

Southeastern Louisiana University

Department of

Communication Sciences & Disorders

[Mission](#) | [Honors Diploma](#) | [Curriculum](#)

Mission Statement

The Department of Communication Sciences & Disorders provides professional services to school systems, medical, and rehabilitation facilities within the University's community to assist in strengthening their programs for individuals with communication disorders. The Department of Communication Sciences & Disorders offers an undergraduate curriculum leading to the degree of Bachelor of Arts. This four-year curriculum prepares students to serve individuals with communication disorders. Clinical practica are required. The Department also offers curriculum and clinical practica leading to a Master of Science degree with a concentration in speech-language pathology. For information regarding the Master of Science degree in Communication Sciences & Disorders, refer to the Graduate School section of this catalogue.

Honors Diploma in the Discipline

The department also offers an upper-division honors curriculum allowing its students to earn an honors diploma in the major at graduation. For information about requirements and honors courses in this department, please contact the Department Head.
