

# Undergraduate Research 2007 - 2008

Over 80 students participated in Undergraduate Research during 2007-2008. Some highlights of the research include:

- » Eighteen students were presenters or co-presenters at state, regional, national, and international conferences including:
  - Southeast Athletic Trainers' Association Student Symposium
  - Joint Meetings of Ichthyologists and Herpetologists
  - Beta Alpha Psi 2008 Annual Meeting
- » Eleven students were coauthors on papers, including the Undergraduate Research Journal for the Human Sciences.
- » Organizing the official archive for the Council of Editors of Learned Journals and writing a full history of the Council.
