ADDITIONAL TERMS AND CONDITIONS

I. AGREEMENT OVERVIEW

This agreement pertains to a space in the organizational house as approved by university housing and the organization. Once a student's housing application has been processed, the student is financially committed to this agreement. Students agree to live in housing and are responsible for all housing and meal charges as outlined in terms of occupancy section IV (below) and meal plan requirements as outlined in section III (below). The University requires that all students under 18 years of age have this application co-signed by a parent, guardian, or other person willing to guarantee payment of the fees for the period specified. When this application is signed and returned to the University, via the Controller's Office, it establishes a binding agreement between the student (and parent/guardian if under 18 years of age) and Southeastern Louisiana University. AGREEMENTS CANNOT BE CANCELLED AFTER SUBMISSION (see Section X for more information).

II. REGISTRATION EXPECTATIONS, APPLICATION FEES and PRE-PAYMENT POLICIES

Residents must be currently enrolled and registered for classes as a full-time student at Southeastern Louisiana University. Residents who are academically suspended and/or fail to satisfy financial obligations and/or fail to early register for the Spring semester may be required to vacate their space within 24 hours of their last Fall exam, even if an appeal outcome is pending. Acceptance of this agreement by the University does not constitute a commitment of admission to the University. Agreements are accepted on a continual basis. However, assignments are based on space availability (which is not guaranteed), therefore, early submission is encouraged. Agreements submitted prior to June 15th must include a \$150.00 application fee. On/after June 15th for the Fall semester, November 15th for new Spring semester applicants, and May 15th for the Summer semester, the accompanying application fee is \$200.00. Application fee refunds will only be considered if University Housing is unable to offer a space by the 15th class day of each semester. Pre-payments are required at the time of application in the form of a check, money order or credit card. Requests for private rooms require a pre-payment of \$500.00. Requests for shared accommodations, apartments, and organizational housing require a pre-payment of \$250.00. Agreements will not be processed without a completed application, application fee, pre-payment and admittance to the University (at which time a priority date will be assigned) and may be mailed or hand delivered to the Controller's Office, located on North Campus, Financial Aid Building. The mailing address is: Controller's Office, SLU 10720, Hammond, LA 70402.

III. MANDATORY MEAL PLAN

Students living in organizational houses and who are members in good standing of said recognized organization have the following meal options: Students with under 60 credit hours have a mandatory meal obligation and may choose from the following; organizational meal plan 1; organizational meal plan 2; Lions plan; Pack plan; or Cub plan. Students with 60 credit hours and above do not have a mandatory meal obligation, but are encouraged to purchase a meal plan. Organizational Houses do not have production kitchens. The default meal plan is chosen for students who do not indicate a meal plan choice. Meal plans may be changed at the start of each semester. Meal plans are non-transferable. Unused meals at the end of each semester are forfeited.

IV. TERMS OF OCCUPANCY AND ASSIGNMENTS

Term 1 Fall; Occupancy dates are July 1st through December 31st. **Term 2 Spring;** Occupancy dates are January 1st through June 30th. Organizational building and room assignments will be based on individual building/organizational requirements (which are subject to change) and date of application (which is effective upon completion of all university admissions requirements) (students must also meet academic requirements). Roommate preferences and request for a private room (student pays double the term rate) will only be honored upon approval of the organizational president and/or house manager advisor and Director of University Housing. Organizational Houses (building) assignments and check-in information and dates will be sent to students prior to the start of their first full semester. Room assignment is contingent upon final acceptance for admission to the University and upon receipt of payment, or where financial aid awards are sufficient to cover costs. Rooms may be occupied only by students to whom they are assigned and may not be sublet to another person. The University reserves the right to require a student to share a room with a roommate based on space availability. The University reserves the right to change the room assignment of any student, to deny residence or limit access to any student, or dismiss a student from an organizational house at any time such action is deemed necessary for the best interest of all concerned. Shared rooms are to be occupied by 2 persons. In case one of the occupants does not claim his/her assigned double room space or moves, the student who remains agrees to accept another roommate, or may be required to move to another shared room upon request ("consolidation").

V. BEHAVIOR

Students are responsible for complying with all policies and regulations as set forth by University Housing and/or the University. University Housing has a ZERO TOLERANCE policy for unacceptable behavior. Drugs, weapons, vandalism, tobacco use, fighting, alcohol, and other behaviors not conducive to the educational mission of the university and residential community will not be tolerated. Students in violation may be immediately removed from the Organizational House. In addition, students are expected to comply with all national, state, and local laws. These policies and regulations state clearly some behaviors students must do and some specific behaviors that students must not do if they wish to remain associated with the University. Students removed from Organizational houses for disciplinary reasons receive no refunds of housing fees.

VI. DAMAGES/RELEASE OF LIABILITY

Occupants of the organizational houses are held liable for damage to the University property within their room, building and all other University property that they use or to which they have access. The University reserves the right to charge for excess trash and/or damages in either a student's room or in a common area (interiors and exteriors) equally to all students, if individuals involved are not identified. (NOTE: Reasonable attempts will be made to identify the individuals involved before a group billing process will be initiated.)

VII. LOSS/ABANDONMENT OF PROPERTY

The University is not responsible for damage to or loss of personal property, failure or interruption of utilities, or injury to persons. Residents are encouraged to provide their own health and personal property ("renter's") insurance. Upon termination of this Agreement, all personal property and refuse must be immediately removed from the halls. Failure to do so will result in a \$300.00 charge for removal and disposal of any such property or refuse. Further, the resident hereby agrees to hold the University, its employees and contractors harmless for any bodily injury and/or loss or damage of personal property remaining in the halls after termination of this agreement. Further, the resident agrees to indemnify and defend the University, its employees and contractors as to any suits, claims, or demands alleging loss or damage of property of others that was left in the resident's room, apartment, possession, custody, or control.

VIII. INTERRUPTION OF SERVICE

In the event of a malfunction of mechanical equipment in a residence hall, maintenance personnel shall make an effort to restore operations. Partial refunds of rent are not made for suspension of services.

IX. GENERAL POLICIES

- (A) Authorized University personnel may enter, inspect and make such repairs to the assigned space as the University may reasonably desire at all times.
- (B) Residents who register as part-time status or drop to part-time status must secure written permission from University Housing to reside in the organizational house.
- (C) While this agreement is in effect, the resident will be required to meet all financial obligations of this contract. It is the resident's responsibility to pay charges, including but not limited to room, meal plan, and damage charges, according to the fee schedule in the General Catalogue.

X. REFUND POLICY

(Refunds, once approved, may take six weeks or more to process)

The University Housing application fee is refundable only if the applicant is denied admittance to the University or is academically ineligible to live on campus. In these cases, the applicant may request a partial refund of \$100.00.

- The student submits in writing a request to cancel the application PRIOR to June 15th for the Fall, November 15th for the Spring, and May 15th for the Summer.

Payment-in-full is refundable if the request is made in writing prior to June 15th for the fall semester, November 15th for the spring semester and May 15th for the summer semester. After these dates, the student will be given credit as per the fee schedule set by the Controller's Office, less any application fees and pre-payment. No refund will be made to any student resigning after the fifteenth class day (full summer session – eighth class day).

No refunds or pro-rata refunds are given for disciplinary removal from the residence hall or residential community.
