

2023-2024

COUNSELOR GUIDE

For nearly a century, commitment to student success has been Southeastern's driving force. We know that you share this same dedication to your students, and we are excited to have the opportunity to be a partner in helping them achieve their best futures.

At Southeastern, students receive an unparalleled education. Top-ranking programs, expert instructors, and real-world training propels them into successful careers. Employers know that Southeastern graduates will be ready to hit the ground running and excel from day one.

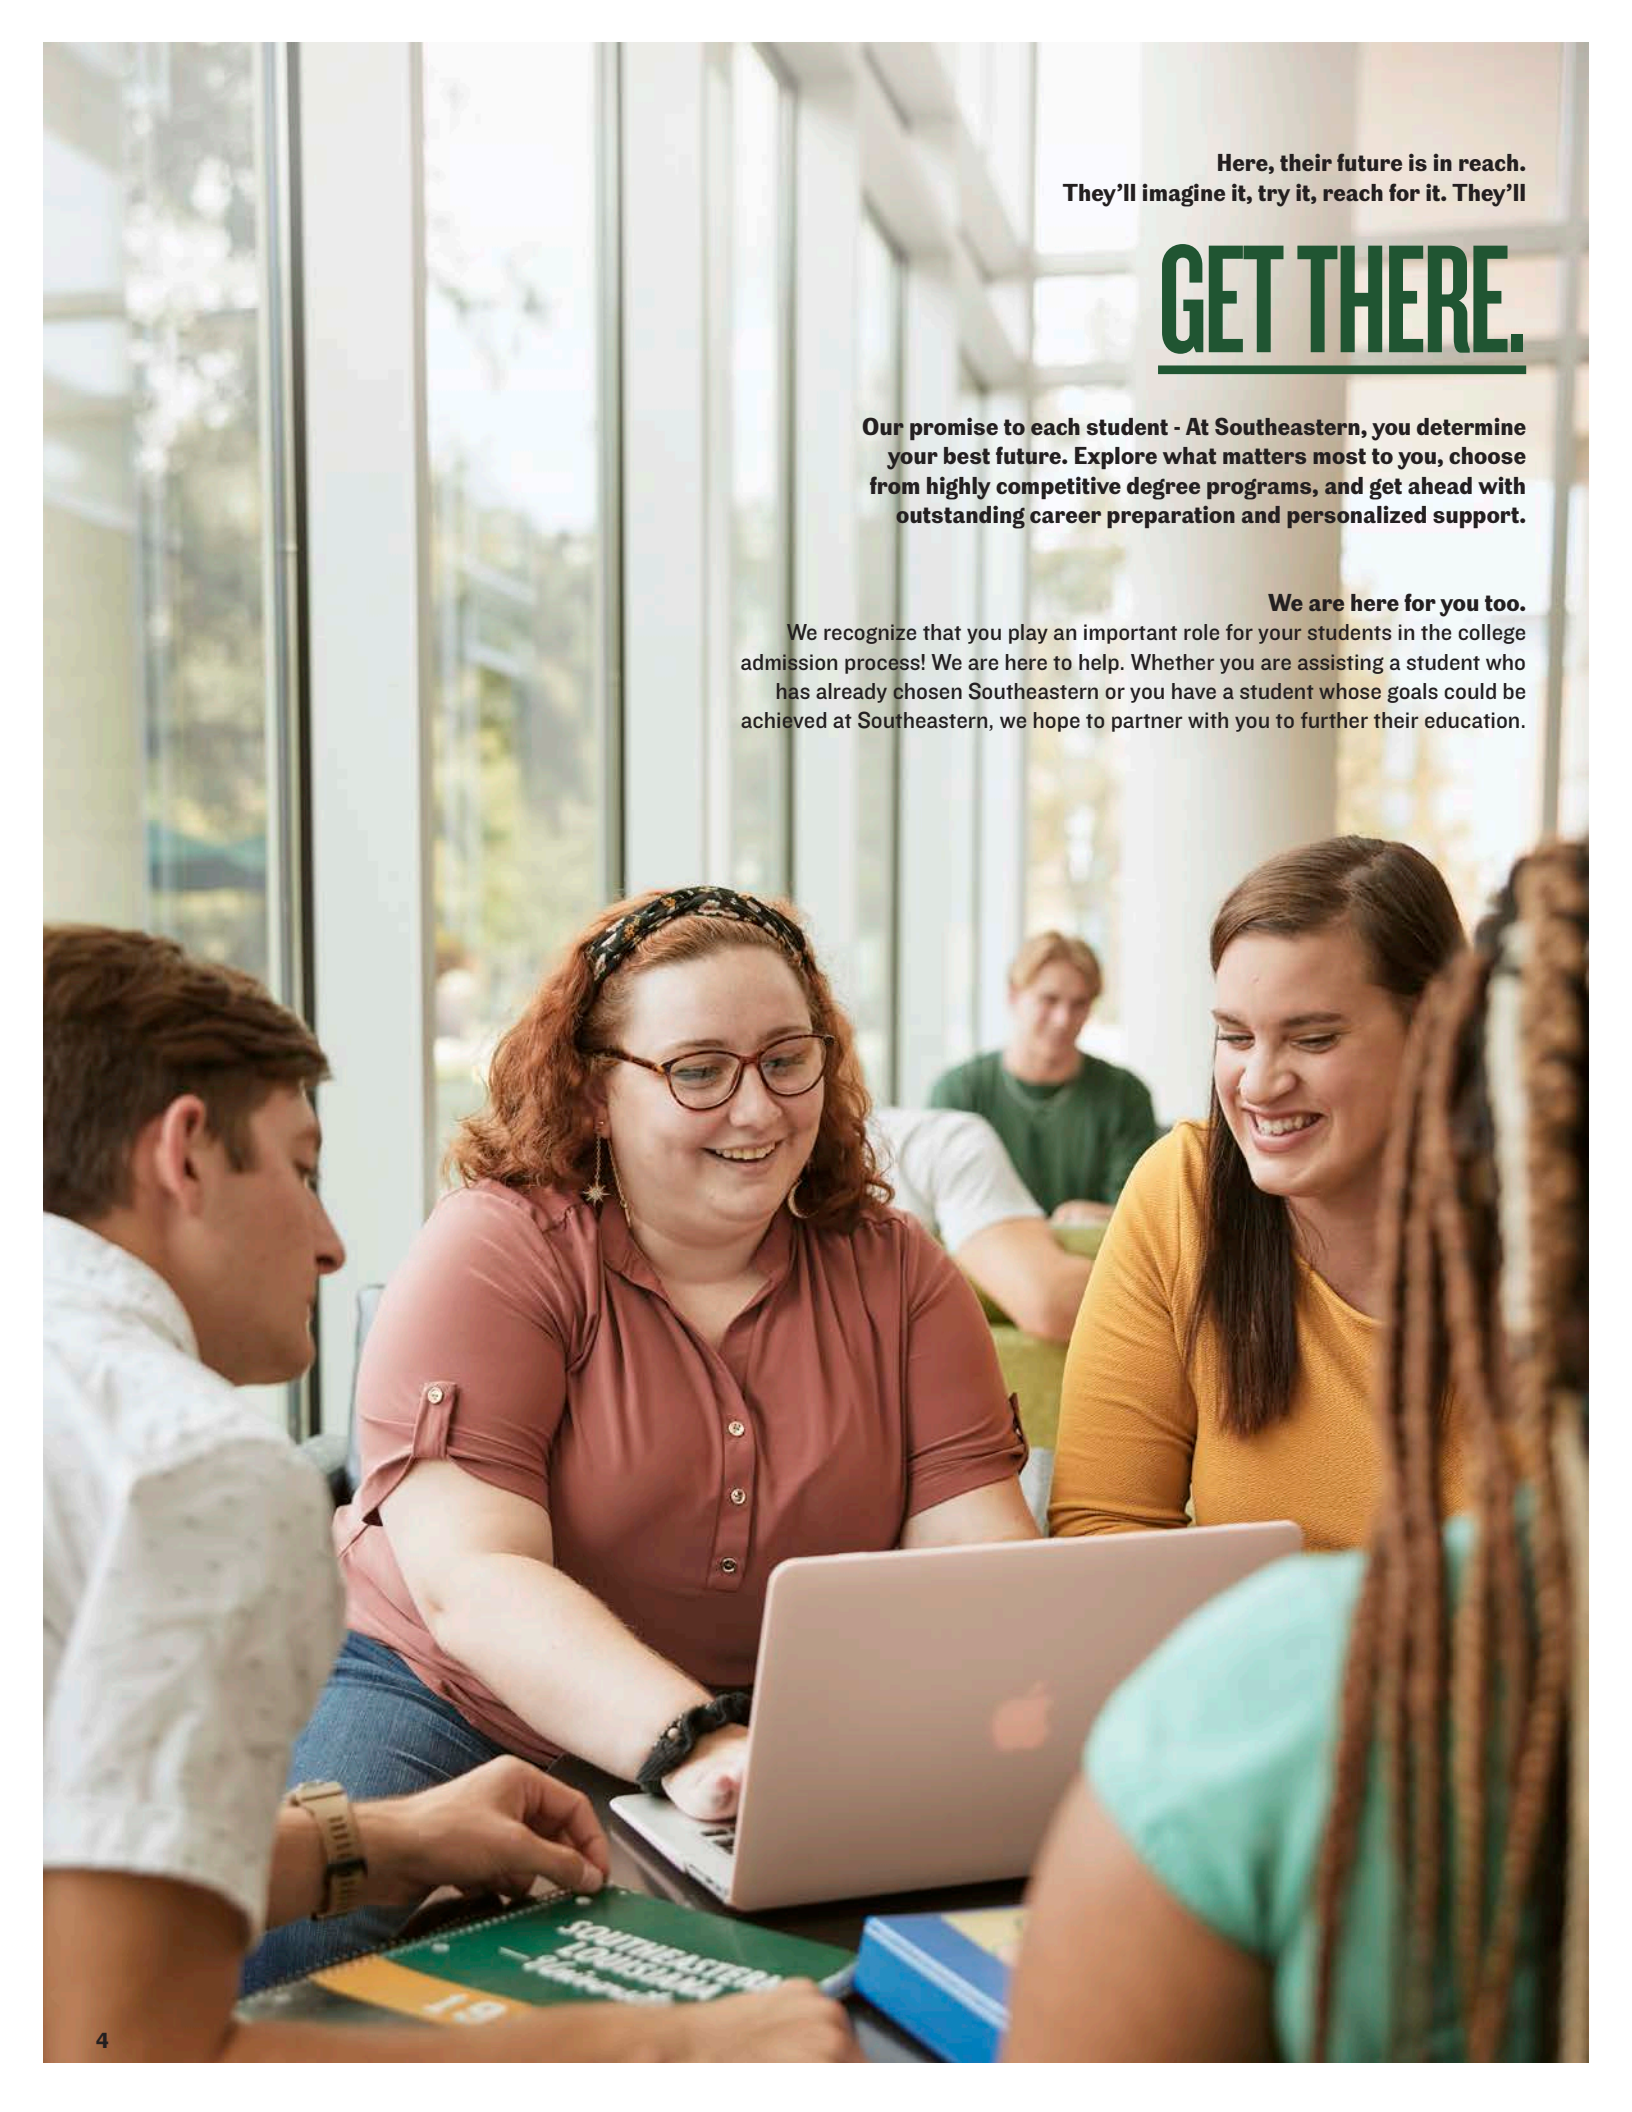

Not only are our students challenged to grow both academically and personally, but our caring faculty and staff are always here to support them, from their first visit to graduation and beyond. Southeastern students are never just a number; they are part of our Lion Family. With our beautiful, convenient location in Hammond, La., they also have access to the amenities of a larger city while enjoying a close-knit, small-town community feel.

