

Southeastern Louisiana University

**Department of History
and Political Science**

The major objectives of the Department of History and Political Science are (1) to provide all students with general humanistic knowledge in the fields of history, political science, and philosophy; (2) to aid them through this knowledge to analyze and interpret problems and achievements of past and present societies; (3) to further their intellectual development through opportunities to think, to speak, and to write logically and analytically; (4) to prepare them to become dynamic citizens who understand the structure, powers, and procedures of national and state governments and have some knowledge of other world governments as well; and (5) to provide specific background training for such professions as law, journalism, government service, and teaching. Students who wish to prepare for graduate study in History or Political Science or for law school should consult with the head of the department.
