**FROM:** Eric Summers, Director  
**RE:** Let's Get It Started

Each fall, the Office of Multicultural & International Student Affairs (MISA) kicks off the semester with its annual "Party with a Purpose" - Let's Get it Started (LGS). LGS officially welcomes freshmen to the Southeastern family. The goal of the program is to provide a means for integrating new students into our community socially and academically in a safe party atmosphere.

Student organizations play an important role in that process as involvement not only helps ease transitional issues, but also promotes academic progression. As such, the event consists of an opportunity to promote your organization. Let's work together to boost pride and spirit for Southeastern while encouraging academic success.

We are asking organizations to notify the MISA office to let us know whether or not you will be participating. Typically the event is held in September during the week following the Labor Day Holiday in the Student Union Mall. Please complete the form below and return it to the office. We look forward to seeing you there.