This guide provides you with current information on Southeastern as you help students navigate their next steps and answer any questions they may have. If you have any further questions, please don't hesitate to reach out to us.

**Just as we are always here for students,
we are here for you too. Thank you for
your commitment to helping students find
their path and achieve lifelong success.**

- William S. Wainwright, President

Here, their future is in reach.
They'll imagine it, try it, reach for it. They'll

GET THERE.

Our promise to each student - At Southeastern, you determine your best future. Explore what matters most to you, choose from highly competitive degree programs, and get ahead with outstanding career preparation and personalized support.

We are here for you too.

We recognize that you play an important role for your students in the college admission process! We are here to help. Whether you are assisting a student who has already chosen Southeastern or you have a student whose goals could be achieved at Southeastern, we hope to partner with you to further their education.

A Brief History

Started in 1925 as Hammond Junior College, Southeastern experienced several periods of growth bringing it from 40 students in 1925 to nearly 15,000 today. In the mid-90's, Southeastern grew significantly, becoming the fastest growing university in the nation. Today, Southeastern is the third largest university in the state with over 75,000 alumni living throughout Louisiana, in all 50 states and over 50 nations.

From those early days of junior college status to today, the university has focused on providing the best education and student experience possible. Not a decade has gone by that has not seen new programs and new facilities to support the changing demands of the students and the employment market place. Now, with over 150 buildings, multiple locations, and almost a century's worth of history, Southeastern is poised to complete its first 100 years with the same excellence and student centeredness that have always been its hallmark.

Southeastern - The Smart Choice

We know that Southeastern is special. It is unique in how it approaches its focus on students. We continually strive to find ways to help your students enroll, progress and ultimately succeed.

Valuable Degree To Career

Students choose among highly competitive degree programs that give them flexibility and credibility throughout their career. That in-demand career won't break the bank either.

Personalized Opportunities

With access to opportunities relevant to them and their future, students will experience an exciting college career while building meaning for their life ahead.

Top Faculty Put You First

Students will learn from accomplished and talented professors who put them first — in the classroom and in their respective career field.

Career Exploration From Day One

Starting freshman year, students explore their goals, values and options within majors and work with their career advisor to help pinpoint strengths and create a four-year academics-to-career plan.

Honors Program

Study, live and network with outstanding students on campus. Offered in all majors, the Honors Program offers a more rigorous, and rewarding, academic experience.

Guaranteed Scholarship Program

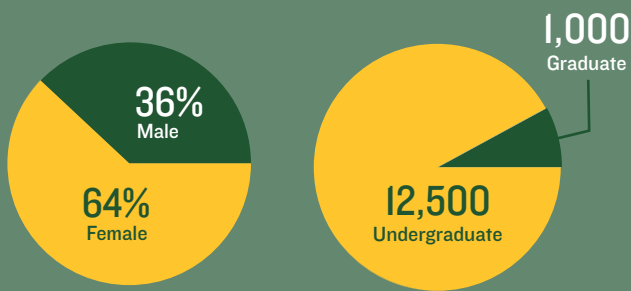

For those who qualify, Southeastern guarantees four-year scholarships ranging from \$500 to \$7,000 per year.

Textbook Rental

With one of the nation's few university-sponsored textbook rental systems, Southeastern saves its students hundreds of dollars in textbook costs every semester.

ADMISSIONS CHECKLIST

- Schedule a campus visit** — Individual campus tours are available Monday through Friday. To schedule a tour, please visit us online at southeastern.edu/visit.
- Submit the Application** for Admission online at southeastern.edu/apply.
- Register for the ACT** and have your scores sent to Southeastern (school code is 1608).
- Proof of Immunization** — Submit your immunization records to Southeastern's Office of Admissions at southeastern.edu/immunization.
- Transcripts** — If you have taken college coursework at another university, have your official transcripts sent directly to Southeastern's Office of Admissions.
- Scholarships** — The Southeastern Admissions Application serves as the application for scholarships.
- Financial Aid** — Complete the Free Application for Federal Student Aid (FAFSA) online. (school code is 002024).
- Housing** — Complete the online University Housing Application at southeastern.edu/housing.
- Final High School Transcript** — If you are a current Louisiana high school student, your transcripts should be automatically available to Southeastern. However, please check your LEONET account to ensure that we do have them.

HIGH SCHOOL SPECIAL ADMISSION PROGRAM

Southeastern Scholars Program students with fewer than 18 hours earned:

- Gives students the opportunity to earn college credit while in high school.
- Provides tuition assistance for up to 6 hours per semester.
- Students can enter the program as early as their freshman year of high school.

Requirements

- 3.0 or higher cumulative high school GPA
- 24 or higher composite ACT score
- Approval of high school principal

Important Notes

- Students applying for this special program must complete both the application for admission and the specific program form. In addition, they must turn in the appropriate application fee, immunization records, and ACT scores.
- Students in this program **DO NOT** have to reapply for admission to become a beginning freshman unless they have not attended classes for one full year.
- Although the Southeastern Scholars Program does provide a tuition waiver, it does not cover the full cost of taking the courses. Students are responsible for paying any fees not covered by the waiver.
- For more details on the Southeastern Scholars Program, visit southeastern.edu/admissions or contact your recruiter.

Orientation

Southeastern hosts a series of orientation programs, inviting students who have been accepted for the upcoming fall, spring, or summer terms to get a jump on the transition to college. Participants get a crash course in College 101 with everything from learning about policies and procedures to meeting with faculty advisers and registering for classes. Don't worry; it's not all work and no play. The program is filled with informative and fun activities including outdoor barbecues, spirit competitions and Lion Fest — an evening full of music, dancing, food and fun. Experience college life first hand and learn what it takes to be successful at Southeastern.

