Fund otherwise required to be paid by this Indenture and except such cash and investments as are held by the Trustee for the payment of interest and premium, if any, on and retirement of the Bonds.

(b) Notwithstanding the foregoing, the obligation of the Corporation to pay the fees and expenses of the Trustee in accordance with the terms of this Indenture shall survive the defeasance of the Bonds, the discharge of this Indenture, and the termination of the Agreement.

Section 12.2 Provision for Payment. Any Bonds shall be deemed to have been paid and discharged within the meaning of Section 12.1, if the Trustee, or an escrow trustee, shall hold, in trust for and irrevocably committed thereto, moneys or Defeasance Obligations of such maturities and interest payment dates and bearing such interest as will, without further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom (likewise to be held in trust and committed, except as hereinafter provided), be sufficient for the payment of such Bonds, at their maturity or redemption date, of the principal thereof, together with the redemption premium, if any, and interest accrued to the date of maturity or redemption, as the case may be, or if default in such payment shall have occurred on such date then to the date of the tender of such payment; provided, that if any Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been duly given or provisions satisfactory to the Trustee shall have been duly made for the giving of such notice. Any moneys held in accordance with the provisions of this Section shall be invested

only in Defeasance Obligations the maturities or redemption dates and interest payment dates of which, at the option of the owner, shall coincide as nearly as practicable with, but not later than, the time or times at which said moneys will be required for the aforesaid purposes. Any income or interest earned by the moneys or Defeasance Obligations held under this Section shall, as determined by the Trustee or the escrow trustee, to the extent not required for the purposes of this Section, be paid to the Corporation for the Board as overpayment of Payments.

Section 12.3 Certifications. The Authority and the Corporation covenant and agree that they will furnish to the Trustee:

(a) Certificates or opinions made by officers of the Authority and the Corporation required by this Indenture stating that provisions of this Article relating to the satisfaction and discharge of this Indenture have been fulfilled; and

(b) An opinion of Bond Counsel to the effect that the payment of the Bonds has been provided for in the manner set forth in this Indenture and the Agreement and that all obligations of the Authority and the Corporation with respect to the Bonds have been discharged and satisfied; and

(c) In the case of an advance refunding, a mathematical verification prepared by a nationally recognized law firm or firm of independent certified public accountants (or other verification agent satisfactory to the Trustee) that the moneys or Defeasance Obligations are sufficient to pay the principal of, premium, if any, and interest on the Bonds which are defeased.

Section 13.5 Severability. If any clause, provision, or Section of this Indenture be held illegal or invalid by any court, the invalidity of such clause, provision, or Section shall not affect any of the remaining clauses, provisions, or Sections hereof and this Indenture shall be construed and enforced as if such illegal or invalid clause, provision or Section had not been contained herein. In case any agreement or obligation contained in this Indenture is held to be in violation of law, then such agreement or obligation shall be deemed to be the agreement or obligation of the Authority, the Corporation, or the Board, as the case may be, only to the extent permitted by law.

actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Board to comply with its obligations under this Section 13.13. The Trustee shall have no responsibility for the failure of the Board to report any material event and shall have no responsibility as to any determination by the Board of whether any event would constitute material information for holders of the Bonds; provided, however, that the Trustee hereby agrees to notify the Board in writing on or before November 1 of each year, commencing November 1, 2019, of the Board's obligation to comply with the requirements of Section (b)(5)(i) of Securities and Exchange Commission Rule 15c2-12.

This Series 2013 Bond is one of the duly authorized issue of the Authority’s Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2013 (the “*Series 2013 Bonds*”), issued under and secured by the Indenture (hereinafter defined) pursuant to which the Authority is issuing \$40,910,000 aggregate principal amount of said revenue bonds on behalf of University Facilities, Inc., a nonprofit corporation (the “*Corporation*”) for the purpose of: (i) refunding the Series 2004A Bonds (as hereinafter defined) and (ii) paying the costs of issuance of the Series 2013 Bonds.

Pursuant to the Original Indenture (as hereinafter defined), the Authority issued its \$60,985,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. The Series 2013 Bonds are issued pursuant to the laws of the State, particularly Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 4548.16, inclusive) (the “*LCDA Act*”), Chapters 14 and 14-A of Title 39 of the Louisiana Revised Statutes of 1950, as amended (the “*Refunding Act*” and, together with the LCDA Act, the “*Act*”) and pursuant to a Trust Indenture dated August 1, 2004 (the “*Original Indenture*”), as supplemented and amended by a First Supplemental Trust Indenture dated as of November 1, 2013 (the “*Supplemental Indenture*” and, together with the Original Indenture, the “*Indenture*”), each between the Authority and the Trustee, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, and to which Indenture reference is hereby made for a more complete description of the assigned revenues constituting the Trust Estate, the nature and extent of the security, the terms and conditions under which the Series 2013 Bonds are issued and secured, the terms and conditions under which Additional Bonds may be issued and secured, the rights, duties and immunities of the Trustee and the rights of the registered owners of the Series 2013 Bonds. The registered owner of this Series 2013 Bond shall have no rights to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture, and by acceptance of this Series 2013 Bond, the owner hereof assents to all of the provisions of the Indenture and the Assignment (hereinafter defined). All terms not defined herein shall have the meanings assigned thereto in the Indenture.

The Series 2013 Bonds have been issued on a parity with the Series 2004B Bonds under the Indenture.

The Series 2013 Bonds are issuable as fully registered bonds without coupons, in Authorized Denominations, and shall be numbered from No. R-1 upwards. The Series 2013 Bonds are limited and special revenue obligations of the Authority and are payable solely from (i) payments received by the Authority from the Corporation pursuant to the Agreement (except however, the Authority’s rights to exculpation, indemnification and payment of expenses by the Corporation under the Agreement) and (ii) all funds held by the Trustee under the Indenture and available for such payment, said payments and funds being herein referred to as the “*Trust Estate*.” The Agreement, a fully executed counterpart of which is on file in the principal

corporate trust office of the Trustee, provides that the Corporation is unconditionally obligated to make payments, but solely from the Payments (as defined in the Agreement) in an aggregate amount sufficient, for the payment in full of the principal and interest of all Series 2013 Bonds issued and outstanding under the Indenture, to the date of payment thereof, and certain costs, expenses and charges of the Authority and the Trustee. The Agreement imposes upon the Corporation certain obligations respecting the use and operation of its Facilities and the maintenance and repair of said Facilities.

THE SERIES 2013 BONDS AND THE INTEREST THEREON ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE TRUST ESTATE. THE SERIES 2013 BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION AND SHALL NOT CONSTITUTE A PLEDGE OF THE FAITH AND CREDIT OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF, BUT SHALL BE PAYABLE SOLELY FROM THE FUNDS PROVIDED FOR IN THE LOAN AGREEMENT AND THE INDENTURE. THE ISSUANCE OF THE SERIES 2013 BONDS SHALL NOT DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE OF LOUISIANA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY ANY TAXES OR TO MAKE ANY APPROPRIATION OF THEIR PAYMENT. THE ISSUER HAS NO POWER TO TAX.

As long as any of the Series 2013 Bonds remain outstanding, there shall be permitted the exchange of Series 2013 Bonds at the principal corporate trust office of the Trustee. Any Series 2013 Bond or Series 2013 Bonds upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his legal representative duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of other Bonds in Authorized Denominations.

For every such exchange or transfer of Series 2013 Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Trustee shall not be required to register the transfer or exchange of (a) any Series 2013 Bonds during the fifteen (15) day period next preceding the selection of Series 2013 Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2013 Bonds selected for redemption, or (b) any Series 2013 Bonds selected, called or being called for redemption in whole or in part, except in the case of any Series 2013 Bond to be redeemed in part, the portion thereof not so to be redeemed.

REDEMPTION PROVISIONS

Optional Redemption

The Series 2013 Bonds maturing August 1, 2024 and thereafter are subject to redemption prior to maturity at the option of the Corporation, upon written direction to the Authority, on or after August 1, 2023 as a whole at any time, or in part on any Interest Payment Date, the maturity of said Bonds to be redeemed to be designated by the Corporation and selected within a maturity by the Trustee in such manner as the Trustee may determine, at the redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date.

Mandatory Redemption

(i) If the Board shall purchase the Corporation's leasehold interest in the Facilities pursuant to the Facilities Lease, the Series 2013 Bonds shall be redeemed as a whole and shall be redeemed on the later of (a) August 1, 2014, or (b) the earliest practicable date, but not more than sixty (60) days, after such purchase, and in any event, at a price equal to the principal amount of the Series 2013 Bonds so redeemed plus accrued and unpaid interest to the date of redemption, without premium.

(ii) The Series 2013 Bonds shall be redeemed as a whole or in part (in Authorized Denominations) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds or proceeds received as a result of Expropriation proceedings with respect to the Facilities will not be applied to the restoration, repair or reconstruction of the Facilities at a price equal to the principal amount of the Series 2013 Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, without premium, in an aggregate principal amount equal to the amount of such insurance proceeds, or Expropriation proceeds not used for restoration, repair or reconstruction. If the amount of any insurance proceeds or Expropriation proceeds to be applied in redemption of the Series 2013 Bonds is not an Authorized Denomination, the principal amount of Series 2013 Bonds to be redeemed pursuant to this subsection (b) shall be decreased to the next lower Authorized Denomination. The Series 2004 Bonds will be so redeemed in the following order: first, Auction Rate Bonds; second, Variable Rate Bonds, third, Series 2004C Bonds; fourth, Series 2004B Bonds that bear interest at a Fixed Rate; and fifth, the Series 2013 Bonds.

Mandatory Sinking Fund Redemption.

The Series 2013 Bonds maturing on August 1, 2026 shall be subject to mandatory redemption and payment prior to maturity on August 1 in each of the years set forth below, at 100% of the principal amounts plus accrued interest to the redemption date, without premium, as follows:

<u>Year</u>	<u>Principal Amount</u>
2025	\$ 4,295,000
2026*	170,000

*Final Maturity

If on any occasion less than all of the Series 2013 Bonds then outstanding shall be redeemed pursuant to the optional or mandatory redemption provisions described in the Indenture, then the principal amount of the Series 2013 Bonds so redeemed shall be considered to have satisfied a portion of the mandatory sinking fund redemptions required by the above tables. The principal amounts required by the tables above shall be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional redemption.

Unless otherwise specified above, if less than all of the Series 2013 Bonds shall be called for redemption, the maturity of the Series 2013 Bonds to be redeemed shall be designated by the Corporation, on behalf of the Board, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Series 2013 Bond to be redeemed shall be in the principal amount of an Authorized Denomination. If a portion of any Series 2013 Bond shall be called for

redemption, a new Series 2013 Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

At least thirty (30) days before the redemption date of any Series 2013 Bonds redeemed other than by mandatory sinking fund redemption, the Trustee shall cause a notice of any such redemption, signed by an authorized officer of the Trustee to be mailed, postage prepaid, to all Bondholders of record owning Series 2013 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register, but any defect in such mailing of any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2013 Bonds then outstanding shall be called for redemption, the numbers of such Series 2013 Bonds to be redeemed and, in the case of Series 2013 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2013 Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Series 2013 Bond, a new Series 2013 Bond in principal amount equal to the unredeemed portion of such Series 2013 Bond will be issued.

Modifications or alterations of the Indenture or any agreement supplemental thereto or of the Agreement or any agreement supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture and the Agreement. So long as no event of nonperformance under the Agreement has occurred and is continuing, no such supplement shall become effective unless the Corporation, on behalf of the Board, shall have given its prior written approval.

It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State to exist, to have happened and to have been performed, precedent to and in the execution and delivery of the Indenture and the issuance of this Series 2013 Bond, do exist, have happened and have been performed in regular and due form as required by law.

This Series 2017 Bond is one of the duly authorized issue of the Authority’s Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2017 (the “Series 2017 Bonds”), issued under and secured by the Second Supplemental Indenture (hereinafter defined) pursuant to which the Authority is issuing \$35,465,000 aggregate principal amount of said revenue bonds on behalf of University Facilities, Inc., a nonprofit corporation (the “Corporation”) for the purpose of: (i) financing the development, design, construction, demolition, and equipping of replacement student housing and related facilities (the “Series 2017 Facilities”) for the Southeastern Louisiana University (the “University”), which Series 2017 Facilities will be leased to the Board on behalf of the University and will be located on immovable property owned by, or subject to the supervision and management of the Board of Supervisors for the University of Louisiana System (the “Board”) in the City of Hammond, Parish of Tangipahoa, Louisiana; (ii) funding a deposit to a debt service reserve fund; (iii) funding capitalized interest on the Series 2017 Bonds; and (iv) paying costs of issuance of the Series 2017 Bonds, including the premium for the bond insurance policy insuring the Series 2017 Bonds.

Facilities to the Corporation pursuant to a Ground and Buildings Lease Agreement dated as of August 1, 2004 (the “*Original Ground Lease*”), as supplemented and amended by the First Amendment to Ground and Buildings Lease Agreement dated as of March 1, 2007 (the “*First Amendment to Ground Lease*”), as supplemented and amended by a Second Amendment to Ground and Buildings Lease Agreement dated as of June 12, 2012 (the “*Second Amendment to Ground Lease*”), as further supplemented and amended by a Third Supplemental Ground and Buildings Lease Agreement dated as of November 1, 2013 (the “*Third Supplemental Ground Lease*”), as supplemented and amended by a Fourth Supplemental Ground and Buildings Lease Agreement dated as of June 1, 2017 (the “*Fourth Supplemental Ground Lease*” and, together with the Original Ground Lease, the First Amendment to Ground Lease, the Second Amendment to Ground Lease, and the Third Supplemental Ground Lease, the “*Ground Lease*”) each by and between the Board and the Corporation, and has leased the Series 2017 Facilities from the Corporation pursuant to an Agreement to Lease with Option to Purchase dated as of August 1, 2004 (the “*Original Facilities Lease*”), as supplemented and amended by a First Amendment to Agreement to Lease with Option to Purchase dated as of March 1, 2007 (the “*First Amendment to Facilities Lease*”), as further supplemented and amended by a Second Amendment to Agreement to Lease with Option to Purchase dated as of June 12, 2012 (the “*Second Amendment to Facilities Lease*”), as further supplemented and amended by a Third Supplemental Agreement to Lease with Option to Purchase dated as of November 1, 2013 (the “*Third Supplemental Facilities Lease*”), and as further supplemented and amended by a Fourth Supplemental Agreement to Lease with Option to Purchase dated as of June 1, 2017 (the “*Fourth Supplemental Facilities Lease*” and, together with the Original Facilities Lease, the First Amendment to Facilities Lease, the Second Amendment to Facilities Lease, and the Third Supplemental Facilities Lease, the “*Facilities Lease*”) each by and between the Corporation and the Board.

The Series 2017 Bonds are issued pursuant to the laws of the State, particularly Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 4548.16, inclusive) (the “*Act*”), and pursuant to a Trust Indenture dated August 1, 2004 (the “*Original Indenture*”), as supplemented and amended by a First Supplemental Trust Indenture dated as of November 1, 2013 (the “*Supplemental Indenture*”), as further supplemented and amended by a Second Supplemental Trust Indenture dated as of June 1, 2017 (the “*Second Supplemental Indenture*” and, together with the Original Indenture, and the Supplemental Indenture, the “*Indenture*”), each between the Authority and the Trustee, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, and to which Indenture reference is hereby made for a more complete description of the assigned revenues constituting the Trust Estate, the nature and extent of the security, the terms and conditions under which the Series 2017 Bonds are issued and secured, the terms and conditions under which Additional Bonds may be issued and secured, the rights, duties, and immunities of the Trustee and the rights of the registered owners of the Series 2017 Bonds. The registered owner of this Series 2017 Bond shall have no rights to enforce the provisions of the Second Supplemental Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Second Supplemental Indenture, or to institute, appear in, or defend any suit or other proceeding with respect thereto, except as provided in the Second Supplemental Indenture, and by acceptance of this Series 2017 Bond, the owner hereof assents to all of the provisions of the Second Supplemental Indenture. All terms not defined herein shall have the meanings assigned thereto in the Second Supplemental Indenture.

The Series 2017 Bonds have been issued on a parity with the \$15,000,000 Louisiana Local Government Environmental Facilities and Community Development Authority Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B and the \$40,910,000 Louisiana Local Government Environmental Facilities and Community Development Authority Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2013 under the Indenture.

The Series 2017 Bonds are issuable as fully registered bonds without coupons, in Authorized Denominations, and shall be numbered from No. R-1 upwards. The Series 2017 Bonds are limited and special revenue obligations of the Authority and are payable solely from (i) payments received by the Authority from the Corporation pursuant to the Second Supplemental Agreement (except however, the Authority's rights to exculpation, indemnification and payment of expenses by the Corporation under the Second Supplemental Agreement) and (ii) all funds held by the Trustee under the Second Supplemental Indenture and available for such payment, said payments and funds being herein referred to as the "*Trust Estate.*" The Second Supplemental Agreement, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, provides that the Corporation is unconditionally obligated to make payments, but solely from the Payments (as defined in the Second Supplemental Agreement) in an aggregate amount sufficient, for the payment in full of the principal and interest of all Series 2017 Bonds issued and outstanding under the Second Supplemental Indenture, to the date of payment thereof, and certain costs, expenses and charges of the Authority and the Trustee. The Second Supplemental Agreement imposes upon the Corporation certain obligations respecting the use and operation of its Facilities and the maintenance and repair of said Facilities.

THE SERIES 2017 BONDS AND THE INTEREST THEREON ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE AUTHORITY PAYABLE SOLELY FROM THE TRUST ESTATE. THE SERIES 2017 BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION AND SHALL NOT CONSTITUTE A PLEDGE OF THE FAITH AND CREDIT OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF, BUT SHALL BE PAYABLE SOLELY FROM THE FUNDS PROVIDED FOR IN THE SECOND SUPPLEMENTAL LOAN AGREEMENT AND THE SECOND SUPPLEMENTAL INDENTURE. THE ISSUANCE OF THE SERIES 2017 BONDS SHALL NOT DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE OF LOUISIANA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY ANY TAXES OR TO MAKE ANY APPROPRIATION OF THEIR PAYMENT. THE AUTHORITY HAS NO POWER TO TAX.

As long as any of the Series 2017 Bonds remain outstanding, there shall be permitted the exchange of Series 2017 Bonds at the principal corporate trust office of the Trustee. Any Series 2017 Bond or Series 2017 Bonds upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his legal representative duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of other Bonds in Authorized Denominations.

For every such exchange or transfer of Series 2017 Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee, or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Trustee shall not be required to register the transfer or exchange of (a) any Series 2017 Bonds during the fifteen (15) day period next preceding the selection of Series 2017 Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2017 Bonds selected for redemption, or (b) any Series 2017 Bonds selected, called or being called for redemption in whole or in part, except in the case of any Series 2017 Bond to be redeemed in part, the portion thereof not so to be redeemed.

Redemption Provisions

Optional Redemption

The Series 2017 Bonds maturing August 1, 2028 and thereafter are subject to redemption prior to maturity at the option of the Corporation, upon written direction to the Authority, on or after August 1, 2027 as a whole at any time, or in part on any Interest Payment Date, the maturity of said Bonds to be redeemed to be designated by the Corporation and selected within a maturity by the Trustee in such manner as the Trustee may determine, at the redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date.

Extraordinary Redemption

The Series 2017 Bonds shall be redeemed as a whole or in part (in an integral multiple of \$5,000) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds, condemnation award or payment in lieu of condemnation with respect to the Series 2017 Facilities will not be applied to the restoration, repair, or reconstruction of the Series 2017 Facilities at a price equal to the principal amount of the Series 2017 Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, in an aggregate principal amount equal to the amount of such insurance proceeds, condemnation award, or payment in lieu of condemnation not used for restoration, repair, or reconstruction. If in part, the Series 2017 Bonds to be redeemed shall be in the inverse order of their maturity and selected within a maturity by the Trustee in such manner as the Trustee may determine. If the amount of any insurance proceeds, condemnation award, or payment in lieu of condemnation to be applied in redemption of the Series 2017 Bonds is not an integral multiple of \$5,000, the principal amount of Series 2017 Bonds to be redeemed pursuant to this subparagraph (b) shall be decreased to the next lower multiple of \$5,000.

Mandatory Sinking Fund Redemption.

Those Series 2017 Bonds maturing on August 1, 2042 shall be subject to mandatory sinking fund redemption and payment prior to maturity on August 1 in each of the years set forth below, at 100% of the principal amounts plus accrued interest to the redemption date, without premium, as follows:

* Final Maturity.

Those Series 2017 Bonds maturing on August 1, 2047 shall be subject to mandatory sinking fund redemption and payment prior to maturity on August 1 in each of the years set forth below, at 100% of the principal amounts plus accrued interest to the redemption date, without premium, as follows:

<u>Date</u> <u>August 1</u>	<u>Principal</u> <u>Amount</u>

2044	1,255,000
2045	1,320,000
2046	1,385,000
2047*	1,455,000

* Final Maturity.

If on any occasion less than all of the Series 2017 Bonds then outstanding shall be redeemed pursuant to the optional or mandatory sinking fund redemption provisions described in the Second Supplemental Indenture, then the principal amount of the Series 2017 Bonds so redeemed shall be considered to have satisfied a portion of the mandatory sinking fund redemptions required by the above tables. The principal amounts required by the tables above shall be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional redemption.

Unless otherwise specified above, if less than all of the Series 2017 Bonds shall be called for redemption, the maturity of the Series 2017 Bonds to be redeemed shall be designated by the Corporation, on behalf of the Board, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Series 2017 Bond to be redeemed shall be in the principal amount of an Authorized Denomination. If a portion of any Series 2017 Bond shall be called for redemption, a new Series 2017 Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

At least thirty (30) days before the redemption date of any Series 2017 Bonds redeemed other than by mandatory sinking fund redemption, the Trustee shall cause a notice of any such redemption, signed by an authorized officer of the Trustee to be mailed, postage prepaid, to all Bondholders of record owning Series 2017 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register, but any defect in such mailing of any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2017 Bonds then outstanding shall be called for redemption, the numbers of such Series 2017 Bonds to be redeemed and, in the case of Series 2017 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2017 Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Series 2017 Bond, a new Series 2017 Bond in principal amount equal to the unredeemed portion of such Series 2017 Bond will be issued.

Modifications or alterations of the Second Supplemental Indenture or any agreement supplemental thereto or of the Second Supplemental Agreement or any agreement supplemental thereto may be made only to the extent and in the circumstances permitted by the Second Supplemental Indenture and the Second Supplemental Agreement. So long as no event of nonperformance under the Second Supplemental Agreement has occurred and is continuing, no such supplement shall become effective unless the Corporation, on behalf of the Board, shall have given its prior written approval.

It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State to exist, to have happened and to have been performed, precedent to and in the execution and delivery of the Second Supplemental Indenture and the issuance of this Series 2017 Bond, do exist, have happened, and have been performed in regular and due form as required by law.

The Authority issued its \$15,000,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B (the “Series 2004B Bonds”) pursuant to that certain Trust Indenture dated as of August 1, 2004 for the purposes of financing the cost of acquiring immovable property and financing the development, design, construction and equipping of new student housing facilities (the “Facilities”) for Southeastern Louisiana University (the “University”) located on immovable property owned by, or subject to the supervision and management of the Board of Supervisors for the University of Louisiana System (the “Board”) in the City of Hammond, Parish of Tangipahoa, Louisiana, which Facilities have been leased to the Board on behalf of the University.

The proceeds of the Series 2019 Bonds have been loaned to the Corporation pursuant to an Amended and Restated Loan and Assignment Agreement dated as of February 1, 2019 (the “Loan Agreement”) between the Authority and the Corporation, for the foregoing purposes. The Board of Supervisors for the University of Louisiana System (the “Board”), acting on behalf of the University, has leased the land upon which the

Facilities are located on the campus of the University (the “*Land*”) and the Facilities to the Corporation pursuant to an Amended and Restated Ground and Buildings Lease dated as of February 1, 2019 (the “*Ground Lease*”), by and between the Board and the Corporation, and has leased the Facilities from the Corporation pursuant to an Amended and Restated Agreement to Lease with Option to Purchase dated as of dated as of February 1, 2019 (the “*Facilities Lease*”) each by and between the Corporation and the Board.

The Series 2019 Bonds are issued pursuant to the laws of the State, particularly Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 4548.16, inclusive) (the “*LCDA Act*”), Chapters 14 and 14-A of Title 39 of the Louisiana Revised Statutes of 1950, as amended (the “*Refunding Act*” and, together with the LCDA Act, the “*Act*”) and pursuant to an Amended and Restated Trust Indenture dated as of February 1, 2019 (the “*Indenture*”), between the Authority and the Trustee, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, and to which Indenture reference is hereby made for a more complete description of the assigned revenues constituting the Trust Estate, the nature and extent of the security, the terms and conditions under which the Series 2019 Bonds are issued and secured, the terms and conditions under which Additional Bonds may be issued and secured, the rights, duties and immunities of the Trustee and the rights of the registered owners of the Series 2019 Bonds. The registered owner of this Series 2019 Bond shall have no rights to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture, and by acceptance of this Series 2019 Bond, the owner hereof assents to all of the provisions of the Indenture and the Assignment (hereinafter defined). All terms not defined herein shall have the meanings assigned thereto in the Indenture.

The Series 2019 Bonds have been issued on a parity with the Authority’s \$40,910,000 Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2013 and its \$35,465,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2017.

The Series 2019 Bonds are issuable as fully registered bonds without coupons, in Authorized Denominations, and shall be numbered from No. R-1 upwards. The Series 2019 Bonds are limited and special revenue obligations of the Authority and are payable solely from (i) payments received by the Authority from the Corporation pursuant to the Agreement (except however, the Authority’s rights to exculpation, indemnification and payment of expenses by the Corporation under the Agreement) and (ii) all funds held by the Trustee under the Indenture and available for such payment, said payments and funds being herein referred to as the “*Trust Estate*.” The Agreement, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, provides that the Corporation is unconditionally obligated to make payments, but solely from the Payments (as defined in the Agreement) in an aggregate amount sufficient, for the payment in full of the principal and interest of all Series 2019 Bonds issued and outstanding under the Indenture, to the date of payment thereof, and certain costs, expenses and charges of the Authority and the Trustee. The Agreement imposes upon the Corporation certain obligations respecting the use and operation of its Facilities and the maintenance and repair of said Facilities.

THE SERIES 2019 BONDS AND THE INTEREST THEREON ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE TRUST ESTATE. THE SERIES 2019 BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION AND SHALL NOT CONSTITUTE A PLEDGE OF THE FAITH AND CREDIT OF THE STATE OF LOUISIANA OR OF ANY

POLITICAL SUBDIVISION THEREOF, BUT SHALL BE PAYABLE SOLELY FROM THE FUNDS PROVIDED FOR IN THE LOAN AGREEMENT AND THE INDENTURE. THE ISSUANCE OF THE SERIES 2019 BONDS SHALL NOT DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE OF LOUISIANA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY ANY TAXES OR TO MAKE ANY APPROPRIATION OF THEIR PAYMENT. THE ISSUER HAS NO POWER TO TAX.

As long as any of the Series 2019 Bonds remain outstanding, there shall be permitted the exchange of Series 2019 Bonds at the principal corporate trust office of the Trustee. Any Series 2019 Bond or Series 2019 Bonds upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his legal representative duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of other Bonds in Authorized Denominations.

For every such exchange or transfer of Series 2019 Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Trustee shall not be required to register the transfer or exchange of (a) any Series 2019 Bonds during the fifteen (15) day period next preceding the selection of Series 2019 Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2019 Bonds selected for redemption, or (b) any Series 2019 Bonds selected, called or being called for redemption in whole or in part, except in the case of any Series 2019 Bond to be redeemed in part, the portion thereof not so to be redeemed.

REDEMPTION PROVISIONS

Optional Redemption

The Series 2019 Bonds maturing August 1, 2029 and thereafter are subject to redemption prior to maturity at the option of the Corporation, upon written direction to the Authority, on or after February 1, 2029 as a whole at any time, or in part on any Interest Payment Date, the maturity of said Bonds to be redeemed to be designated by the Corporation and selected within a maturity by the Trustee in such manner as the Trustee may determine, at the redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date.

Extraordinary Redemption

The Series 2019 Bonds shall be redeemed as a whole or in part (in an integral multiple of \$5,000) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds, condemnation award or payment in lieu of condemnation with respect to the Series 2004 Facilities will not be applied to the restoration, repair, or reconstruction of the Series 2004 Facilities at a price equal to the principal amount of the Series 2019 Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, in an aggregate principal amount equal to the amount of such insurance proceeds, condemnation award, or payment in lieu of condemnation not used for restoration, repair, or reconstruction. If in part, the Series 2019 Bonds to be redeemed shall be in the inverse order of their maturity and selected within a maturity by the Trustee in such manner as the Trustee may determine. If the amount of any insurance proceeds, condemnation award, or payment in lieu of condemnation to be applied in redemption of the Series 2019 Bonds is not an integral multiple of \$5,000, the principal amount of Series 2019 Bonds to be redeemed pursuant to this subparagraph (b) shall be decreased to the next lower multiple of \$5,000.

If on any occasion less than all of the Series 2019 Bonds then outstanding shall be redeemed pursuant to the optional or mandatory redemption provisions described in the Indenture, then the principal amount of the Series 2019 Bonds so redeemed shall be considered to have satisfied a portion of the mandatory sinking fund redemptions required by the above tables. The principal amounts required by the tables above shall be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional redemption.

Unless otherwise specified above, if less than all of the Series 2019 Bonds shall be called for redemption, the maturity of the Series 2019 Bonds to be redeemed shall be designated by the Corporation, on behalf of the Board, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Series 2019 Bond to be redeemed shall be in the principal amount of an Authorized Denomination. If a portion of any Series 2019 Bond shall be called for redemption, a new Series 2019 Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

At least thirty (30) days before the redemption date of any Series 2019 Bonds redeemed the Trustee shall cause a notice of any such redemption, signed by an authorized officer of the Trustee, to be mailed, postage prepaid, to all Bondholders of record owning Series 2019 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register, but any defect in such mailing of any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2019 Bonds then outstanding shall be called for redemption, the numbers of such Series 2019 Bonds to be redeemed and, in the case of Series 2019 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2019 Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Series 2019 Bond, a new Series 2019 Bond in principal amount equal to the unredeemed portion of such Series 2019 Bond will be issued.

Modifications or alterations of the Indenture or any agreement supplemental thereto or of the Agreement or any agreement supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture and the Agreement. So long as no event of nonperformance under the Agreement has occurred and is continuing, no such supplement shall become effective unless the Corporation, on behalf of the Board, shall have given its prior written approval.

It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State to exist, to have happened and to have been performed, precedent to and in the execution and delivery of the Indenture and the issuance of this Series 2019 Bond, do exist, have happened and have been performed in regular and due form as required by law.

(d) Any Additional Bonds issued under the provisions of Article V of this Indenture may be made subject to redemption, either in whole or in part and at such times and prices, as may be provided in the resolution or resolutions of the Authority authorizing the issuance of such Additional Bonds.

(e) Unless otherwise specified above, if fewer than all of the Bonds shall be called for redemption, the Bonds to be redeemed shall be in inverse order of their maturity, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of an Authorized Denomination. If a portion of any Bond shall be called for redemption, a new Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

(f) At least thirty (30) days before the redemption date of any Bonds, other than by mandatory sinking fund redemption, the Trustee shall cause a notice of any such redemption, signed by an authorized officer of the Trustee to be mailed, postage prepaid, to all Bondholders of record owning Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register, but any defect in such mailing of any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if fewer than all of the Bonds then Outstanding shall be called for redemption, the numbers of such Bonds to be redeemed and, in the case of Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Bond, a new Bond in principal amount equal to the unredeemed portion of such Bond will be issued.

(g) Any notice of redemption may, at the direction of the Authority upon the written request of the Board, state that the redemption to be effected is conditioned upon the receipt by the Trustee on or prior to the redemption date of sufficient and legally available funds to pay the redemption price of the Bonds to be redeemed and that if such funds are not so received or are not so legally available such notice shall be of no force or effect and such Bonds shall not be required to be redeemed. In the event that such notice contains such a condition and sufficient funds to pay the redemption price of such Bonds shall not be received by the Trustee on or prior to the redemption date, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption shall have been given, that such funds were not so received.

(h) On the date so designated for redemption, notice having been given in the manner and under the conditions hereinabove provided and money for payment of the redemption price being held in the applicable Debt Service Fund in trust for the owners of the Bonds or portions thereof to be redeemed, the Bonds or portions of Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Bonds or portions of Bonds on such date, interest on the Bonds or portions of Bonds so called for redemption shall cease to accrue, such Bonds or portions of Bonds shall cease to be entitled to any benefit or security under this Indenture, and the owners of such Bonds or portions of Bonds shall not have rights in respect thereof except to receive payment of the redemption price thereof and, to the extent provided in the next paragraph, to receive Bonds for any unredeemed portions of Bonds.

(i) In case part, but not all, of an Outstanding Bond shall be selected for redemption, the registered owner thereof or his legal representative shall present and surrender such Bond to the Trustee for payment of the principal amount thereof so called for redemption, and the Trustee shall authenticate and deliver to or upon the order of such registered owner or his legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a new Bond.

(j) Bonds and portions of Bonds that have been duly called for redemption under the provisions of this Article, or with respect to which irrevocable instructions to call for redemption have been given to the Trustee in form satisfactory to it, and for the payment of the redemption price for which moneys, or Defeasance Obligations, shall be held by the Trustee in a segregated account in trust for the owners of the Bonds or portions thereof to be redeemed, shall not thereafter be deemed to be outstanding under the provisions of this Indenture and shall cease to be entitled to any security or benefit under this Indenture other than the right to receive payment from such moneys.

Section 3.5 Execution; Limitation of Liability. The Bonds shall be executed on behalf of the Authority with the manual or facsimile signatures of the Chairman, Vice Chairman, or Executive Director and the Secretary or Assistant Secretary of the Authority, and shall have impressed or imprinted thereon the official seal of the Authority or a facsimile thereof. The Bonds, together with interest and premium, if any, thereon, shall not constitute a debt of the State or any political subdivision thereof. The Bonds, together with interest thereon, shall be limited and special obligations of the Authority and shall be secured by and payable solely out of revenues derived from the Payments made pursuant to the Agreement and Trust Estate pledged hereunder. The Authority shall not be obligated to pay the principal of the Bonds or the interest or premium, if any, thereon or other costs incidental thereto except from payments made pursuant to the Agreement. In case any officer of the Authority whose signature or whose facsimile signature shall appear on the Bonds shall cease to be such officer before the delivery of such Bonds, such signature or the facsimile signature thereof shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery. **THE BONDS ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE AUTHORITY PAYABLE SOLELY FROM THE PAYMENTS RECEIVED BY THE AUTHORITY FROM THE CORPORATION PURSUANT TO THE AGREEMENT. THE BONDS DO NOT CONSTITUTE A PLEDGE OF THE GENERAL CREDIT OF THE AUTHORITY OR THE CORPORATION AND DO NOT CONSTITUTE AN INDEBTEDNESS OR PLEDGE OF THE GENERAL CREDIT OF THE STATE, THE BOARD, THE UNIVERSITY, OR ANY POLITICAL SUBDIVISION OF THE STATE (OTHER THAN THE AUTHORITY). THE BOARD HAS AGREED, PURSUANT TO THE FACILITIES LEASE, TO MAKE PAYMENTS OF BASE RENTAL TO THE CORPORATION ON BEHALF OF THE UNIVERSITY. THE PAYMENTS TO BE RECEIVED BY THE AUTHORITY FROM THE CORPORATION UNDER THE AGREEMENT ARE LIMITED TO THE AMOUNT OF BASE RENTAL RECEIVED BY THE CORPORATION FROM THE BOARD. THE AUTHORITY HAS NO POWER TO TAX.**

Section 3.6 Authentication. No Series 2013 Bond, Series 2017 Bond, or Series 2019 Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Indenture unless and until a certificate of authentication substantially in the form set forth in Exhibit A-1, Exhibit A-2, or Exhibit A-3, respectively, attached hereto and made a part hereof shall have been duly executed by a duly authorized representative of the Trustee, and such executed certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Indenture. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized representative of the Trustee, but it shall not be necessary that the same representative sign the certificate of authentication on all of the Bonds issued hereunder.

