Poet Laureate,
State of Louisiana, 2017-2019,
Professor of English
Coordinator, Programs in
Creative Writing

Interested in ecology, the environment, or place-based writing? English 484/584 is the course for you this fall.

*

Get an introduction to the theory and practice of environmental and eco-justice literature. Learn the role of place in contemporary poetry. Compose and workshop new poems. Practice the mechanics of editing and revision as well as submission to literary journals.
