Graduating Class Profile

Executive Summary

Each summer, the Office of Institutional Research prepares the Graduating Class Profile Report. This year's report contains information on the 2018-2019 graduates. Basic demographics are included as well as information on how long the graduates have attended Southeastern and from which institutions students last transferred.

During the 2018-2019 academic year Southeastern conferred a total of 2,079 degrees, a decrease of 49 (2.3%) degrees from 2017-2018. Sixty-nine percent (69%) of baccalaureate degree recipients are White, Non-Hispanic, while sixty-four percent (64%) are female.

Some highlights include:

- For transfer students, Southeastern's leading feeder school is Baton Rouge Community College followed by Delgado Community College, Louisiana State University – Baton Rouge, Northshore Technical Community College, River Parishes Community College, University of Louisiana-Lafayette, Southern University-Baton Rouge, and University of New Orleans.
