**V. Reports**

- A. SGA President L'Oreal Williams

Last week, I went to Northwestern State University for a conference with the University of Louisiana System. It was an opportunity to gain student input for things that go on on campus, learn about what other schools are doing, and focus on student engagement and retention; if you wanna know more about it, let me know. The SGA election campaign is next week. Support your friends and pay attention to posts in the groupchat. I would like for us to do an SGA photoshoot/ tiktok video to let

students know we have fun, let me know if you would be interested. I will send a message asking who would be interested in participating in an Girl Scouts event. I want to see who would be interested before I sign up for an SGA team.

B. SGA Chief Justice Lucas Laborde

No report, I hope y'all have a good week

C. SGA Advisor Brendan Daigle

Right now we have SGA election campaigning and voting, so please pay attention and please vote. Thank y'all for everything you've done throughout the semester.

D. Internal Affairs Chair Nicholas Roy

On behalf of Internal Affairs, thanks for getting through the Constitution amendments last week. Next, we have started working on bylaws including the assessment portion, please bring us any questions or concerns so we have the best possible outcome. Third, thanks for submitting points and sheets, I want those as soon as possible so we are not cramming at the end.

E. Appropriations Chair Caroline Watson

Last week we discussed a Bill to sponsor the SGA Spring Fair, which is a campus wide event with fun activities. Then, we reviewed a Bill to send 6 Honors students to go to a regional conference; this is something we've sponsored before and is a good opportunity to get Southeastern's name out there

F. Student Life Chair Edrica Thomas

We will be having the March senate social as soon as this meeting ends

G. Senate Chair KeRon Jackson

First, join me in giving Madame President a round of applause for representing us this year in the UL system and to our SGA Advisor and GA for their hard work for us. Please continue to answer emails. If you don't communicate, I can't help you and things start piling up. Evaluations are next week, pick a time slot during my office hours via the form in the google drive, everyone needs to come so you know where you stand; excuse forms should be turned in the week of your absence. Continue to dress professionally in all SGA meetings.

Applicant: We put in for this request to take some Honors students to the Southern Region Honors Council Annual Conference. There will be students from all across the Southern region to present academic research. They also have the opportunity to see what other Honors programs do for fundraising, service events, and more. What they pick up from that will hopefully be reinvested into other Southeastern organizations.