Section 3.7 Mutilated, Lost, Stolen, or Destroyed Bonds. In the event any outstanding Bond, whether temporary or definitive, is mutilated, lost, stolen, or destroyed, the Authority may execute and, upon its request, the Trustee may authenticate a new Bond of the same principal amount and of like tenor as the mutilated, lost, or stolen or destroyed Bond; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen, or destroyed Bond, there shall be first furnished to the Authority and the Trustee evidence of such loss, theft, or destruction in form satisfactory to the Authority and the Trustee, together with indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a substitute Bond the Authority may authorize the payment of the same. The Authority and the Trustee may charge the owner of such Bond with their reasonable fees and expenses in this connection. Any Bond issued under the provisions of this Section 3.7 in lieu of any Bond alleged to be destroyed, lost, or stolen shall constitute an original additional contractual obligation on the part of the Authority, whether or not the Bond so alleged to be destroyed, lost, or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture together with all other Bonds in substitution for which such Bonds were issued.

Section 3.8 Registration of Bonds.

(a) The Trustee shall be the bond registrar for the Bonds. So long as any of the Bonds shall remain outstanding, there shall be maintained and kept for the Authority, at the principal corporate trust office of the Trustee, the Bond Register for the registration and transfer of the Bonds and, upon presentation thereof for such purpose at said office, the Trustee shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as it may prescribe, any Bond.

(b) Each Bond shall be transferable only upon the Bond Register at the principal corporate trust office of the Trustee at the written request of the registered owner thereof or his legal representative duly authorized in writing upon surrender thereof, together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his legal representative duly authorized in writing. Upon the transfer of any such Bond, the Trustee shall issue in the name of the transferee, in authorized denominations, one or more Bonds of the same aggregate principal amount as the surrendered Bonds.

Section 3.9 Persons Treated as Owners.

(a) The Authority and the Trustee may, for the purpose of receiving payment of, or on account of, the principal of, premium, if any, and interest on any Bond and for all other purposes, deem and treat the person in whose name such Bond shall be registered upon the Bond Register as the absolute owner of such Bond, whether or not such Bond is overdue, and neither the Authority nor the Trustee shall be affected by any notice to the contrary.

(b) Payment made to the person deemed to be the owner of any Bond for the purpose of such payment in accordance with the provisions of this Section 3.9 shall be valid and effectual, to the extent of the sum or sums so paid, to satisfy and discharge the liability upon such Bond in respect of which such payment was made.

Section 3.10 Exchange and Transfer of Bonds.

(a) As long as any of the Bonds remain outstanding, there shall be permitted the exchange of Bonds at the principal corporate trust office of the Trustee. Any Bond or Bonds upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his legal representative duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of other Bonds in Authorized Denominations.

(b) For every such exchange or transfer of Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee, or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

(c) The Trustee shall not be required to register the transfer or exchange of (i) any Bonds during the fifteen (15) day period next preceding the selection of Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Bonds selected for redemption, or (ii) any Bonds selected, called, or being called for redemption in whole or in part, except in the case of any Bond to be redeemed in part, the portion thereof not so to be redeemed.

Section 3.11 Cancellation and Destruction of Surrendered Bonds. Upon the surrender to the Trustee of any temporary or mutilated Bonds, or Bonds transferred or exchanged for other Bonds, or Bonds paid at maturity by the Authority, the same shall forthwith be canceled and destroyed by the Trustee, and the Trustee, upon the request of the Authority, shall deliver its certificate of such destruction to the Authority.

Section 3.12 Delivery of the Series 2019 Bonds.

(a) Upon the execution and delivery of this Indenture, the Authority shall execute and deliver to the Trustee, and the Trustee shall authenticate the Series 2019 Bonds and deliver them to the purchasers thereof as shall be directed by the Authority as hereinafter in this Section provided. The Authority shall execute and deliver to the Trustee and the Trustee shall authenticate the Series 2019 Bonds and deliver them to the purchasers thereof as shall be directed by the Authority as hereinafter in this Section provided.

(b) Prior to or simultaneously with the delivery by the Trustee of the Series 2019 Bonds there shall be filed with the Trustee:

(i) A copy, duly certified by the Secretary, Executive Director, or an Assistant Secretary of the Authority, of the resolution or resolutions adopted by the Authority authorizing the execution and delivery of this Indenture and the Agreement and all other instruments contemplated thereby and the authorization, issuance, sale, and delivery of the Series 2019 Bonds;

(ii) A copy, duly certified by an Authorized Corporation Representative, of the resolution or resolutions of the Corporation authorizing the execution and delivery of the Agreement, and all

(vi) A signed copy of the legal opinion of Jones Walker LLP, addressed to the Trustee, to the effect that (i) the Series 2019 Bonds are exempt from the registration requirements of the Securities Act of 1933, as amended, and this Indenture is exempt from qualification under the Trust Indenture Act of 1939, as amended; and (ii) authorizing the Trustee to rely upon Bond Counsel's approving opinion as if it were addressed to the Trustee.

(c) The Authority hereby authorizes and directs the Trustee to execute and deliver the Series 2019 Tax Regulatory Agreement dated the Closing Date, among the Authority, the Board, the Trustee, and the Corporation.

Section 3.13 Book-Entry Registration of Bonds.

(a) The Bonds shall be initially issued in the name of Cede & Co., as nominee for DTC, as registered owner of the Bonds, and held in the custody of DTC (or the Trustee as the agent of DTC under the F.A.S.T. delivery system). The Authority and the Trustee acknowledge that the Authority has executed and delivered a Blanket Letter of Representations with DTC and that the terms and provisions of said Letter of Representations shall govern in the event of any inconsistency between the provisions of this Indenture and said Letter of Representations. A single bond certificate for each maturity of Bonds will be issued and delivered to DTC. The Beneficial Owners will not receive physical delivery of Bond certificates except as provided herein. Beneficial Owners are expected to receive a written confirmation of their purchase providing details of each Bond acquired. For so long as DTC shall continue to serve as securities depository for the Bonds as provided herein, all transfers of beneficial ownership interest will be made by book-entry only, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of Bonds is to receive, hold or deliver any Bond certificate.

(b) For every transfer and exchange of the Bonds, the Beneficial Owner may be charged a sum sufficient to cover such Beneficial Owner's allocable share of any tax, fee or other governmental charge that may be imposed in relation thereto.

(c) The Authority, the Corporation and the Trustee will recognize DTC or its nominee as the Bondholder for all purposes, including notices and voting.

(d) Neither the Authority, the Trustee, the Corporation nor the Board is responsible for the performance by DTC of any of its obligations, including, without limitation, the payment of moneys

received by DTC, the forwarding of notices received by DTC or the giving of any consent or proxy in lieu of consent.

(e) Whenever during the term of the Bonds the beneficial ownership thereof is determined by a book entry at DTC, the requirements of this Indenture of holding, delivering or transferring Bonds shall be deemed modified to require the appropriate person to meet the requirements of DTC as to registering or transferring the book entry to produce the same effect.

(f) DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the Authority and the Trustee and discharging its responsibilities with respect thereto under applicable law.

(g) The Authority, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the Bonds if the Authority determines that (i) DTC is unable to discharge its responsibilities with respect to the Bonds, or (ii) a continuation of the requirement that all of the outstanding Bonds be registered on the registration books kept by the Trustee in the name of Cede & Co., or any other nominee of DTC, is not in the best interest of the beneficial owners of the Bonds.

(h) Upon the termination of the services of DTC with respect to the Bonds pursuant to the above two paragraphs, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Authority is willing and able to undertake such functions upon reasonable and customary terms, the Authority is obligated to deliver Bonds to the owner, at the expense of the said owner as described in this Indenture, and the Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names holders transferring or exchanging Bonds shall designate in accordance with the provisions of this Indenture.

(i) Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Blanket Letter of Representations of the Authority dated November 17, 1998 and delivered to DTC.

(j) If at any time DTC ceases to hold the Bonds, all references herein to DTC shall be of no further force or effect.

Section 3.14 Provisions Related to Series 2017 Bond Insurance Policy and the Series 2019 Bond Insurance Policy. As long as any Series 2017 Bonds or any Series 2019 Bonds (for purposes of this section, collectively, the “*Insured Bonds*”) are insured by the Series 2017 Bond Insurer and the Series 2019 Bond Insurer (for purposes of this section, collectively, the “*Bond Insurer*”), are outstanding and Bond Insurer is not then in default under the Series 2017 Bond Insurance Policy or the Series 2019 Bond Insurance Policy (for purposes of this section, collectively, the “*Bond Insurance Policy*”), then notwithstanding any provisions of the Indenture to the contrary, the provisions of this Section shall apply; provided, however, to the extent the Bond Insurer has made any payments under the Bond Insurance Policy it shall retain its rights of subrogation:

(a) The prior written consent of the Bond Insurer shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Series 2017 Debt Service Reserve Fund or the Series 2019 Debt Service Reserve Fund. Notwithstanding anything to the contrary set forth in the Indenture, amounts on deposit in the Series 2017 Debt Service Reserve Fund and the Series 2019 Debt Service Reserve

Fund shall be applied solely to the payment of debt service due on the Series 2017 Bonds or the Series 2019 Bonds, as applicable.

(b) Further to the rights granted to Bond Insurer under Article VIII of this Indenture and as a term of this Indenture and each Insured Bond, the Trustee and each owner of the Insured Bonds appoint the Bond Insurer as their agent and attorney-in-fact with respect to the Insured Bonds and agree that the Bond Insurer may at any time during the continuation of any proceeding by or against the Authority, the Board, the Corporation or the University under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an “*Insolvency Proceeding*”) direct all matters relating to such Insolvency Proceeding, including without limitation, (A) all matters relating to any claim or enforcement proceeding in connection with an Insolvency Proceeding (a “*Claim*”), (B) the direction of any appeal of any order relating to any Claim, (C) the posting of any surety, supersedeas or performance bond pending any such appeal, and (D) the right to vote to accept or reject any plan of adjustment. In addition, the Trustee and each owner of the Insured Bonds delegate and assign to the Bond Insurer, to the fullest extent permitted by law, the rights of the Trustee and each owner of the Insured Bonds with respect to the Insured Bonds in the conduct of any Insolvency Proceeding, including, without limitation, all rights of any party to an adversary proceeding or action with respect to any court order issued in connection with any such Insolvency Proceeding. Remedies granted to the Bondholders shall expressly include mandamus.

(c) The maturity of Insured Bonds insured by the Bond Insurer shall not be accelerated without the consent of the Bond Insurer and in the event the maturity of the Insured Bonds is accelerated, the Bond Insurer may elect, in its sole discretion, to pay accelerated principal and interest accrued, on such principal to the date of acceleration (to the extent unpaid by the Authority) and the Trustee shall be required to accept such amounts. Upon payment of such accelerated principal and interest accrued to the acceleration date as provided above, the Bond Insurer’s obligations under the Bond Insurance Policy with respect to such Insured Bonds shall be fully discharged.

(d) The Bond Insurer is a third party beneficiary of this Indenture.

(e) The exercise of any provision of this Indenture which permits the purchase of Insured Bonds in lieu of redemption shall require the prior written approval of the Bond Insurer if any Insured Bond so purchased is not cancelled upon purchase.

(f) Unless the Bond Insurer otherwise directs, upon the occurrence and continuance of an Event of Default or an event which with notice or lapse of time would constitute an Event of Default, amounts on deposit in the Series 2017 Project Fund shall not be disbursed, but shall instead be applied to the payment of debt service or redemption price of the Series 2017 Bonds.

(g) The rights granted to the Bond Insurer under this Indenture or any other Bond Document to request, consent to or direct any action are rights granted to the Bond Insurer in consideration of its issuance of the Bond Insurance Policy. Any exercise by the Bond Insurer of such rights is merely an exercise of the Bond Insurer’s contractual rights and, except as otherwise provided in the Bond Documents, shall not be construed or deemed to be taken for the benefit, or on behalf, of the Bondholders and such action does not evidence any position of the Bond Insurer, affirmative or negative, as to whether the consent of the Bondowners or any other person is required in addition to the consent of the Bond Insurer.

(h) To accomplish defeasance of the Insured Bonds, the Authority shall cause to be delivered (i) a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to the Bond Insurer (“*Accountant*”) verifying the sufficiency of the escrow established to pay the Insured Bonds in full on the maturity or redemption date (“*Verification*”), (ii) an escrow deposit

agreement (which shall be acceptable in form and substance to the Bond Insurer), (iii) an opinion of nationally recognized bond counsel to the effect that Insured Bonds are no longer “Outstanding” under the Indenture and (iv) a certificate of discharge of the Trustee with respect to the Insured Bonds; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the Authority, Trustee and Bond Insurer. The Bond Insurer shall be provided with final drafts of the above-referenced documentation not less than five business days prior to the funding of the escrow. Insured Bonds shall be deemed “Outstanding” under the Indenture unless and until they are in fact paid and retired or the above criteria are met.

(i) Amounts paid by the Bond Insurer under the Bond Insurance Policy shall not be deemed paid for purposes of the Indenture and the Insured Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the Authority in accordance with this Indenture. This Indenture shall not be discharged unless all amounts due or to become due to the Bond Insurer have been paid in full or duly provided for.

(j) Claims Upon Bond Insurance Policy and Payments by and to Bond Insurer.

If, on the third Business Day prior to the related scheduled interest payment date or principal payment date (“*Payment Date*”) there is not on deposit with the Trustee, after making all transfers and deposits required under this Indenture, moneys sufficient to pay the principal of and interest on the Insured Bonds due on such Payment Date, the Trustee shall give notice to the Bond Insurer and to its designated agent (if any) (the “*Insurer’s Fiscal Agent*”) by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Insured Bonds due on such Payment Date, the Trustee shall make a claim under the Bond Insurance Policy and give notice to the Bond Insurer and the Insurer’s Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Insured Bonds and the amount required to pay principal of the Series 2017 Bonds, confirmed in writing to the Bond Insurer and the Insurer’s Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Bond Insurance Policy.

The Trustee shall designate any portion of payment of principal on Insured Bonds paid by the Bond Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Insured Bonds registered to the then current Bondholder, whether DTC or its nominee or otherwise, and shall issue a replacement Insured Bond to the Bond Insurer, registered in the name of Assured Guaranty Municipal Corp., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee’s failure to so designate any payment or issue any replacement Insured Bond shall have no effect on the amount of principal or interest payable by the Authority on any Insured Bond or the subrogation rights of the Bond Insurer.

The Trustee shall keep a complete and accurate record of all funds deposited by the Bond Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Insured Bond. The Bond Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

Upon payment of a claim under the Bond Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of owners of the Insured Bonds referred to herein as the “*Policy Payments Account*” and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Bond Insurance Policy in trust on behalf of owners of the Insured Bonds and shall deposit any such amount in the Policy Payments Account and distribute such amount

only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to owners of the Insured Bonds in the same manner as principal and interest payments are to be made with respect to the Insured Bonds under the sections hereof regarding payment of Insured Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything herein to the contrary, the Authority agrees to pay to the Bond Insurer, solely from the Trust Estate, (i) a sum equal to the total of all amounts paid by the Bond Insurer under the Bond Insurance Policy (the “*Insurer Advances*”); and (ii) to the extent permitted by law, interest on such Insurer Advances from the date paid by the Bond Insurer until payment thereof in full, payable to the Bond Insurer at the Late Payment Rate per annum (collectively, the “*Insurer Reimbursement Amounts*”). “*Late Payment Rate*” means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Insured Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. The Authority hereby covenants and agrees that the Insurer Reimbursement Amounts are secured by a lien on and pledge of the Trust Estate and payable from such Trust Estate on a parity with debt service due on the Insured Bonds.

Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the Policy Payments Account following a Payment Date shall promptly be remitted to the Bond Insurer.

(k) The Bond Insurer shall, to the extent it makes any payment of principal or interest on the Insured Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Bond Insurance Policy (which subrogation rights shall also include the rights of any such recipients in connection with any Insolvency Proceeding). Each obligation of the Authority to the Bond Insurer under the Bond Documents shall survive discharge or termination of such Bond Documents.

(l) The Authority shall pay or reimburse the Bond Insurer, solely from amounts paid by the Corporation from Additional Rentals paid by the Board pursuant to the Facilities Lease and to the extent permitted by law, any and all charges, fees, costs and expenses that the Bond Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Bond Document; (ii) the pursuit of any remedies under the Indenture or any other Bond Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Indenture or any other Bond Document whether or not executed or completed, or (iv) any litigation or other dispute in connection with the Indenture or any other Bond Document or the transactions contemplated thereby, other than costs resulting from the failure of the Bond Insurer to honor its obligations under the Bond Insurance Policy. The Bond Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Indenture or any other Bond Document.

(m) After payment of reasonable expenses of the Trustee, the application of funds realized upon default shall be applied to the payment of expenses of the Authority or rebate only after the payment of past due and current debt service on the Bonds and amounts required to restore each Debt Service Reserve Fund to its respective Debt Service Reserve Fund Requirement.

(n) The Bond Insurer shall be entitled to pay principal or interest on the Insured Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Authority (as such terms are defined in the Bond Insurance Policy) and any amounts due on the Insured Bonds as a result of acceleration of

the maturity thereof in accordance with the Indenture, whether or not the Bond Insurer has received a Notice of Nonpayment (as such terms are defined in the Bond Insurance Policy) or a claim upon the Bond Insurance Policy.

(o) The notice address of the Bond Insurer is: Assured Guaranty Municipal Corp., 1633 Broadway, New York, New York 10019, Attention: Managing Director – Surveillance, Re: Policy No. 218242-N (2017) and Policy No. 219207-N (2019), Telephone: (212) 974-0100; Telecopier: (212) 339-3556. In each case in which notice or other communication refers to an Event of Default, then a copy of such notice or other communication shall also be sent to the attention of the General Counsel and shall be marked to indicate “URGENT MATERIAL ENCLOSED.”

(p) The Bond Insurer shall be provided with the following information by the Authority, the Corporation or the Trustee, as the case may be:

(ii) Annual audits prepared by the Legislative Auditor of the State of Louisiana, within two hundred and ten (210) days of the completion of the Board’s fiscal year or such later date as may be extended with the approval of the Legislative Auditor of the State of Louisiana and the Bond Insurer, together with a certification of the Board stating that no Event of Default has occurred or is continuing under the Bond Documents);

(iii) Notice of any draw upon the Series 2017 Debt Service Reserve Fund or the Series 2019 Debt Service Reserve Fund within two Business Days after knowledge thereof other than (i) withdrawals of amounts in excess of the Series 2017 Debt Service Reserve Fund Requirement or the Series 2019 Debt Service Reserve Fund and (ii) withdrawals in connection with a refunding of Insured Bonds;

(iv) Notice of any default known to the Trustee, the Board or the Authority within five Business Days after knowledge thereof;

In addition, to the extent that the Authority or the Corporation has entered into a continuing disclosure agreement, covenant or undertaking with respect to the Insured Bonds, all information furnished pursuant to such agreements shall also be provided to the Insurer, simultaneously with the furnishing of such information.

(q) The Bond Insurer shall have the right to receive such additional information as it may reasonably request.

(r) The Authority and the Corporation will permit the Bond Insurer to discuss the affairs, finances and accounts of the Authority and the Corporation or any information the Bond Insurer may reasonably request regarding the security for the Insured Bonds with appropriate officers of the Authority and the Corporation and will use commercially reasonable efforts to enable the Bond Insurer to have access to the facilities, books and records of the Authority and the Corporation on any business day upon reasonable prior notice.

(s) The Trustee shall notify the Bond Insurer of any known failure of the Authority, the Corporation and the Board to provide notices, certificates and other information under the Bond Documents.

(t) Notwithstanding satisfaction of the other conditions to the issuance of Additional Bonds set forth in Article V of the Indenture, no such issuance may occur unless each Debt Service Reserve Fund is fully funded at the respective Debt Service Reserve Fund Requirement (including the proposed issue) upon the issuance of such Additional Bonds, in either case unless otherwise permitted by the Bond Insurer.

(u) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Indenture would adversely affect the security for the Insured Bonds or the rights of the Bondholders, the Trustee shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Bond Insurance Policy.

Moneys on deposit in the Series 2013 Debt Service Reserve Fund shall be maintained in an amount equal to the Series 2013 Debt Service Reserve Fund Requirement, and shall be transferred, in accordance with the priority set out in Section 4.3(c) above, to the Interest Account or the Principal Account of the Series 2013 Debt Service Fund in such amount as shall be necessary to remedy any deficiency therein (taking into account any amounts available therefor in the Surplus Fund and the Replacement Fund). Whenever the amount in the Series 2013 Debt Service Reserve Fund, together with the amount in the Series 2013 Debt Service Fund, is sufficient to pay in full all outstanding Series 2013 Bonds in accordance with their terms, the funds on deposit in the Series 2013 Debt Service Reserve Fund shall be transferred to the Series 2013 Debt Service Fund and shall be available to pay all outstanding Series 2013 Bonds in accordance with their terms. If the balance of the Series 2013 Debt Service Reserve Fund is greater than the Series 2013 Debt Service Reserve Fund Requirement, all amounts in the Series 2013 Debt Service Reserve Fund in excess of the Series 2013 Debt Service Reserve Fund Requirement shall be transferred to the Interest Account of the Series 2013 Debt Service Fund. In no event shall moneys in the Series 2013 Debt Service Reserve Fund be used to make payments of principal or interest on the Series 2017 Bonds or the Series 2019 Bonds and in no event shall the moneys in the Series 2017 Debt Service Reserve Fund or the Series 2019 Debt Service Reserve Fund be used to make payments of principal and interest on the Series 2013 Bonds.

Section 4.14 Series 2017 Debt Service Reserve Fund.

(a) Monies in the Series 2017 Debt Service Reserve Fund shall be maintained in an amount equal to the Series 2017 Debt Service Reserve Requirement. The Series 2017 Debt Service Reserve Fund Requirement will initially be satisfied by the deposit of the Series 2017 Debt Service Reserve Fund Surety Policy with the Trustee. Monies in the Series 2017 Debt Service Reserve Fund shall be used solely for transfer to the Series 2017 Debt Service Fund in amounts required to prevent any default in the payment of the principal of and interest on the Series 2017 Bonds.

(b) Whenever the amount in the Series 2017 Debt Service Reserve Fund, together with the amount in the Series 2017 Debt Service Fund is sufficient to pay in full all Outstanding Series 2017 Bonds in accordance with their terms (including principal or applicable premium and interest thereon), the funds on deposit in the Series 2017 Debt Service Reserve Fund shall be transferred to the Series 2017 Debt Service Fund and shall be available to pay all Outstanding Series 2017 Bonds. Prior to said transfer, all investments held in the Series 2017 Debt Service Reserve Fund shall be liquidated to the extent necessary in order to provide for the timely payment of principal and interest (or redemption premium) on the Series 2017 Bonds.

(c) In lieu of the required deposits or transfers to the Series 2017 Debt Service Reserve Fund or to provide for the removal of all or a portion of the amounts on deposit in the Series 2017 Debt Service Reserve Fund, the Authority may, with the prior written consent of the Series 2017 Bond Insurer, cause to be deposited into the Series 2017 Debt Service Reserve Fund a surety bond or an insurance policy satisfactory in form and substance to the Series 2017 Bond Insurer for the benefit of the holders of the Series 2017 Bonds or a letter of credit in an amount equal to (i) the difference between the Series 2017 Debt Service Reserve Requirement and the sums then on deposit in the Series 2017 Debt Service Reserve Fund, if any, or (ii) the Series 2017 Debt Service Reserve Requirement. The surety bond, insurance policy or letter of credit shall be payable (upon the giving of notice as required thereunder) on any due date on which monies will be required to be withdrawn

from the Series 2017 Debt Service Reserve Fund and applied to the payment of principal of or interest on any Series 2017 Bonds when such withdrawal cannot be met by amounts on deposit in the Series 2017 Debt Service Reserve Fund or provided from any other Fund under this Indenture. The insurer providing such surety bond or insurance policy shall be an insurer whose municipal bond insurance policies insuring the payment, when due, of the principal of and interest on municipal bond issues results in such issues being rated not lower than AA by S&P or Aa by Moody's. The letter of credit Authority shall be a bank or trust company that is rated not lower than AA by S&P or Aa by Moody's, and the letter of credit itself shall be rated not lower than AA by S&P or Aa by Moody's. If a disbursement is made pursuant to a surety bond, an insurance policy or a letter of credit provided pursuant to this subsection, The Authority shall be obligated either (i) to reinstate the maximum limits of such surety bond, insurance policy or letter of credit or (ii) to deposit into the Series 2017 Debt Service Reserve Fund, funds in the amount of the disbursement made under such surety bond, insurance policy or letter of credit, or a combination of such alternatives, as shall provide that the amount in the Series 2017 Debt Service Reserve Fund equals the Series 2017 Debt Service Reserve Requirement. In connection with its obligation to provide for any reinstatement of amounts on deposit in the Series 2017 Debt Service Reserve Fund to the Series 2017 Debt Service Reserve Requirement, the Authority may agree to provide the insurer or the Authority of such letter of credit a pledge of the amounts to be deposited in the Series 2017 Debt Service Reserve Fund to provide for such reinstatement provided, however, such obligation shall be subject and subordinate to the pledge created by this Indenture as security for the Series 2017 Bonds. Reimbursement of amounts paid by an insurer under a surety bond, insurance policy or letter of credit, including interest thereon, shall be made on a monthly basis commencing in the first month following each draw and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of such draw and the interest due thereon and shall be credited first to the principal due and then to interest due. In the event that the rating attributable to any insurer providing any surety bond or insurance policy (other than the Surety Provider) or any bank or trust company providing any letter of credit held as above provided in the Series 2017 Debt Service Reserve Fund shall fall below that required as above provided, the Authority shall use its best efforts to replace, as soon as possible, such surety bond, insurance policy or letter of credit with a surety bond, insurance policy or letter of credit which shall be satisfactory to the Series 2017 Bond Insurer and meet the above provided requirements.

(d) In the event that the Series 2017 Debt Service Reserve Fund contains both cash and a surety bond, insurance policy or letter of credit and a disbursement from the Series 2017 Debt Service Reserve Fund is required hereunder, the Trustee shall draw such disbursement first from cash on hand in the Series 2017 Debt Service Reserve Fund until the cash is completely drawn down before making any draw on the surety bond, insurance policy or letter of credit.

(e) In the event that the Trustee makes a disbursement from any surety bond, insurance policy or letter of credit in the Series 2017 Debt Service Reserve Fund, the Authority shall use any available funds first to reimburse the Authority of such surety bond, insurance policy or letter of credit prior to using such funds to replenish the Series 2017 Debt Service Reserve Fund with any cash necessary to meet the Series 2017 Debt Service Reserve Requirement.

(f) In the event of the refunding of any Series 2017 Bonds, the Trustee shall, if the Authority so directs, withdraw from the Series 2017 Debt Service Reserve Fund all, or any portion of, the amounts accumulated therein with respect to the Series 2017 Bonds being refunded and deposit such amounts to be held for the payment of the principal or redemption premium, if applicable, and interest on the Series 2017 Bonds being refunded; provided that such withdrawal shall not be made unless (i) immediately thereafter the Series 2017 Bonds being refunded shall be deemed to have been paid pursuant to Article XII and (ii) the amount remaining in the Series 2017 Debt Service Reserve Fund, after giving effect to the issuance of the refunding

bonds and the disposition of the proceeds thereof, shall not be less than the Series 2017 Debt Service Reserve Fund Requirement.

Section 4.15 Series 2019 Debt Service Reserve Fund.

(a) Monies in the Series 2019 Debt Service Reserve Fund shall be maintained in an amount equal to the Series 2019 Debt Service Reserve Requirement. The Series 2019 Debt Service Reserve Fund Requirement will initially be satisfied by the deposit of the Series 2019 Debt Service Reserve Fund Surety Policy with the Trustee. Monies in the Series 2019 Debt Service Reserve Fund shall be used solely for transfer to the Series 2019 Debt Service Fund in amounts required to prevent any default in the payment of the principal of and interest on the Series 2019 Bonds.

(b) Whenever the amount in the Series 2019 Debt Service Reserve Fund, together with the amount in the Series 2019 Debt Service Fund is sufficient to pay in full all Outstanding Series 2019 Bonds in accordance with their terms (including principal or applicable premium and interest thereon), the funds on deposit in the Series 2019 Debt Service Reserve Fund shall be transferred to the Series 2019 Debt Service Fund and shall be available to pay all Outstanding Series 2019 Bonds. Prior to said transfer, all investments held in the Series 2019 Debt Service Reserve Fund shall be liquidated to the extent necessary in order to provide for the timely payment of principal and interest (or redemption premium) on the Series 2019 Bonds.

(c) In lieu of the required deposits or transfers to the Series 2019 Debt Service Reserve Fund or to provide for the removal of all or a portion of the amounts on deposit in the Series 2019 Debt Service Reserve Fund, the Authority may, with the prior written consent of the Series 2019 Bond Insurer, cause to be deposited into the Series 2019 Debt Service Reserve Fund a surety bond or an insurance policy satisfactory in form and substance to the Series 2019 Bond Insurer for the benefit of the holders of the Series 2019 Bonds or a letter of credit in an amount equal to (i) the difference between the Series 2019 Debt Service Reserve Requirement and the sums then on deposit in the Series 2019 Debt Service Reserve Fund, if any, or (ii) the Series 2019 Debt Service Reserve Requirement. The surety bond, insurance policy or letter of credit shall be payable (upon the giving of notice as required thereunder) on any due date on which monies will be required to be withdrawn from the Series 2019 Debt Service Reserve Fund and applied to the payment of principal of or interest on any Series 2019 Bonds when such withdrawal cannot be met by amounts on deposit in the Series 2019 Debt Service Reserve Fund or provided from any other Fund under this Indenture. The insurer providing such surety bond or insurance policy shall be an insurer whose municipal bond insurance policies insuring the payment, when due, of the principal of and interest on municipal bond issues results in such issues being rated not lower than AA by S&P or Aa by Moody's. The letter of credit Authority shall be a bank or trust company that is rated not lower than not lower than AA by S&P or Aa by Moody's, and the letter of credit itself shall be rated not lower than AA by S&P or Aa by Moody's. If a disbursement is made pursuant to a surety bond, an insurance policy or a letter of credit provided pursuant to this subsection, The Authority shall be obligated either (i) to reinstate the maximum limits of such surety bond, insurance policy or letter of credit or (ii) to deposit into the Series 2019 Debt Service Reserve Fund, funds in the amount of the disbursement made under such surety bond, insurance policy or letter of credit, or a combination of such alternatives, as shall provide that the amount in the Series 2019 Debt Service Reserve Fund equals the Series 2019 Debt Service Reserve Requirement. In connection with its obligation to provide for any reinstatement of amounts on deposit in the Series 2019 Debt Service Reserve Fund to the Series 2019 Debt Service Reserve Requirement, the Authority may agree to provide the insurer or the Authority of such letter of credit a pledge of the amounts to be deposited in the Series 2019 Debt Service Reserve Fund to provide for such reinstatement provided, however, such obligation shall be subject and subordinate to the pledge created by this Indenture as security for the Series 2019 Bonds. Reimbursement of amounts paid by an insurer under a surety bond, insurance policy or letter of credit,

including interest thereon, shall be made on a monthly basis commencing in the first month following each draw and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of such draw and the interest due thereon and shall be credited first to the principal due and then to interest due. In the event that the rating attributable to any insurer providing any surety bond or insurance policy (other than the Surety Provider) or any bank or trust company providing any letter of credit held as above provided in the Series 2019 Debt Service Reserve Fund shall fall below that required as above provided, the Authority shall use its best efforts to replace, as soon as possible, such surety bond, insurance policy or letter of credit with a surety bond, insurance policy or letter of credit which shall be satisfactory to the Series 2019 Bond Insurer and meet the above provided requirements.

(d) In the event that the Series 2019 Debt Service Reserve Fund contains both cash and a surety bond, insurance policy or letter of credit and a disbursement from the Series 2019 Debt Service Reserve Fund is required hereunder, the Trustee shall draw such disbursement first from cash on hand in the Series 2019 Debt Service Reserve Fund until the cash is completely drawn down before making any draw on the surety bond, insurance policy or letter of credit.

(e) In the event that the Trustee makes a disbursement from any surety bond, insurance policy or letter of credit in the Series 2019 Debt Service Reserve Fund, the Authority shall use any available funds first to reimburse the Authority of such surety bond, insurance policy or letter of credit prior to using such funds to replenish the Series 2019 Debt Service Reserve Fund with any cash necessary to meet the Series 2019 Debt Service Reserve Requirement.

(f) In the event of the refunding of any Series 2019 Bonds, the Trustee shall, if the Authority so directs, withdraw from the Series 2019 Debt Service Reserve Fund all, or any portion of, the amounts accumulated therein with respect to the Series 2019 Bonds being refunded and deposit such amounts to be held for the payment of the principal or redemption premium, if applicable, and interest on the Series 2019 Bonds being refunded; provided that such withdrawal shall not be made unless (i) immediately thereafter the Series 2019 Bonds being refunded shall be deemed to have been paid pursuant to Article XII and (ii) the amount remaining in the Series 2019 Debt Service Reserve Fund, after giving effect to the issuance of the refunding bonds and the disposition of the proceeds thereof, shall not be less than the Series 2019 Debt Service Reserve Fund Requirement.

