

Updated 2-17-2011

**Memorandum of Understanding between
Krebs LaSalle Environmental, LLC
And
Southeastern Louisiana University**

Krebs LaSalle Environmental, LLC (KLE) is an environmental consultancy firm that is actively involved in many environmental projects in the Gulf Coast region. Southeastern Louisiana University has a broad spectrum of talented faculty whose expertise could be applied toward many of the projects in which KLE is involved. For the purpose of facilitating a relationship that takes advantage of the complementary resources and skills between Southeastern Louisiana University (Southeastern) and KLE, the partners agree to the following terms.

In accordance with this agreement, Southeastern offers the following services:

Southeastern will provide a furnished office with internet access.

Southeastern will identify an individual who will serve as the liaison between Southeastern and KLE.

Southeastern will provide to KLE a list of relevant faculty with their areas of expertise and contact information.

Applicable Southeastern faculty members will assist with proposal preparation on joint projects.

Applicable Southeastern faculty will provide knowledge and skill expertise on joint Southeastern/KLE projects.

Representatives from KLE will be invited to appropriate academic units to discuss and foster collaborative opportunities.

As appropriate, Southeastern will allow use of research laboratory facilities for the purpose of completing collaborative projects.

In accordance with this agreement, KLE will provide the following:

KLE will identify an individual or individuals who will serve as a liaison between KLE and Southeastern.

KLE will allow Southeastern student research assistants to work on collaborative projects as appropriate.

KLE will inform Southeastern of any internship and/or employment opportunities at KLE.

When pursuing contracts either through municipal, State, Federal, or private agencies, KLE will work with Southeastern to identify any areas in which Southeastern faculty members or students can contribute.

This agreement will remain in effect until proper notification by one party to the other of intention to terminate or amend. Either party may terminate the agreement with 30 days notice; however, the parties agree to cooperate to allow any ongoing project a reasonable period for completion.