University Testing Options

TESTING

- Departmental Credit Exams, CLEP Exams, DANTES Exams, ALEKS, and ACCUPLACER (Placement Test)
- Scheduled by appointment only
- To schedule or test, contact the Testing Office at 985-549-3897 or testing@southeastern.edu

Before Testing:

- Make sure that you have valid photo identification.
- For the math exams, you may use any four-function, scientific, or graphing calculator.

COLLEGE LEVEL EXAMINATION PROGRAM SUBJECT EXAMINATIONS (CLEP)

Cost: \$93, plus institutional fee of \$25. Fees should be paid at the time of testing, and are payable through credit card, check or money order made payable to CLEP.

An enrolled or entering student at Southeastern may gain credit in a number of courses by completing certain subject examinations of the College Level Examination Program (CLEP) provided by Educational Testing Services and administered through the Testing Office. CLEP examinations may be taken at Southeastern by appointment only. All tests are computer based, which allows for immediate test result(s) upon completion of testing.

Credit will be entered on a student's transcript upon receipt of an official score from ETS, provided the student achieves at or above the level score accepted by Southeastern. A grade of P will be given, and the course will not be computed in the student's average. Unsuccessful attempts shall not be recorded against the student.

Southeastern will accept a maximum of 30 semester hours credit through CLEP and a maximum of 60 semester hours through all types of nontraditional educational experiences, i.e., Advance Placement Credit, Correspondence Courses, and Military Service credits (DANTES).

Subject examinations, acceptable scores, and credit hours currently approved for Southeastern courses are listed in the table to the right.

* Subject examinations designed for two-semester courses

**Department Head Approval Required

CREDITS THROUGH THE DANTES SUBJECT STANDARDIZED TEST

DANTES Exams—Cost: \$100, plus institutional fee of \$25. Fees should be paid at the time of testing and are payable by credit card.

Under an agreement between the Chauncey Group International, a subsidiary of Educational Testing Services (ETS), and the U. S. Department of Defense, Southeastern is allowed to administer the DANTES Subject Standardized Tests (DSSTs). DANTES tests may be taken in the testing office at Southeastern by appointment only. Credit will be entered on a student's transcript upon receipt of an official transcript from the Chauncey Group, provided the student achieves at or above the score accepted by Southeastern. A grade of P will be given, and the course will not be computed in the student's average. Unsuccessful attempts will not be recorded against the student.

Subject examination, acceptable scores, and credit hours approved for Southeastern courses are listed in the table to the right.

**SOUTHEASTERN LOUISIANA UNIVERSITY
DEPARTMENTAL CREDIT EXAMINATIONS**

Departmental Exams—Cost: \$25 per exam

Southeastern departmental credit examinations are administered in the summer, fall, and spring to Southeastern students and to entering students.

1. A student interested in taking departmental credit examinations may obtain the request forms at the academic department.
2. A student will have the request form approved by his/her department head, the dean of his/her college, and the head of the department administering the examination.
3. The University charges a non-refundable fee of \$25 per credit examination.
4. Credit examinations are given on the undergraduate level and on a limited basis in certain graduate degree programs.
5. Only courses passed will be recorded on the student's record. A grade of P will be given, and the course will not be computed in the student's grade point average.
6. Credit earned through departmental credit examinations will be limited to 24 semester hours. Credit earned through all types of nontraditional educational experiences, i.e., advanced standing credit, extension courses, correspondence-study courses, and military service credits will be limited to 60 semester hours.
7. The department head in which the course is offered will set the dates of tests at his/her discretion.

ACCUPLACER

ACCUPLACER is a computer-based test designed to test an individual's knowledge of subject areas. There are two subject areas: Math and English. The institution fee for this exam is \$10 per test and must be paid prior to scheduling an appointment.

ALEKS

ALEKS Placement, Preparation and Learning Assessment determines readiness for mathematics courses. ALEKS PPL is a web-based program that uses artificial intelligence to map a student's strengths and weaknesses. What is the purpose of placement testing? The placement Assessment results will be used to determine the most appropriate courses for each student as they move forward with college coursework. After taking a Placement Assessment, students should meet with their advisor to review their results and enroll in the best classes based on their scores.

CREDIT THROUGH THE COLLEGE BOARD ADVANCED PLACEMENT PROGRAM

Southeastern participates in the College Board Advanced Placement Program. Students in selected high schools take college-level courses in high school, and their examinations are graded by the staff of the College Board. The accompanying list shows the Advanced Placement Courses, the required scores, and the equivalent Southeastern courses for which credit will be given at Southeastern.

SOUTHEASTERN ADVANCED PLACEMENT

Advanced Placement is offered in the departments of English, Foreign Languages and Literatures, Kinesiology and Health Studies, and Mathematics in some courses. Credit will be granted in these courses after students have successfully completed the designated higher-level course. See department head for detailed information.

INTERNATIONAL BACCALAUREATE CREDIT

Southeastern values the International Baccalaureate (IB) Diploma Programme and welcomes applications from IB students. The IB Diploma Programme is a comprehensive two-year curriculum leading to examinations evaluated on international criteria. Students are encouraged to submit their IB diploma record or examination results with their application for evaluation.

- For students completing IB coursework, a maximum of 30 credit hours may be awarded for scores of 5 or above on standard level or 4 and above on higher level examinations (See table below.) Students with IB examinations in a subject area not listed should contact the appropriate department head for potential evaluation.
- The official International Baccalaureate transcript is required to award credit.

Cambridge International A-Levels are recognized for placement at the time.

SCHOLARSHIPS & FINANCIAL AID

Paying for College

Loans

Federal and State Grant Programs

ACADEMIC SCHOLARSHIPS

DUAL ENROLLMENT 15+ COMPLETION AWARD

Students who complete 15 or more Southeastern dual enrollment credit hours can also receive a \$1,000 (\$500 Fall; \$500 Spring) supplementary award for their first year at Southeastern. This is contingent upon the availability of funds and upon meeting the following criteria:

- Completion of a minimum of 15 Southeastern dual enrollment credits with a grade of "C" or better.
- Full-time enrollment at Southeastern for the first Fall semester following their high school graduation.