Section 4.16 Series 2017 and Series 2019 Debt Service Reserve Fund Surety Policy Provisions. Notwithstanding anything to the contrary set forth in the Indenture, the following provisions shall apply as long as the Series 2017 Debt Service Reserve Fund Surety Policy or the Series 2019 Debt Service Reserve Fund Surety Policy (for purposes of this section, collectively, the “Debt Service Reserve Fund Surety Policy”) is in effect:

(a) The Authority shall repay, or cause the Corporation to repay, any draws under the Debt Service Reserve Fund Surety Policy and pay all related reasonable expenses incurred by the Bond Insurer (as such term is defined in Section 3.14 hereof) and shall pay interest thereon from the date of payment by the Bond Insurer at the Late Payment Rate. “*Late Payment Rate*” means the lesser of (x) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate (“*Prime Rate*”) (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Insured Bonds (as such term is defined in Section 3.14 hereof), as applicable, and (y) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In

the event JPMorgan Chase Bank ceases to announce its Prime Rate publicly, Prime Rate shall be the publicly announced prime or base lending rate of such national bank as the Bond Insurer shall specify. If the interest provisions of this subparagraph (a) shall result in an effective rate of interest which, for any period, exceeds the limit of the usury or any other laws applicable to the indebtedness created herein, then all sums in excess of those lawfully collectible as interest for the period in question shall, without further agreement or notice between or by any party hereto, be applied as additional interest for any later periods of time when amounts are outstanding hereunder to the extent that interest otherwise due hereunder for such periods plus such additional interest would not exceed the limit of the usury or such other laws, and any excess shall be applied upon principal immediately upon receipt of such moneys by the Bond Insurer, with the same force and effect as if the Authority or the Corporation had specifically designated such extra sums to be so applied and the Bond Insurer had agreed to accept such extra payment(s) as additional interest for such later periods. In no event shall any agreed-to or actual exaction as consideration for the indebtedness created herein exceed the limits imposed or provided by the law applicable to this transaction for the use or detention of money or for forbearance in seeking its collection.

Repayment of draws and payment of expenses and accrued interest thereon at the Late Payment Rate (collectively, “*Policy Costs*”) shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of Policy Costs related to such draw.

Amounts in respect of Policy Costs paid to the Bond Insurer shall be credited first to interest due, then to the expenses due and then to principal due. As and to the extent that payments are made to the Bond Insurer on account of principal due, the coverage under the Debt Service Reserve Fund Surety Policy will be increased by a like amount, subject to the terms of the Reserve Policy. The obligation to pay Policy Costs shall be secured by a valid lien on all revenues and other collateral pledged as security for the Insured Bonds (subject only to the priority of payment provisions set forth under this Indenture).

All cash and investments in the Series 2017 Debt Service Reserve Fund and the Series 2019 Debt Service Reserve Fund shall be transferred to the Debt Service Fund for payment of debt service on the Series 2017 Bonds and the Series 2019 Bonds, as applicable, before any drawing may be made on the applicable Debt Service Reserve Fund Surety Policy or any other credit facility credited to the Series 2017 Debt Service Reserve Fund or the Series 2019 Debt Service Reserve Fund in lieu of cash (“*Credit Facility*”). Payment of any Policy Costs shall be made prior to replenishment of any such cash amounts. Draws on all Credit Facilities (including the applicable Debt Service Reserve Fund Surety Policy) on which there is available coverage shall be made on a pro-rata basis (calculated by reference to the coverage then available thereunder) after applying all available cash and investments in the Series 2017 Debt Service Reserve Fund and the Series 2019 Debt Service Reserve Fund. Payment of Policy Costs and reimbursement of amounts with respect to other Credit Facilities shall be made on a pro-rata basis prior to replenishment of any cash drawn from the Series 2017 Debt Service Reserve Fund and the Series 2019 Debt Service Reserve Fund. For the avoidance of doubt, “available coverage” means the coverage then available for disbursement pursuant to the terms of the applicable alternative credit instrument without regard to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.

(b) If either the Authority or the Corporation shall fail to pay any Policy Costs in accordance with the requirements of subparagraph (a) hereof, the Bond Insurer shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under the Indenture other than (i) acceleration of the maturity of the Bonds or (ii) remedies which would adversely affect owners of the Bonds.

(c) The Indenture shall not be discharged until all Policy Costs owing to the Bond Insurer shall have been paid in full. The Authority's obligation to pay such amounts shall expressly survive payment in full of the Insured Bonds.

(d) The Authority shall include any Policy Costs then due and owing the Bond Insurer in the calculation of the additional bonds test and the rate covenant in the Bond Documents.

(e) The Trustee shall ascertain the necessity for a claim upon the Debt Service Reserve Fund Surety Policy in accordance with the provisions of subparagraph (a) hereof and provide notice to the Bond Insurer in accordance with the terms of the Debt Service Reserve Fund Surety Policy at least three (3) Business Days prior to each date upon which interest or principal is due on the Insured Bonds.

Nothing in this Section 4.16 is intended to require or obligate nor shall anything herein be interpreted to require or obligate the Authority for any purpose or at any time whatsoever, to provide, apply or expend any funds coming into the hands of the Authority other than from the Trust Estate, which Trust Estate shall include without limitation payments under Section 6 of the Facilities Lease.

Section 4.17 Reserved.

Section 4.18 Surplus Fund. The Surplus Fund will continue to be maintained with the Trustee. Upon satisfaction of certain performance covenants contained in the Indenture, funds on deposit in the Surplus Fund at the end of any Fiscal Year may be transferred to the University. Until such transfer, moneys in the Surplus Fund will be available to be transferred to the Interest Account and/or the Principal Account of the Debt Service Fund whenever and to the extent that money on deposit in such Accounts is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Bonds.

Section 4.19 Series 2019 Current Refunding Fund. The Series 2019 Current Refunding Fund shall be maintained by the Trustee in trust and shall be used to receive the immediate transfer from the proceeds of the Series 2019 Bonds as provided in Section 4.2 hereof. Moneys in the Current Refunding Fund shall be used by the Trustee to redeem the Series 2004B Bonds on February 8, 2019. Any amounts remaining in the Series 2019 Current Refunding Fund following redemption of the Series 2004B Bonds on February 8, 2019 shall be deposited into the Interest Account of the Series 2019 Debt Service Fund.

Section 4.20 Investments.

(a) Moneys contained in the funds and accounts held by the Trustee under Section 4.1 of this Indenture shall be continuously invested and reinvested by the Trustee at the direction of the Corporation in Permitted Investments, to the extent practicable, that shall mature (or be readily convertible to cash) not later than the respective dates, as estimated by the Corporation, when the moneys in said Funds and Accounts shall be required for the purposes intended, and:

(i) No such investment shall be required to be made unless the cash at the time available therefor is at least equal to \$1,000;

(ii) The Trustee shall be authorized, to the extent necessary to enable the Trustee to discharge or perform its obligations hereunder, at any one or more times to sell any part or all of the investments whenever it may, for any reason or purpose whatsoever, deem any such sale to be desirable;

(iii) Any income derived from and any profit or loss on any such investment of moneys on deposit in any such fund or account shall be credited or debited, as the case may be, to the respective fund or account in which earned except that if the balance of the Debt Service Reserve Fund is equal to or greater than the Debt Service Reserve Fund Requirement, earnings in the Debt Service Reserve Fund shall be transferred to the Interest Account of the appropriate Debt Service Fund;

(iv) No Permitted Investments in any fund or account may mature beyond the latest maturity date of any Bonds outstanding at the time such Permitted Investments are deposited. For the purposes of this section, the maturity date of repurchase agreements for obligations is the maturity date of such repurchase agreements and not the maturity date of the underlying obligation;

(v) Moneys in the Debt Service Reserve Fund may be invested only in Permitted Investments maturing or redeemable at the option of the holder not later than two (2) years from the date of purchase thereof; provided, however, if moneys in the Debt Service Reserve Fund shall be invested in a guaranteed investment contract the Value of which is equal to the amount available to be withdrawn therefrom, such guaranteed investment contract may have a term of up to ten (10) years; and

(vi) No float forward or forward purchase agreement or other arrangement, agreement or financial product may be utilized in connection with the Debt Service Fund the Debt Service Reserve Fund or the Replacement Fund unless the Bond Insurer so permits and the terms thereof (including, without limitation, the parties thereto) are satisfactory to the Bond Insurer and, if satisfactory to the Bond Insurer, such agreements will constitute Permitted Investments.

(b) An Authorized Corporation Representative shall give to the Trustee directions respecting the investment of any money required to be invested hereunder, subject, however, to the provisions of this Article and Article V of the Agreement, and the Trustee shall then invest such money under this Section as so directed. The Trustee shall in no event have any liability for any loss resulting from the investment of moneys in accordance with the directions of the Authorized Corporation Representative. The Trustee shall furnish the Authority annually with a written copy and the Corporation with a written copy for the Board, on at least a monthly basis, of the types, amounts, yield and maturities of all such investments.

(c) All cash investments shall be valued by the Trustee as frequently as deemed necessary by the Trustee, but not less often than annually, at the market value thereof. Deficiencies in the amount on deposit in any fund or account resulting from a decline in market value shall be restored no later than the succeeding valuation date.

Section 4.21 Depository of Moneys and Security for Deposits. All of the funds and accounts established hereunder (except for the Rebate Fund) shall be special trust accounts held by the Trustee in trust for the benefit of the owners of the Bonds and shall not be subject to lien or attachment by any creditors of the Trustee, the Authority, the Corporation, or the Board. Uninvested sums in these funds and accounts shall be continually secured as are deposits of uninvested sinking funds of political subdivisions of the State or in the manner prescribed by Federal law for securing any Federal trust funds as may be prescribed from time to time by the Comptroller of the Currency.

Section 4.22 Arbitrage. Notwithstanding all the provisions hereof, the Authority or the Corporation shall not direct the investment of moneys in the various funds and accounts created hereunder in a manner that would result in the loss of exclusion from gross income of interest on the Bonds for Federal income tax purposes or in such manner which would result in the Bonds becoming “arbitrage bonds” within the meaning of Section 148 of the Code.

Section 4.23 Payments from the Series 2017 Project Fund.

(a) Payment of the Costs of the Series 2017 Facilities shall be made from the proceeds of the Series 2017 Bonds deposited into the Series 2017 Project Fund; provided, however that interest earnings on the amounts deposited into the Series 2017 Project Fund shall be transferred semi-annually fifteen (15) days prior to each Interest Payment Date, to the corresponding account of the Series 2017 Debt Service Fund and used to make the next payment of interest on the Series 2017 Bonds. All payments from the Series 2017 Project Fund shall be subject to the provisions and restrictions set forth in this Article, and the Authority covenants that it will not cause or permit to be paid from the Series 2017 Project Fund any sums except in accordance with such provisions and restrictions.

(b) Moneys in the Series 2017 Project Fund shall be used to pay the Costs of the Series 2017 Facilities; provided that if an Event of Default under the Agreement or this Indenture has occurred and is continuing, the Trustee shall transfer moneys in the Series 2017 Project Fund to the appropriate account of the Series 2017 Debt Service Fund for the purpose of paying the principal of and interest on the Series 2017 Bonds.

Section 4.24 Costs of the Series 2017 Facilities. For the purpose of this Indenture, the Costs of the Series 2017 Facilities shall embrace such costs as are eligible costs within the purview of the Act and, with respect to the Series 2017 Bonds, the Code and, without intending thereby to limit or restrict any proper definition of such costs, shall include the following:

(a) obligations incurred by the Corporation for the benefit of the Board with respect to the lease of the Land and the design, acquisition, construction, demolition, and installation of the Series 2017 Facilities, for labor, materials, and services provided by contractors, builders, and others in connection with the demolition, construction, and equipping of the Series 2017 Facilities, machinery and equipment, necessary water and sewer lines and connections, utilities and landscaping, the restoration or relocation of any property damaged or destroyed in connection with such construction, the removal, demolition or relocation of any structures, and the clearing of lands and the reasonably allocable expenses of the Corporation with respect to the Series 2017 Facilities; the cost of acquiring by purchase, if deemed expedient, or leasing such Land, rights, rights of way, servitudes, easements, franchises, and other interests as may be deemed necessary or convenient by the Authorized Corporation Representative for the construction and equipping of the Series 2017 Facilities, the cost of options and partial payments thereon, the cost of demolishing or removing any buildings or structures on land so acquired, including the cost of acquiring any lands to which such buildings or structures may be moved and the amount of any damages incident to or consequent upon the construction of the Series 2017 Facilities;

(c) interest on the Series 2017 Bonds prior to the establishment of the completion date of the Series 2017 Facilities pursuant to Section 3.7 of the Agreement, and the reasonable fees and expenses, including counsel fees, of the Trustee for its services prior to and during construction, and premiums on insurance, if any, in connection with the Series 2017 Facilities;

(d) the cost of borings and other preliminary investigations, if any, to determine foundation or other conditions, expenses necessary or incident to determining the feasibility or practicability of constructing the Series 2017 Facilities and fees and expenses of engineers, architects, management consultants for making studies, surveys and estimates of cost and of revenues and other estimates, costs of environmental surveys, reports and remediation, and fees and expenses of engineers and architects for preparing plans and specifications and supervising construction as well as for the performance of all other duties of engineers and

architects set forth herein in relation to the acquisition and construction of the Series 2017 Facilities and the issuance of the Series 2017 Bonds therefor;

(e) other items of expense not elsewhere in this Section specified incident to the lease of the Land and the demolition, design, construction, and equipping of the Series 2017 Facilities and the financing thereof, including professional fees, moving expenses, the acquisition of lands, property, rights, rights of way, easements, franchises, and interest in or relating to lands, including title insurance, cost of demand surveys, other surveys, and other expenses in connection with such acquisition, legal fees and expenses, and expenses of administration and overhead, all properly chargeable, in the opinion of the Authorized Corporation Representative, to the acquisition, demolition, construction, and equipping of the Series 2017 Facilities; and

(f) any obligation or expense heretofore or hereafter incurred or paid by the Corporation for or in connection with any of the foregoing purposes, including general legal fees and expenses incurred in connection with the Series 2017 Facilities.

Section 4.25 Requisitions from the Series 2017 Project Fund.

(a) Payments from the Series 2017 Project Fund shall be made in accordance with the provisions of this Section. In connection with a payment from the Series 2017 Project Fund, there shall be filed with the Trustee a requisition, substantially in the form of Exhibit B attached hereto and made a part hereof, signed by an Authorized Corporation Representative, stating:

- (i) the item number of each such payment;
- (ii) the name of the person, firm, or corporation to whom each such payment is due, or, if such payment has been made by the Corporation, that the Trustee is to reimburse the Corporation directly for such payment;
- (iii) the respective amounts to be paid;
- (iv) the purpose by general classification for which each obligation to be paid was incurred;
- (v) that obligations in the stated amounts have been incurred by the Corporation and are either (A) presently due and payable or (B) have been paid by the Corporation and that each item thereof is a proper charge against the Series 2017 Project Fund and has not been the subject of any prior requisition;
- (vi) that such requisition contains no item representing payment on account of any retainage to which the Corporation is entitled at the date of such requisition; and
- (vii) a certification that all work, materials, supplies, and equipment that are the subject of such requisition have been performed or delivered and are in accordance with the description of the Series 2017 Facilities referred to above.

(b) Upon receipt of each requisition, the Trustee shall pay the obligations set forth in such requisition out of the money in the Series 2017 Project Fund, and each such obligation shall be paid by check signed by one or more officers or employees of the Trustee designated for such purpose by the Trustee or by

wire transfer or credit to an account of the Corporation held by the Trustee or in such other manner as may be agreed on by the Corporation and the Trustee. In making such payments the Trustee may rely upon such requisitions. If for any reason the Corporation should decide prior to the payment of any item in a requisition not to pay such item, it shall give written notice of such decision to the Trustee and thereupon the Trustee shall not make such payment. Notwithstanding anything to the contrary provided in this Section, prior to payment of the first requisition, the Bondholders shall have received or shall have had an opportunity to review copies of a Memorandum of Ground Lease, a Memorandum of Facilities Lease, the Mortgage, and a UCC-1, each with stamped recordation information indicating that each document has been recorded in the mortgage, conveyance or clerk of court records of Tangipahoa Parish, as appropriate.

(c) The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured e-mail, facsimile transmission or other similar unsecured or electronic methods, provided however, that (i) such originally executed instructions or directions shall be signed by a person as may be designated and authorized to sign for the Corporation or in the name of the Corporation, by an authorized representative of the Corporation, and (ii) the Corporation shall provide to the Trustee an incumbency certificate listing such designated persons, which incumbency certificate shall be amended whenever a person is to be added or deleted from the listing. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict with or are inconsistent with a subsequent written instruction.

Section 4.26 Reliance upon Requisitions. All requisitions and opinions received by the Trustee as conditions of payment from the Series 2017 Project Fund may be relied upon by the Trustee and shall be retained by the Trustee, subject at all reasonable times to examination by the Authority, the Board, and the Corporation.

Section 4.27 Completion of the Series 2017 Facilities and Disposition of the Series 2017 Project Fund Balance. When the construction and renovation of the Series 2017 Facilities shall have been completed, which fact shall be evidenced to the Trustee by a certificate of an Authorized Corporation Representative delivered to the Trustee pursuant to Section 3.7 of the Agreement, the balance in the Series 2017 Project Fund shall be transferred by the Trustee to the Series 2017 Debt Service Fund (subject to the provisions of Section 4.4 hereof) and applied to redeem the Series 2017 Bonds in accordance with the provisions of Section 3.4 hereof, or as a credit towards the next debt service payment on the Series 2017 Bonds, all in accordance with the written direction of an Authorized Corporation Representative.

Section 4.28 Amounts Remaining in Funds; Releases. It is agreed by the parties hereto that any amounts remaining in the Funds and Accounts existing pursuant to this Indenture upon the expiration or sooner cancellation or termination of the Agreement, as provided therein, after payment in full of all Bonds then outstanding under this Indenture (or provisions for the payment thereof having been made in accordance with Article XII of this Indenture), and the fees, charges, and expenses of the Authority, the Bond Insurer, and the Trustee and all other amounts required to be paid under the Agreement and under this Indenture, other than amounts payable as arbitrage rebate under Section 148(f) of the Code, shall belong to and be paid to the Board.

Section 4.29 Application of Insurance Proceeds; Condemnation Award.

(a) If all or any portion of the Facilities is damaged or destroyed by a Casualty (as defined in the Facilities Lease), or is taken by Expropriation (as defined in the Facilities Lease) proceedings, the Board shall instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to

be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration, or replacement of the Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. The proceeds of any insurance, including the proceeds of any self-insurance through ORM, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction, or taking of all or any portion of the Facilities shall be delivered to the Trustee and held by the Trustee in a special account to be established upon receipt of any such funds and held by the Trustee in trust or in the case of self-insurance through ORM, as set forth in paragraph (b) below; and shall be made available for, and to the extent necessary be applied to, such restoration, repair, and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement, and repair of the Facilities with respect to which they are held, in each case promptly after receipt of a written request of the Corporation as advised by the Board stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee may conclusively rely upon such written requests and shall have no liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration, or replacement of the Facilities shall be paid by Trustee to the Corporation for the Board.

(b) In the event the University decides not to repair, restore or replace the Series 2004 Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation and including any portion of such payments attributable to the Board's interest) shall be paid to the Trustee and applied to the prepayment of the Series 2013 Bonds and the Series 2019 Bonds in accordance with the terms of this Indenture. In the event the University decides not to repair, restore, or replace the Series 2017 Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) shall be paid to the Trustee and applied to the redemption of the Series 2017 Bonds on a pro rata basis in accordance with this Indenture.

(c) In the event that ORM insures the Facilities, the Board shall cause the Corporation to use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration or replacement of the Facilities.

Section 4.30 Application of Money in the Replacement Fund.

(a) The Trustee shall, in accordance with Section 4.12 hereof, deposit an amount equal to the Replacement Fund Annual Funding Requirement into the Replacement Fund, annually on each August 1. Alternatively and with respect to the Series 2017 Bonds only, this requirement shall be deemed to have been satisfied and no annual deposits shall be required under Section 4.12 hereof if the Board shall cause to be deposited with the Trustee a one-time deposit to the Replacement Fund in an amount equal to ten percent (10%) of the hard construction costs of the Series 2017 Facilities (not including professional services and fees) on August 1 of the first full Fiscal Year of operation of the Series 2017 Facilities. The amounts required to be

deposited to the Replacement Fund hereunder may be reduced with the approval of the staff of the Board of Regents of the State of Louisiana, the Board and the Bond Insurer.

(b) All moneys in the Replacement Fund shall be held for the benefit of the Board through the Corporation, are not pledged under this Indenture and may be drawn on and used by the Corporation or the Board to (i) replace any worn out, obsolete, inadequate, unsuitable, or undesirable property, furniture, equipment, fixtures, and other property owned by the Board or the Corporation and located on the Facilities and (ii) maintain the Facilities and to make all alterations, repairs, restorations, and replacements to the Facilities as and when needed to preserve the Facilities in good working order, condition, and repair, each as required by the Facilities Lease. Withdrawals from the Replacement Fund for the purposes set forth above shall be made by the Trustee upon its receipt of a requisition from the Board or the Corporation substantially in the form attached hereto as Exhibit C to this Indenture. Moneys in the Replacement Fund may also be drawn by the Trustee and transferred to the Debt Service Fund if amounts on deposit therein, together with amounts available therefor in the Surplus Fund, are insufficient to pay debt service on the Bonds on any Interest Payment Date or Principal Payment Date.

(c) Any moneys remaining in the Replacement Fund immediately prior to the time all of the Bonds are paid, or provision for their payment is made in accordance with Article XII of the Indenture, shall, at the option of the University, be used, together with amounts held in the Debt Service Reserve Fund to pay in full all outstanding Bonds in accordance with their terms or shall be paid to the University.

Section 4.31 Application of Money in the Surplus Fund.

(a) Funds on deposit in the Surplus Fund at the end of any Fiscal Year may be transferred to the University on the date described below if (i) the Debt Service Coverage Ratio for the Facilities was 1.10:1.00 or greater for such Fiscal Year as evidenced by the audited financial statements for such Fiscal Year and (ii) neither the Corporation or the Board are in default under the financing documents on the date of transfer to the University. Upon receipt of the audited financial statements for such Fiscal Year, provided that the above described conditions have been met, then at the written instruction of the Board Representative, the Trustee shall transfer all of the amounts in the Surplus Fund on the last day of the immediately preceding Fiscal Year to the University.

(b) To the extent that there are insufficient funds in the Receipts Fund to make any of the transfers to the various funds and accounts required under Section 4.8(a) through (j) hereof on the dates such transfers are required to be made, any amounts contained in the Surplus Fund shall be transferred to such funds and accounts, in the priority set forth in Section 4.8 hereof, to make up for such deficiency.

Section 4.32 Application of Moneys in the Rebate Fund. Moneys in the Rebate Fund shall be used to make any rebate payments required to be made to the United States under the Code. The Rebate Fund shall be held for the sole benefit of the United States of America and is not pledged under this Indenture. Moneys required to be paid to the United States shall be deposited in the Rebate Fund, as applicable, by the Board as Base Rental under the Facilities Lease as required thereby and by this Indenture.

ARTICLE V
ADDITIONAL BONDS

Section 5.1 Additional Bonds.

(a) Additional Bonds may be issued in one or more series by the Authority at the request of the Corporation as advised by the Board under a supplement to this Indenture to pay all or part of the additional cost of the Facilities, so long as:

(i) No Event of Default under this Indenture has occurred and is then continuing and the Authority shall have approved the issuance of such additional bonds; and

(ii) There shall have been filed with the Trustee an opinion of an attorney or firm of attorneys generally recognized as having expertise in matters relating to municipal bonds to the effect that the exclusion from “gross income” for federal income tax purposes of the interest on the Bonds then outstanding under this Indenture shall not be adversely affected.

Such series of Additional Bonds shall be appropriately designated, shall be dated, shall bear interest at a rate or rates not exceeding the maximum rate then permitted by law, shall be numbered, shall have such paying agents and shall have such maturities and redemption provisions, all as may be provided in the supplement to this Indenture or the separate indenture authorizing the issuance of such series of Additional Bonds. It is anticipated that Additional Bonds will be issued hereunder to finance phase three of the Facilities.

The written consent of the Bond Insurer shall not be required in connection with the issuance of such Additional Bonds, but the Bond Insurer shall have the right to review and approve the documentation prepared in connection with the issuance of such Additional Bonds to ensure that such documentation is as contemplated by this Indenture and does not adversely affect the rights of the Bond Insurer under this Indenture in a manner not contemplated hereby.

(b) Additional Bonds may be issued under this Indenture for any other purpose with the prior written consent of the Bond Insurer.

Section 5.2 Refunding. Refunding Bonds may be issued under and secured by a supplement to this Indenture for the purpose of providing funds for the refunding of the Bonds and Additional Bonds; provided that if Refunding Bonds are issued other than for the purpose of realizing interest savings, the Bond Insurer’s consent in writing must be obtained prior to the issuance of such Additional Bonds and the execution of a Supplemental Indenture in accordance with Section 10.1(d) hereof.

Section 5.3 Additional Bonds and Refunding Bonds. The Bond Insurer shall receive copies of any disclosure documents circulated with respect to such Additional Bonds and Refunding Bonds.

ARTICLE VI
COSTS OF ISSUANCE

Section 6.1 Payment of Costs of Issuance from Series 2019 Bond Proceeds Fund. There shall be paid into the Series 2019 Costs of Issuance Account in the Series 2019 Bond Proceeds Fund the amounts required to be so paid from Series 2019 Bond proceeds pursuant to Section 4.2 of this Indenture; and such

amounts shall be applied to the payment of all items of expense, directly or indirectly payable or reimbursable and related to the authorization, sale and issuance of the Series 2019 Bonds including, but not limited to, publication costs, printing costs, costs of preparation and reproduction of documents, filing and recording fees, initial fees and charges of the Trustee, the Authority, or any other fiduciary, legal fees and charges, fees and disbursements of consultants and professionals and any other cost, charge or fee in connection with the original sale and issuance of the Series 2019 Bonds. Any additional costs of issuance shall be paid solely by the Corporation. The Trustee shall make payments from the Series 2019 Costs of Issuance Account upon receipt of statements from the parties entitled to be paid therefrom accompanied by a written request of the Authority directing the Trustee to pay such statements. Any amounts remaining in the Series 2019 Costs of Issuance Account after payment in full of all of the expenses and costs of issuance of the Series 2019 Bonds shall be transferred to the Interest Account of the Series 2019 Debt Service Fund.

ARTICLE VII ENFORCEMENT OF AGREEMENT AND FACILITIES LEASE

Section 7.1 Assignment of Agreement and Facilities Lease. The Authority has assigned all of its right, title, and interest in, to, and under the Agreement (except for rights relating to exculpation, indemnification, and payment of expenses thereunder), including the interest of the Authority in and to the Ground Lease and the Facilities Lease assigned by the Corporation to the Authority thereunder (except for payments of Additional Rentals made under the Facilities Lease), to the Trustee as security for the Bonds and hereby agrees that the Agreement and the Facilities Lease may be enforced by the Trustee and/or the owners of the Bonds in accordance with the terms of the Facilities Lease and this Indenture. Notwithstanding such assignment, the Authority agrees to cause the Corporation to comply with the terms contained in the Agreement and the Facilities Lease and the rights of the Bondholders and the Trustee shall be governed by the provisions of this Indenture, the Agreement, and the Facilities Lease.

The Trustee may, and upon request of the Bond Insurer or a majority in aggregate principal amount of the Bonds then outstanding shall, subject to the provisions of Section 8.11 and Article IX hereof, strictly and promptly enforce the provisions of the Agreement, the Facilities Lease, and the Mortgage so long as any of the Bonds remain outstanding under this Indenture. All rights of action (including the right to file proof of claims) to enforce the Agreement, the Facilities Lease, and the Mortgage under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of the Bonds and without their production in any trial or other proceeding relating thereto. Any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee for the Bondholders without the necessity of joining as plaintiffs or defendants any of the Bondholders.

ARTICLE VIII EVENTS OF DEFAULT; REMEDIES

Section 8.1 No Extension of Time for Payment of Principal, Premium, or Interest. The Trustee shall not be authorized to extend the time for any payment of principal, premium or interest without the prior written consent of or authorization by the owner of the Bonds so affected.

(v) If by action or inaction of the Authority, the Board, or the Corporation the interest on the Bonds shall become includable in gross income for Federal income tax purposes; or

(vi) Default by the Authority in the due and punctual performance of any other of the covenants, conditions, agreements, and provisions contained in the Bonds or in this Indenture on the part of the Authority to be performed, if such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the Authority, the Board, the Bond Insurer and the Corporation by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the owners of not less than a majority in principal amount of the Bonds then outstanding. Such default shall not become an Event of Default if said default be of the nature that (A) it cannot be corrected within the thirty (30) day period after receipt of notice, but the Authority (or the Corporation pursuant to the provisions of Section 8.14 of this Indenture) promptly shall institute and diligently pursue corrective action until such default is cured, (B) the Trustee shall determine that such default is not curable but such default does not affect the validity or enforceability of the Bonds, this Indenture, or the Agreement, an event of nonperformance shall not have occurred under the Agreement (other than as a result of the cross-default provisions), and such default does not impair the security or the obligations provided for or under the Bonds, this Indenture, or the Agreement and (C) the Bond Insurer shall have consented to such event not being an Event of Default.

(b) The word “default” as used herein means failure of performance when due, exclusive of any period of grace, if any, allowed to correct any such failure.

(c) For all purposes of this Article VIII (other than Section 8.13 hereof), the Bond Insurer shall be deemed to be the sole owner of the Bonds it has insured for so long as it has not failed to comply with its payment obligations under the Bond Insurance Policies, and the Bond Insurer shall be entitled to (i) notify the Trustee of the occurrence of an Event of Default hereunder, (ii) request that the Trustee intervene in judicial proceedings that affect the Bonds or the security therefor, (iii) direct all remedies in the Event of Default, (iv) be recognized as the owner of each Bond which it insures for the purposes of exercising all rights and privileges available to Bondholders, (v) have the right to institute any suit, action, or proceeding at law or in equity under the same terms as a Bondholder in accordance with the provisions of the Indenture or each Bond for which it insures.

Notwithstanding anything to the contrary, any acceleration of principal payments must be subject to the Bond Insurer’s prior written consent.

Section 8.3 Remedies. Upon the occurrence of an Event of Default, the Authority, the Trustee, and, subject to Sections 8.10 and 8.11, and all rights granted to the Bond Insurer under Article VIII of the

Indenture, the Bondholders shall have all the rights and remedies as may be allowed by law, the Indenture, the Mortgage, or pursuant to the provisions of the Agreement and/or the Facilities Lease by virtue of their assignment hereunder, including but not limited to, acceleration of the maturity of all Bonds, or suit at law or in equity to enforce or enjoin the action or inaction of parties under the provisions of the Indenture, the Mortgage, the Agreement or the Facilities Lease.

Section 8.4 Acceleration; Annulment of Acceleration.

(a) Upon the occurrence of an Event of Default described in Section 8.2 of the Indenture, the Trustee may, and upon the written request of the Bond Insurer or the owners of a majority in aggregate principal amount of the Bonds shall, by notice in writing to the Authority, the Board, and the Corporation, declare the Bonds then outstanding immediately due and payable, and such Bonds shall become and be immediately due and payable, anything in such Bonds or in the Agreement or this Indenture to the contrary notwithstanding, and, subject to Article IX, the Trustee may exercise any remedies granted to it therein. In such event, there shall be due and payable on the Bonds an amount equal to the principal amount of all the Bonds then outstanding plus all interest accrued thereon and which will accrue thereon to the date of payment; and

(b) At any time after the principal of the Bonds shall have been so declared to be due and payable and before the entry of final judgment or decree in any suit, action, or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under the Indenture, the Mortgage, the Agreement, or the Facilities Lease, the Trustee may annul such declaration and its consequences with respect to the Bonds if (i) moneys shall have been deposited in the Debt Service Fund sufficient to pay all matured installments of principal (other than principal due solely because of acceleration) and interest; (ii) moneys shall be available sufficient to pay the charges, compensation, expenses, disbursements, advances, and liabilities of the Authority and the Trustee; (iii) all other amounts then payable by the Authority or the Corporation the Indenture or the Agreement shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee; and (iv) every Event of Default known to the Authority or the Trustee (other than a default in the payment of the principal of the Bonds due only because of such declaration) shall have been remedied to the satisfaction of the Authority and the Trustee. No such annulment shall extend to or affect any subsequent Event of Default or impair any right consequent thereon.

(c) No waiver of any Event of Default shall be effective without the prior written consent of the Bond Insurer.

Section 8.5 Insufficiency in the Debt Service Fund; Application of Moneys.

(a) Anything in this Indenture to the contrary notwithstanding, if at any time the moneys in the Debt Service Fund shall not be sufficient to pay the interest on, premium, if any, or the principal of the Bonds, as applicable, as the same shall become due and payable (either by their terms or by acceleration of maturities), such moneys, together with any other moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, including, without limitation, moneys paid by the Corporation pursuant to the Mortgage, shall, subject to the provisions of Sections 9.2 and 9.4 hereof, be applied as follows:

(i) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

FIRST, to the payment to the persons entitled thereto of all installments of interest then due and payable in the order in which such installments became due and payable and, if

the amount available shall not be sufficient to pay any particular installment, then to the payment thereof, ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds, as applicable; then

SECOND, to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds which shall have become due and payable (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture) in the order of their due dates, with interest on the principal amount of such Bonds due and payable, and, if the amount available shall not be sufficient to pay in full the principal of the Bonds and their interest thereon, then to the payment thereof ratably, according to the amount of the interest due on such date, and next to the payment of the principal, ratably, according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference; and then

THIRD, to the payment of the interest on and the principal of the Bonds, to the purchase and retirement of Bonds and to the redemption of Bonds, all in accordance with the provisions of this Indenture.

(ii) If the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference; and

(iii) If the principal of all the Bonds shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled, then, subject to the provisions of Section 8.4(b) above, in the event that the principal of all the Bonds shall later become or be declared due and payable, then all such moneys shall be applied in accordance with the provisions of Section 8.4(a) above.

(b) Whenever money is to be applied by the Trustee pursuant to the provisions of this Section, such money shall be applied by the Trustee at such times and from time to time as the Trustee in its sole discretion shall determine, having due regard to the amount of such money available for application and the likelihood of additional money becoming available for application in the future; the deposit of such money or otherwise setting aside such money in trust for the proper purpose shall constitute proper application by the Trustee; and the Trustee shall incur no liability whatsoever to the Authority, to any Bondholder or to any other person for any delay in applying any such money, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this Indenture as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such money, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date and shall not be required to make payment to the owner of any Bond shall be surrendered to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 8.6 Discontinuance of Proceedings. In case any proceeding taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, then and in every such case the Authority, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no proceeding had been taken.

Section 8.7 Appointment of Receiver. Upon the occurrence of an Event of Default, and upon filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Bondholders under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or keeper pending such proceedings, with such powers as the court making such appointment shall confer. Any expenses incurred in connection with such appointment shall be paid by the Corporation but only from the Trust Estate.

Section 8.8 Remedies Not Exclusive. No remedy by the terms of this Indenture conferred upon or reserved to the Trustee or the Bondholders is intended to be exclusive of any other remedy, but each and every remedy shall be cumulative and shall be in addition to every other remedy given under this Indenture or existing at law or in equity on or after the date of adoption of this Indenture.

Section 8.9 Remedies Vested in Trustee. All rights of action under this Indenture, the Loan Agreement, the Mortgage, or under any of the Bonds may be enforced by the Trustee without possession of the Bonds and without their production in any trial or other proceeding relating thereto. Any suit or proceeding instituted by the Trustee may be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any owners of the Bonds.

