It is highly recommended that students complete the shaded courses prior to transfer in order to be able to progress through the degree in a timely manner. Additional semesters will be required if these courses are not completed at the time of transfer. Recommended General Education Humanities courses for Southeastern are indicated by an \*.

Completion of the AALT/ASLT degree guarantees that the student has met, in full, all lower level division general education requirements at the receiving Louisiana public university. Graduates transferring with the transfer degree will have junior status. Courses or GPA requirements for specific majors, departments, or schools are not automatically satisfied by an AALT/ASLT degree.