SCHOLARSHIPS

Attending Southeastern can be a very rewarding experience for high achieving students. It can also be a great value. Southeastern's aggressive scholarships are also guaranteed. Southeastern's competitive scholarship structure provides guaranteed funds to those who qualify.

Honors Scholarships

Southeastern's Honors Scholarships are granted automatically to incoming freshmen who qualify. Combined with The Southeastern Promise, these scholarships provide students a fixed rate tuition that is affordable and predictable.

Southeastern's deadline for priority scholarships are as follows:

- Student's admitted for Summer/Fall: January 15
- Student's admitted for Spring: September 15

TOPS

TOPS is a comprehensive program of state scholarships for students from the State of Louisiana and is awarded by the Louisiana Office of Student Financial Assistance (LOSFA). TOPS has four award levels with different selection criteria and retention requirements. Please note: TOPS can only be used within one year of high school graduation.

Foundation Scholarships

Southeastern also has over 300 privately-funded, donor-based scholarships available. These scholarships are made possible by generous alumni and friends of Southeastern, who have donated to allow students to focus on their studies more, to boost their academic success, and to help them graduate within four or five years. Students interested in Foundation Scholarships are encouraged to reach out to the department and/or college of their major, as well as refer to the Southeastern Scholarships website.

Please refer to the Scholarships website for specific details regarding each scholarship's qualifications and retention requirements.

*Costs and awards are estimated based on Fall 2023 information. Out of Pocket figures exclude housing and dining fees.

The Southeastern Promise

A Guaranteed Path to Four-Year Graduation at a fixed tuition rate

The Southeastern Promise represents a new level of commitment to each of our students and their ability to succeed. Through this ground-breaking program — the only one of its kind in Louisiana — Southeastern promises its students no tuition increases and guarantees class availability to ensure their degree completion in four years. This, combined with awarded scholarships, gives security in financial and academic planning.

Tenets of The Southeastern Promise:

1. Southeastern will offer new freshmen the opportunity to enroll in The Southeastern Promise program.
2. Southeastern will provide counseling, if desired, to help the student select a major no later than the first day of class for his or her third semester.
3. With a declared major in place, Southeastern will guide the student with a prescribed curriculum and offer ongoing assistance from an assigned academic advisor.
4. To stay on track for graduation in four years and maintain program participation, 30 credit hours toward the selected degree program will be earned (Fall, Spring, Summer) each year.
5. Good academic standing and a minimum 2.0 cumulative grade point average are necessary for the four-year duration.
6. Southeastern commits to providing availability of curriculum classes to ensure appropriate progress and enable degree attainment within four years.
7. If an additional semester is required due to appropriate courses not being offered, Southeastern will cover the applicable tuition and mandatory fees for the student to complete the degree.

Fixed Net Tuition

Participating students will receive a fixed net tuition rate through four consecutive academic years beginning with the student's first freshman semester with eligibility remaining in effect through summer of their fourth year. Continued receipt of this benefit is contingent upon uninterrupted student eligibility and plan participation.

The guaranteed rate includes all mandatory tuition and fees associated with enrollment with the exception of student self-assessed and other variable fees. In the event of any tuition rate increases, students in the program become recipients of a scholarship that will credit the amount of the increase.

Four-Year to Degree Commitment

The four-year graduation component of The Southeastern Promise has been developed to help students pursue clear paths for completing their undergraduate degree in a timely manner. Graduation within four academic years of initial fall enrollment at Southeastern is ensured, conditioned upon the satisfaction of student eligibility requirements.

Southeastern will provide students with appropriate academic mapping, advising, and counseling to ensure curriculum progress. Academic units will ensure course availability accordingly. If a student maintains enrollment and follows the academic plan, yet is not able to complete the program in the prescribed four-year timeline due to course unavailability, Southeastern will coordinate a combination of equivalent class substitutions and will cover the applicable tuition and mandatory fees for the student to complete the degree.

How to Sign Up

After reading the detailed components of The Southeastern Promise program, students who have completed orientation and are eligible should be prepared to choose an approved major. Eligible students may then sign up to be a part of the program.

southeastern.edu/promise

Paying for College

Southeastern is one of the best values in university education in the greater region. With one of the lowest tuition rates in the state and region, Southeastern still delivers on its promise of a great education for the price. There are many options to help pay for college.

Estimated Tuition & Fees - Fall/Spring Undergrad*

CREDIT HOURS	3	6	9	12	15	18
Tuition	\$722.15	\$1,444.30	\$2,166.45	\$2,888.60	\$2,888.60	\$2,888.60
Mandatory Fees	\$659.45	\$872.55	\$1,085.45	\$1,298.10	\$1,391.10	\$1,838.10
Validate ID	\$18	\$18	\$18	\$18	\$18	\$18
Textbook Rental	\$60	\$120	\$180	\$240	\$300	\$360
Estimated Tuition & Fees **	\$1,459.60	\$2,454.85	\$3,449.90	\$4,444.70	\$4,597.70	\$5,104.70
Non-Resident Fees	-	-	\$4,680.00	\$6,238.80	\$6,238.80	\$6,238.80
Estimated Non-Resident Tuition & Fees	\$1,459.60	\$2,454.85	\$8,129.90	\$10,683.50	\$10,836.50	\$11,343.50

*Additional course and program specific fees may apply.

** Please note that all tuition and fees are estimated and subject to change.

LOANS

VISIT: studentaid.gov

Loans are a major source of financial aid for many students. All loans must be repaid. There are several types of loans with different terms, conditions, interest rates, and requirements. Southeastern offers the following education loan options:

Federal Direct Stafford Loans

Including both subsidized and unsubsidized loans, these are education loans in the student's name and are applied for through the Free Application for Federal Student Aid (FAFSA).