Section 8.10 Majority of Bondholders Control Proceedings. Subject to Section 8.6, if an Event of Default shall have occurred and be continuing, notwithstanding anything in this Indenture to the contrary, but subject to all rights granted to the Bond Insurer in this Indenture, the owners of at least a majority of the aggregate outstanding principal amount of Bonds then outstanding shall have the right, at any time by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting any proceeding to be taken in connection with the enforcement of the terms and conditions of this Indenture, provided the direction is in accordance with law and the provisions of this Indenture and, in the sole judgment of the Trustee, is not unduly prejudicial to the interest of Bondholders not joining in such direction, and provided further, that nothing in this Section shall impair the right of the Trustee in its discretion to take any other action under this Indenture which it may deem proper and which is not inconsistent with the direction by Bondholders.

Section 8.11 Individual Bondholder Action Restricted.

(a) No owner of any Bond shall have any right to institute any suit, action, or proceeding for the enforcement of this Indenture or for the execution of any trust hereunder or for any remedy under this Indenture unless an Event of Default has occurred (other than under Sections 8.2(a)(i) or 8.2(a)(ii)) hereof as to which the Trustee has actual notice, or as to which the Trustee has been notified in writing; and

(b) No one or more owners of Bonds shall have any right in any manner whatsoever to disturb or prejudice the security of this Indenture or to enforce any right hereunder except in the manner herein provided and then only for the equal benefit of the owners of all outstanding Bonds.

Section 8.12 Waiver and Non-Waiver of Event of Default. No delay or omission of the Trustee or of any owner of Bonds to exercise any right or power accruing upon any Event of Default shall impair the right

or power or shall be construed to be a waiver of an Event of Default or an acquiescence therein. Every power and remedy given by this Article to the Trustee and to the owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 8.13 Notice of Defaults.

(a) Within thirty (30) days after the receipt of notice of an Event of Default or the occurrence of an Event of Default of which the Trustee is deemed to have notice, the Trustee shall (unless the Event of Default has already been cured) give written notice of the Event of Default to the owners of all Series 2013 Bonds, Series 2017 Bonds, and Series 2019 Bonds then outstanding in the manner provided in Section 13.8 of this Indenture, provided that, except in the case of a default in the payment of principal, redemption price, or interest on any of the Series 2013 Bonds, the Series 2017 Bonds, and the Series 2019 Bonds, the Trustee may withhold the notice to the Bondholders if, in its sole judgment, it determines that the withholding of notice is not detrimental to the best interest of the Bondholders.

(b) The Trustee shall immediately notify, in writing, the Authority, the Board, the Bond Insurer, and the Corporation of any Event of Default known to the Trustee.

Section 8.14 Opportunity of Corporation to Cure Certain Defaults. The Authority and the Trustee hereby grant the Corporation full authority on the account of the Board and/or the Authority to perform any covenant or obligation and to otherwise fulfill any condition the failure or non-performance of which is or is alleged to be a default under Section 8.2(a)(vi) of this Indenture, and the Trustee agrees that performance by the Corporation shall be deemed to be performance by the Board and/or the Authority.

ARTICLE IX
CONCERNING THE TRUSTEE

Section 9.1 Acceptance of Trusts. The Trustee hereby represents and warrants to the Authority (for the benefit of the Board, the Corporation and the Bondholders as well as the Authority) that it is a state banking corporation duly organized and existing under the laws of the State of Alabama and that it is duly authorized under such laws to accept and execute trusts of the character herein set out. The Trustee accepts and agrees to execute the trusts imposed upon it by this Indenture, but only upon the terms and conditions set forth in this Article and subject to the provisions of this Indenture including the following express terms and conditions, to all of which the parties hereto and the respective Owners of the Bonds agree:

(a) Except during the continuance of an Event of Default within the purview of Section 8.2, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and the Trustee shall not be responsible for (x) the legality or enforceability of this Indenture (except with respect to performance of its obligations hereunder), the Agreement (except with respect to performance of its obligations hereunder), the Facilities Lease (except with respect to performance of its obligations hereunder), the Tax Regulatory Agreement (except with respect to performance of its obligations thereunder), and any supplement thereto, the Bonds (except as to the authentication of the Bonds), or any instruments or documents related thereto (collectively, the “*Transaction Documents*”) or (y) the legality, perfection, sufficiency or priority of the Trust Estate or any lien purported to be granted thereon under any of the aforesaid documents or otherwise. No implied covenants or obligations shall be read into this Indenture against the Trustee.

(b) No provision of this Indenture shall be construed to relieve the Trustee from liability for its negligence or willful misconduct, except that:

(i) in the absence of bad faith on the part of the Trustee, the Trustee may rely upon the authenticity of, and the truth of the statements and the correctness of the opinions expressed in, and shall be protected fully from liability in relying or acting upon, any resolution, opinion of counsel, certificate, request, notice, consent, waiver, order, signature guaranty, notarial seal, stamp, acknowledgment, verification, appraisal, report or other paper or document believed by the Trustee to be genuine and to have been signed, affixed or presented by the proper party or parties; but in the case of any such certificates or opinions that by any provision hereby are specifically required to be furnished to the Trustee, as the case may be, the Trustee shall be under a duty to examine the same to determine whether or not they conform to requirements of this Indenture;

(ii) in the absence of bad faith on the part of the Trustee, whenever the Trustee, or any of its agents, representatives, experts or counsel, shall consider it necessary or desirable that any matter be proved or established, such matter shall be deemed to be conclusively proved and established by a certificate executed by an Authorized Authority Representative or an Authorized Corporation Representative; provided, however, that the Trustee, or such agent, representative, expert or counsel may require, but is not obligated to require, such further and additional evidence and make such further investigation as it or they may consider reasonable;

(iii) the Trustee may consult with counsel and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered hereunder in good faith and in accordance with such advice or opinion of counsel;

(iv) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith and in accordance with any direction or request of the Bondholders;

(v) the Trustee shall not be liable for any error of judgment made in good faith by an officer or employee of the Trustee unless the Trustee is negligent in ascertaining the pertinent facts;

(vi) the Trustee shall not be deemed to have knowledge of any Event of Default, except for the failure of the Corporation to make or cause to be made scheduled payments to the Trustee provided for in the Agreement, unless and until an officer of the Trustee who customarily handles corporate trusts and is assigned to supervise this Indenture shall have actual knowledge thereof or the Trustee shall have received written advice thereof from any Bondholder;

(vii) anything in any of the Transaction Documents to the contrary notwithstanding, whether or not an Event of Default shall have occurred, the Trustee shall not be under any obligation to take any action under this Indenture that may involve it in any expense or liability, the payment of which within a reasonable time is not, in its opinion, assured to it by the security afforded to it by the terms of this Indenture, unless it is requested in writing to do so by one or more owners of the Bonds outstanding hereunder and furnished, from time to time as it may require, with security and indemnity satisfactory to it;

(viii) the Trustee need not take any action or follow any direction from any one or more Bondholders if the Trustee shall be advised by counsel that the action or proceedings so directed may not lawfully be taken or would be prejudicial to Bondholders not parties to such direction, or the Trustee in good faith believes following such direction would involve the Trustee in personal liability;

(ix) in no event shall the Trustee be liable to any person for special, indirect, punitive, exemplary or consequential damages, lost profits or loss of business arising under or in connection

with this Indenture, even if previously informed of the possibility of such damages and regardless of the form of action; and

(x) anything to the contrary in the Transaction Documents notwithstanding, the permissive right of the Trustee to do anything enumerated or set forth in any of the Transaction Documents shall not be construed as a duty, and the Trustee shall not be held responsible or liable for other than its negligence or willful misconduct.

(c) In case an Event of Default within the purview of Section 8.2 hereof has occurred and is continuing and the Trustee has or is deemed to have knowledge of the Event of Default pursuant to (b)(vi) above, subject to the provisions of this Article IX, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the degree of care and skill in their exercise as a prudent man would exercise under the circumstances.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee, including without limitation Sections 9.3 and 9.4 hereof, shall be subject to the provisions of this Section 9.1. The Trustee also accepts, and agrees to do and perform, the duties and obligations imposed upon it by and under the Agreement, and the Facilities Lease, but only upon the terms and conditions set forth in the Agreement, the Facilities Lease, and this Indenture. The rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty.

Section 9.2 Trustee Entitled to Indemnity. The Trustee shall be under no obligation to institute any suit, or to take any remedial proceeding under this Indenture or under the Agreement, or to enter any appearance in or in any way defend against any suit, in which it may be made a defendant (except in the case of the Trustee's own negligence), or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder or under the Agreement or the Facilities Lease, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability; the Trustee may, nevertheless, begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as such Trustee, without indemnity, and in such case the Authority shall reimburse the Trustee from funds available therefor under the Agreement for all costs and expenses, outlays and counsel fees and other reasonable disbursements properly incurred in connection therewith. If the Authority shall fail to make reimbursement, the Trustee may reimburse itself from any moneys in its possession under the provisions of this Indenture and shall be entitled to a preference over any of the Bonds.

Section 9.3 Trustee Not Responsible for Insurance, Taxes, Execution of Indenture, Acts of the Authority or Application of Moneys Applied in Accordance with this Indenture.

(a) The Trustee shall not be under any obligation to effect or maintain insurance or to renew any policies of insurance or to inquire as to the sufficiency of any policies of insurance carried by the Board or to report, or make or file claims or proof of loss for, any loss or damage insured against or which may occur, or to keep itself informed or advised as to the payment of any taxes or assessments, or to require any such payment to be made. The Trustee shall have no responsibility in respect of the validity, sufficiency, due execution or acknowledgment of this Indenture or the validity or sufficiency of the security provided hereunder or in respect of the validity of the Bonds or the due execution or issuance thereof, except as to the authentication thereof.

(b) The Trustee shall not be under any obligation to see that any duties herein imposed upon any party other than itself, or any covenants herein contained on the part of any party other than itself to be performed, shall be done or performed, and the Trustee shall be under no obligation for failure to see that any such duties or covenants are so done or performed.

(c) The Trustee shall not be liable or responsible because of the failure of the Authority or of any of its employees or agents to make any collections or deposits or to perform any act herein required of the Authority or because of the loss of any moneys arising through the insolvency or the act or default or omission of any other depository in which such moneys shall have been deposited under the provisions of this Indenture. The Trustee shall not be responsible for the application of any of the proceeds of the Bonds or any other moneys deposited with it and paid out, withdrawn or transferred hereunder if such application, payment, withdrawal or transfer shall be made in accordance with the provisions of this Indenture.

(d) The immunities and exemptions from liability of the Trustee hereunder shall extend to its directors, officers, employees and agents.

Section 9.4 Compensation. The Trustee shall be entitled to reasonable compensation for its ordinary services hereunder consistent with the results of the process by which the Trustee was selected and any extraordinary services rendered hereunder and to reimbursement for all expenses incurred in good faith hereunder, including the compensation, expenses and disbursements of such agents, representatives, experts and counsel as the Trustee may employ in connection with the exercise and performance of its powers and duties hereunder. Subject to the provisions of any contract relating to the compensation of the Trustee, the Authority shall cause the Board to pay to the Trustee as administrative expenses its reasonable fees and charges as Additional Rent in accordance with the Facilities Lease upon the written request of the Trustee and provided the Authority shall be furnished with sufficient funds to pay all costs and expenses (including attorneys' fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue. If the Board shall fail to make any payment required by this Section, the Trustee may, but shall be under no obligation to, make such payment from any moneys in its possession under the provisions of this Indenture, and the Trustee shall be entitled to a preference therefor over any of the Bonds Outstanding hereunder.

Section 9.5 Trustee to Preserve Records. All records and files pertaining to the Corporation in the custody of the Trustee shall be open at all reasonable times to the inspection of the Authority, the Board, the Corporation and their agents and representatives.

Section 9.6 Trustee May be Bondholder. The Trustee and its directors, officers, employees, or agents may in good faith buy, sell, own, hold and deal in any of the Bonds issued under and secured by this Indenture, and may join in the capacity of a Bondholder in any action which any Bondholder may be entitled to take with like effect as if such institution were not the Trustee under this Indenture.

Section 9.7 Trustee Not Responsible for Recitals. The recitals, statements and representations contained herein and in the Bonds shall be taken and construed as made by and on the part of the Authority and not by the Trustee, and the Trustee shall not be under any responsibility for the correctness of the same.

Section 9.8 Trustee Responsible for Reinscription. The Trustee, as set forth in the Agreement, is required to reinscribe the Mortgage at such times as shall be necessary to preserve the lien thereof. Under the Loan Agreement, the Corporation has covenanted to cooperate with the Trustee with regard to the foregoing. The Trustee shall notify the Authority in the event that any continuation statement shall be required to be filed in order to keep current any financing statements or other filings with respect to security interests securing the Bonds.

Section 9.9 Trustee May Rely on Certificates. Subject to the provisions of Section 9.1(b), the Trustee shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Indenture, upon any resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or person or to have been prepared and furnished pursuant to any of the provisions of the Agreement or this Indenture, or upon the written opinion of any attorney, engineer, accountant or other expert believed by it to be qualified in relation to the subject matter, and the Trustee shall not be under any duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument.

Section 9.10 Qualification of the Trustee. There shall at all times be a trustee hereunder which shall be a bank or trust company in good standing, duly authorized to exercise trust powers, subject to examination by federal or state authority, which is either (a) a bank or trust company, (b) a wholly-owned subsidiary of a bank or trust company, or (c) a wholly-owned subsidiary of a bank or holding company which has as a wholly-owned subsidiary a bank or trust company, in any case the holding company, bank or trust company having a combined capital, surplus and undivided profits of at least \$30,000,000, or assets under management of at least \$250,000,000, if there be such an institution willing, able and legally qualified to perform the duties of the Trustee hereunder on reasonable or customary terms. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 9.11 Resignation and Removal of Trustee.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee, acceptable to the Bond Insurer, and otherwise appointed under Section 9.12 hereof and until notice of resignation or removal and appointment, as the case may be, shall have been provided to the Bond Insurer. Notwithstanding anything herein to the contrary, the appointment of any successor Trustee must be approved in writing by the Bond Insurer.

(b) The Trustee may resign at any time by giving written notice thereof to the Authority, the Bond Insurer, the Board, the Corporation, and the Bondholders. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within thirty (30) days after the giving of such notice of resignation, the retiring Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed for cause at any time by an instrument or instruments in writing to the Trustee, with copies to the Authority, the Bond Insurer, the Board, and the Corporation, signed by the owners of not less than a majority in aggregate principal amount of the Bonds then outstanding, or by their attorneys, legal representatives, or agents and delivered to the Trustee, the Authority, the Board, and the Corporation (such instruments to be effective only when received by the Trustee). The Authority, at the direction of the Corporation, may also remove the Trustee, provided there is no event of default, at any time in the manner set forth in this Section 9.11(c). The Trustee may be removed for cause at any time at the request of the Bond Insurer.

(d) If at any time,

(i) the Trustee shall cease to be eligible under Section 9.10 hereof and shall fail to resign after written request therefor by the Corporation for the Board or by any Bondholder, or

(ii) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in any such case, (1) the Authority, in its discretion and without obligation, may or the Corporation, on behalf of the Board, may remove the Trustee, or (2) any Bondholder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor, but only, in each case, with the prior written approval of the Bond Insurer.

(e) If the Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause other than resignation (it being understood that no vacancy may occur as a result of resignation since the Trustee may not resign unless a successor has been appointed) or if the Trustee tenders its resignation, the Authority with the approval of the Corporation, and the Board (whose consent shall not be unreasonably withheld) and the Bond Insurer shall promptly appoint a successor provided the Authority shall be furnished with sufficient funds to pay all costs and expenses (including attorneys' fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by an instrument or concurrent instruments in writing executed by the owners of not less than a majority in aggregate principal amount of the Bonds then outstanding, and delivered to the Corporation for the Board and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede the successor Trustee appointed by the Authority. If no successor Trustee shall have been so appointed by the Authority or the Bondholders and accepted appointment in the manner hereinafter provided, any Bondholder who has been a bona fide owner of a Bond for at least six (6) months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Authority shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first class mail, postage prepaid, to all Bondholders upon the written request of the Trustee and provided the Authority shall be furnished with sufficient funds to pay all costs and expenses (including attorney's fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue. Each notice shall include the name and address of the principal corporate trust office of the successor Trustee.

Section 9.12 Successor Trustee.

(a) Every successor Trustee appointed hereunder shall execute, acknowledge, and deliver to its predecessor, and also to the Authority, the Bond Insurer, and the Corporation for the Board, an instrument in writing accepting such appointment hereunder, and thereupon such successor Trustee, without any further act, shall become fully vested with all the rights, immunities, powers, and trusts, and subject to all the duties and obligations, of its predecessors; but such predecessor shall, nevertheless, on the written request of its successor or of the Authority and upon payment of the expenses, charges, and other disbursements of such predecessor which are payable pursuant to the provisions of Section 9.4 hereof, execute and deliver an instrument transferring to such successor Trustee all the rights, immunities, powers, and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all property and moneys held by it hereunder to its successor, subject, nevertheless, to its preference, if any, provided for in Sections 9.2 and 9.4 hereof. Should any instrument in writing from the Authority be required by any successor Trustee for more fully and certainly vesting in such Trustee the rights, immunities, powers, and trusts hereby vested or intended to be vested in the predecessor Trustee any such instrument in writing shall and will be executed, acknowledged and delivered by the Authority upon the written request of the Trustee and provided the

Authority shall be furnished with sufficient funds to pay all costs and expenses (including attorneys' fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue.

(b) Notwithstanding any of the foregoing provisions of this Article, any bank or trust company having power to perform the duties and execute the trusts of this Indenture and otherwise qualified to act as Trustee hereunder with or into which the bank or trust company acting as Trustee may be merged or consolidated, or to which the corporate trust assets and corporate trust business of such bank or trust company may be sold, shall be deemed the successor of the Trustee.

Section 9.13 Co-Trustee.

(a) It is the purpose hereof that there shall be no violation of any law of any jurisdiction (including particularly the laws of the State) denying or restricting the right of banks or trust companies to transact business as trustee in such jurisdiction. It is recognized that in case of litigation hereunder and in particular in case of the enforcement of this Indenture upon the occurrence of an Event of Default, it may be necessary that the Trustee appoint an additional individual or institution as a separate Trustee or Co-Trustee. The following provisions of this Section are adapted to these ends.

(b) Upon the incapacity or lack of authority of the Trustee, by reason of any present or future law of any jurisdiction, to exercise any of the rights, powers and trusts herein granted to the Trustee or to hold title to the Trust Estate or to take any other action which may be necessary or desirable in connection therewith, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in a separate Trustee or Co-Trustee appointed by the Trustee but only to the extent necessary to enable the separate Trustee or Co-Trustee to exercise such rights, powers and trusts, and every agreement and obligation necessary to the exercise thereof by such separate Trustee or Co-Trustee shall run to and be enforceable by either of them.

(c) Should any deed, conveyance or instrument in writing from the Authority be required by the separate Trustee or Co-Trustee so appointed by the Trustee in order to more fully and certainly vest in and confirm to him or it such properties, rights, powers, trusts, duties, and obligations, any and all such deeds, conveyances, and instruments shall, on request, be executed, acknowledged, and delivered by the Authority upon the written request of the Trustee and provided the Authority shall be furnished with sufficient funds to pay all costs and expenses (including attorneys' fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue. In case any separate Trustee or Co-Trustee, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate Trustee or Co-Trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new Trustee or successor to such separate Trustee or Co-Trustee.

Section 9.14 Disclosure Documents. The Trustee shall have no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum or other disclosure material prepared or distributed with respect to the Bonds, except as provided in Section 13.13 herein.

ARTICLE X
SUPPLEMENTAL INDENTURES

Section 10.1 Supplemental Indentures Not Requiring Consent of Bondholders. The Authority and the Trustee may, with the consent of the Bond Insurer but without the consent of, or notice to, any of the

Bondholders, enter into an indenture or indentures supplemental to this Indenture as shall not be inconsistent with the terms and provisions hereof and in the opinion of the Trustee shall not materially and adversely affect the interest of the Bondholders for any one or more of the following purposes:

- (a) To cure any ambiguity or formal defect or omission in this Indenture;
- (b) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may be lawfully granted to or conferred upon the Bondholders or the Trustee or either of them;
- (c) To subject to the lien and pledge of this Indenture additional revenues, properties or collateral;
- (d) To provide for the issuance of Additional Bonds in conformity with the provisions of Article V of this Indenture and to fix all details with respect thereto or to provide further conditions, limitations or restrictions on the issuance of Additional Bonds;
- (e) To modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification hereof or thereof under any federal statute hereafter in effect or under any state Blue Sky Law, and, in connection therewith, if they so determine, to add to this Indenture or any indenture supplemental hereto such other terms, conditions and provisions as may be permitted or required by any said federal statute or Blue Sky Law; provided, that any such indenture supplemental hereto referred to in this Section 10.1(e) shall not, in the judgment of the Trustee, which may rely on an opinion of counsel, be to the prejudice of the owners of the Bonds; or
- (f) To provide any other modifications which, in the sole judgment of the Trustee, are not prejudicial to the interests of the Bondholders.

Section 10.2 Supplemental Indentures Requiring Consent of Bondholders. Anything contained in this Indenture to the contrary notwithstanding, except for indentures supplemental hereto authorized by Section 10.1 of this Indenture and subject to the terms and provisions contained in this Section 10.2, and not otherwise, the owners of not less than a majority in aggregate principal amount of the Bonds then outstanding shall have the right from time to time, with the consent of the Bond Insurer, to consent to and approve the execution by the Authority and the Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable by the Authority for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any indenture supplemental hereto; provided, however, that nothing contained in this Section 10.2 shall permit, or be construed as permitting, without the consent of the Bond Insurer and the owners of all the Bonds then outstanding (a) an extension of the stated maturity or scheduled sinking fund redemption or reduction in the principal amount or premium of, or reduction in the rate or extension of the time of payment of interest on, any Bonds, or (b) the creation of any lien on the Trust Estate or any part thereof pledged under this Indenture prior to or on a parity with the lien of this Indenture, or (c) a reduction in the aforesaid aggregate outstanding principal amount of Bonds the owners of which are required to consent to any such indenture supplemental hereto. No such amendment shall modify the rights, duties or immunities of the Trustee without the written consent of the Trustee.

If at any time the Authority shall request the Trustee to enter into any such supplemental indenture for any of the purposes of this Section 10.2, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such supplemental indenture to be given to the Bondholders in the manner provided in Section 13.8 of this Indenture. Such notice shall briefly set forth the

nature of the proposed supplemental indenture and shall state that copies thereof are on file at the principal corporate trust office of the Trustee for inspection by all Bondholders. If, within ninety (90) days or such longer period as shall be prescribed by the Authority following the giving of such notice, the owners of not less than a majority in aggregate principal amount of the Bonds outstanding at the time of the execution of any such supplemental indenture shall have consented to and approved the execution thereof as herein provided, no owner of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Authority from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental indenture as in this Section 10.2 permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith.

So long as no event of nonperformance under the Agreement has occurred and is continuing, no such supplement shall become effective unless the Corporation, on behalf of the Board, shall have given its prior written approval.

Section 10.3 Filing. Copies of any supplemental indenture shall be filed with the Trustee and delivered to the Authority and the Corporation for the Board.

Section 10.4 Reliance on Counsel. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, an opinion of counsel satisfactory to the Trustee, who may be counsel for the Authority, as conclusive evidence that any such proposed supplemental indenture complies with the provisions of this Article prior to joining in the execution of such supplemental indenture.

Section 10.5 Supplement Binding. Upon the execution of any supplemental indenture pursuant to the provisions of this Article, this Indenture shall be deemed to be supplemented, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the Trustee, the Authority, the Corporation, the Board and the owners of Bonds then outstanding shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modification and amendment.

Section 10.6 Supplemental Agreement. The Authority and the Corporation, with the approval of the Board, the Bond Insurer and the Trustee in certain events, may consent to supplemental loan agreements for the purposes and in the manner provided in Article VIII of the Agreement and the Trustee agrees that it shall take the actions required of it as provided thereunder.

Section 10.7 Notice to Rating Agencies and Bond Insurer. No supplemental indenture shall be executed and delivered pursuant to Sections 10.1 or 10.2 hereof without prior written notice having been given by the Trustee, to the Bond Insurer and Standard & Poor's Ratings Group (Attention: Bond Insurance Administration) of the Trustee's intention to execute such supplemental indenture not less than fifteen (15) days in advance of the execution of said supplemental indenture. The Authority shall also furnish to the Bond Insurer a full transcript of all proceedings relative to the supplemental indenture.

ARTICLE XI COVENANTS OF AUTHORITY

Section 11.1 Payment of Principal, Premium, and Interest. The Authority covenants that it will promptly pay, or cause to be paid, the principal of, premium, if any, and the interest on every Bond at the places, on the dates and in the manner provided herein and in said Bonds according to the true intent and meaning thereof but solely from the revenues of the Trust Estate and not from any other fund or source. The Authority further covenants that it will faithfully perform at all times all of its covenants, undertakings and

agreements contained in this Indenture, the Agreement or in any Bond executed, authenticated, and delivered hereunder or in any proceedings of the Authority pertaining thereto.

Section 11.2 Additional Security. The Authority covenants, whenever and so often as reasonably required to do so by the Trustee, promptly to execute and deliver or cause to be delivered all such other and further instruments, documents, or assurances, and to promptly do or cause to be done all such other further things, as may be necessary or reasonably required in order to further and more fully vest in the Trustee and the owners of the Bonds all rights, interest, powers, benefits, privileges, and advantages conferred or intended to be conferred upon them by this Indenture.

Section 11.3 Cure Title Defects. The Authority covenants to promptly, upon the request of the Trustee, from time to time, take or cause to be taken such action as may be necessary or proper to remedy or cure any material defect in or cloud upon the title to the Trust Estate or any part thereof, whether now existing or hereafter developing, and to prosecute all such suits, actions, and other proceedings as may be appropriate for such purpose and to indemnify and save the Trustee and every owner of Bonds, solely from the Trust Estate, harmless from all loss, cost, damage, and expense, including attorneys' fees, which they or either of them may ever incur by reason of any such defect, cloud, suit, action, or proceedings.

Section 11.4 Defend Against Actions. The Authority covenants to defend or cause to be defended every suit, action, or proceeding at any time brought against the Trustee or any owner of Bonds upon any claim arising out of the receipt, application or disbursement of any of the revenues of the Trust Estate or involving the Authority's, the Trustee's, or such Bondholders' rights under this Indenture or the Agreement and to indemnify and save harmless, solely from the Trust Estate, the Trustee and Bondholders against any and all liability claimed or asserted by any person whomsoever, arising out of such receipt, application, or disbursement of any such revenues; provided, however, that the Trustee or any owner of Bonds at its or his election may appear in and defend against any such suit, action, or proceeding; and notwithstanding any contrary provision hereof, this covenant shall continue and remain in full force and effect until all indebtedness, liabilities, obligations, and other sums secured hereby have been fully paid and satisfied, and this Indenture has been released of record and the lien hereof discharged.

Section 11.5 Non-Impairment of Security. The Authority covenants that so long as any of the Bonds issued pursuant to this Indenture are outstanding and unpaid, the Authority will not voluntarily consent to any amendment to the Agreement or otherwise take any action which will reduce the amount of moneys made available thereunder to the Trustee, or which will in any manner impair or adversely affect the rights of the Authority or the Trustee or the security provided by this Indenture to the owners from time to time of the Bonds.

Section 11.6 Authority's Obligation Limited.

(a) Nothing in the Agreement or this Indenture is intended to require or obligate nor shall anything therein be interpreted to require or obligate the Authority for any purpose or at any time whatsoever, to provide, apply, or expend any funds coming into the hands of the Authority other than from the Trust Estate.

(b) Any other term or provision in this Indenture or in the Agreement, the Mortgage, the Tax Regulatory Agreement, the Bond Purchase Agreement, the Bonds, or elsewhere to the contrary notwithstanding:

(i) Any and all obligations (including without limitation, fees, claims, demands, payments, damages, liabilities, penalties, assessments, and the like) of or imposed upon the Authority or its

members, officers, agents, employees, representatives, advisors, or assigns, whether under this Indenture or any of the Agreement, the Mortgage, the Tax Regulatory Agreement, the Bond Purchase Agreement, the Bonds or elsewhere and whether arising out of or based upon a claim or claims of tort, contract, misrepresentation, or any other or additional legal theory or theories whatsoever (collectively, the “*Obligations*”), shall in all events be absolutely limited obligations and liabilities, payable solely out of the following, if any, available at the time the Obligation in question is asserted:

(A) Bond Proceeds and investments therefrom; and

(B) Payments derived from the Bonds, this Indenture (including the Trust Estate to the extent provided in this Indenture), the Mortgage, and the Agreement (except the fees and expenses of the Authority and the Authority’s right to indemnification under the Agreement as set forth therein); (the above provisions (A) and (B) being collectively referred to as the “*Exclusive Sources of the Obligations*”).

(c) The Obligations shall not be deemed to constitute a debt or liability of the State or of any political subdivision thereof within the meaning of any State constitutional provision or statutory limitation and shall not constitute a pledge of the faith and credit of the State or of any political subdivision thereof, including the Authority, but shall be payable solely from and out of the Exclusive Sources of the Obligations and shall otherwise impose no liability whatsoever, primary or otherwise, upon the State or any political subdivision thereof, including the Authority, or any charge upon their general credit or taxing power.

(d) In no event shall any member, officer, agent, employee, representative, or advisor of the Authority, or any successor or assign of any such person or entity, be liable, personally or otherwise, for any Obligation.

(e) In no event shall this Indenture be construed as:

(i) depriving the Authority of any right or privilege; or

(ii) requiring the Authority or any member, officer, agent, employee, representative, or advisor of the Authority to take or omit to take, or to permit or suffer the taking of, any action by itself or anyone else; which deprivation or requirement would violate or result in the Authority’s being in violation of the Act or any other applicable state or federal law.

Section 11.7 Immunity of Officers, Employees, and Members of the Authority. No recourse shall be had for the payment of the principal of or premium or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in this Indenture against any past, present or future officer, director, member, employee or agent of the Authority, and all such liability of any such officers, directors, members, employees, or agents except for criminal or intentional acts as such is hereby expressly waived and released as a condition of and consideration for the execution of this Indenture and the issuance of such Bonds. No covenant or agreement contained in the Bonds or in this Indenture shall be deemed to be the covenant or agreement of any incorporator, director, or officer of the Authority past, present, or future in his or her individual capacity, and neither members of the Authority nor any official executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof. No recourse shall be had for the payment of the principal of or premium or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant, or agreement contained in this Indenture against any past, present or future officer, director, member, employee, or agent of the Authority, and all such liability of any such officers, directors, members, employees, or agents as such is hereby expressly

waived and released as a condition of and in consideration for the execution of this Indenture and the issuance of such Bonds.

Section 11.8 Role of the Authority. The Authority shall not be required to take any action not expressly provided for herein. The Authority shall have no obligation to review, control, or oversee the activities of Trustee in collecting any amounts payable pursuant to the Agreement or the Indenture, or the Mortgage, or in making any payments on the Bonds. Furthermore, the Authority shall not be obligated to take any action or execute any documents which might in its reasonable judgment involve it in any expense or liability unless it shall have been furnished with assurance of payment or reimbursement for any expense and with reasonable indemnity for liability of the Authority, its incorporators, directors, officers, and counsel.

Section 11.9 No Superior Pledge. Other than as provided in Article V hereof, the Authority shall grant no security interest or lien of any type in the Payments that is superior to the pledge set forth in Article II and shall issue no debt or obligation that is to be paid from the Payments prior to payment of principal of and interest on the Bonds and the other payments required hereunder. The Authority shall grant no security interest or lien or encumbrance of any type on the Payments that is on a parity with the pledge made by Article II.

ARTICLE XII DEFEASANCE

Section 12.1 Payment.

(a) When all of the Bonds shall have been paid and discharged, and there shall have been paid all fees and charges of the Trustee due or to become due through the date on which the last of the Bonds is retired, then this Indenture shall cease, terminate, and become null and void, and thereupon the Trustee shall release this Indenture including the cancellation and discharge of the lien hereof, and execute and deliver to the Authority such instruments in writing as shall be requisite to satisfy the lien hereof and, if necessary, to enter on the records such satisfaction and discharge and to re-convey to the Authority any property or interest therein or other rights hereby conveyed and such other instruments to evidence such release and discharge as may be reasonably required by the Authority, and the Trustee shall assign and deliver to the Authority any property at the time subject to the lien of this Indenture which may then be in its possession, except amounts in any Fund otherwise required to be paid by this Indenture and except such cash and investments as are held by the Trustee for the payment of interest and premium, if any, on and retirement of the Bonds.

(b) Notwithstanding the foregoing, the obligation of the Corporation to pay the fees and expenses of the Trustee in accordance with the terms of this Indenture shall survive the defeasance of the Bonds, the discharge of this Indenture, and the termination of the Agreement.

Section 12.2 Provision for Payment. Any Bonds shall be deemed to have been paid and discharged within the meaning of Section 12.1, if the Trustee, or an escrow trustee, shall hold, in trust for and irrevocably committed thereto, moneys or Defeasance Obligations of such maturities and interest payment dates and bearing such interest as will, without further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom (likewise to be held in trust and committed, except as hereinafter provided), be sufficient for the payment of such Bonds, at their maturity or redemption date, of the principal thereof, together with the redemption premium, if any, and interest accrued to the date of maturity or redemption, as the case may be, or if default in such payment shall have occurred on such date then to the date of the tender of such payment; provided, that if any Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been duly given or provisions satisfactory to the Trustee shall have been duly made for the giving of such notice. Any moneys held in accordance with the provisions of this Section shall be invested

only in Defeasance Obligations the maturities or redemption dates and interest payment dates of which, at the option of the owner, shall coincide as nearly as practicable with, but not later than, the time or times at which said moneys will be required for the aforesaid purposes. Any income or interest earned by the moneys or Defeasance Obligations held under this Section shall, as determined by the Trustee or the escrow trustee, to the extent not required for the purposes of this Section, be paid to the Corporation for the Board as overpayment of Payments.

Section 12.3 Certifications. The Authority and the Corporation covenant and agree that they will furnish to the Trustee:

(a) Certificates or opinions made by officers of the Authority and the Corporation required by this Indenture stating that provisions of this Article relating to the satisfaction and discharge of this Indenture have been fulfilled; and

(b) An opinion of Bond Counsel to the effect that the payment of the Bonds has been provided for in the manner set forth in this Indenture and the Agreement and that all obligations of the Authority and the Corporation with respect to the Bonds have been discharged and satisfied; and

(c) In the case of an advance refunding, a mathematical verification prepared by a nationally recognized law firm or firm of independent certified public accountants (or other verification agent satisfactory to the Trustee) that the moneys or Defeasance Obligations are sufficient to pay the principal of, premium, if any, and interest on the Bonds which are defeased.

ARTICLE XIII MISCELLANEOUS

In the event of the dissolution of the Authority, all of the covenants, stipulations, obligations, and agreements contained in this Indenture by or on behalf of or for the benefit of the Authority shall bind or inure to the benefit of the successor or successors of the Authority from time to time and any officer, board, commission, authority, agency, or instrumentality to whom or to which any power or duty affecting such covenants, stipulations, obligations, and agreements shall be transferred by or in accordance with law, and the word "Authority" as used in this Indenture shall include such successor or successors.

