Upcoming Grants Workshop – NETT Conference

The director and staff of OSRP will be participating in the third annual Northshore Excellence in Teaching with Technology Conference, which will be hosted by Southeastern and Delgado Community College. On Thursday, July 20th from 8:00am till 4:30pm, OSRP will conduct an all day workshop entitled “Grants for Technology -- Locating Funding Opportunities and Writing a Winning Proposal” that will provide participants hands-on experience in both searching for grant opportunities and beginning grant writing using proven techniques. On Friday, July 21st, OSRP will conduct sessions on both searching for grant funding and proposal writing. For more information on this and other workshops offered or to register, go to <http://www3.selu.edu/sttammanycenter/nett2006/default.htm>.

BOARD OF REGENTS 2006-2007 SUPPORT FUND GRANTS (FORMERLY LEQSF) –

Research and Development Program: RCS & ITRS -- 2006-2007 Disciplines Eligible

- ❖ **Physics/Astronomy**
- ❖ **Mathematics**
- ❖ **Agricultural Sciences**
- ❖ **Engineering A** (Chemical, Civil, Electrical, etc.)
- ❖ **Social Sciences**
- ❖ **Biological Sciences** (eligible every year)
- ❖ **Computer & Information Sciences** (eligible every year)
- ❖ **Earth/Environmental Sciences** (eligible every year)

Enhancement Program -- 2006-2007 Disciplines Eligible

- ❖ Arts
- ❖ Earth/Environmental Sciences
- ❖ Agricultural Sciences
- ❖ Health & Medical Sciences
- ❖ Engineering A (Chemical, Civil, Electrical, etc.)
- ❖ Multidisciplinary