Federal Perkins Loans

The Federal Perkins Loan provides a low-interest loan option for upperclass students with demonstrated financial need. Availability of the Federal Perkins Loan is often limited and awarded on a first-come, first-served basis.

Federal PLUS Loans

The Federal Parent PLUS Loan enables parents of dependent undergraduate students with good credit history the opportunity to borrow additional money to cover education expenses. The parent applying for the PLUS loan must be listed on the student's FAFSA. To apply for a Parent PLUS Loan, the parent must log-in with his/her Social Security Number and FAFSA pin.

The Federal Graduate PLUS Loan enables graduate students with good credit history the opportunity to borrow additional money beyond the Federal Direct Stafford Loan to cover education expenses.

FEDERAL AND STATE GRANT PROGRAMS

The Federal and State Grant Programs offered by Southeastern include the Federal Pell Grant, the Federal Supplemental Education Opportunity Grant (SEOG), the Federal Teacher Education Assistance for College and Higher Education Grant (TEACH), and the Louisiana GO Grant.

The FAFSA is the application for these grant programs. These grants are need-based aid programs that do not need to be repaid.

Federal Pell Grant

The Federal Pell Grant Program provides need-based awards to undergraduate students only. Eligibility is determined by the Expected Family Contribution (EFC), the cost of attendance, and the student's enrollment status.

Federal SEOG Grant

The Federal Supplemental Education Opportunity Grant (SEOG) is a grant for undergraduate students with exceptional financial need. Eligibility is determined by the Expected Family Contribution (EFC), the cost of attendance, and the student's enrollment status. Funding for the Federal SEOG Grant is limited.

Federal Work Study

The Federal Work-Study (FWS) Program provides part-time, on-campus and off-campus (community service based) employment, to students with financial need. This award, usually made to students in combination with other forms of financial aid, allows them to help meet their educational expenses without incurring more debt. The program is also intended to broaden the range of job opportunities for qualified students. Available work-study positions can be found on Southeastern's Student Employment Network website: southeastern.edu/sen

Louisiana GO Grant

The Louisiana GO Grant is a state-funded grant available to undergraduate students who demonstrate financial need. To receive this grant a student must be a Louisiana resident and meet the criteria as set forth by the Louisiana Office of Student Financial Assistance. Funding for the Louisiana GO Grant is limited.

Focus Areas

Nearly 85% of college students change their major at some point in their college journey. Southeastern is structured to help students explore options early on and learn about fields of study based on the students' interest. Students can choose a Southeastern 101 (Southeastern's freshman success course) in one of seven different focus areas. This allows the student to learn more about career fields earlier in their college career and make more informed choices.

The seven areas of focus each have a choice of many degrees, majors, concentrations and minors. In all, Southeastern offers over 150 academic paths. There is something for everyone.

ARTS, CULTURE & HISTORY

For students with an interest in expressing themselves through creativity, Southeastern offers many options in both the arts, arts education and arts management.

- Art
- Art History
- Ceramics
- Cultural Resource Management/

Southeastern Honors

With 40 years of student success and academic excellence, Southeastern Louisiana University's Honors Program now has over 700 determined students eagerly tackling the challenge of a great college education. The program seeks to educate the whole student and to bridge the gap between curricular and extracurricular learning.

The Honors Program also hopes to draw curious, motivated and dedicated students who want to be a part of a diverse community of scholars. The program develops leaders for campus and beyond by connecting students to faculty and each other and providing experiences that allow them to grow and make the most of their college experience.

100%

of honors graduates conduct a thesis on what they're really interested in

JOIN HONORS

Entrance Requirements

- Incoming freshmen: Minimum 24 composite score on the ACT and a 3.0 cumulative high school GPA.
- Continuing students: Cumulative GPA of 3.0 in 12 or more hours of university course work.

How to Apply

- If you've already applied to Southeastern, you can apply to the Honors Program on our website (southeastern.edu/joinhonors).
- If you haven't applied yet and want more information, contact us at 985.549.2135 or e-mail honors@southeastern.edu.

TIER I

Selected as a tier I institution for best college career planning curriculum

BENEFITS OF THE PROGRAM

- Earn scholarships based on your academic achievements
- Pursue recognitions, including Honors Program Freshman of the Year, Sophomore Honors Distinction, Senior Honors Distinction, and the coveted Honors Diploma
- Take advantage of priority registration and specialized academic advising each semester
- Acquire excellent preparation for employment, graduate school, or professional school
- Enjoy priority housing and the ability to join a Living Learning Community
- Ability to learn by doing through Study Abroad opportunities

Living on Campus

HOUSING

Southeastern offers on-campus housing options including residence halls, Greek housing and apartments. There are many advantages to living on campus.

southeastern.edu/housing

- Academic Success
- New Friends
- Events and Activities
- Living Learning Communities

HOW TO APPLY

Once a student is fully admitted to the University, apply for housing online at southeastern.edu/liveoncampus. Click "Apply for Housing," log in with your student W# and password, and complete the online application.

Students are encouraged to apply as early as possible since residential housing is limited. It is anticipated that all spaces will be filled for the fall semester prior to June 1st. The earlier the student applies, the better the chance of securing a desired accommodation and roommate request. It is strongly suggested that students apply in the early spring for the fall semester.

CAMPUS DINING

Southeastern Dining Services has partnered with Aramark to provide students with more dining options than ever before. Dining Services offers customer-oriented eateries featuring broad and varied menu choices. We have created an environment that offers students quality, value, convenience and an enjoyable dining experience.

On the second floor of the Student Union, the Mane Dish is a modern dining facility offering many choices each day, including food cooked as you wait, international fare, healthy choices and comfort food. In this "all-you-care-to-eat" restaurant, students will never leave hungry.