Section 13.4 No Recourse on the Bonds. No recourse shall be had for the payment of the principal of, premium, if any, or interest on the Bonds or for any claim based thereunder or under this Indenture against any trustee, director, officer, employee, or agent of the Authority or of the Trustee.

Section 13.5 Severability. If any clause, provision, or Section of this Indenture be held illegal or invalid by any court, the invalidity of such clause, provision, or Section shall not affect any of the remaining clauses, provisions, or Sections hereof and this Indenture shall be construed and enforced as if such illegal or invalid clause, provision or Section had not been contained herein. In case any agreement or obligation contained in this Indenture is held to be in violation of law, then such agreement or obligation shall be deemed to be the agreement or obligation of the Authority, the Corporation, or the Board, as the case may be, only to the extent permitted by law.

Section 13.13 Continuing Disclosure Certificates. The Board has undertaken to comply with continuing disclosure requirements, and the Authority shall have no liability to the holders of the Bonds or any other person with respect to such disclosure matters. actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Board to comply with its obligations under this Section 13.13. The Trustee shall have no responsibility for the failure of the Board to report any material event and shall have no responsibility as to any determination by the Board of whether any event would constitute material information for holders of the Bonds; provided, however, that the Trustee hereby agrees to notify the Board in writing on or before November 1 of each year, commencing November 1, 2019, of the Board's obligation to comply with the requirements of Section (b)(5)(i) of Securities and Exchange Commission Rule 15c2-12.

This Series 2013 Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the certificate of authentication hereon shall have been signed by a duly authorized representative of the Trustee.

This Series 2013 Bond is one of the duly authorized issue of the Authority’s Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2013 (the “*Series 2013 Bonds*”), issued under and secured by the Indenture (hereinafter defined) pursuant to which the Authority is issuing \$40,910,000 aggregate principal amount of said revenue bonds on behalf of University Facilities, Inc., a nonprofit corporation (the “*Corporation*”) for the purpose of: (i) refunding the Series 2004A Bonds (as hereinafter defined) and (ii) paying the costs of issuance of the Series 2013 Bonds.

Pursuant to the Original Indenture (as hereinafter defined), the Authority issued its \$60,985,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004A (the “*Series 2004A Bonds*”) for the purposes of financing the cost of acquiring immovable property and financing the development, design, construction and equipping of new student housing facilities (the “*Facilities*”) for Southeastern Louisiana University (the “*University*”) located on immovable property owned by, or subject to the supervision and management of the Board of Supervisors for the University of Louisiana System (the “*Board*”) in the City of Hammond, Parish of Tangipahoa, Louisiana, which Facilities have been leased to the Board on behalf of the University.

The proceeds of the Series 2013 Bonds have been loaned to the Corporation pursuant to a Loan and Assignment Agreement dated as of August 1, 2004 (the “*Original Loan Agreement*”), as supplemented and amended by a First Supplemental Loan and Assignment Agreement dated as of November 1, 2013 (the “*Supplemental Loan Agreement*” and, together with the Original Loan Agreement, the “*Loan Agreement*”), each between the Authority and the Corporation, for the foregoing purposes. The Board of Supervisors for the

University of Louisiana System (the “*Board*”), acting on behalf of the University, has leased the land upon which the Facilities are located on the campus of the University (the “*Land*”) and the Facilities to the Corporation pursuant to a Ground and Buildings Lease Agreement dated as of August 1, 2004 (the “*Original Ground Lease*”), as supplemented and amended by the First Amendment to Ground and Buildings Lease Agreement dated as of March 1, 2007 (the “*First Amendment to Ground Lease*”), as supplemented and amended by a Second Amendment to Ground and Buildings Lease Agreement dated as of June 12, 2012 (the “*Second Amendment to Ground Lease*”), as further supplemented and amended by a Third Supplemental Ground and Buildings Lease Agreement dated as of November 1, 2013 (the “*Third Supplemental Ground Lease*” and, together with the Original Ground Lease, the First Amendment to Ground Lease and the Second Amendment to Ground Lease, the “*Ground Lease*”) each by and between the Board and the Corporation, and has leased the Facilities from the Corporation pursuant to an Agreement to Lease with Option to Purchase dated as of August 1, 2004 (the “*Original Facilities Lease*”), as supplemented and amended by a First Amendment to Agreement to Lease with Option to Purchase dated as of March 1, 2007 (the “*First Amendment to Facilities Lease*”), as further supplemented and amended by a Second Amendment to Agreement to Lease with Option to Purchase dated as of June 12, 2012 (the “*Second Amendment to Facilities Lease*”), as further supplemented and amended by a Third Supplemental Agreement to Lease with Option to Purchase dated as of November 1, 2013 (the “*Third Supplemental Facilities Lease*” and, together with the Original Facilities Lease, the First Amendment to Facilities Lease and the Second Amendment to Facilities Lease, the “*Facilities Lease*”) each by and between the Corporation and the Board.

The Series 2013 Bonds are issued pursuant to the laws of the State, particularly Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 4548.16, inclusive) (the “*LCDA Act*”), Chapters 14 and 14-A of Title 39 of the Louisiana Revised Statutes of 1950, as amended (the “*Refunding Act*” and, together with the LCDA Act, the “*Act*”) and pursuant to a Trust Indenture dated August 1, 2004 (the “*Original Indenture*”), as supplemented and amended by a First Supplemental Trust Indenture dated as of November 1, 2013 (the “*Supplemental Indenture*” and, together with the Original Indenture, the “*Indenture*”), each between the Authority and the Trustee, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, and to which Indenture reference is hereby made for a more complete description of the assigned revenues constituting the Trust Estate, the nature and extent of the security, the terms and conditions under which the Series 2013 Bonds are issued and secured, the terms and conditions under which Additional Bonds may be issued and secured, the rights, duties and immunities of the Trustee and the rights of the registered owners of the Series 2013 Bonds. The registered owner of this Series 2013 Bond shall have no rights to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture, and by acceptance of this Series 2013 Bond, the owner hereof assents to all of the provisions of the Indenture and the Assignment (hereinafter defined). All terms not defined herein shall have the meanings assigned thereto in the Indenture.

The Series 2013 Bonds have been issued on a parity with the Series 2004B Bonds under the Indenture.

The Series 2013 Bonds are issuable as fully registered bonds without coupons, in Authorized Denominations, and shall be numbered from No. R-1 upwards. The Series 2013 Bonds are limited and special revenue obligations of the Authority and are payable solely from (i) payments received by the Authority from the Corporation pursuant to the Agreement (except however, the Authority’s rights to exculpation, indemnification and payment of expenses by the Corporation under the Agreement) and (ii) all funds held by the Trustee under the Indenture and available for such payment, said payments and funds being herein referred to as the “*Trust Estate*.” The Agreement, a fully executed counterpart of which is on file in the principal

corporate trust office of the Trustee, provides that the Corporation is unconditionally obligated to make payments, but solely from the Payments (as defined in the Agreement) in an aggregate amount sufficient, for the payment in full of the principal and interest of all Series 2013 Bonds issued and outstanding under the Indenture, to the date of payment thereof, and certain costs, expenses and charges of the Authority and the Trustee. The Agreement imposes upon the Corporation certain obligations respecting the use and operation of its Facilities and the maintenance and repair of said Facilities.

THE SERIES 2013 BONDS AND THE INTEREST THEREON ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE TRUST ESTATE. THE SERIES 2013 BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION AND SHALL NOT CONSTITUTE A PLEDGE OF THE FAITH AND CREDIT OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF, BUT SHALL BE PAYABLE SOLELY FROM THE FUNDS PROVIDED FOR IN THE LOAN AGREEMENT AND THE INDENTURE. THE ISSUANCE OF THE SERIES 2013 BONDS SHALL NOT DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE OF LOUISIANA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY ANY TAXES OR TO MAKE ANY APPROPRIATION OF THEIR PAYMENT. THE ISSUER HAS NO POWER TO TAX.

As long as any of the Series 2013 Bonds remain outstanding, there shall be permitted the exchange of Series 2013 Bonds at the principal corporate trust office of the Trustee. Any Series 2013 Bond or Series 2013 Bonds upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his legal representative duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of other Bonds in Authorized Denominations.

For every such exchange or transfer of Series 2013 Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Trustee shall not be required to register the transfer or exchange of (a) any Series 2013 Bonds during the fifteen (15) day period next preceding the selection of Series 2013 Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2013 Bonds selected for redemption, or (b) any Series 2013 Bonds selected, called or being called for redemption in whole or in part, except in the case of any Series 2013 Bond to be redeemed in part, the portion thereof not so to be redeemed.

REDEMPTION PROVISIONS

Optional Redemption

The Series 2013 Bonds maturing August 1, 2024 and thereafter are subject to redemption prior to maturity at the option of the Corporation, upon written direction to the Authority, on or after August 1, 2023 as a whole at any time, or in part on any Interest Payment Date, the maturity of said Bonds to be redeemed to be designated by the Corporation and selected within a maturity by the Trustee in such manner as the Trustee may determine, at the redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date.

Mandatory Redemption

(i) If the Board shall purchase the Corporation's leasehold interest in the Facilities pursuant to the Facilities Lease, the Series 2013 Bonds shall be redeemed as a whole and shall be redeemed on the later of (a) August 1, 2014, or (b) the earliest practicable date, but not more than sixty (60) days, after such purchase, and in any event, at a price equal to the principal amount of the Series 2013 Bonds so redeemed plus accrued and unpaid interest to the date of redemption, without premium.

(ii) The Series 2013 Bonds shall be redeemed as a whole or in part (in Authorized Denominations) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds or proceeds received as a result of Expropriation proceedings with respect to the Facilities will not be applied to the restoration, repair or reconstruction of the Facilities at a price equal to the principal amount of the Series 2013 Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, without premium, in an aggregate principal amount equal to the amount of such insurance proceeds, or Expropriation proceeds not used for restoration, repair or reconstruction. If the amount of any insurance proceeds or Expropriation proceeds to be applied in redemption of the Series 2013 Bonds is not an Authorized Denomination, the principal amount of Series 2013 Bonds to be redeemed pursuant to this subsection (b) shall be decreased to the next lower Authorized Denomination. The Series 2004 Bonds will be so redeemed in the following order: first, Auction Rate Bonds; second, Variable Rate Bonds, third, Series 2004C Bonds; fourth, Series 2004B Bonds that bear interest at a Fixed Rate; and fifth, the Series 2013 Bonds.

Mandatory Sinking Fund Redemption.

The Series 2013 Bonds maturing on August 1, 2026 shall be subject to mandatory redemption and payment prior to maturity on August 1 in each of the years set forth below, at 100% of the principal amounts plus accrued interest to the redemption date, without premium, as follows:

<u>Year</u>	<u>Principal Amount</u>
2025	\$ 4,295,000
2026*	170,000

*Final Maturity

If on any occasion less than all of the Series 2013 Bonds then outstanding shall be redeemed pursuant to the optional or mandatory redemption provisions described in the Indenture, then the principal amount of the Series 2013 Bonds so redeemed shall be considered to have satisfied a portion of the mandatory sinking fund redemptions required by the above tables. The principal amounts required by the tables above shall be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional redemption.

Unless otherwise specified above, if less than all of the Series 2013 Bonds shall be called for redemption, the maturity of the Series 2013 Bonds to be redeemed shall be designated by the Corporation, on behalf of the Board, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Series 2013 Bond to be redeemed shall be in the principal amount of an Authorized Denomination. If a portion of any Series 2013 Bond shall be called for

redemption, a new Series 2013 Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

At least thirty (30) days before the redemption date of any Series 2013 Bonds redeemed other than by mandatory sinking fund redemption, the Trustee shall cause a notice of any such redemption, signed by an authorized officer of the Trustee to be mailed, postage prepaid, to all Bondholders of record owning Series 2013 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register, but any defect in such mailing of any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2013 Bonds then outstanding shall be called for redemption, the numbers of such Series 2013 Bonds to be redeemed and, in the case of Series 2013 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2013 Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Series 2013 Bond, a new Series 2013 Bond in principal amount equal to the unredeemed portion of such Series 2013 Bond will be issued.

Modifications or alterations of the Indenture or any agreement supplemental thereto or of the Agreement or any agreement supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture and the Agreement. So long as no event of nonperformance under the Agreement has occurred and is continuing, no such supplement shall become effective unless the Corporation, on behalf of the Board, shall have given its prior written approval.

It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State to exist, to have happened and to have been performed, precedent to and in the execution and delivery of the Indenture and the issuance of this Series 2013 Bond, do exist, have happened and have been performed in regular and due form as required by law.

The Series 2017 Bonds are issued pursuant to the laws of the State, particularly Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 4548.16, inclusive) (the “*Act*”), and pursuant to a Trust Indenture dated August 1, 2004 (the “*Original Indenture*”), as supplemented and amended by a First Supplemental Trust Indenture dated as of November 1, 2013 (the “*Supplemental Indenture*”), as further supplemented and amended by a Second Supplemental Trust Indenture dated as of June 1, 2017 (the “*Second Supplemental Indenture*” and, together with the Original Indenture, and the Supplemental Indenture, the “*Indenture*”), each between the Authority and the Trustee, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, and to which Indenture reference is hereby made for a more complete description of the assigned revenues constituting the Trust Estate, the nature and extent of the security, the terms and conditions under which the Series 2017 Bonds are issued and secured, the terms and conditions under which Additional Bonds may be issued and secured, the rights, duties, and immunities of the Trustee and the rights of the registered owners of the Series 2017 Bonds. The registered owner of this Series 2017 Bond shall have no rights to enforce the provisions of the Second Supplemental Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Second Supplemental Indenture, or to institute, appear in, or defend any suit or other proceeding with respect thereto, except as provided in the Second Supplemental Indenture, and by acceptance of this Series 2017 Bond, the owner hereof assents to all of the provisions of the Second Supplemental Indenture. All terms not defined herein shall have the meanings assigned thereto in the Second Supplemental Indenture.

The Series 2017 Bonds have been issued on a parity with the \$15,000,000 Louisiana Local Government Environmental Facilities and Community Development Authority Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B and the \$40,910,000 Louisiana Local Government Environmental Facilities and Community Development Authority Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2013 under the Indenture.

The Series 2017 Bonds are issuable as fully registered bonds without coupons, in Authorized Denominations, and shall be numbered from No. R-1 upwards. The Series 2017 Bonds are limited and special revenue obligations of the Authority and are payable solely from (i) payments received by the Authority from the Corporation pursuant to the Second Supplemental Agreement (except however, the Authority's rights to exculpation, indemnification and payment of expenses by the Corporation under the Second Supplemental Agreement) and (ii) all funds held by the Trustee under the Second Supplemental Indenture and available for such payment, said payments and funds being herein referred to as the "*Trust Estate.*" The Second Supplemental Agreement, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, provides that the Corporation is unconditionally obligated to make payments, but solely from the Payments (as defined in the Second Supplemental Agreement) in an aggregate amount sufficient, for the payment in full of the principal and interest of all Series 2017 Bonds issued and outstanding under the Second Supplemental Indenture, to the date of payment thereof, and certain costs, expenses and charges of the Authority and the Trustee. The Second Supplemental Agreement imposes upon the Corporation certain obligations respecting the use and operation of its Facilities and the maintenance and repair of said Facilities.

THE SERIES 2017 BONDS AND THE INTEREST THEREON ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE AUTHORITY PAYABLE SOLELY FROM THE TRUST ESTATE. THE SERIES 2017 BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION AND SHALL NOT CONSTITUTE A PLEDGE OF THE FAITH AND CREDIT OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF, BUT SHALL BE PAYABLE SOLELY FROM THE FUNDS PROVIDED FOR IN THE SECOND SUPPLEMENTAL LOAN AGREEMENT AND THE SECOND SUPPLEMENTAL INDENTURE. THE ISSUANCE OF THE SERIES 2017 BONDS SHALL NOT DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE OF LOUISIANA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY ANY TAXES OR TO MAKE ANY APPROPRIATION OF THEIR PAYMENT. THE AUTHORITY HAS NO POWER TO TAX.

As long as any of the Series 2017 Bonds remain outstanding, there shall be permitted the exchange of Series 2017 Bonds at the principal corporate trust office of the Trustee. Any Series 2017 Bond or Series 2017 Bonds upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his legal representative duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of other Bonds in Authorized Denominations.

For every such exchange or transfer of Series 2017 Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee, or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Trustee shall not be required to register the transfer or exchange of (a) any Series 2017 Bonds during the fifteen (15) day period next preceding the selection of Series 2017 Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2017 Bonds selected for redemption, or (b) any Series 2017 Bonds selected, called or being called for redemption in whole or in part, except in the case of any Series 2017 Bond to be redeemed in part, the portion thereof not so to be redeemed.

Redemption Provisions

Optional Redemption

The Series 2017 Bonds maturing August 1, 2028 and thereafter are subject to redemption prior to maturity at the option of the Corporation, upon written direction to the Authority, on or after August 1, 2027 as a whole at any time, or in part on any Interest Payment Date, the maturity of said Bonds to be redeemed to be designated by the Corporation and selected within a maturity by the Trustee in such manner as the Trustee may determine, at the redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date.

Extraordinary Redemption

The Series 2017 Bonds shall be redeemed as a whole or in part (in an integral multiple of \$5,000) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds, condemnation award or payment in lieu of condemnation with respect to the Series 2017 Facilities will not be applied to the restoration, repair, or reconstruction of the Series 2017 Facilities at a price equal to the principal amount of the Series 2017 Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, in an aggregate principal amount equal to the amount of such insurance proceeds, condemnation award, or payment in lieu of condemnation not used for restoration, repair, or reconstruction. If in part, the Series 2017 Bonds to be redeemed shall be in the inverse order of their maturity and selected within a maturity by the Trustee in such manner as the Trustee may determine. If the amount of any insurance proceeds, condemnation award, or payment in lieu of condemnation to be applied in redemption of the Series 2017 Bonds is not an integral multiple of \$5,000, the principal amount of Series 2017 Bonds to be redeemed pursuant to this subparagraph (b) shall be decreased to the next lower multiple of \$5,000.

Mandatory Sinking Fund Redemption.

Those Series 2017 Bonds maturing on August 1, 2042 shall be subject to mandatory sinking fund redemption and payment prior to maturity on August 1 in each of the years set forth below, at 100% of the principal amounts plus accrued interest to the redemption date, without premium, as follows:

<u>Date</u> <u>August 1</u>	<u>Principal</u> <u>Amount</u>
2038	\$ 930,000
2039	975,000
2040	1,025,000
2041	1,080,000
2042*	1,135,000

* Final Maturity.

Those Series 2017 Bonds maturing on August 1, 2047 shall be subject to mandatory sinking fund redemption and payment prior to maturity on August 1 in each of the years set forth below, at 100% of the principal amounts plus accrued interest to the redemption date, without premium, as follows:

<u>Date</u> <u>August 1</u>	<u>Principal</u> <u>Amount</u>
2043	\$ 1,190,000
2044	1,255,000
2045	1,320,000
2046	1,385,000
2047*	1,455,000

* Final Maturity.

If on any occasion less than all of the Series 2017 Bonds then outstanding shall be redeemed pursuant to the optional or mandatory sinking fund redemption provisions described in the Second Supplemental Indenture, then the principal amount of the Series 2017 Bonds so redeemed shall be considered to have satisfied a portion of the mandatory sinking fund redemptions required by the above tables. The principal amounts required by the tables above shall be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional redemption.

Unless otherwise specified above, if less than all of the Series 2017 Bonds shall be called for redemption, the maturity of the Series 2017 Bonds to be redeemed shall be designated by the Corporation, on behalf of the Board, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Series 2017 Bond to be redeemed shall be in the principal amount of an Authorized Denomination. If a portion of any Series 2017 Bond shall be called for redemption, a new Series 2017 Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

At least thirty (30) days before the redemption date of any Series 2017 Bonds redeemed other than by mandatory sinking fund redemption, the Trustee shall cause a notice of any such redemption, signed by an authorized officer of the Trustee to be mailed, postage prepaid, to all Bondholders of record owning Series 2017 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register, but any defect in such mailing of any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2017 Bonds then outstanding shall be called for redemption, the numbers of such Series 2017 Bonds to be redeemed and, in the case of Series 2017 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2017 Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Series 2017 Bond, a new Series 2017 Bond in principal amount equal to the unredeemed portion of such Series 2017 Bond will be issued.

Modifications or alterations of the Second Supplemental Indenture or any agreement supplemental thereto or of the Second Supplemental Agreement or any agreement supplemental thereto may be made only to the extent and in the circumstances permitted by the Second Supplemental Indenture and the Second Supplemental Agreement. So long as no event of nonperformance under the Second Supplemental Agreement has occurred and is continuing, no such supplement shall become effective unless the Corporation, on behalf of the Board, shall have given its prior written approval.

It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State to exist, to have happened and to have been performed, precedent to and in the execution and delivery of the Second Supplemental Indenture and the issuance of this Series 2017 Bond, do exist, have happened, and have been performed in regular and due form as required by law.

The Series 2019 Bonds have been issued on a parity with the Authority’s \$40,910,000 Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2013 and its \$35,465,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2017.

The Series 2019 Bonds are issuable as fully registered bonds without coupons, in Authorized Denominations, and shall be numbered from No. R-1 upwards. The Series 2019 Bonds are limited and special revenue obligations of the Authority and are payable solely from (i) payments received by the Authority from the Corporation pursuant to the Agreement (except however, the Authority’s rights to exculpation, indemnification and payment of expenses by the Corporation under the Agreement) and (ii) all funds held by the Trustee under the Indenture and available for such payment, said payments and funds being herein referred to as the “*Trust Estate*.” The Agreement, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, provides that the Corporation is unconditionally obligated to make payments, but solely from the Payments (as defined in the Agreement) in an aggregate amount sufficient, for the payment in full of the principal and interest of all Series 2019 Bonds issued and outstanding under the Indenture, to the date of payment thereof, and certain costs, expenses and charges of the Authority and the Trustee. The Agreement imposes upon the Corporation certain obligations respecting the use and operation of its Facilities and the maintenance and repair of said Facilities.

THE SERIES 2019 BONDS AND THE INTEREST THEREON ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE TRUST ESTATE. THE SERIES 2019 BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION AND SHALL NOT CONSTITUTE A PLEDGE OF THE FAITH AND CREDIT OF THE STATE OF LOUISIANA OR OF ANY

POLITICAL SUBDIVISION THEREOF, BUT SHALL BE PAYABLE SOLELY FROM THE FUNDS PROVIDED FOR IN THE LOAN AGREEMENT AND THE INDENTURE. THE ISSUANCE OF THE SERIES 2019 BONDS SHALL NOT DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE OF LOUISIANA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY ANY TAXES OR TO MAKE ANY APPROPRIATION OF THEIR PAYMENT. THE ISSUER HAS NO POWER TO TAX.

As long as any of the Series 2019 Bonds remain outstanding, there shall be permitted the exchange of Series 2019 Bonds at the principal corporate trust office of the Trustee. Any Series 2019 Bond or Series 2019 Bonds upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his legal representative duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of other Bonds in Authorized Denominations.

For every such exchange or transfer of Series 2019 Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Trustee shall not be required to register the transfer or exchange of (a) any Series 2019 Bonds during the fifteen (15) day period next preceding the selection of Series 2019 Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2019 Bonds selected for redemption, or (b) any Series 2019 Bonds selected, called or being called for redemption in whole or in part, except in the case of any Series 2019 Bond to be redeemed in part, the portion thereof not so to be redeemed.

REDEMPTION PROVISIONS

Optional Redemption

The Series 2019 Bonds maturing August 1, 2029 and thereafter are subject to redemption prior to maturity at the option of the Corporation, upon written direction to the Authority, on or after February 1, 2029 as a whole at any time, or in part on any Interest Payment Date, the maturity of said Bonds to be redeemed to be designated by the Corporation and selected within a maturity by the Trustee in such manner as the Trustee may determine, at the redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date.

Extraordinary Redemption

The Series 2019 Bonds shall be redeemed as a whole or in part (in an integral multiple of \$5,000) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds, condemnation award or payment in lieu of condemnation with respect to the Series 2004 Facilities will not be applied to the restoration, repair, or reconstruction of the Series 2004 Facilities at a price equal to the principal amount of the Series 2019 Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, in an aggregate principal amount equal to the amount of such insurance proceeds, condemnation award, or payment in lieu of condemnation not used for restoration, repair, or reconstruction. If in part, the Series 2019 Bonds to be redeemed shall be in the inverse order of their maturity and selected within a maturity by the Trustee in such manner as the Trustee may determine. If the amount of any insurance proceeds, condemnation award, or payment in lieu of condemnation to be applied in redemption of the Series 2019 Bonds is not an integral multiple of \$5,000, the principal amount of Series 2019 Bonds to be redeemed pursuant to this subparagraph (b) shall be decreased to the next lower multiple of \$5,000.

If on any occasion less than all of the Series 2019 Bonds then outstanding shall be redeemed pursuant to the optional or mandatory redemption provisions described in the Indenture, then the principal amount of the Series 2019 Bonds so redeemed shall be considered to have satisfied a portion of the mandatory sinking fund redemptions required by the above tables. The principal amounts required by the tables above shall be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional redemption.

Unless otherwise specified above, if less than all of the Series 2019 Bonds shall be called for redemption, the maturity of the Series 2019 Bonds to be redeemed shall be designated by the Corporation, on behalf of the Board, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Series 2019 Bond to be redeemed shall be in the principal amount of an Authorized Denomination. If a portion of any Series 2019 Bond shall be called for redemption, a new Series 2019 Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

At least thirty (30) days before the redemption date of any Series 2019 Bonds redeemed the Trustee shall cause a notice of any such redemption, signed by an authorized officer of the Trustee, to be mailed, postage prepaid, to all Bondholders of record owning Series 2019 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register, but any defect in such mailing of any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2019 Bonds then outstanding shall be called for redemption, the numbers of such Series 2019 Bonds to be redeemed and, in the case of Series 2019 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2019 Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Series 2019 Bond, a new Series 2019 Bond in principal amount equal to the unredeemed portion of such Series 2019 Bond will be issued.

Modifications or alterations of the Indenture or any agreement supplemental thereto or of the Agreement or any agreement supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture and the Agreement. So long as no event of nonperformance under the Agreement has occurred and is continuing, no such supplement shall become effective unless the Corporation, on behalf of the Board, shall have given its prior written approval.

It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State to exist, to have happened and to have been performed, precedent to and in the execution and delivery of the Indenture and the issuance of this Series 2019 Bond, do exist, have happened and have been performed in regular and due form as required by law.

(a) This Loan Agreement has been executed and delivered in part to induce concurrently herewith the purchase by others of the Bonds, and, accordingly, all covenants and agreements on the part of the Corporation and the Authority, as set forth therein and herein, are hereby declared to be for the benefit of the Trustee for the owners from time to time of the Bonds. The Corporation consents and agrees to the assignment by the Authority to the Trustee under the Indenture of all of the Authority's right, title, and interest (except for certain rights relating to exculpation, indemnification, and payment of expenses) in, to, and under this Loan Agreement, including the interest of the Authority in and to the Facilities Lease assigned by the Corporation to the Authority hereunder, and agrees that the provisions hereof may be enforced by the Trustee under the provisions of the Indenture. The Corporation agrees to do all things within its power in order to comply with and to enable the Authority to comply with all requirements and to fulfill and to enable the Authority to fulfill all covenants of the Indenture and the Bonds.

In the case of any change that would render materially inaccurate the description of the Facilities in Exhibit A hereto, there shall be delivered to the Trustee and the Authority a revised Exhibit A containing a description of the Facilities that reflects the change in the Facilities Documents, the accuracy of which shall have been certified by an Authorized Corporation Representative.

The Corporation shall complete the construction and equipping of the Series 2017 Facilities and pay that portion of the completion Costs of the Series 2017 Facilities as may be in excess of the money available therefor in the Series 2017 Project Fund. The obligation of the Corporation to pay in full the completion Costs of the Series 2017 Facilities shall be a limited obligation of the Corporation payable solely from the Rentals.

(b) Upon the request of the Corporation, the Authority will use its best efforts to issue and sell, upon terms and at prices acceptable to the Authority and the Corporation, if required, one or more series of Additional Bonds for the purpose of financing the completion Costs of the Series 2017 Facilities; provided however, that the failure of the Authority to issue such bonds shall not relieve the Corporation of its obligation to provide the additional money required to pay the completion Costs of the Series 2017 Facilities. If after exhaustion of the money in the Series 2017 Project Fund the Corporation should pay any portion of the Costs of the Series 2017 Facilities, it shall not be entitled to any reimbursement therefor from the Authority or from the Trustee, and shall not be entitled to any abatement, diminution, or postponement of payments required to be made by it under this Second Supplemental Loan Agreement.

Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties that exist at the date of such certificate or which may subsequently come into being.

Section 3.8 No Warranty of Condition or Suitability. The Corporation acknowledges its full familiarity with the Facilities and that the Authority has no responsibility for the Facilities Documents. The Authority makes no representation or warranty, either express or implied, and offers no assurance that the proceeds of the Bonds will be sufficient to pay in full the Costs of the Facilities in accordance with the Facilities Documents.

The Corporation hereby covenants that it will comply with the terms of the Tax Regulatory Agreement and that it will make such use of the proceeds of the Bonds and all other funds held by the Trustee under the Indenture, regulate the investment of such proceeds and other funds and take such other and further action as may be required so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code and the regulations promulgated thereunder. The Corporation agrees that it will comply with the terms of any letter of instructions provided to it by nationally recognized bond counsel relating to compliance with the provisions of Section 148 of the Code.

(b) If the Corporation determines that it is necessary to restrict or limit the yield on the investment of any money paid to or held by the Trustee hereunder or under the Indenture in order to avoid classification of the Bonds as arbitrage bonds within the meaning of the Code, the Corporation may issue to the Trustee an instrument to such effect (along with appropriate written instructions), in which event the Trustee will take such action as is necessary to restrict or limit the yield on such moneys in accordance with such instrument and instructions.

(c) The Corporation agrees to provide, or to engage qualified attorneys or consultants to provide, instructions to the Authority and the Trustee regarding any actions necessary to insure that such moneys will not be used in a manner which will cause the Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code. The Corporation shall be responsible for engaging, at its expense, qualified attorneys or consultants to calculate rebate payments required by Section 148 of the Code.

(d) The Corporation has entered into the Tax Regulatory Agreement and agrees to timely comply with the requirements set forth therein. The Corporation shall cause copies of any calculations or filings which are required to be made pursuant to the Tax Regulatory Agreement to be delivered to the Authority within five (5) days of any such calculation or filing if requested.

Section 6.1 General Covenants of Corporation. The Corporation further expressly represents, covenants, and agrees:

(a) To comply with the terms, covenants, and provisions expressed or implied, of all contracts pertaining to, affecting, or involving the Facilities or the business of the Corporation, the violation or breach of which would materially and adversely affect the ability of the Corporation to fulfill its obligations hereunder;

(c) Promptly, upon the request of the Authority or the Trustee from time to time, to take such action as may be necessary or proper to remedy or cure any material defect in or cloud upon its interest in the Facilities or any part thereof, whether now existing or hereafter developing, to prosecute all such suits, actions and other proceedings as may be appropriate for such purpose and to indemnify and save the Authority and the Trustee harmless from all loss, cost, damage and expense, including attorney's fees, which they or either of them may ever incur by reason of any such defect, cloud, suit, action, or proceeding;

(e) At all times to maintain the Corporation's rights to carry on the business of the Corporation and to duly procure all licenses and other authorizations required for the carrying on of its business and to provide all renewals and replacements and improvements to, and extensions of, the Facilities and to diligently maintain, preserve and renew all the rights, powers, privileges, approvals, licenses and franchises required for the carrying on of its business;

(f) To fulfill its obligations and to perform punctually its duties and obligations under this Loan Agreement and to otherwise carry on its business in accordance with the terms hereof to assure the continued proper operation, management, repair and maintenance of the Facilities;

(g) To cause compliance with all material provisions of applicable Federal, State, and local laws;

(h) To pay, discharge, indemnify, and save the Authority and the Trustee, except in the case of their negligence or willful misconduct, and their respective officers, agents, employees, servants and trustees harmless of, from and against any and all costs, claims, damages, expenses, liabilities, liens, obligations, penalties and taxes of every character and nature, by or on behalf of any person, firm, corporation, entity or governmental authority regardless of by whom advanced, asserted, held, imposed or made, which may be imposed upon, incurred by or asserted against the Authority and the Trustee and their respective officers, agents, employees, servants and trustees arising out of, resulting from or in any way connected with this Loan Agreement, the Bonds or the Indenture excepting willful

misconduct and negligence on the part of the Authority or the Trustee or their respective officers, agents, employees, servants and trustees. The Corporation also covenants and agrees, at its expense, to pay and to indemnify and to save the foregoing harmless of, from and against, all costs, reasonable counsel fees, expenses and liabilities incurred in any action or proceeding brought by reason of any such claim or demand; and

(i) That it is an exempt organization under Section 501(c)(3) of the Code organized and operated exclusively for religious, charitable, scientific and educational purposes, and it shall not perform any act or enter into any agreement that shall adversely affect its ability to obtain such status as set forth in this Section.

Section 6.2 Covenants Regarding Operation and Maintenance by the Corporation of its Properties. The Corporation acknowledges and agrees that it shall pay during the term hereof all Payments and other sums required hereunder and shall cause the Board to pay, as Additional Rental under the Facilities Lease, all Operation and Maintenance Expenses. The Corporation also expressly covenants and agrees:

(a) That it shall cause the Board or the University to maintain or cause to be maintained the Facilities, and each and every portion thereof, including all additions and improvements and all facilities adjoining and/or appurtenant thereto, in good operating order and condition, reasonable and ordinary wear and tear alone excepted, and make all necessary repairs thereto, interior and exterior, structural and non-structural, ordinary and extraordinary, foreseen and unforeseen, and otherwise to make all replacements, alterations, improvements and modifications to the Facilities necessary to ensure that the same at all times shall be suitable for the efficient operation thereof for the purpose intended;

(b) That the Authority, the Bond Insurer, the Trustee and their agents shall have the right to inspect the Facilities at any reasonable time in a manner that will not interfere unreasonably with the Corporation's use thereof; however, any right of access to any portion of the Facilities leased to the students, faculty, staff and Permitted Sublessees, as defined in the Facilities Lease, shall be subject to their rights pursuant to the rental agreement and University policy;

(c) That it shall cause the Board to pay, as Additional Rental under the Facilities Lease, as the same respectively become due, all taxes and assessments, whether general or special, and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Facilities. The Corporation shall not allow any part of the Facilities to become and remain subjected to any mechanics', laborer's or materialmen's liens of record. Notwithstanding the foregoing, the Corporation may, at its own expense and in its own name, contest any such item of tax, assessment, liens or other governmental charge and, in the event of such contest, may permit the item so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Authority or the Trustee shall notify the Corporation that, in the opinion of nationally recognized bond counsel by nonpayment of any such items the security afforded the Bonds pursuant to the terms of the Indenture or Loan Agreement will be materially endangered, in which event such taxes, assessments or charges shall be paid forthwith. The Authority will cooperate to the extent reasonably necessary with the Corporation in any such claim, defense or contest. In the event the Corporation fails to do so, the Authority or the Trustee may, but shall be under no obligation to, pay any such item and any amounts so advanced therefor by the Authority or the Trustee shall become an additional obligation of the Corporation to the one making the advancement, which amount the Corporation agrees to pay together with interest thereon at the rate of the Trustee's prime lending rate, but solely from the Revenues;

(d) That it shall comply promptly with all material provisions of present and future laws, ordinances, orders, rules, regulations and requirements of every duly constituted governmental authority or agency and all material orders, rules and regulations of any regulatory, licensing, insurance underwriting or rating organization or other body exercising similar functions. The Corporation shall likewise perform and comply with all duties and obligations of any kind imposed by law, covenant, condition, agreement or easement and the requirements of all policies of insurance at any time in force with respect to the Facilities;

(e) That it shall not use or allow the Facilities to be used or occupied for any unlawful purpose or in violation of any private covenant, restriction, condition, easement or agreement covering or affecting the use of the Facilities. The Corporation likewise shall not suffer any act to be done or any condition to exist in the Facilities or any article to be brought therein or thereon which may be dangerous, unless safeguarded as required by law, or which, under law, constitutes a nuisance, public or private, or which may make void or voidable any insurance then in force with respect thereto; and

(f) That it shall take all action, if any, that may be required to obtain such consents, exceptions, exemptions or approvals of governmental authorities as may be necessary to permit it to comply fully with all covenants, stipulations, obligations and agreements of the Corporation contained in this Loan Agreement.

