The Department of Music is an institutional member of the National Association of Schools of Music. The core curriculum of the College of Arts and Sciences is required in the Bachelor of Music degree program.

RECITALS AND CONCERTS

Attendance at recitals, concerts, and music theater productions is required for all music majors. Each student is required to accommodate attendance expectations when formulating their academic and personal schedule.

ENSEMBLE EXPERIENCE REQUIREMENTS

Students in the Bachelor of Music or the Bachelor of Music Education curriculum will be required to study at least one instrument in their primary performing medium and enroll in the appropriate applied instrument course throughout their program of study. Students are required to register each semester of full-time residence for specific ensembles most closely related to their primary instrument(s). Symphonic Band or Varsity Band for wind majors or percussionists, Concert Choir or University Chorus for vocalists, and Orchestra for string majors. The choice of which instrumental or vocal ensemble will be made by the performance area directors. Pianists and guitarists can satisfy this requirement by selecting either a vocal or instrumental ensemble. Guitarists may also satisfy the requirement by performance in MUS 145/445 (Chamber Ensemble). Students must arrange personal and work schedules to avoid conflicts with ensemble commitments.

UPPER-DIVISION PERFORMANCE EXAM

All students majoring in music at the undergraduate level must pass an upper division qualifying performance exam. Successful completion of this exam will allow the student to enroll in 400 level applied music courses. The student will be expected to display technical proficiency and artistic maturity through repertoire approved by all faculty in each applied area (Keyboard, Instrumental, and Vocal).

The upper division performance exam should be taken at the end of the student's fourth semester of applied study at the 100 level. If the student does not pass the exam on the first attempt, he or she will be granted a probation period of no more than two semesters of required applied study to retake the exam. At the end of the probation, if the student has not passed the exam, he or she will not be allowed to continue as a music major.