On the first floor of the Student Union, as well as at other locations on campus, students have choices of a variety of quality eating options, including Mooyah Burgers, Chick-fil-A, Subway, Panda Express and others.

Meal plans are based on two components—the number of meals one purchases and the amount of Cub Cash (to be used at the third party offerings). Costs change annually, so check online for details.

southeastern.edu/campusdish

INVOLVEMENT

With numerous student organizations, there is always something to do on campus. Students will find something they are interested in and can quickly build connections and friends on campus. Students who are involved succeed at a greater rate and graduate faster than those who do not.

VISUAL AND PERFORMING ARTS

Southeastern hosts performances and visual art exhibitions on campus and at our Columbia Theatre in downtown Hammond. Each year there are dozens of performances including operas, plays, chamber music, contemporary music and national performances. The university's art gallery also hosts multiple collections and showings a year.

We bleed green and gold

From the earliest days of the fall semester to the final days of May, you can catch a Lions game or match—always free to students. Our NCAA Division I sports teams have earned 10+ national championships and spots in national tournaments in recent years.

Support Services

Southeastern provides a strong support system and first-rate student services to enhance the educational experience. Whether seeking academic or career guidance, resources for international students or assistance with veterans' benefits, Southeastern is prepared to help students succeed.

OFFICE FOR FIRST-YEAR SUCCESS

Your students can discover and develop their potential during their first year at Southeastern with support from our experienced advisors. Students can explore college majors, discuss career opportunities and receive learning assistance at the center, which houses a computer-equipped learning lab, career resource library and tutoring space—available just for them.

southeastern.edu/fys

OFFICE OF MULTICULTURAL AND INTERNATIONAL STUDENT AFFAIRS

The Office of Multicultural and International Student Affairs works to create a campus environment that encourages and welcomes student diversity. In cooperation with academic departments, student-led organizations, and other student support units, the office coordinates a wide range of academic support programs and services that are designed to assist all students in achieving academic success, adjusting to campus life, and broadening their appreciation of new cultures and diverse ways of thinking.

southeastern.edu/misa

OFFICE OF MILITARY AND VETERAN SUCCESS

Students needing assistance claiming veteran's benefits under the GI Bill are helped through our Military and Veteran Success Office. We also provide academic instruction, enrollment assistance and financial aid assistance to honorably discharged veterans. Veterans receive personalized attention as they prepare for their next mission as a student at Southeastern.

southeastern.edu/veterans

CAREER SERVICES

Our students are able to connect with potential employers through career fairs, career counseling, and job search assistance. Here they can learn to build a professional resume, enhance interview skills, formulate career goals and develop job search strategies.

southeastern.edu/careerservices

UNIVERSITY HEALTH CENTER

Southeastern's on-campus Health Center serves as a first stop for most medical needs. With medical staff on campus, many of students' health needs can be taken care of here.

southeastern.edu/healthcenter

UNIVERSITY COUNSELING CENTER

Our Counseling Center's goal is to facilitate self-understanding and empowerment for all clients. To this end, the center strives to assist clients in identifying and resolving those challenges that impact their lives. Students can take advantage of consultation; workshops; and individual, family, and couples counseling, as well as psychoeducational groups, support groups, and therapeutic groups. Emergency on-call services are also provided 24/7.

southeastern.edu/counselingcenter

OFFICE OF STUDENT ACCESSIBILITY SERVICES

The Office of Student Accessibility Services facilitates the process of gaining accommodations for students with disabilities. In collaboration with other university departments, Student Accessibility Services ensures students are able to fully participate in all activities, programs, and services of the university.