Section 6.3 Covenant as to Encumbrances. The Corporation covenants that, so long as any of the Bonds remain outstanding, it shall not hereafter alienate and shall not hereafter create or suffer to be created any assignment, pledge, mortgage, hypothecation or lien on the Facilities, the Land, the Facilities Lease, or any Base Rental under any circumstances, except for Permitted Encumbrances.

Section 6.4 Covenants, Representations, and Warranties Relating to Federal Income Taxation.

(a) The Corporation covenants that it shall make such use of the proceeds of the Bonds, regulate investment of proceeds thereof and take such other and further actions as may be required by the Code and applicable temporary, proposed and final Regulations and procedures, necessary to assure that interest on the Bonds is excludable from gross income for Federal income tax purposes. Without limiting the generality of the foregoing covenant, the Corporation hereby covenants, represents and warrants, as follows:

(i) The Corporation will not take, fail to take or permit the commission of any action within its control necessary to be taken in order that interest on the Bonds will continue to be excludable from gross income for Federal income tax purposes;

(ii) The Corporation will preserve its status as an organization described in Section 501(c)(3) of the Code or corresponding provisions of prior law and to not be determined to be a private foundation as defined in Section 509 of said Code; the Corporation shall not perform any act or enter into any agreement which shall adversely affect its ability to obtain such federal income tax status; the Corporation shall not perform any act, enter into any agreement or use or permit any property of the Corporation to be used in any manner (including any unrelated trade or business) that could adversely affect the exclusion from gross income of interest on the Bonds for Federal income tax purposes pursuant to Section 103 of the Code; the Corporation shall not carry on or permit to be carried on in any property of the Corporation or permit any property of the Corporation to be used in or for any trade or business to the extent that such use of such property would adversely affect the exclusion from gross income of interest on the Bonds for Federal income tax purposes; and the Corporation is duly organized and existing

as a non-profit corporation under the laws of the State and it will maintain, extend and renew its corporate existence under the laws of the State and will not do, suffer or permit any act or thing to be done whereby its right to transact its functions might or could be terminated or its activities restricted;

(iii) The Corporation will timely file a statement with the United States of America setting forth the information required pursuant to Section 149(e) of the Code;

(iv) The average term of the Bonds, calculated in proportion to the “issue price” (as defined in Section 1273 of the Code) of the bonds of each stated maturity of such Bonds, will not exceed 120% of the average reasonably expected economic life of the Facilities financed with the proceeds of the Bonds or the investment earnings thereon, weighted in proportion to the respective cost of each item comprising the Facilities financed with the proceeds of such Bonds. For purposes of the preceding sentence, the reasonably expected economic life of property shall be determined as of the later of (i) the date on which the Bonds were issued or (ii) the date on which such property was placed in service (or expected to be placed in service);

(v) The Corporation will not cause the Bonds to be treated as “federally guaranteed” obligations within the meaning of Section 149(b) of the Code (as may be modified in any applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service with respect to “federally guaranteed” obligations described in Section 149(b) of the Code);

(vi) Based upon all facts and estimates now known or reasonably expected to be in existence on the date the Bonds are delivered, the Corporation reasonably expects that the proceeds of the Bonds will not be used in a manner that would cause the Bonds or any portion thereof to be an “arbitrage bond” within the meaning of Section 148 of the Code;

(vii) As provided in Article V hereof, the Corporation will monitor the yield on the investment of the proceeds of the Bonds and moneys pledged to the repayment of the Bonds, other than amounts not subject to yield restriction and will restrict the yield on such investments to the extent required by the Code or the Regulations;

(viii) The Corporation (or any “related person”, within the meaning of the Code) shall not, pursuant to an arrangement, formal or informal, purchase the Bonds in an amount related to the principal amounts advanced to the Corporation pursuant to this Loan Agreement; and

(ix) The Corporation agrees to comply with all the terms and provisions of the Tax Regulatory Agreement executed in connection with the issuance and sale of the Bonds, and to perform the covenants and duties imposed on it contained therein.

(b) All officers, employees and agents of the Corporation are authorized and directed to provide certifications of facts and estimates that are material to the reasonable expectations of the Corporation as of the date the Bonds are delivered. In complying with the foregoing covenants, the Corporation may rely from time to time upon an opinion issued by nationally-recognized bond counsel to the effect that any action by the Corporation or reliance upon any interpretation of the Code or Regulations contained in such opinion will not cause interest on the Bonds to be includable in gross income for Federal income tax purposes under existing law.

Section 6.5 Information. The Corporation agrees, whenever reasonably requested by the Authority or the Trustee, to provide access to inspect, examine and make copies of any and all books,

accounts and records of the Corporation and to provide and certify or cause to be provided and certified such information concerning the Properties, the Facilities, the Corporation, its finances, and other topics as the Authority or Trustee, as the case may be, considers necessary to enable counsel to the Authority or the Trustee, as the case may be, to issue its opinions and otherwise advise the Authority or the Trustee, as the case may be, as to the transaction or the legal capacity of the parties to enter into the same, or to enable it to make any reports required by law, governmental regulation or the Indenture. When any such information is provided by the Corporation pursuant to this Section 6.5 the Corporation shall provide such information to both the Authority and the Trustee.

Section 6.6 Source of Payments. The Corporation agrees to pay or cause to be paid the payments required by this Loan Agreement solely from the Base Rental in the manner and at the times provided by this Loan Agreement.

Section 6.7 Insurance. The Corporation shall cause the Board to maintain insurance covering such risks and in such amounts as is required by Section 9 of the Facilities Lease. Insurance proceeds, and condemnation awards shall be applied in accordance with the Indenture.

A signed counterpart of its audited financial statements shall be furnished to the Authority and the Trustee, and a copy thereof shall be furnished by the Corporation to any Bondholder who requests the same in writing.

(b) Any independent accountant that audits and reports on the Corporation's financial statements or provides any certificate, report or opinion under the Indenture and this Loan Agreement shall be a nationally recognized firm of independent certified public accountants.

Section 6.9 Merger or Consolidation.

(a) The Corporation shall not merge into, or consolidate with, one or more corporations, or allow one or more of such corporations to merge into it, or sell or convey all or substantially all of its assets to any person or entity or acquire all or substantially all of the assets of any person or entity (any such merger, consolidation, sale, conveyance or acquisition being referred to as a "*Merger*") unless it has obtained the prior written consent of the Bond Insurer and:

(i) Any successor corporation to the Corporation (including, without limitation, any purchaser of all or substantially all the Properties of the Corporation (the "*Successor Corporation*") is a corporation organized and existing under the laws of the United States of America or a state thereof and shall execute and deliver to the Trustee an appropriate instrument, satisfactory to the Authority and the Trustee, containing the agreement of such successor corporation to assume, jointly and severally and in solido, the due and punctual payment of the principal of, premium, if any, and interest on all obligations of the Corporation (including, without limitation, the Bonds) according to their tenor and the due and punctual performance and observance of all the covenants and conditions of the Indenture and this Loan Agreement to be kept and performed by the Corporation, accompanied by an opinion of counsel as to the validity and enforceability of such assumption (which counsel and opinion, including without limitation the scope, form, substance and other aspects thereof, are acceptable to the Authority, the Bond Insurer and the Trustee);

(ii) Immediately after such Merger, there would not be a default in the performance or observance of any covenant or condition of the Corporation Documents and the Bond Documents; and

(iii) There shall be delivered to the Authority, the Bond Insurer and the Trustee an opinion of Bond Counsel (which counsel and opinion, including without limitation the scope, form, substance and other aspects thereof, are acceptable to the Trustee) to the effect that under existing laws the consummation of such Merger, whether or not contemplated on the original date of delivery of the Bonds, would not adversely affect the validity of the Bonds or the exclusion otherwise available from gross income of interest on the Bonds for federal or state income tax purposes.

(b) In case of any such Merger and upon any such assumption by the Successor Corporation, the Successor Corporation shall succeed to and be substituted for its predecessor, with the same effect as if it had been named in the Indenture and this Loan Agreement as the Corporation.

Section 6.10 Revenue Transfer to Trustee. The Corporation hereby covenants:

(a) Upon the occurrence of an Event of Default under this Loan Agreement, all Rentals pledged as security for the obligations of the Authority and/or the Corporation under the Indenture or Loan Agreement then on hand shall be transferred immediately to the Trustee, and all such revenues received thereafter shall immediately, upon receipt, be transferred to the Trustee, and held for application pursuant to the Indenture or the Loan Agreement solely to the payment obligations of the Authority and/or the Corporation under the Indenture or Loan Agreement and the payment of reasonable and necessary costs of operation of the Facilities.

(b) To execute all necessary documents in order to effect a filing and reinscription of all necessary financing statements in such a manner as will preserve the effect of the financing statements from the date of original filing thereof and will notify the Authority of such filing.

Section 6.11 Disposition of Assets. The Corporation covenants that, so long as any of the Bonds remain outstanding, it shall not hereafter alienate and shall not hereafter create or suffer to be created, except for Permitted Liens, any assignment, pledge, hypothecation or lien on any Rentals or on the Facilities.

Section 6.12 Additional Corporation Representations.

(b) The Project is an “Authorized Project” under La. R.S. 33:4548.3(B) and the Corporation will operate the Project as an “Authorized Project” under La. R.S. 33:4548.3(B) for so long as the Bonds remains outstanding.

(c) All material information given by the Corporation to the Authority concerning the Project, the Corporation and the Board was and is on the date of execution of this Loan Agreement true and correct.

within five (5) days of the provision or filing of such information as required by the Continuing Disclosure Certificate.

Section 6.14 Indemnity.

(a) The Corporation shall and agrees to indemnify and save the Authority, the Trustee, the Bond Insurer, and their respective directors, officers, members, and employees harmless against and from any and all liabilities, losses, damages, costs, penalties, fines, expenses, causes of action, suits, claims, demands, and judgments of any nature arising from, in connection with, or as a result of: (i) the leasing or operation of the Facilities, (ii) any breach or default on the part of the Corporation in the performance of any of its obligations under any of the Bond Documents, (iii) any act or negligence of the Corporation or of any of its agents, contractors, servants, employees, or licensees, (iv) any act or negligence of any assignee or lessee of the Corporation or of any agents, contractors, servants, employees, or licensees of any assignee or borrower of the Corporation, (v) the issuance or sale of the Bonds, (vi) any injury to or death of any person or damage to property in or upon the Facilities or resulting from or connected with the use, non-use, condition, or occupancy of the Facilities or any part of it, (vii) the violation of any agreement or condition of this Loan Agreement except by the Authority, (viii) the violation of any contract, agreement, or restriction by the Corporation relating to the Facilities, (ix) the violation of any law, ordinance, or regulation by the Corporation or its agents, contractors, employees, licensees, or assignees arising out of the ownership, occupancy, or use of the Facilities or any part of it, (x) the construction, acquisition, equipping, and installation of the Facilities or the failure to construct, acquire, equip, or install the Facilities, (xi) any act of the Corporation or any of its agents, contractors, or licensees, (xii) any statement or information concerning the Corporation, its officers and members, or the Facilities contained in any official statement or prospectus furnished to purchasers of any Bonds that is untrue or incorrect in any material respect and any omission from any final official statement or prospectus of any statement or information which should be contained in it for the purpose for which it is to be used or which is necessary to make the statements in it concerning the Corporation, its officers and members, or the Facilities not misleading in any material respect if the final official statement or prospectus is approved in writing by the Corporation, (xiii) failure to properly register or otherwise qualify the sale of the Bonds or failure to comply with any licensing or other law or regulation which would affect the manner in which or to whom the Bonds could be sold, (xiv) the carrying out by the Corporation of any of the transactions contemplated by the Loan Agreement, and (xv) any federal or state tax audit relating to the Facilities, the Corporation, or the application of the proceeds of the Bonds, provided, however, this indemnity shall not apply to any claims or damages arising solely from the willful misconduct, bad faith, or fraud of the Authority or the negligence, willful misconduct, or intentional misconduct of the other parties seeking indemnification. The Corporation shall indemnify and save the Authority, the Bond Insurer, and the Trustee harmless from and against all costs and expenses incurred in or in connection with any such claim arising as described in the preceding sentence, or in connection with any action or proceeding brought thereon, including reasonable attorneys' fees and expenses as provided in Section 10.4 hereof, and upon notice from the Authority, the Bond Insurer, or the Trustee, the Corporation shall defend them or any of them in any such action or proceeding.

(b) The Corporation agrees that it will indemnify and hold the Trustee harmless from any and all liability, cost, or expense incurred without negligence or bad faith on the part of the Trustee in the course of its duties, including any act, omission, delay, or refusal of the Trustee in reliance upon any signature, certificate, order, demand, instruction, request, notice, or other instrument or document of the Corporation believed by the Trustee to be valid, genuine, and sufficient.

(c) Notwithstanding the fact that it is the intention of the parties that the Authority, the Trustee, the Bond Insurer, and their directors, officers, members, and employees shall not incur

pecuniary liability by reason of the terms of the Bond Documents or the undertakings required thereunder or by reason of (i) the issuance of the Bonds, (ii) the execution of the Bond Documents, (iii) the performance of any act required by the Bond Documents, (iv) the performance of any act requested by the Corporation, or (v) any other costs, fees, or expenses incurred by the Authority, the Bond Insurer, or the Trustee with respect to the Facilities or the financing thereof, including all claims, liabilities, or losses arising in connection with the violation of any statutes or regulations pertaining to the foregoing, nevertheless, if the Authority or the Trustee should incur any such pecuniary liability, then in such event the Corporation shall indemnify and hold harmless the Authority, the Bond Insurer, and the Trustee against all claims by or on behalf of any Person arising out of the same and all costs and expenses incurred in connection with any such claim or in connection with any action or proceeding brought thereon, including reasonable attorneys' fees and expenses, and upon notice from the Authority, the Bond Insurer, or the Trustee, the Corporation shall defend the Authority, the Bond Insurer, and the Trustee in any such action or proceeding.

(d) The indemnity contained in this Section 6.14 shall not apply to any (i) acts of willful misconduct, bad faith, or fraud of the Authority or any acts of negligence, willful misconduct, or intentional misconduct of the other parties seeking indemnification; (ii) any breach by the party seeking indemnification of its obligations under the Bond Documents; or (iii) with respect to the Authority and the Bond Insurer, any liability or claim arising out of or relating to any information furnished by the Authority or the Bond Insurer and included in the offering statement relating to the Series 2017 Bonds or any failure by the Authority to disclose information required to make the statements in the offering statement relating to the Authority or the Bond Insurer not misleading.

(e) Nothing contained in this Section 6.14 shall require the Corporation to indemnify the Authority, the Trustee, the Bond Insurer, or their officers, directors, members, or employees for any claim or liability that the Corporation was not given any opportunity to contest or for any settlement of any such action effected without the Corporation's consent (assuming such opportunity to contest or consent was available to the party seeking indemnification and was not waived in writing by the Corporation). The indemnity of the Authority, the Trustee, the Bond Insurer, and their officers, directors, members, and employees contained in this Section 6.14 shall survive the payment of the Bonds and the termination of this Loan Agreement.

(f) In addition, the Corporation agrees that if it initiates any action, suit, or other proceeding with respect to any claim, demand, or request for relief, whether judicial or administrative, in which the Authority or the Bond Insurer is named or joined as a party, the Corporation will pay to and reimburse to the Authority and the Bond Insurer the full amount of all reasonable fees and expenses incurred by the Issuer or the Bond Insurer with respect to the Issuer's or the Bond Insurer's defense of or participation in such action, suit, or other proceeding.

Section 6.15 Debt Service Coverage Ratios. The Corporation shall or it shall cause the Board to maintain a Debt Service Coverage Ratio for the Facilities as provided in Section 3(h) of the Facilities Lease, the provisions of which, including the applicable cure and default provisions, are incorporated herein by reference.

ARTICLE VII ASSIGNMENT

Section 7.1 Assignment of this Loan Agreement.

(a) Without the written consent of the Bond Insurer, the rights of the Corporation under this Loan Agreement may be assigned as a whole or in part but no such assignment shall constitute a release of the Corporation from its obligations hereunder.

(b) Each transferee of the Corporation's interest in this Loan Agreement shall assume the obligations of the Corporation hereunder to the extent of the interest assigned, sold or leased, and the Corporation shall, not more than sixty (60) nor fewer than thirty (30) days prior to the effective date of any such assignment or lease, furnish or cause to be furnished to the Authority, the Bond Insurer and the Trustee a true and complete copy of each such assignment or lease.

Section 7.2 Restrictions on Transfer of Authority's Rights. The Authority agrees that it will not during the term of this Loan Agreement sell, assign, transfer or convey its interests in this Loan Agreement except as provided in Section 7.3.

Section 7.3 Assignment by the Authority. It is understood, agreed and acknowledged that the Authority will assign to the Trustee pursuant to the Indenture certain of its rights, title and interests in and to this Loan Agreement (reserving its rights, however, pursuant to sections of this Loan Agreement providing that notices, reports and other statements be given to the Authority and also reserving its rights to reimbursement and payment of costs and expenses under Section 9.5 hereof, its rights to indemnification under Section 6.1(d) hereof and its individual and corporate rights to exemption from liability under Section 10.12 hereof), including the interest of the Authority in and to the Ground Lease and the Facilities Lease assigned by the Corporation to the Authority hereunder, and the Corporation hereby assents to such assignment and pledge.

ARTICLE VIII SUPPLEMENTS AND AMENDMENTS

Section 8.1 Amendment to Loan Agreement without Consent. The Authority and the Corporation, with the consent of the Trustee with respect to Sections 8.1(d) and 8.1(e) hereof, with the consent of the Bond Insurer, except if such supplement or amendment is for the purpose of refunding Bonds in order to realize debt service savings in each subsequent year as specified in Section 5.2 of the Indenture, but without the consent of the owners of any of the Bonds Outstanding under the Indenture, may enter into supplements to the Loan Agreement that shall not be inconsistent with the terms and provisions hereof for any of the purposes heretofore specifically authorized in the Loan Agreement or the Indenture, and in addition thereto for the following purposes:

(a) To cure any ambiguity or formal defect, inconsistency or omission in this Loan Agreement or to clarify matters or questions arising hereunder;

(b) To add covenants and agreements for the purpose of further securing the obligations of the Corporation hereunder;

(c) To confirm as further assurance any mortgage or pledge of additional property, revenues, securities or funds;

(d) To conform the provisions of the Loan Agreement in connection with the provisions of any supplements or amendments to the Indenture entered into pursuant to the provisions of Section 10.1 thereof;

(e) To provide any other modifications which, in the sole judgment of the Trustee, are not prejudicial to the interests of the Bondholders; or

(f) to conform the covenants and provisions of the Corporation contained herein to any different financial statement presentation required by the Financial Accounting Standard Board that is different than the presentation required as of the date of issuance of the Bonds, so long as the effect of such conformed covenants and provisions is substantially identical to the effect of the covenants and provisions as in effect on the date of issuance of the Bonds.

Section 8.2 Amendment to Loan Agreement upon Approval of a Majority of Bondholders.

(a) The provisions of the Loan Agreement may be amended in any particular with the consent of the owners of not less than a majority of the aggregate principal amount of Bonds then Outstanding and the written consent of the Bond Insurer; provided, however, that no such amendment may be adopted that decreases the percentage of owners of the Bonds required to approve an amendment, or that permits a change in the date of payment of the principal of or interest on any Bonds or of any redemption price thereof or the rate of interest thereon without the consent of the owners of all of the aggregate principal amount of the Bonds then Outstanding.

(b) If at any time the Authority and the Corporation shall request the Trustee to consent to a proposed amendment for any of the purposes of this Section 8.2, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such proposed amendment to be given in the manner required by the Indenture to redeem the Bonds. Such notice shall briefly set forth the nature of the proposed amendment and shall state that copies thereof are on file at the principal corporate trust office of the Trustee for inspection by all Bondholders. If, within sixty (60) days or such longer period as shall be prescribed by the Authority following such notice, the owners of not less than a majority in aggregate principal amount of the Bonds outstanding at the time of the execution of any such proposed amendment shall have consented to and approved the execution thereof as herein provided, no owner of any Bonds shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee, the Corporation or the Authority from executing or approving the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such proposed amendment as in this Section permitted and provided, this Loan Agreement shall be and be deemed to be modified and amended in accordance therewith.

Section 8.3 Amendments to Facilities Lease or the Ground Lease Not Requiring Owner Consent. Subject to the terms and provisions of Section 8.5 and 8.7 of this Loan Agreement, with the written consent of the Bond Insurer, except if such supplement or amendment is for the purpose of refunding Bonds in order to realize debt service savings in each subsequent year as specified in Section 5.2 of the Indenture, the Facilities Lease or the Ground Lease may be amended or modified in any manner not inconsistent with the terms and provisions of the Loan Agreement, for any one or more of the following purposes: (1) to cure any ambiguity or formal defect or omission in the Facilities Lease or the Ground Lease that does not have an adverse effect upon the interest of the Owners; (2) to grant or confer upon the Authority or the Trustee, for the benefit of the Owners, any additional rights, remedies, powers or authorities that lawfully may be granted to or conferred upon the Authority or the Trustee; (3) to more clearly identify the Facilities or to add to or subtract from the Facilities any property; (4) to amend or

modify the Facilities Lease or the Ground Lease in any manner specifically required or permitted by the terms thereof, including as may be necessary to maintain the exclusion from gross income of interest on the Bonds for federal income tax purposes; (5) to make any amendment or modification required as a condition to obtaining any rating by Moody's or S&P with respect to the Bonds; and (6) to amend or modify the Facilities Lease or the Ground Lease in any other manner that, in the judgment of the Trustee, is not materially adverse to the interests of the owners of the Bonds and the Bond Insurer or the Trustee and that does not involve a change described in Section 8.5 hereof.

Notwithstanding anything to the contrary provided herein, the consent of the Bond Insurer shall not be required in order to amend the Ground Lease or the Facilities Lease solely to add additional property for the Facilities.

Section 8.4 Amendments to the Facilities Lease or the Ground Lease Requiring Owner Consent. Exclusive of amendments and modifications covered by Section 8.3 hereof, the Facilities Lease or the Ground Lease may be amended or modified only as provided in Section 8.4 and 8.5 of this Loan Agreement. Subject to the terms and provisions contained in Section 8.5 of this Loan Agreement, the Authority and the owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding and the Bond Insurer, shall have the right, from time to time, anything contained in this Loan Agreement to the contrary notwithstanding, to consent to and approve the amendment or modification of the Facilities Lease or the Ground Lease. If at any time there is a proposed amendment or modification to the Facilities Lease or the Ground Lease, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such modification or amendment to be mailed to each of the owners of the Bonds at the address indicated on the registration books of the Trustee and the Bond Insurer. Such notice shall briefly set forth the nature of the proposed amendment or modification and shall state that copies thereof are on file at the principal office of the Trustee for inspection by owners of all Outstanding Bonds. If, within sixty (60) days, or such longer period as shall be prescribed by the Authority, following the mailing of such notice, the owners of the requisite percentage in aggregate principal amount of the Outstanding Bonds at the time of the execution of any such amendment or modification shall have consented to and approved the execution thereof as herein provided, no owner of any Outstanding Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof; or to enjoin or restrain the parties thereto from executing the same or from taking any action pursuant to the provisions hereof.

Section 8.5 Consent Required Under Certain Circumstances for Amendment of Facilities Lease or Ground Lease. Nothing contained in Sections 8.3 and 8.4 of this Loan Agreement shall permit, or be construed as permitting, without the approval and consent of all of the owners of the Outstanding Bonds and the Bond Insurer, (a) a reduction in the amount of, or the extension of the time for, any payment of Base Rental due under the Facilities Lease or any amount due under the Bond Insurance Policy; or (b) the termination of the Facilities Lease or the Ground Lease prior to the expiration of their stated term, other than in accordance with the provisions thereof.

Section 8.6 Opinion Required for Amendment of Facilities Lease or Ground Lease. Anything to the contrary herein notwithstanding, no amendment or modification of the Facilities Lease or the Ground Lease shall become effective unless and until the Trustee has been provided with an opinion of Bond Counsel to the effect that such amendment or modification will not have an adverse effect upon the validity of the Bonds and to the effect that such amendment or modification will maintain the exclusion from gross income of interest on the Bonds for federal income tax purposes.

Section 8.7 Consent of the Board. Anything herein to the contrary notwithstanding, an amendment to the Facilities Lease or the Ground Lease under this Article VIII shall not become effective

unless and until the Board shall have consented to the execution and delivery of such amendment to the Facilities Lease or the Ground Lease, unless an Event of Default has occurred and is continuing, and no amendment to the Facilities Lease or the Ground Lease shall without the prior written consent of the Board affect the date or amounts of payments required on the Bonds or required under the Facilities Lease.

Section 8.8 Filing. Copies of any such supplement or amendment to this Loan Agreement, the Ground Lease or the Facilities Lease shall be filed with the Trustee and delivered to the Authority and the Corporation before such supplement or amendment may become effective.

Section 8.9 Reliance on Counsel. The Authority and the Trustee shall be entitled to receive, and shall be fully protected in relying upon the opinion of counsel satisfactory to the Trustee, who may be counsel for the Authority, as conclusive evidence that any such proposed supplement or amendment to this Loan Agreement, the Ground Lease or the Facilities Lease complies with the provisions of this Loan Agreement and the Indenture and that it is proper for the Authority and the Trustee under the provisions of this Article to execute or approve such supplement or amendment.

Section 8.10 Notice to Rating Agencies. No supplemental agreement or amendment to this Loan Agreement, the Ground Lease or the Facilities Lease shall be executed and delivered pursuant hereto without prior written notice having been given by the Corporation to Standard & Poor's Ratings Group and Moody's, if any of the Bonds are rated by such Rating Agencies, of the Corporation's intention to execute such supplemental agreement or amendment thereof not fewer than fifteen (15) days in advance of the execution of said supplemental agreement or amendment. The Corporation shall provide the Bond Insurer a full transcript of all proceedings relative to said supplemental agreement or amendment.

ARTICLE IX EVENTS OF DEFAULT AND REMEDIES

Section 9.1 Events of Default Defined. The terms "*Event of Default*" and "*Default*" under the Original Loan Agreement shall include any one or more of the following events:

(a) The Corporation shall default in the timely payment of any Payment pursuant to Article IV of this Loan Agreement.

(b) An Event of Default shall exist under the Bond Documents, the Facilities Lease, or the Tax Regulatory Agreement.

(c) The Corporation shall fail duly to perform, observe or comply with any other covenant, condition or agreement on its part under this Loan Agreement (other than a failure to make any payment required under this Loan Agreement), and such failure continues for a period of thirty (30) days after the date on which written notice of such failure, requiring the same to be remedied, shall have been given to the Corporation by the Trustee; provided, however, that if such performance, observation or compliance requires work to be done, action to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such thirty (30) day period, no Event of Default shall be deemed to have occurred or to exist if, and so long as the Corporation shall commence such performance, observation or compliance within such period and shall diligently and continuously prosecute the same to completion.

(d) The entry of a decree or order by a court having jurisdiction in the premises adjudging the Corporation a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Corporation under the United States Bankruptcy Code or any other applicable federal or state law, or appointing a receiver, liquidator, custodian, assignee, or sequestrator (or other similar official) of the Corporation or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of ninety (90) consecutive days.

(e) The institution by the Corporation of proceedings to be adjudicated a bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under the United States Bankruptcy Code or any other similar applicable federal or state law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, custodian, assignee, trustee or sequestrator (or other similar official) of the Corporation or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due.

Section 9.2 Remedies.

Whenever any Event of Default under Section 9.01 hereof shall have happened and be continuing, any one or more of the following remedial steps may be taken with the consent of the Bond Insurer and shall be taken at the direction of the Bond Insurer:

(a) The Issuer or the Trustee may declare all installments of Payments under Section 4.02 hereof to be immediately due and payable, whereupon the same shall become immediately due and payable;

(b) The Issuer or the Trustee may take whatever action at law or in equity may appear necessary or desirable to collect the Payments then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Corporation under this Agreement;

(c) The Issuer or the Trustee may have access to and inspect, examine and make copies of any and all books, accounts and records of the Corporation;

(d) The Issuer or the Trustee (or the owners of the Bonds in the circumstances permitted by the Indenture) may exercise any option and pursue any remedy provided by the Indenture; and/or

(e) The Trustee may foreclose the lien of the Mortgage.

Section 9.3 No Remedy Exclusive; Selective Enforcement. No remedy conferred upon or reserved to the Authority or the Trustee by this Loan Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement and as now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any event of nonperformance shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority or the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be herein expressly required. In the

event the Authority or the Trustee shall elect to selectively and successively enforce its rights under this Loan Agreement, such action shall not be deemed a waiver or discharge of any other lien, encumbrance or security interest securing payment of the indebtedness secured hereby or thereby until such time that it shall have been paid in full all sums secured hereunder and thereunder. The foreclosure of any lien provided pursuant to this Loan Agreement without the simultaneous foreclosure of all such liens shall not merge the liens granted which are not foreclosed with any interest which the Authority or the Trustee might obtain as a result of such selective and successive foreclosure.

Section 9.4 Indenture Overriding. All of the provisions of this Article are subject to and subordinate to the rights and remedies of the Bond Insurers, the holders of the Bonds and the Trustee pursuant to the Indenture. The Authority shall have no power to waive any event of default hereunder, except with respect to indemnification and its administrative payments, without the consent of the Trustee and the Bond Insurer to such waiver.

Section 9.5 Loan Agreement to Pay Attorneys' Fees and Expenses. In any Event of Default, if the Authority or the Trustee employs attorneys or incurs other expenses for the collection of amounts payable hereunder or the enforcement of the performance or observance of any covenants or agreements on the part of the Corporation herein contained, whether or not such suit is commenced, the Corporation agrees that it will on demand therefor pay to the Authority or the Trustee the reasonable fees of such attorneys and such other reasonable expenses so incurred by the Authority or the Trustee.

Section 9.6 Authority and Corporation to Give Notice of Default. The Authority and the Corporation severally covenant that they will, at the expense of the Corporation, promptly give to the Trustee written notice of any Event of Default under this Loan Agreement of which they shall have actual knowledge or written notice, but the Authority shall not be liable (except as provided in Section 6.1(d) hereof) for failing to give such notice.

Section 9.7 Correlative Waivers. If an Event of Default under Section 8.2 of the Indenture shall be cured or waived and any remedial action by the Trustee rescinded, any correlative Default under this Loan Agreement shall be deemed to have been cured or waived.

ARTICLE X MISCELLANEOUS

Section 10.8 Severability. If any clause, provision or Section of this Loan Agreement be held illegal or invalid by any court, the invalidity of such clause, provision or Section shall not affect any of the remaining clauses, provisions or Sections hereof and this Loan Agreement shall be construed and enforced as if such illegal or invalid clause, provision or Section had not been contained herein. Section 10.11 Third Party Beneficiaries. It is specifically agreed between the parties executing this Loan Agreement that it is not intended by any of the provisions of any part of this Loan Agreement to make the public or any member thereof, other than the Trustee, and the Bond Insurer and except as expressly provided herein or as contemplated in the Indenture, a third party beneficiary hereunder, or to authorize anyone not a party to this Loan Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Loan Agreement. The duties, obligations and responsibilities, if any, of the parties to this Loan Agreement with respect to third parties shall remain as imposed by law.

Section 10.12 Exculpatory Provision.

(a) In the exercise of the powers of the Authority the Trustee and their respective trustees, directors, officers, employees and agents (each, an “*Indemnified Party*”) under this Loan Agreement, each Indemnified Party shall not be accountable or liable to the Corporation (i) for any actions taken or omitted by such Indemnified Party in good faith and believed by it or them to be authorized or within their discretion or rights or powers conferred upon them (other than the negligence or willful misconduct of such Indemnified Party), or (ii) for any claims based on this Loan Agreement against any such Indemnified Party, all such liability, if any, being expressly waived by the Corporation

by the execution of this Loan Agreement. The Corporation shall indemnify and hold harmless each Indemnified Party against any claim or liability based on the foregoing asserted by any other person.

(b) In case any action shall be brought against an Indemnified Party in respect of which indemnity may be sought against the Corporation, such Indemnified Party shall promptly notify the Corporation in writing and the Corporation shall assume the defense thereof, including the employment of counsel of the Corporation's choice and the payment of all expenses. (b) the Authority shall not be under any obligation to perform any recordkeeping or to provide any legal service, it being understood that such services shall be performed or caused to be performed by the Trustee or the Corporation; and

(c) none of the provisions of this Loan Agreement or the Mortgage shall require the Authority to expend or risk its own funds (apart from the proceeds of Bonds issued under the Indenture) or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights under this Loan Agreement or the Mortgage unless it first shall have been adequately indemnified

to its satisfaction against the costs, expenses and liabilities which may be incurred by taking any such action.

Section 10.16 Authority Not Liable. Notwithstanding any other provision of this Loan Agreement, the Indenture, the Mortgage, the Continuing Disclosure Certificate, the Bond Purchase Agreement or the Tax Regulatory Agreement, (a) the Authority shall not be required to take action under this Loan Agreement, the Indenture, the Mortgage, the Continuing Disclosure Certificate, the Bond Purchase Agreement or the Tax Regulatory Agreement unless the Authority (i) is requested in writing by an appropriate Person to take such action; and (ii) is assured of payment of or reimbursement for any expense incurred in taking such action, and (b) except with respect to any action for specific performance or any action in the nature of a prohibitory or mandatory injunction, neither the Authority nor any official, officer, member, director, agent, employee or servant of the Authority shall be liable to the Corporation, the Trustee or any other Person for any action taken by the Authority or by its officials, officers, members, directors, agents, employees, or servants, or for any failure to take action under this Loan Agreement, the Indenture, the Mortgage, the Continuing Disclosure Certificate, the Bond Purchase Agreement, or the Tax Regulatory Agreement. (c) The Corporation shall fail to perform any other covenant or agreement, other than the payment of money, to be performed by the Corporation under the terms and provisions of this Ground Lease and such failure shall not be cured within ninety (90) days after receipt of written notice from the Board of such failure; provided that if during such ninety (90) day period, the Corporation takes action to cure such failure but is unable, by reason of the nature of the work involved, to cure such failure within such period and continues such work thereafter diligently and without unnecessary delays, such failure shall not constitute an Event of Default hereunder until the expiration of a period of time after such ninety (90) day period as may be reasonably necessary to cure such failure.