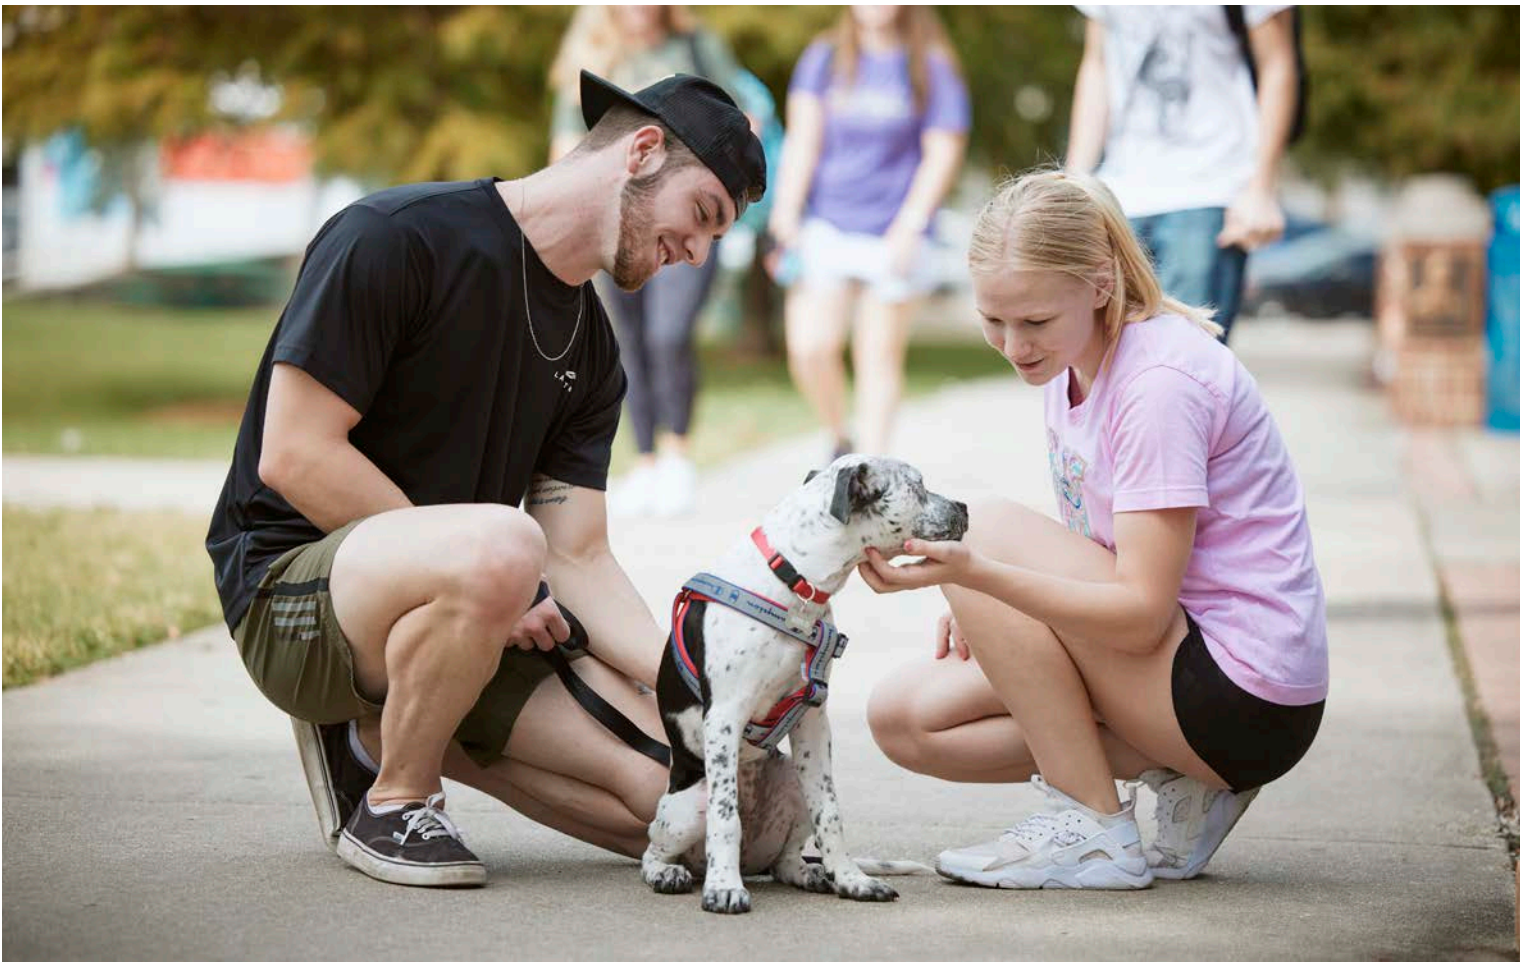

southeastern.edu/accessibilityservices

UNIVERSITY FOOD PANTRY

Being a student can be a financial challenge, and Southeastern understands that. We want to ensure that there is a little extra help for those who need it. The Student Food Pantry serves this purpose. The Wesley Foundation operates the Southeastern Food Pantry with the help of student workers and volunteers. The mission of the Southeastern Food Pantry is to provide non-perishable food items to any currently enrolled Southeastern student in need.

southeastern.edu/foodpantry

STUDY ABROAD AND GLOBAL ENGAGEMENT

Studying abroad adds an invaluable dimension to a student's academic, cultural, and professional development. It also provides an advantage in an increasingly competitive job market. Firsthand experience in other countries and cultures provides a clearer understanding of ourselves, our own society and culture, our place in the global community, and our common human heritage.

At Southeastern, the Office of International Initiatives works to increase the global vision of students by providing them with cross-cultural and international experiences essential to success in a global economy and to strengthen the educational, economic, and social relations between the United States and other countries.

Recent programs have included trips to Italy, Spain, Germany, England, China, Panama, and the Galapagos Islands. Classes offered include business, biology, literature, language studies, theatre, communication, and history. Specific class offerings vary from year to year.

southeastern.edu/studyabroad

CONNECT TO SUCCESS

Students who do not meet Southeastern's regular admission criteria are eligible for our Connect to Success Program. This bridge program allows students to enroll through Northshore Technical Community College, located on Southeastern's campus. After completing 18 hours of college-level coursework, including college algebra and college-level English, and maintaining a 2.0 GPA, students are eligible to transfer to Southeastern. While enrolled in the Connect to Success program, students may be eligible for Southeastern housing, meal plans, textbook rentals, and many other Southeastern student services.

connect@northshorecollege.edu

SOUTHEASTERN ARMY ROTC PROGRAM

The Southeastern Army ROTC college leadership program offers a commission in the Reserve/National Guard in a variety of career fields. ROTC provides participants with discipline and money for tuition, while enhancing the college experience. There are scholarship programs available, as well as funds for stipends.

At Southeastern, future leaders join an ROTC program designed to create second lieutenants who are adaptable and agile leaders of character for the U.S. Army. Army Reserve Officer Training Corps (ROTC) is one of the most demanding and successful leadership programs in the country. For years, Army ROTC has been creating leaders who go on to rewarding careers in the military and civilian worlds.

TAKE A CAMPUS TOUR

Under Southeastern's historic oaks, you'll find modern facilities, exciting events and world-class learning opportunities. Our main campus in Hammond, Louisiana, is just 50 miles north of New Orleans and 45 miles east of Baton Rouge. From future students taking a campus tour to fans attending an athletic event, we welcome all visitors to Southeastern.

Plan a visit to our campus and experience everything Southeastern has to offer. We would love to show you around on a student-led tour or welcome you during an upcoming event.

southeastern.edu/visit

PERSONAL STUDENT CAMPUS TOURS

Come experience first-hand the amazing opportunities for a campus tour. Prospective students will meet with admissions staff and then be led on a walking tour of campus from a current student. Tours are offered weekdays during university hours and registration is required.

GROUP TOURS

Want to take your class on a field-trip? There is no better place than Hammond, America! We would love to showcase Southeastern to your entire group. Group tours include admission presentation and walking tour of campus with student tour guides. Advance registration and dates are required.