(d) A court of competent jurisdiction shall enter an order for relief in any involuntary case commenced against the Corporation, as debtor, under the Federal Bankruptcy Code, as now or hereafter constituted, or the entry of a decree or order by a court having jurisdiction over the Facilities and the Stadium Expansion appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator, or other similar official of or for the Corporation or any substantial part of the properties of the Corporation or ordering the winding up or liquidation of the affairs of the Corporation, and the continuance of any such decree or order unstayed and in effect for a period of ninety (90) consecutive days.

(e) The commencement by the Corporation of a voluntary case under the Federal Bankruptcy Code, as now or hereafter constituted, or the consent or acquiescence by the Corporation to the commencement of a case under such Code or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator, or other similar official of or for the Corporation or any substantial part of the properties of the Corporation.

Section 11.02 The Board’s Rights Upon Default. Upon the occurrence and during the continuance of an Event of Default, the Board may at its option seek any and all damages occasioned by the Event of Default or may seek any other remedies available at law or in equity, including specific performance.

Section 11.03 Termination of Right of Occupancy. Notwithstanding any provision of law or of this Ground Lease to the contrary, except as set forth in Section 1.03 hereof, the Board shall not have the right to terminate this lease prior to the Expiration Date hereof. However, in the event there is an Event of Default by the Corporation hereunder, the Board (with the prior written consent of the Bond Insurer) shall have the right to terminate the Corporation’s right to occupancy of the Land, the Stadium Expansion Land, the Facilities and the Stadium Expansion, except that the Facilities and the Stadium Expansion, at the option of the Board, shall remain thereon. The Board shall have the right upon ninety (90) days’ written notice and opportunity to cure provided to the Bond Insurer and the Trustee, to take possession of the Land, the Stadium Expansion Land, the Facilities and the Stadium Expansion and to re-let the Land, the Stadium Expansion Land, the Facilities and the Stadium Expansion or take possession in

its own right for the remaining Term of the Ground Lease upon such terms and conditions as the Board is able to obtain. Upon such re-letting, the Corporation hereby agrees to release its leasehold interest and all of its rights under this Ground Lease and the Facilities Lease to the new lessee of the Land and the Stadium Expansion Land (or to the Board, if the Board wishes to remain in possession on its own behalf) in consideration for the new lessee (or the Board, as applicable) agreeing to assume all of the Corporation's obligations under the Ground Lease, the Facilities Lease and under any debt incurred by the Corporation in connection with the construction of the Facilities and the Stadium Expansion.

Section 11.04 Rights of the Board Cumulative. All rights and remedies of the Board provided for and permitted in this Ground Lease shall be construed and held to be cumulative, and no single right or remedy shall be exclusive of any other which is consistent with the former. The Board shall have the right to pursue any or all of the rights or remedies set forth herein, as well as any other consistent remedy or relief which may be available at law or in equity, but which is not set forth herein. No waiver by the Board of a breach of any of the covenants, conditions or restrictions of this Ground Lease shall be construed or held to be a waiver of any succeeding or preceding breach of the same or of any other covenant, condition or restriction herein contained. The failure of the Board to insist in any one or more cases upon the strict performance of any of the covenants of this Ground Lease, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment of future breaches of such covenant or option.

ARTICLE XII TITLE TO THE FACILITIES

Section 12.01 Title to Facilities. Title to the existing Facilities and the Stadium Expansion and any new Facilities as they are constructed or placed in service upon completion thereof shall be vested in the Board. The Board's right to obtain title to the Facilities and the Stadium Expansion unencumbered by the leasehold interest of the Corporation granted hereunder shall be as set forth in the Facilities Lease. All furniture, fixtures, equipment and furnishings permanently affixed to the Facilities and the Stadium Expansion shall be the property of the Board upon termination of this Ground Lease whether such termination be by expiration of the Term or an earlier termination under any provision of this Ground Lease.

Section 12.02 The Board's Option to Require Demolition. Upon the Expiration Date of the Term or earlier termination hereof, in the event the Facilities or the Stadium Expansion are no longer suitable for the Board's purposes, the Board in its sole discretion may require the Corporation to demolish the Facilities or the Stadium Expansion and remove the Facilities from the Land or the Stadium Expansion from the Stadium Expansion Land, and restore the Land or the Stadium Expansion Land to substantially the same condition as it existed on the date of the Original Ground Lease, the First Amendment to Ground Lease, the Second Amendment to Ground Lease, the Third Supplemental Ground Lease, or the Fourth Supplemental Ground Lease, as applicable, to be accomplished within one hundred eighty (180) days of such Expiration Date or earlier termination hereof. However, such demolition and removal of the Facilities or the Stadium Expansion shall be at the Board's sole cost and expense. In the event of such election upon the expiration of the Term, the Board shall notify the Corporation no later than six (6) months prior to the expiration of the Term. If this Ground Lease is terminated earlier, the Board shall notify the Corporation within thirty (30) days after the termination.

Section 12.03 Termination of Facilities Lease. Upon the termination of the Facilities Lease as a result of the Board's exercise of its option to purchase the Facilities and the Stadium Expansion granted under the Facilities Lease, all right and interest of the Corporation in and to this Ground Lease, the Facilities Lease and the Facilities and the Stadium Expansion shall be transferred to the Board, and the Corporation hereby agrees to execute any documents necessary to effectuate such transfer, or the Board

may require the demolition of the Facilities and the Stadium Expansion as set forth in Section 12.02 above.

Section 12.04 Insurance Proceeds. Notwithstanding the fact that title to the Facilities and the Stadium Expansion is vested in the Board, if the Facilities Lease is no longer in force and effect, and all or any portion of the Facilities and the Stadium Expansion is damaged or destroyed by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively “*Casualty*”), the proceeds of any insurance received on account of any such Casualty shall be disbursed in accordance with the provisions of the Bond Documents, or if the Bond Documents are no longer in effect shall be disbursed to the Corporation as though the Corporation were the owner of the Facilities and the Stadium Expansion.

The risk of loss or decrease in the enjoyment and beneficial use of the Facilities and the Stadium Expansion due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively “*Casualty*”) or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Facilities and the Stadium Expansion by condemnation, expropriation, or eminent domain proceedings (collectively “*Expropriation*”) is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental or any other obligation hereunder.

ARTICLE XIII CONDEMNATION

Section 13.01 Condemnation. If the Facilities Lease has been terminated, upon the permanent Taking of all the Land, the Stadium Expansion Land, the Facilities and the Stadium Expansion, this Ground Lease shall terminate and expire as of the date of such Taking, and both the Corporation and the Board shall thereupon be released from any liability thereafter accruing hereunder except for Rent and all other amounts secured by this Ground Lease owed to the Board apportioned as of the date of the Taking or the last date of occupancy, whichever is later. The Corporation shall receive notice of any proceedings relating to a Taking and shall have the right to participate therein.

Section 13.02 Partial Condemnation if Facilities Lease is No Longer in Effect. Upon a temporary Taking or a Taking of less than all of the Land, the Stadium Expansion Land, the Facilities and the Stadium Expansion and if the Facilities Lease is no longer in effect, the Corporation, at its election, may terminate this Ground Lease by giving the Board notice of its election to terminate at least sixty (60) days prior to the date of such termination. Upon any such termination, the Rent accrued and unpaid hereunder shall be apportioned to the date of termination. In the event there is a partial condemnation of the Land or the Stadium Expansion Land and the Corporation decides not to terminate this Ground Lease, the Board and the Corporation shall either amend this Ground Lease or enter into a new lease so as to cover an adjacent portion of property, if necessary to restore or replace any portion of the Land, the Stadium Expansion Land, and/or Facilities and the Stadium Expansion.

Section 13.03 Partial or Total Condemnation if Facilities Lease is in Effect. If this Ground Lease is terminated under Section 13.01 or in the event of a Taking of less than all of the Land and the Facilities and the Stadium Expansion Land and the Stadium Expansion while the Facilities Lease is in force and effect, and the Board decides to restore or replace the Facilities and the Stadium Expansion in accordance with the Facilities Lease, the Board and the Corporation agree to enter into a new lease (in form and substance substantially the same as this Ground Lease) of a portion of property necessary to

place thereon the Facilities and the Stadium Expansion and to enter into a new Facilities Lease (in form and substance substantially the same as the Facilities Lease) covering such replacement Facilities and the Stadium Expansion.

Section 13.04 Payment of Awards - If Facilities Lease is in Effect. Upon the Taking of all or any portion of the Land or the Facilities or the Stadium Expansion Land and the Stadium Expansion while the Facilities Lease remains in full force and effect (a) the proceeds of the Award allocable to the value of the Facilities and the Stadium Expansion shall be disbursed in accordance with the provisions of the Facilities Lease and the Bond Documents, and (b) subject to the Bonds and any amounts owing to the Bond Insurer being paid in full, the Board shall be entitled (free of any claim by the Corporation) to the Award for the value of the Board's Interest (such value to be determined as if this Ground Lease were in effect and continuing to encumber the Board's Interest); and (c) the Corporation shall be entitled to the Award for the value of the Corporation's interest in the Land or Stadium Expansion Land under this Ground Lease that is the subject of the Taking.

Section 13.05 Payment of Awards - If Facilities Lease is not in Effect. Upon the Taking of all or any portion of the Land or the Facilities or the Stadium Expansion Land or the Stadium Expansion at any time after the Facilities Lease is no longer in force and effect, (a) the proceeds of the Award allocable to the value of the Facilities or the Stadium Expansion shall be disbursed in accordance with the provisions of the Bond Documents, or if the Bond Documents are no longer in effect shall be disbursed to the Corporation, (b) the Board shall be entitled (free of any claim of the Corporation) to the Award for the value of the Board's Interest in the Land (such value to be determined as if this Ground Lease were in effect and continuing to encumber the Board's Interest) and (c) the Corporation shall be entitled to the Award for the value of the Corporation's interest in the Land under this Ground Lease that is the subject of the Taking.

Section 13.06 Bond Documents Control. Notwithstanding anything in this Ground Lease to the contrary, in the event of a Casualty or a Taking of all or any portion of the Facilities or the Stadium Expansion, the provisions in the Bond Documents shall control the division, application and disbursement of any insurance proceeds or Award paid as a result thereof for so long as the Bond Documents remain in effect.

Section 14.01 Assignment of Leasehold Interest. Except as expressly provided for in Article VI and in this Article XIV, the Corporation shall not have the right to sell or assign the leasehold estate created by this Ground Lease, or the other rights of the Corporation hereunder to any Person without the prior written consent of the Board and the Bond Insurer.

Section 14.02 Subletting. Section 14.03 Transfers of the Corporation's Interest. Except as otherwise expressly provided herein, any Person succeeding to the Corporation's interest as a consequence of any permitted conveyance, transfer or assignment shall succeed to all of the obligations of the Corporation hereunder and shall be subject to the terms and provisions of this Ground Lease.

Section 18.04 Memorandum of Lease. Neither the Board nor the Corporation shall file this Ground Lease for record in Tangipahoa Parish, Louisiana or in any public place without the written consent of the other. Section 18.08 Curative Matters. Except for the express representations and warranties of the Board set forth in this Ground Lease, any additional matters necessary or desirable to make the Land and the Stadium Expansion Land useable for the Corporation's purpose shall be undertaken, in the Corporation's sole discretion, at no expense to the Board. The failure of the Board or the Corporation to insist in any one or more cases upon the strict performance of any of the covenants of the Ground Lease, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment for the future of such covenant or option. A receipt by the Board or acceptance of payment by the Board of Rent with knowledge of the breach of any covenant hereof shall not be deemed a waiver of such breach. No waiver, change, modification or discharge by the Board or the Corporation of any provision of this Ground Lease shall be deemed to have been made or shall be effective unless expressed in writing and signed by the party to be charged.

All exhibits attached to this Ground Lease constitute a part of this Ground Lease and are incorporated herein. All references to a specific time of day in this Ground Lease shall be based upon Central Standard Time (or the other standard of measuring time then in effect in Hammond, Louisiana).

Section 18.11 Counterparts. This agreement may be executed in multiple counterparts, each of which shall be declared an original.

Section 18.12 Severability. If any clause or provision of this Ground Lease is illegal, invalid or unenforceable under present or future laws effective during the term of this Ground Lease, then and in that event, it is the intention of the parties hereto that the remainder of Ground Lease shall not be affected thereby.

Section 18.13 Authorization. Section 18.16 Successors and Assigns. All of the covenants, agreements, terms and conditions to be observed and performed by the parties hereto shall be applicable to and binding upon their respective successors and assigns including any successor by merger or consolidation of the University into another educational institution or the Board into another educational management board.

Section 18.17 Entire Agreement. This Ground Lease, together with the exhibits attached hereto, contains the entire agreement between the parties hereto with respect to the Land and the Stadium Expansion Land and contains all of the terms and conditions agreed upon with respect to the lease of the Land and the Stadium Expansion Land, and no other agreements, oral or otherwise, regarding the subject matter of this Ground Lease shall be deemed to exist or to bind the parties hereto; it being the intent of the parties that neither shall be bound by any term, condition, or representations not herein written.

Section 18.18 Prior Ground Lease Amended and Restated. The Corporation and the Board, by execution and delivery of this Ground Lease, intend to amend and restate in its entirety the Prior Ground Lease. Whenever the term "Ground Lease" is used in the Bond Documents, it is intended to mean this Ground Lease, as the same may be supplemented and amended by supplemental ground leases. Neither the Corporation nor the Board intend this Ground Lease to be construed as a novation of the Obligations (as defined in the Mortgage) or any of the other Bond Documents.

At the end of two (2) full semesters, if the Debt Service Coverage Ratio for the Student Housing Facilities is still below 1.10:1.00 or the Debt Service Coverage Ratio for the University is still below 1.25:1.0, the Board shall hire an outside consultant, approved by the Series 2017 Bond Insurer and the Series 2019 Bond Insurer, and the Board shall follow any reasonably feasible recommendations of such consultant regarding the operation and management of the Series 2004 Facilities and the Series 2017 Facilities, including raising fees and rents, reducing expenses and, if necessary, increasing the average occupancy rate through strict enforcement of parietal rules requiring students to reside on campus and, to the extent legally possible, revising parietal rules to increase the number of students required to reside on campus. So long as the Board is working in good faith with such consultant to increase any deficient Debt Service Coverage Ratio for the Student Housing Facilities or any deficient Debt Service Coverage Ratio for the University, there shall not be an Event of Default hereunder unless (i) the Debt Service Coverage Ratio for the Student Housing Facilities is less than 1.00:1.00 at the end of any Fiscal Year or (ii) the Debt Service Coverage Ratio for the University is less than 1.10 to 1.00 for two (2) full consecutive semesters after retention of an outside consultant by the Board. For purposes of the foregoing, when establishing such fees, rentals, rates and charges and calculating the Debt Service Coverage Ratio for the Student Housing Facilities and the Debt Service Coverage Ratio for the University for this Section, the Board shall take into account payments required to be made into the Series 2013 Debt Service Reserve Fund, the Series 2017 Debt Service Reserve Fund, and the Series 2019 Debt Service Reserve Fund pursuant to the Amended and Restated Indenture. The Board further covenants that it will seek any required approval necessary in order to comply with this covenant.

(ii) The Board covenants that, as long as any bonds, notes, or lease obligations remain outstanding that are payable from Series 2007 Lawfully Available Funds, if the Debt Service Coverage Ratio for the Parking Facilities shall fall below 1.25:1.0, the Board will use its best efforts to continue to levy and collect the fees and charges relating to the Series 2007 Facilities so that within two (2) full semesters after the Debt Service Coverage Ratio for the Parking Facilities shall become deficient, the Debt Service Coverage Ratio for the Parking Facilities equals 1.25:1.0. At the end of two (2) full semesters, if the Debt Service Coverage Ratio for the Parking Facilities shall remain below 1.25:1.0, the Board will be required to hire an outside consultant, approved by the Series 2007 Bond Insurer, and the Board will be required to follow any reasonably feasible recommendations of such consultant regarding the operation and management of the Series 2007 Facilities. So long as the Board shall be working in good faith with such consultant to increase any deficient Debt Service Coverage Ratio for the Parking Facilities, there will not be an Event of Default under this Facilities Lease unless (i) the Debt Service Coverage Ratio for the Parking Facilities shall be less than 1.25 to 1.00 for two (2) full consecutive semesters after retention of an outside consultant by the Board. For purposes of the foregoing, when establishing such fees and charges and calculating the Debt Service Coverage Ratio for the Parking Facilities, the Board will be required to take into account payments required to be made into the Series 2007 Debt Service Reserve Fund pursuant to the provisions of the Series 2007 Indenture. The Board will further covenant that it will seek any required approval necessary in order to comply with the covenant described under this subheading.

(i) (i) Without the prior written consent of the Series 2017 Bond Insurer and the Series 2019 Bond Insurer, the University will not build, acquire, or renovate any similar student housing

facilities, whether such facilities are owned by the University or a private entity, unless (A) the Series 2004 Facilities and the Series 2017 Facilities have met a Debt Service Coverage Ratio for the Student Housing Facilities of at least 1.25:1.00 for the prior Fiscal Year, (B) the Series 2004 Facilities and the Series 2017 Facilities are projected to meet a Debt Service Coverage Ratio for the Student Housing Facilities of at least 1.25:1.00 for the two Fiscal Years following the projected completion of the proposed facility and (C) based on a market analysis prepared by a market research company with experience in student or multi-family housing, which is independent from the University, the University's proposed project is not expected to have a material adverse effect on the Series 2004 Facilities or the Series 2017 Facilities. Such additional student housing facilities owned or leased by the Board or the Corporation shall be incorporated with the Series 2004 Facilities or the Series 2017 Facilities into a single housing system so that such additional student housing facilities and all revenues derived therefrom shall secure the Series 2013 Bonds, the Series 2017 Bonds, and the Series 2019 Bonds, and the Series 2004 Facilities and the Series 2017 Facilities and the revenues derived therefrom, including all revenues derived from this Facilities Lease, will secure any debt incurred to finance such additional student housing facilities. In addition, the Mortgage (as defined in the Amended and Restated Indenture) shall be amended to encumber any such Additional Housing Facilities and any revenues derived therefrom to secure the Series 2013 Bonds, the Series 2017 Bonds, the Series 2019 Bonds, and any debt incurred to finance such Additional Housing Facilities. So long as the Series 2017 Bonds and the Series 2019 Bonds are outstanding, the consent of the Series 2017 Bond Insurer and the Series 2019 Bond Insurer shall also be required prior to the construction, acquisition or renovation of such student housing facilities unless (A) – (C) above have been satisfied.

(ii) Without the prior written consent of the Series 2007 Bond Insurer, the University will not build, acquire or renovate any similar parking facilities, whether such facilities are owned by the University or a private entity, unless (i) the Debt Service Coverage Ratio for the Parking Facilities for the prior Fiscal Year has been met, (ii) the Debt Service Coverage Ratio for the Parking Facilities is projected to be met for the two Fiscal Years following the projected completion of the proposed facility and (iii) based on a market analysis prepared by a market research company with experience in university parking facilities, which is independent from the University, the University's proposed project is not expected to have a material adverse effect on the Series 2007 Facilities.

(j) So long as any Series 2013 Bonds, Series 2017 Bonds or Series 2019 Bonds remain outstanding, the University shall actively promote the Series 2004 Facilities and the Series 2017 Facilities as a housing alternative and an integral part of the housing system of the University. The University shall, among other things, provide housing brochures to prospective students and allow signs to be posted to promote the Series 2004 Facilities and the Series 2017 Facilities.

(f) The payments of Base Rental and Additional Rental under this Facilities Lease for each Fiscal Year or portion thereof during the Term shall constitute the total Rental for such Fiscal Year or portion thereof and shall be paid by the Board for and in consideration of the construction by the Corporation of the Facilities and the Stadium Expansion and the right to the use and occupancy of the Facilities and the Stadium Expansion by the Board for and during such Fiscal Year or portion thereof.

(j) (i) In addition to the Rental payments required hereby, the Board covenants and agrees to make an Extraordinary Rental payment to pay for costs of the Series 2017 Facilities, from funds on hand or collected by the Board, not to exceed \$9,000,000.

The Board acknowledges that the Corporation has made no representation or warranty with respect to systems and/or procedures for the security of the Facilities and the Stadium Expansion, any persons occupying, using or entering the Facilities and the Stadium Expansion, or any equipment, furnishings, or contents of the Facilities and the Stadium Expansion. It is the sole responsibility of the Board, through the University to cause to be provided or to provide for the security of persons on or entering the Facilities and the Stadium Expansion and/or property located at the Facilities and the Stadium Expansion, in accordance with reasonable and prudent business practices.

The policy or policies covering such loss must explicitly waive any co-insurance penalty.

(ii) A policy of comprehensive public liability insurance with respect to the Facilities and the Stadium Expansion and the operations related thereto, whether conducted on or off the Facilities and the Stadium Expansion, against liability for personal injury (including bodily injury and death) and property damage, of not less than \$2,000,000 in combined single limit liability coverage. (iii) Boiler and machinery insurance coverage against loss or damage by explosion of steam boilers, pressure vessels and similar apparatus, but only if steam boilers, pressure vessels or similar apparatus are installed on the Facilities and the Stadium Expansion, in an amount not less than \$5,000,000 with deductible provisions not exceeding \$100,000 per accident.

(iv) Workers' compensation insurance issued by a responsible carrier authorized under the laws of the State to insure employers against liability for compensation under the Labor Code of the State, or any act hereafter enacted as an amendment thereto or in lieu thereof, such workers' compensation insurance to cover all persons employed by the University in connection with the Facilities and the Stadium Expansion and to cover full liability for compensation under any such act aforesaid.

(v) A policy of rental interruption insurance in the amount of at least one (1) year's rental in the event of loss of or damage to the Series 2004 Facilities or the Series 2017 Facilities.

(b) The Corporation shall:

(i) cause to be secured and maintained a policy of title insurance insuring the Corporation's leasehold interest under the Ground Lease in an amount equal to the par amount of the Series 2013 Bonds, the Series 2017 Bonds and the Series 2019 Bonds; and

(ii) cause all of the construction professionals to secure and maintain:

(A) Comprehensive or Commercial General Liability insurance;

(B) Errors and Omissions insurance;

- (C) Automobile Liability insurance;
- (D) Worker's Compensation insurance;
- (E) an all Risk Builder's Policy upon the construction on the Property; and
- (F) boiler and machinery or additional property insurance;

all as required by the terms of any construction contracts entered into with regards to the demolition of certain existing facilities and the renovation, development and construction of the Facilities and the Stadium Expansion.

(c) All insurance required in this Section and all renewals of such insurance (excepting self-insurance or commercial insurance, through ORM) shall be issued by commercial insurers authorized to transact business in the State, and rated at least A- by Best's Insurance Reports (property/liability) or in the two highest rating categories of S&P and Moody's. All insurance policies provided or caused to be provided by the Corporation shall expressly provide that the policies shall not be canceled or altered without thirty (30) days' prior written notice to the University and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the Corporation or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained.

(d) All policies of liability insurance that the University is obligated to maintain according to this Facilities Lease (other than any policy of worker's compensation insurance) will name the Corporation, the Trustee and such other Persons or firms as the University may be required to name from time to time as additional insureds and shall expressly provide that the policies shall not be cancelled or altered without thirty (30) days' prior written notice to the Corporation and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the University or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained. All public liability, property damage liability, and casualty policies maintained by the University shall be written as primary policies and each such policy shall include a waiver of subrogation endorsement.

(e) Proceeds of insurance received and/or the amount of any loss that is self-insured with respect to destruction of or damage to any portion of the Facilities by fire, earthquake or other casualty or event shall be paid to the Trustee (or, in the case of ORM insurance, to the Board for delivery in full to the Trustee) for application in accordance with the provisions of Section 11 of this Facilities Lease and the Indenture.

(f) If the Series 2004 Facilities, the Series 2007 Facilities, the Stadium Expansion and the Series 2017 Facilities are self-insured through ORM, the insurance provisions of this Section shall be deemed as having been satisfied.

(g) The Corporation shall certify annually to the Bond Insurer that all insurance policies required by this Section 9 are as of the date of such certification in place and in effect.

Section 10. Condemnation, Casualty and Other Damage. The risk of loss or decrease in the enjoyment and beneficial use of the Facilities and the Stadium Expansion due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively "*Casualty*") or in consequence of any

foreclosures, attachments, levies or executions; or the taking of all or any portion of the Facilities and the Stadium Expansion by condemnation, expropriation, or eminent domain proceedings (collectively “Expropriation”) is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental or any other obligation hereunder.

Section 11. Application of Insurance Proceeds; Condemnation Award. (a) If during construction, all or any portion of the Facilities and the Stadium Expansion is damaged or destroyed by a Casualty, or is taken by Expropriation proceedings, the Board shall instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration or replacement of the Facilities and the Stadium Expansion in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. Following the completion of construction and acceptance of the Facilities and the Stadium Expansion by the Board on behalf of the Corporation, the Board shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted, the repair, restoration, or replacement thereof. The proceeds of any insurance, including the proceeds of any self-insurance fund, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction or taking of all or any portion of the Facilities shall be delivered to the Trustee and held by the Trustee in trust (or in the case of self-insurance through ORM, as set forth in paragraph (b) below), and shall be made available for, and to the extent necessary be applied to, such restoration, repair and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement and repair of the Facilities and the Stadium Expansion with respect to which they are held, in each case promptly after receipt of a written request of the Corporation stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee may conclusively rely upon such written requests and shall have no liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration or replacement of the Facilities shall be paid by Trustee in accordance with the terms of the Indenture.

In the event the proceeds of any insurance, and any additional funds deposited with the Trustee, are insufficient to fully repair, restore or replace the Facilities, the proceeds shall be paid to the Board for immediate delivery to Trustee and used to redeem the Outstanding Bonds.

Notwithstanding the foregoing, the Corporation’s obligation to replace the Facilities and the Stadium Expansion in the event of Expropriation Proceedings is dependent on the Board entering into a lease with a different portion of the Campus as provided in Section 13.03 of the Ground Lease. In the event it is necessary to restore or replace the Facilities or the Stadium Expansion in a different location because of the Expropriation of all or a portion of the Facilities or the Stadium Expansion, the Corporation and the Board agree to amend or enter into a new Facilities Lease and Ground Lease in accordance with Sections 13.03 of the Ground Lease. In the event the Board, pursuant to the Ground Lease, decides not to repair, restore or replace the Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) shall be paid to the Board for immediate delivery to the Trustee and applied to the prepayment of the Bonds in

accordance with the terms of the Indenture, and this Facilities Lease and the Ground Lease shall terminate on the date that the events described in Section 2(a) or 2(b) hereof have occurred.

(b) In the event that ORM insures the Facilities or the Stadium Expansion, the Board shall use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration or replacement of the Facilities or the Stadium Expansion.

Section 12. Encumbrances.

(a) *Payment by the Board.* The Board shall pay or cause to be paid all costs and charges for alterations, improvements, additions, repairs and maintenance (“*Work*”) (i) done by the Board or caused to be done by the Board in or to the Facilities and the Stadium Expansion, and (ii) for all materials furnished for or in connection with such *Work*. The Corporation reserves all rights to collect for any loss or damage sustained or incurred by the Corporation resulting from any and all Encumbrances, demands or liabilities arising on account of the *Work*, which shall be payable by the Board as Additional Rent hereunder.

(b) *Failure to Discharge.* If the Board fails to pay any charge for which an Encumbrance has been filed, and the Facilities and the Stadium Expansion or any portion thereof is placed in imminent danger of being seized, the Corporation may, but shall not be obligated to, pay such charge and related costs and interest, and the amount so paid, together with reasonable Legal Expenses incurred in connection with such Encumbrance, will be immediately due from the Board to the Corporation as Additional Rental. Nothing contained in this Facilities Lease will be deemed the consent or agreement of the Corporation to subject the Corporation’s interest in the Facilities or the Stadium Expansion to liability under any Encumbrance, or any mechanics’, materialman’s or other lien law. If the Board receives written notice that an Encumbrance has been or is about to be filed against the Facilities or the Stadium Expansion, or that any action affecting title to the Facilities or the Stadium Expansion has been commenced on account of *Work* done by or for the Board or for materials furnished to or for the Board, it shall immediately give the Corporation Notice of such notice.

(c) *Notice of Work.* At least fifteen (15) days prior to the commencement of any *Work* in or to the Facilities and the Stadium Expansion, by or for the University, the University shall give the Corporation Notice of the proposed *Work* and the names and addresses of the Persons supplying labor and materials for the proposed *Work*. The Corporation will have the right to post notices of nonresponsibility or similar written notices on the Facilities and the Stadium Expansion in order to protect the Facilities and the Stadium Expansion against any such claimants.

Section 13. Assignment and Sublease. (a) Neither this Facilities Lease nor any interest of the Board in the Facilities shall be mortgaged, pledged, assigned or transferred by the Board by voluntary act or by operation of law, or otherwise; provided, however, the Board may sublease all or any portion of the Facilities or the Stadium Expansion, or grant concessions involving the use of all or any portion of the Facilities or the Stadium Expansion, whether such concessions purport to convey a leasehold interest or a license to use all or a portion of the Facilities or the Stadium Expansion to any University student, faculty, staff or Permitted Sublessee. No such concession, leasehold interest or license to use the Facilities or the Stadium Expansion shall be granted to any University students, faculty or staff for a term of more than one (1) year, or to any Permitted Sublessee for a term of more than one (1) month. The Board shall, however, at all times remain liable for the performance of the covenants and conditions on its part to be performed under this Facilities Lease (including, without limitation, the payment of Base Rental and Additional Rental), notwithstanding any subletting or granting of concessions which may be made.

Nothing herein contained shall be construed to relieve the Board from its obligations to pay Base Rental and Additional Rental as provided in this Facilities Lease or to relieve the Board from any other obligations contained herein. Other than subleases to University students, faculty, staff and Permitted Sublessees, in no event will the Board sublease or permit the use of all or any part of the Facilities to any person without an opinion of Bond Counsel that such will not cause interest on the Bonds to be included in the gross income of the owners of the Bonds for federal income tax purposes.

(b) The Corporation shall, concurrently with the execution hereof, assign all of its right, title and interest in and to this Facilities Lease, including without limitation its right to receive Base Rental payable hereunder, to the Issuer pursuant to the Agreement, and the Issuer will in turn assign its rights under this Facilities Lease to the Trustee pursuant to the Indenture. The parties hereto further agree to execute any and all documents necessary and proper in connection therewith. Anything required or permitted to be done by the Corporation under this Facilities Lease may be done by the Trustee under the Indenture.

(c) Except as set forth in Section 13(b) hereof, the Corporation shall not sell or assign its interest in the Facility or this Facilities Lease without the prior written consent of the Board and the Bond Insurer.

Section 14. Additions and Improvements Removal. At the expiration of the Term, or termination of this Facilities Lease, all alterations, fixtures, improvements and additions made by the Board or the University and all equipment placed upon the Facilities and the Stadium Expansion that are incorporated into or made into component parts of the Facilities and the Stadium Expansion, as well as, title to all property, furniture, equipment, fixtures, and other property installed at or placed upon the Facilities and the Stadium Expansion by the Board which is not incorporated into or made a component part of the Facilities and the Stadium Expansion remain the property of the Board.

The Board hereby agrees to replace such property from time to time as such property becomes worn out, obsolete, inadequate, unsuitable or undesirable. The Board may add to or remove such property from time to time, and upon expiration of the Term, provided that the Board repairs any damage to the Facilities and the Stadium Expansion caused by such removal.

Section 15. Right of Entry. Representatives of the Corporation and the Bond Insurer shall, subject to reasonable security precautions, and upon giving the Board not less than twenty-four (24) hours advance Notice, have the right to enter upon the Facilities during reasonable business hours (and in emergencies without notice and at all times) accompanied by a Board Representative (i) to inspect the same, (ii) for any purpose connected with the rights or obligations of the Corporation under this Facilities Lease, or (iii) for all other lawful purposes. Any right of access to any portion of the Facilities leased to the students, faculty, staff or Permitted Sublessees shall be subject to their rights pursuant to their rental agreements and University policy.

Section 16. Mortgage Prohibition. Except as set forth in the Indenture, the Ground Lease and the Agreement, the Corporation shall not be entitled to mortgage or grant a security interest in the Facilities or the Stadium Expansion.

Section 17. Sale of Facilities; Attornment; and Conveyance and Transfer of the Corporation's Interest. If a person other than the Corporation shall succeed to the rights of the Corporation hereunder (in any case with the prior written consent of the Board as required hereby), upon the declaration of the successor to the Corporation's interest in this Facilities Lease, the Board agrees to fully attorn to and recognize any such successor as the Board's landlord under this Facilities Lease upon the then existing terms of this Facilities Lease, provided that such successor shall agree in writing to accept the Board's

attornment and not to disturb the Board's possession so long as the Board shall observe the provisions and all covenants of this Facilities Lease. This attornment provision shall inure to the benefit of any such successor and shall be self-operative upon the election and declaration by such successor, and no further instrument shall be required to give effect to the provisions. However, the Board agrees to evidence and confirm the foregoing attornment provisions by the execution and delivery of instruments in recordable form satisfactory to such successor.

If the Facilities or the Stadium Expansion, or any part thereof, shall be sold or otherwise transferred by sale, assignment, transfer or other contract, or by operation of law or otherwise (with the prior written consent of the Board as required hereby, with the prior written consent of the Series 2017 Bond Insurer and the Series 2019 Bond Insurer with respect to the Series 2004 Facilities and the Series 2017 Facilities and the 2007 Bond Insurer with respect to the Series 2007 Facilities, and with an opinion of Bond Counsel that such action will not cause interest on the Bonds to be included in the gross income of the owner of the Bonds for federal tax purposes), and if such written consent specifically so provides, the Corporation shall be automatically and entirely released and discharged to the extent of the interest in or the portion of the Facilities or the Stadium Expansion sold, assigned or transferred from and after the effective date of such sale, assignment or transfer of all liability for the performance of any of the covenants of this Facilities Lease on the part of the Corporation thereafter to be performed. The purchaser or other transferee of the Facilities or the Stadium Expansion shall be deemed to have agreed to perform such covenants of the Corporation from and after the date of such assignment or sale during such transferee's period of ownership of the Corporation's interest under this Facilities Lease, all without further agreement between the Corporation, its successor and the Board. The Corporation's transferee shall not be held responsible for the performance of any of the covenants of this Facilities Lease on the part of the Corporation required to be performed prior to such sale and transfer, the Board reserving its rights against the Corporation for any unperformed covenants prior to such sale or transfer.

Section 18. Quiet Enjoyment. The Corporation covenants that the Board, on paying the Rental and performing and observing all of the covenants and agreements herein contained and provided to be performed by the Board or the University, shall and may peaceably and quietly have, hold, occupy, use, and enjoy the Facilities and the Stadium Expansion during the Term and may exercise all of its rights hereunder; and the Corporation agrees to warrant and forever defend the Board's right to such occupancy, use, and enjoyment and the title to the Facilities and the Stadium Expansion against the claims of any and all persons whomsoever lawfully claiming the same, or any part thereof subject only to the provisions of this Facilities Lease.

Section 19. Environmental Compliance and Indemnity.

(a) *Environmental Compliance.* The Board or the University shall operate or cause to be operated the Facilities and the Stadium Expansion in compliance with all Environmental Requirements continuously during the Term, and for such periods of time prior to the Commencement Date and after the Expiration Date, as long as the Board is in possession of the Facilities and the Stadium Expansion, in whole or in part. The Board shall not cause or permit any Hazardous Substance to be brought upon, kept, or used in or about the Facilities, the Stadium Expansion, the Land, or the Stadium Expansion Land, except for such Hazardous Substance as is necessary or useful to the operation of the Facilities and the Stadium Expansion.

(b) *The Board's Liability.* If the Board fails to comply with any of the foregoing warranties, representations, and covenants, and removal or Remediation of any Hazardous Substance found on the Facilities and the Stadium Expansion is required by Environmental Requirements or Governmental Authority, the Board shall promptly undertake the removal or Remediation of such Hazardous Substance, at the Board's sole cost and expense. In the event the Board fails or refuses to undertake such removal or

Remedial actions, the Corporation may cause the removal or Remediation (or other cleanup reasonable acceptable to the Corporation) of any such Hazardous Substance from the Land, the Stadium Expansion Land, the Stadium Expansion, or the Facilities. The reasonable costs of removal, Remediation, or any other cleanup (including transportation and storage costs) will be considered as Additional Rental under this Facilities Lease, whether or not a court has ordered the cleanup, and those costs will become due and payable within ninety (90) days of written demand by the Corporation. In connection therewith, the Board will give the Corporation, its agents, and employees access to the Facilities and the Stadium Expansion to remove, remediate, or otherwise clean up any Hazardous Substance. The Corporation, however, has no affirmative obligation to remove, remediate, or otherwise clean up any Hazardous Substance, and this Facilities Lease will not be construed as creating any such obligation. The Board hereby agrees that it shall be fully liable for all costs and expenses related to the use, storage, and disposal of any Hazardous Substance located in or about the Facilities and the Stadium Expansion by the Board.

Section 20. The Corporation's Reservation of Rights.

(a) The Corporation hereby reserves all of its rights to recover from the Board for any and all Claims asserted against the Corporation, including Litigation Expenses arising out of or by reason of:

(i) any injury to or death of any person or damage to property occurring on or about the Facilities or the Stadium Expansion occasioned by or growing out of or arising or resulting from any tortious or negligent act on the part of the Board in connection with the operation and management of the Facilities or the Stadium Expansion; or

(ii) any failure, breach, or default on the part of the Board in the performance of or compliance with any of the obligations of the Board under the terms of this Facilities Lease.

(b) Notwithstanding the fact that it is the intention of the parties that the Corporation shall not incur any pecuniary liability by reason of the terms of this Facilities Lease or the undertakings required of the Corporation hereunder, nevertheless, if the Corporation should incur any such pecuniary liability, then in that event, the Corporation shall be entitled to assert all rights and remedies granted in law or in equity to recover from the Board the amount of any pecuniary liability incurred by the Corporation, plus all Litigation Expenses incurred in defense of such liability to the extent subject to indemnification pursuant to Subsection (a) above.

(c) No recourse shall be had for the enforcement of any obligation, covenant, or agreement of the Corporation contained in this Facilities Lease or any Claim based thereon against the Corporation or of any successor thereto or member thereof, either directly or through the Corporation whether by virtue of any constitutional provision, statute, or rule of law. This Facilities Lease and the obligations of the Corporation hereunder, and any Claim asserted against the Corporation are solely corporate obligations, and the enforcement of any obligation or Claim shall be limited solely to the Corporation's interest in the Facilities or the Stadium Expansion. No personal liability shall attach to, or be incurred by, any officer, director, agent, employee or member of the Corporation and the Board acknowledges that all personal liability of any character against every such officer, director, agent, employee or member by the execution of this Facilities Lease, is expressly waived and released. The immunity of any officer, director, agent, employee or member of the Corporation under the provisions contained in this Section 20 shall survive any acquisition of the Facilities and the Stadium Expansion by the Board and the expiration or other termination of this Facilities Lease.

Section 21. Default by the Board. If (i) the Board shall fail to deposit with the Trustee any Base Rental payment required to be so deposited pursuant to Section 6 hereof by the close of business on the day such deposit is required pursuant to Section 6 hereof, and shall fail to remedy such breach within

five (5) days thereof, but in no event later than the date on which such payment is required to enable the Corporation to make payment on the Bonds (without use of moneys held in the Debt Service Reserve Fund), or (ii) the Board shall fail to pay or discharge any monetary obligation under this Lease (other than the payment of Base Rental) as and when due, or within thirty (30) days after receipt of Notice from the Corporation that such sums are due and owing; or (iii) the Board shall breach any non-monetary terms, covenants or conditions herein, and shall (except with respect to any breach of covenant set forth in Section 3(h), which Section contains the timeframe whereby the failure to meet the Debt Service Coverage Ratio for the Parking Facilities shall become and Event of Default) fail to remedy any such breach with all reasonable dispatch within a reasonable period of time (or such longer period as the Trustee may approve) after written notice thereof from the Corporation, the Bond Insurer, or the University to the Board, then and in any such event the Board shall be deemed to be in default hereunder, and the Corporation (with the prior written consent of the Bond Insurer) shall have the right, at its option, without any further demand or notice to terminate this Facilities Lease on the earliest date permitted by law or on any later date specified in any Notice given to the Board, in which case the Board's right to possession of the Facilities and the Stadium Expansion will cease and this Facilities Lease will be terminated, without, however, waiving the Corporation's right to collect all Rental and other payments due or owing for the period up to the time the Corporation regains possession (which have been approved for payment under this Facilities Lease, but not paid by the Board), and to enforce other obligations of the Board which survive termination of this Facilities Lease, and in such event the Corporation may without any further demand or notice re-enter the Facilities and the Stadium Expansion and eject all parties in possession thereof, subject to the rights of students, faculty, staff and Permitted Sublessees. The foregoing remedies of the Corporation are in addition to and not exclusive of any other remedy of the Corporation. Any such re-entry shall be allowed by the Board without hindrance, and the Corporation shall not be liable in damages for any such re-entry or be guilty of trespass. The Corporation understands and agrees that upon its termination of the Board's right to possession of the Facilities and the Stadium Expansion or termination of this Facilities Lease, the Corporation upon its re-entry of the Facilities and the Stadium Expansion shall only be allowed to use the Facilities and the Stadium Expansion for the Permitted Use and shall be subject to all applicable Governmental Regulations heretofore or hereafter enacted by any Governmental Authority relating to the use and operation of the Facilities and the Stadium Expansion.

Notwithstanding any other provision of this Facilities Lease, (i) in no event shall the Corporation have the right to accelerate the payment of any Base Rental payment hereunder and (ii) the Bond Insurer shall have ninety (90) days to cure an Event of Default hereunder.

Notwithstanding anything contained in this Section 21 to the contrary, a failure by the Board to pay when due any payment required to be made under this Facilities Lease or a failure by the Board to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Facilities Lease, resulting from a failure by the Board to appropriate moneys shall not constitute an Event of Default under this Section 21 and the Corporation shall not have any of the remedial rights set forth in this Section 21. Notwithstanding the foregoing, in such event the Board acknowledges that the Facilities Lease and the Stadium Expansion shall terminate and the Board shall immediately vacate the Facilities and the Stadium Expansion, and deliver the Facilities and the Stadium Expansion to the Corporation.

Section 22. Cumulative Remedies. Each right and remedy provided for in this Facilities Lease is cumulative and is in addition to every other right or remedy provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by the Corporation of any one or more of the rights or remedies provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise will not preclude the simultaneous or later exercise by the Corporation of any or all other rights or remedies provided for in this Facilities Lease or now or after the Commencement Date

existing at law or in equity or by statute or otherwise. All costs incurred by the Corporation in collecting any amounts and damages owing by the Board pursuant to the provisions of this Facilities Lease or to enforce any provision of this Facilities Lease, including reasonable Litigation Expenses from the date any such matter is turned over to an attorney, whether or not one or more actions are commenced by the Corporation, will also be recoverable by the Corporation from the Board. The waiver by the Corporation of any breach by the Board and the waiver by the Board of any breach by the Corporation of any term, covenant or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other term, covenant or condition hereof.

Section 23. Option to Purchase. For and in consideration of the obligations of the Board under the Facilities Lease, the mutual undertakings of the parties, the receipt and adequacy of which is hereby acknowledged, the Corporation grants to the Board an exclusive and irrevocable option to purchase for the price and on the terms, provisions, stipulations and conditions hereinafter set forth, all but not less than all of the Corporation's leasehold interest in the Facilities and/or the Stadium Expansion.

(a) *Effective Date.* The effective date of this Option agreement shall be the Commencement Date.

(b) *Term of Option.* The Option shall expire at midnight Central Standard Time, on the Expiration Date, or upon the termination of this Facilities Lease, whichever occurs first.

(c) *Limitation on Exercise of Option.* The Board may not exercise the Option, and the Option shall be voidable, at the sole election of the Corporation, if a Default by the Board has occurred and is continuing under the Facilities Lease, and the applicable time period in which the Board may cure such default has expired. Notwithstanding any provision of this Option to the contrary, the Board shall be entitled to exercise the Option as long as the Board is legally obligated to make payments of Base Rental under the Facilities Lease.

(d) *Exercise of Option.*

(i) The Series 2004 Facilities and the Series 2017 Facilities. The Board may exercise the Option herein granted with respect to the Series 2004 Facilities and the Series 2017 Facilities at any time on or before expiration of the Term, on any Interest Payment Date on or after August 1, 2027 or on the date the Series 2013 Bonds, the Series 2017 Bonds, and the Series 2019 Bonds are defeased pursuant to Article XII of the Amended and Restated Indenture, by Notice to the Corporation of its election to exercise the Option and purchase the Corporation's interest in and to the Series 2004 Facilities and the Series 2017 Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase the Series 2004 Facilities and the Series 2017 Facilities.

(ii) The Series 2007 Facilities and the Stadium Expansion. The Board may exercise the Option herein granted at any time on or before expiration of the Term with respect to the Stadium Expansion and on any Interest Payment Date on or after August 1, 2014 or on the date the Series 2007 Bonds are defeased pursuant to Article XII of the Series 2007 Indenture with respect to the Series 2007 Facilities, by Notice to the Corporation of its election to exercise the Option and purchase the Corporation's interest in and to such Series 2007 Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase such portion of the Series 2007 Facilities.

(e) *Purchase Price.* The Purchase Price (i) for the Facilities shall be equal to the principal of all Bonds then Outstanding plus the interest to accrue on such Bonds until the purchase date plus any prepayment penalties, charges or costs for early prepayment or defeasance of the Bonds and any Administrative Expenses owed prior to the purchase date which payments are necessary to discharge the

Indenture pursuant to Article XII thereof; and (ii) for the Stadium Expansion shall be one dollar (\$1.00) (collectively, the “Purchase Price”).

(f) *Effect on Facilities Lease and Ground Lease.* Upon the purchase of the Corporation's leasehold interest in the Facilities or the Stadium Expansion, as the case may be, by the Board pursuant to this Option, the Facilities Lease and the Ground Lease shall terminate with respect to that portion of the Land or the Stadium Expansion Land, as applicable, and that portion of the Facilities or Stadium Expansion and all of the Corporation's leasehold interest in that portion of the Land or the Stadium Expansion Land, as applicable, and that portion of the Facilities or Stadium Expansion under the Facilities Lease shall terminate but shall continue in effect with respect to that portion of the Facilities or Stadium Expansion not so purchased. A purchase of the Corporation's leasehold interest in the Stadium Expansion shall (A) require an opinion of Bond Counsel that such purchase will not cause interest on the Series 2007 Bonds to be included in the gross income of the owners of the Series 2007 Bonds for Federal income tax purposes and (B) not reduce the Rental payable by the Board hereunder.

(g) *Payment of Purchase Price.* The Board, on the purchase date, shall deposit an amount equal to the Purchase Price with the Trustee in the case of the Facilities and with the Corporation with respect to the Stadium Expansion.

(i) *Conveyance.* In the event of and upon the payment of the Purchase Price and any other sums due under this Facilities Lease by the Board, the Corporation will on the purchase date execute and deliver to the Board a written cancellation of the Ground Lease and this Facilities Lease with respect to that portion of the Facilities and/or Stadium Expansion.

(ii) *Assignment of Contract Rights and Obligations.* The conveyance of the Corporation's leasehold interest in the Facilities and/or the Stadium Expansion shall also effect a transfer and assignment of all rights, warranties and liabilities of the Corporation under then existing contracts of any nature with respect to the Facilities and/or the Stadium Expansion.

(h) *Closing.* In the event the Option is timely exercised, notice of the Board's election to the Corporation shall constitute an irrevocable conversion of the Option into a binding obligation of the Corporation to sell its leasehold interest in the Facilities and/or the Stadium Expansion and the Board to buy the same under the terms and conditions set forth in this Section 23, and in such event, the Corporation and the Board shall have the right to demand specific performance of this agreement by the other. The closing shall occur at the offices of the Board or its counsel, or at such other time, place, and date as agreed upon by the Corporation and the Board.

(i) *Closing Costs.* The Board shall pay all closing costs and charges incident to the conveyance of the Corporation's interest in the Land, the Stadium Expansion Land, the Stadium Expansion, and the Facilities.

(j) *No Warranty.* The Corporation shall convey its leasehold interest in the Facilities and the Stadium Expansion without any warranty whatsoever of any nature. The conveyance of the leasehold interest in the Facilities and the Stadium Expansion shall be without any warranty as to fitness and condition, as set forth in Section 5 of this Facilities Lease. Language substantially similar to the language contained in Section 5 of this Facilities Lease shall be incorporated into and made a part of such conveyance. In no event shall the Corporation be responsible for any defects in title.

(k) *Default under the Option:*

(i) In the event the Option is exercised, and the Corporation fails to consummate the transactions contemplated herein for any reason, except default by the Board or the failure of the Board to satisfy any of the conditions set forth herein, the Board may, in addition to any other rights and remedies which may otherwise be available to the Board, enforce this agreement by specific performance. The Board's remedies under this Section are expressly subject to the provisions of Section 30 of this Facilities Lease.

(ii) In the event the Option is exercised, and the Board fails to consummate the transactions contemplated herein for any reason, except default by the Corporation or the failure of the Corporation to satisfy any of the conditions set forth herein, the Corporation (a) may enforce this agreement by specific performance and in such action shall have the right to recover damages suffered by reason of the Board's delay; or (b) may bring suit for damages for breach of this agreement.

(iii) No delay or omission in the exercise of any right or remedy accruing to either party upon any breach by the other party under this Section 23 shall impair such right or remedy or be construed as a waiver of any such breach theretofore or thereafter occurring. The waiver by either party of any condition or any subsequent breach of the same or any other term, covenant or condition contained in this Section 23 shall not be deemed to be a waiver of any other condition or of any subsequent breach of the same or of any other term, covenant or condition herein contained.

(l) *Attorney's Fees.* Should either party employ an attorney or attorneys to enforce any of the provisions hereof, or to protect its interest in any matter arising under this agreement, or to recover damages for the breach of this agreement, the party prevailing in any final judgment shall have the right to collect from the losing party all Litigation Expenses incurred in enforcing such rights.

(m) *Notices.* Any notices required or permitted under this Section 23 shall be in writing and delivered either in person to the other party, or the other party's authorized agent, or by United States Certified Mail, return receipt requested, postage prepaid, to the address set forth in Section 50 of this Facilities Lease, or to such other address as either party may designate in writing and delivered as herein provided.

(n) *Assignability.* Except as set forth in the Indenture, the Mortgage or the Ground Lease, the Option may not be assigned by the Corporation or its interest in the Facilities and/or the Stadium Expansion sold (subject to the Option or otherwise) to any person or entity without the Board's prior written consent, which consent may be withheld by the Board in its sole discretion.

(o) *Time of Essence:* Time is of the essence of this Option.

(p) *Binding Effect:* This Option shall be binding upon and shall inure to the benefit of the parties hereto and their heirs, successors and assigns.

Section 24. Severability. If any provisions of this Facilities Lease shall be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable, to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or Sections contained in this Facilities Lease shall not affect the remaining portions of this Facilities Lease, or any part thereof.

Section 25. Redemption of Bonds. The Corporation agrees that it will not exercise its option to redeem any Bonds pursuant to the Indenture unless the Board consents to such redemption or such redemption is to be effected with moneys derived from a source other than payments made by the Board under this Facilities Lease, however, in no event shall the mandatory redemption of any Bonds pursuant to the Indenture require the consent of the Board. The Corporation further agrees that if requested by the Board it will take all actions necessary to redeem all or any portion of the Bonds designated by the Board on the first date that it may do so under the terms of the Indenture so long as the Board agrees to provide funds in an amount, and at the time, required to effect such redemption.

Section 26. Additional Bonds. Upon the request and at the expense of the Board, the Corporation shall take action as may be required to effect the issuance of Additional Bonds in such amount as the Board may request as permitted by and in accordance with the provisions of the Indenture for any purpose permitted thereby.

Section 27. Execution. This Facilities Lease may be simultaneously executed in any number of counterparts, each of which when so executed shall be deemed to be an original, and all of which together shall constitute one and the same Facilities Lease.

Section 28. Law Governing. This Facilities Lease is made in the State under the constitution and laws of the State and is to be governed by the laws of the State.

Section 29. Nonappropriation of Funds. In the event no funds or insufficient funds are lawfully appropriated in any Fiscal Year enabling the payment of Base Rental and Additional Rental due during the next succeeding Fiscal Year, the Board will immediately notify the Corporation and the Trustee of such occurrence. On the first day of the month following the Base Rental payment date on which the last payment of Base Rental can be made in full from Lawfully Available Funds, this Facilities Lease shall terminate without penalty or expense to the Board of any kind whatsoever, except as to the portions of Base Rental and Additional Rental payments herein agreed upon for Fiscal Years for which sufficient funds have been lawfully appropriated. In the event of such termination, the Board agrees peaceably to surrender possession of the Facilities to the Corporation on the date of such termination in its original condition (normal wear and tear excepted). The Corporation will have all legal and equitable rights and remedies to take possession of the Facilities and re-let or sell the Facilities as the Corporation determines and as granted in this Facilities Lease. The Board acknowledges that the Corporation's rights to take possession and to re-let or sell the Facilities under this Section 29 may be assigned to the Trustee for the benefit of the owners of the Bonds, and the Board agrees that the Trustee shall be entitled to exercise all of the rights of the Corporation under this Section 29. The event of an inability by the Board to cause the appropriation of sufficient funds for the payment of sums due under this Facilities Lease shall not constitute a default hereunder, but shall ipso facto terminate this Facilities Lease. This provision is operative notwithstanding any provisions of this Facilities Lease to the contrary. The Board shall be considered in default hereunder if sufficient funds are lawfully appropriated for the payment of Rental required under this Facilities Lease and the Board fails to use lawfully appropriated funds for the payment of Rental. In such event, the Corporation shall be entitled to the rights and remedies set forth in Sections 21 and 22 hereof.

Section 30. Exculpatory Provision. In the exercise of the powers of the Corporation and its trustees, officers, employees and agents under this Facilities Lease and the Indenture, the Corporation shall not be accountable or liable to the Board (i) for any actions taken or omitted by it or its officers, employees or agents in good faith and believed by it or them to be authorized or within their discretion or rights or powers conferred upon them, or (ii) for any claims based on this Facilities Lease against any officer, employee or agent of the Corporation in his or her personal capacity, all such liability, if any, being expressly waived by the Board by the execution of this Facilities Lease. Nothing in this Facilities

Lease or the Indenture is intended to require or obligate, nor shall anything herein or therein be interpreted to require or obligate, the Corporation for any purpose or at any time whatsoever, to provide, apply or expend any funds coming into the hands of the Corporation other than the funds derived from the issuance of the Bonds under the Indenture and moneys derived pursuant to the Indenture and this Facilities Lease.

The Board specifically agrees to look solely to the Corporation's interest in the Facilities and the Stadium Expansion for the recovery of any judgments from the Corporation. It is agreed that the Corporation will not be personally liable for any such judgments, or incur any pecuniary liability as a result of this Facilities Lease to the Board, or the breach of its obligations hereunder. The Corporation's liability under this Facilities Lease is "in rem" as to its interest in the Facilities and the Stadium Expansion. The provisions contained in the preceding sentences are not intended to and will not limit any right that the Board might otherwise have to obtain injunctive relief against the Corporation or relief in any suit or action in connection with enforcement or collection of amounts that may become owing or payable under or on account of insurance maintained by the Corporation.

Section 31. Amendments. This Facilities Lease may be amended only as permitted in Article VIII of the Agreement.

Section 32. Recording. The Corporation covenants and agrees that it will promptly record and from time to time re-record a memorandum in recordable form a memorandum of this Facilities Lease in the form of Exhibit B attached hereto and the Indenture and all supplements thereto and hereto in such manner and in such places as may be required by law in order to fully protect and preserve the security of the holders or owners of the Bonds.

Section 33. Construction Against Drafting Party. The Corporation and the Board acknowledge that each of them and their counsel have had an opportunity to review this Facilities Lease and that each Party was responsible for the drafting thereof.

Section 34. Time of the Essence. Time is of the essence of each and every provision of this Facilities Lease.

Section 35. No Waiver. The waiver by the Corporation of any agreement, condition, or provision contained in this Facilities Lease will not be deemed to be a waiver of any subsequent breach of the same or any other agreement, condition, or provision contained in this Facilities Lease, nor will any custom or practice that may grow up between the parties in the administration of the terms of this Facilities Lease be construed to waive or to lessen the right of the Corporation to insist upon the performance by the Board in strict accordance with the terms of this Facilities Lease. The subsequent acceptance of Rental by the Corporation will not be deemed to be a waiver of any preceding breach by the Board of any agreement, condition, or provision of this Facilities Lease, other than the failure of the Board to pay the particular Rental so accepted, regardless of the Corporation's knowledge of such preceding breach at the time of acceptance of such Rental.

Section 36. Survival. To the extent permitted by law and to the extent such will not constitute the incurrence of debt by the Board, all of the Corporation's remedies and rights of recovery under Sections 19 and 20 of this Facilities Lease shall survive the Term and/or the purchase of the Facilities by the Board under the Option.

Section 37. Counterparts. This Facilities Lease may be executed in any number of counterparts, each of which shall be an original, but all of which shall together constitute one and the same instrument.

Section 38. Estoppel Certificates. At any time and from time to time but within ten (10) days after prior written request by the Corporation, the Board will execute, acknowledge, and deliver to the Corporation, promptly upon request but only to the extent accurate, a certificate certifying (i) that this Facilities Lease is unmodified and in full force and effect or, if there have been modifications, that this Facilities Lease is in full force and effect, as modified, and stating the date and nature of each modification; (ii) the date, if any, to which Rental and other sums payable under this Facilities Lease have been paid; (iii) that no Notice of any default has been delivered to the Corporation which default has not been cured, except as to defaults specified in said certificate; (iv) that there is no Event of Default under this Facilities Lease or an event which, with Notice or the passage of time, or both, would result in an Event of Default under this Facilities Lease, except for defaults specified in said certificate; and (v) such other matters as may be reasonably requested by the Corporation. Any such certificate may be relied upon by any prospective purchaser or existing or prospective mortgagee of the Facilities or the Stadium Expansion or any part thereof. The Board's failure to notify the Corporation of any inaccuracies in the proposed certificate within the specified time period shall be conclusive evidence that the matters set forth in the certificate are accurate and correct.

Section 39. Waiver of Jury Trial. The Corporation and the Board waive trial by jury in any action, proceeding, or counterclaim brought by either of the Parties to this Facilities Lease against the other on any matters whatsoever arising out of or in any way connected with this Facilities Lease, the relationship of the Corporation and the Board, the Board's use or occupancy of the Facilities or the Stadium Expansion, or any other Claims, and any emergency statutory or any other statutory remedy.

Section 40. Written Amendment Required. No amendment, alteration, modification of, or addition to the Facilities Lease will be valid or binding unless expressed in writing and signed by the Corporation and the Board and consented to the extent required by Article VIII of the Agreement.

Section 41. Entire Agreement. This Facilities Lease, the exhibits and addenda, if any, contain the entire agreement between the Corporation and the Board. No promises or representations, except as contained in this Facilities Lease, have been made to the Board respecting the condition or the manner of operating the Facilities.

Section 42. Signs. The Board may attach any sign on any part of the Facilities or the Stadium Expansion, or in the halls, lobbies, windows, or elevator banks of the Facilities or the Stadium Expansion, without the Corporation approval. The Board may name the Facilities or the Stadium Expansion and change the name, number, or designation of the Facilities or the Stadium Expansion, without the Corporation's prior consent.

Section 43. Litigation Expenses. The Board will pay the Corporation as Additional Rental all reasonable Litigation Expenses and all other reasonable expenses which may be incurred by the Corporation in enforcing any of the obligations of the Board under this Facilities Lease, in exercising its rights to recover against the Board for loss or damage sustained in accordance with the provisions of this Facilities Lease, or in any litigation or negotiation in which the Corporation shall, without its fault, become involved through or because of this Facilities Lease.

Section 44. Brokers. The Corporation and the Board respectively represent and warrant to each other that neither of them has consulted or negotiated with any broker or finder with regard to the Facilities or the Stadium Expansion.

Section 45. No Easements for Air or Light. Any diminution or shutting off of light, air, or view by any structure that may be erected on any of the lands constituting the Facilities or the Stadium Expansion, or on lands adjacent to the Facilities or the Stadium Expansion, will in no way affect this

Facilities Lease or impose any liability on the Corporation. This Facilities Lease does not grant any rights to light, view and/or air over the Facilities or the Stadium Expansion whatsoever.

Section 46. Binding Effect. The covenants, conditions, and agreements contained in this Facilities Lease will bind and inure to the benefit of the Corporation and the Board and their respective permitted successors and assigns. The Bond Insurer and the Surety Provider shall be third party beneficiaries of this Facilities Lease.

Section 47. Rules of Interpretation. The following rules shall apply to the construction of this Facilities Lease unless the context requires otherwise: (a) the singular includes the plural and the plural includes the singular; (b) words importing any gender include the other genders; (c) references to statutes are to be construed as including all statutory provisions consolidating, amending or replacing the statute to which reference is made and all regulations promulgated pursuant to such statutes; (d) references to “writing” include printing, photocopy, typing, lithography and other means of reproducing words in a tangible visible form; (e) the words “including” “includes” and “include” shall be deemed to be followed by words “without limitation”; (f) references to the introductory paragraph, preliminary statements, articles, sections (or subdivision of sections), exhibits, appendices, annexes or schedules are to those of this Facilities Lease unless otherwise indicated; (g) references to agreements and other contractual instruments shall be deemed to include all subsequent amendments and other modifications to such instruments; (h) references to Persons include their respective successors and assigns to the extent successors or assigns are permitted or not prohibited by the terms of this Facilities Lease; (i) any accounting term not otherwise defined has the meaning assigned to it in accordance with generally accepted accounting principles; (j) “or” is not exclusive; (k) provisions apply to successive events and transactions; (l) references to documents or agreements which have been terminated or released or which have expired shall be of no force and effect after such termination, release, or expiration; (m) references to mail shall be deemed to refer to first-class mail, postage prepaid, unless another type of mail is specified; (n) all references to time shall be to Hammond, Louisiana time; (o) references to specific persons, positions, or officers shall include those who or which succeed to or perform their respective functions, duties, or responsibilities; and (p) the terms “herein”, “hereunder” “hereby” “hereof,” and any similar terms refer to this Facilities Lease as a whole and not to any particular articles, section or subdivision hereof.

Section 48. Relationship of Parties. The relationship of the Parties shall be one of lessor and lessee only, and shall not be considered a partnership, joint venture, license arrangement or unincorporated association. The Corporation is not controlled by the Board or under the control of any Person also in control of the Board.

Section 49. Law Between the Parties. This Facilities Lease shall constitute the law between the Parties, and if any provision of this Facilities Lease is in conflict with the provisions of “Title IX - Of Lease” of the Louisiana Civil Code, Articles 2669 through 2777, inclusive, the provisions of this Facilities Lease shall control.

Dear Ladies and Gentlemen:

We have acted as bond counsel to the Louisiana Local Government Environmental Facilities and Community Development Authority (the "Issuer") in connection with the issuance of its \$11,960,000 Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2019, dated February 7, 2019 (the "Series 2019 Bonds"), the proceeds of which are being used to currently refund the Issuer's \$15,000,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B (the "Series 2004 Bonds"). Capitalized terms used herein and not otherwise defined shall have the meanings given such terms in the Amended and Restated Trust Indenture dated as of February 1, 2019 (the "Amended and Restated Indenture") between the Issuer and Regions Bank, as trustee (the "Trustee") pursuant to which the Series 2019 Bonds are being issued and secured.

The Amended and Restated Indenture amends and restates in its entirety that certain Trust Indenture dated as of August 1, 2004 (the "Original Indenture") between the Issuer and the Trustee, as successor trustee to The Bank of New York Mellon Trust Company, N.A., formerly known as The Bank of New York Trust Company, N.A. (the "Prior Trustee"), executed in connection with the issuance of the Series 2004 Bonds, as supplemented and amended by that certain First Supplemental Trust Indenture dated as of November 1, 2013 (the "Series 2013 Indenture") between the Issuer and the Trustee, as successor trustee to the Prior Trustee, in connection with the issuance by the Issuer of its \$40,910,000 Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2013 (the "Series 2013 Bonds"), as further supplemented and amended by that certain Second Supplemental Trust Indenture dated as of June 1, 2017 (the "Series 2017 Indenture" and, together with the Original Indenture and the Series 2013 Indenture, the "Existing Indenture") between the Issuer and the Trustee in connection with the issuance by the Issuer of its \$35,465,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2017 (the "Series 2017 Bonds" and, together with the Series 2004B Bonds and the Series 2013 Bonds, the "Prior Housing Bonds").

In connection with the issuance of the Series 2019 Bonds, the Board and the Corporation desire to amend and restate that certain Loan and Assignment Agreement dated as of August 1, 2004, as supplemented and amended by that certain First Supplemental Loan and Assignment Agreement dated as of November 1, 2013, and as further supplemented and amended by that certain Second Supplemental Loan and Assignment Agreement dated as of June 1, 2017 (collectively, the "Existing Housing Loan Agreement") entered into by and between the Issuer and the Corporation, to amend and restate that certain Ground and Buildings Lease Agreement dated as of August 1, 2004, as supplemented and amended by the First Amendment to Ground and Buildings Lease Agreement dated as of March 1, 2007, as supplemented and amended by a Second Amendment to Ground and Buildings Lease Agreement dated as of June 12, 2012, as further supplemented and amended by a Third Supplemental Ground and Buildings Lease Agreement dated as of November 1, 2013, and as further supplemented and amended by a Fourth Supplemental Ground and Buildings Lease Agreement dated as of June 1, 2017 (collectively, the "Existing Ground Lease") each by and between the Board and the Corporation, and to amend and restate that certain Agreement to Lease with Option to Purchase dated as of August 1, 2004, as supplemented and amended by a First Amendment to Agreement to Lease with Option to Purchase dated as of March 1, 2007, as further supplemented and amended by a Second Amendment to Agreement to Lease with Option to Purchase dated as of June 12, 2012, as further supplemented and amended by a Third Supplemental Agreement to Lease with Option to Purchase dated as of November 1, 2013, and as further supplemented and amended by a Fourth Supplemental Agreement to Lease with Option to Purchase dated as of June 1, 2017, each by and between the Board and the Corporation (collectively, the "Existing

Facilities Lease”) which were executed in connection with issuance of the Prior Housing Bonds and the issuance by the Issuer of its \$5,545,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc.: Phase Four Parking Project) Series 2007A and \$2,490,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc.: Phase Four Parking Project) Series 2007B (together with the Prior Housing Bonds, the “Prior Bonds”).

Section 18.15 of the Existing Ground Lease, Section 8.03 of the Existing Housing Loan Agreement, and Section 8.03 of that certain Loan and Assignment Agreement dated as of March 1, 2007 by and between the Issuer and the Corporation (the “Parking Loan Agreement” and, collectively with the Existing Housing Loan Agreement, the “Existing Loan Agreements”) provide that the Existing Ground Lease may be amended with the consent of MBIA Insurance Corporation, or any successor thereto (the “Series 2004/2007 Bond Insurer”) and with the consent of Assured Guaranty Municipal Corp, or any successor thereto (the “Series 2017 Bond Insurer” and, collectively with the Series 2004/2007 Bond Insurer, the “Bond Insurers”) in order to amend or modify the Existing Ground Lease in any manner that, in the judgment of the Trustee, is not materially adverse to the interests of the owners of the Prior Bonds, the Bond Insurers, or the Trustee, which judgment may rely on an opinion of bond counsel.

Section 31 of the Existing Facilities Lease, Section 8.03 of the Existing Housing Loan Agreement and Section 8.10 of the Parking Loan Agreement provide that the Existing Facilities Lease may be amended with the consent of the Bond Insurers in order to amend or modify the Existing Facilities Lease in any manner that, in the judgment of the Trustee, is not materially adverse to the interests of the owners of the Prior Bonds, the Bond Insurers, or the Trustee, which judgment may rely on an opinion of bond counsel.

We have examined (i) the Amended and Restated Indenture, (ii) the Amended and Restated Loan Agreement dated as of February 1, 2019 (the “Amended and Restated Loan Agreement”) entered into by and between the Issuer and the Corporation, (iii) the Amended and Restated Ground and Buildings Lease Agreement dated as of February 1, 2019 (the “Amended and Restated Ground Lease”) by and between the Board and the Corporation, (iv) the Amended and Restated Agreement to Lease with Option to Purchase dated as of February 1, 2019 (the “Amended and Restated Facilities Lease” and, together with the Amended and Restated Indenture, the Amended and Restated Loan Agreement and the Amended and Restated Ground Lease, the “Amended and Restated Documents”) by and between the Board and the Corporation, (v) the consent of each of the Bond Insurers with respect to the execution thereof, and (vi) the transcripts of certified proceedings pertaining to the Prior Bonds, upon which we rely.

Based upon the foregoing, and subject to other assumptions and conditions as are hereinafter set forth, and having regard to applicable matters of law, we are of the opinion, as of the date hereof, as follows:

1. the execution of the Amended and Restated Documents will not have an adverse effect on the validity of the Prior Bonds;
2. the Amended and Restated Documents do not contain any substantive provision which could be construed as materially adverse to the interests of the owners of the Prior Bonds, the Bond Insurer or the Trustee;
3. the execution of the Amended and Restated Documents will maintain the exclusion from gross income of interest on the Prior Bonds for federal income tax purposes; and
4. the execution and delivery of the Amended and Restated Documents complies with the provisions of the Existing Indentures and the Existing Loan Agreements.
